Long distance directory assistance (Information)—Dial "1," plus the area code for the place you want, plus 555-1212. For numbers in your Area, dial "1" plus 555-1212.

► directory listings

Every effort is made to make the directory as accurate as possible. The company is not liable for damages arising from errors or omissions in free listings. Its liability in the case of paid listings shall not exceed the charge for such listings during the life of this directory.

If you cannot find the number of the party you seek in this directory, please call directory assistance (information).

► employee identification cards

For your protection, any employee who visits customer premises carries an official identification card showing his or her name and signature. If you have the slightest doubt about anyone who says they are "from the Telephone Company" please ask to see their card.

► handset off hook

Whenever a handset is not replaced carefully after a call is completed, or is pushed against a nearby object, it blocks off incoming calls like a busy line. To avoid lost calls, especially in emergencies, it's good insurance to be sure the handset always is where it belongs.

► out-of-town directories

Directories of other cities may be obtained by calling your Business Office. Telephone directories of the principal cities and towns in the United States may be consulted at our Business Office.

► recorded telephone conversations ("Beep" tone)

If you hear a short "beep" tone on your telephone about every 15 seconds, it means that the person with whom you are talking is recording your conversation. This signal is provided by the Telephone Company for your protection. Use of a recorder without recorder-connector equipment containing a tone-warning device is contrary to the Company's tariffs and not permitted. If you do not want a record made of what you are saying, ask the person with whom you are talking to disconnect the recording machine. When it is disconnected, you will no longer hear the "beep" tone.

**obscene or harassing phone**

**calls:**

DON'T TALK to nuisance callers; they are looking for an audience. HANG UP if the caller does not say anything, does not identify himself satisfactorily, or uses improper language. CALL POLICE if a threat is made. Call your INDIANA BELL Business Office if such calls persist; specially-trained telephone people will work with you and police to apprehend the caller.\*

\* INDIANA STATE LAW:—Whoever, by means of a telephone:

(a) makes any comment, request, suggestion or proposal which is obscene, lewd, lascivious, filthy or indecent;

(c) or makes or causes the telephone of another repeatedly or continuously to ring, with intent to harass any person at the called number;

It is also unlawful to take over a party line by stating falsely that the line is needed for an emergency.\*

\* INDIANA STATE LAW: It shall be unlawful for any person using a telephone on a party-line to refuse to yield such party-line, when requested to do so, to any person who wishes to place an emergency call from a telephone on such party-line. **guarding against fraud:**

For your protection, new equipment and procedures enable the Telephone Company to detect and investigate fraudulent calls.\*

### A Salute to the 200th Birthday of the United States and the 100th Birthday of the Telephone

"Happy Birthday, America!" from your Bell System Telephone Company. That's what the cover of this directory is... a birthday party for the nation. And since 1976 is also the centennial of the telephone, we gave each of the 26 guests of honor on the cover a famous phone from yesterday or today. What are they talking about? The two birthdays, no doubt, with reminiscences, tall tales, best wishes, and perhaps even a little bit of gossip. The list below and the key above identify the cover characters and what kinds of phones they're using.
