The water color painting which appears on the front cover of this directory is entitled "Homestead." James McBride, the artist, lives in Fort Wayne and also does most of his painting in that part of Indiana. You may pick up a reprint of the painting suitable for framing at your Indiana Bell PhoneCenter Store.

This list of frequently called numbers is arranged to help you find community services and information more easily and quickly. Complete listings of city, township, county, state and U.S. governmental offices are in the White and Yellow Pages of this directory.

How to call Directory Assistance

For local numbers dial:

1 + 411

For numbers within your area dial:

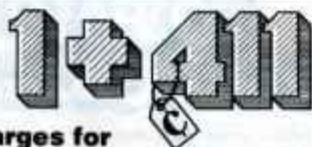

1 + 555-1212

For numbers outside your area dial:

1 + Area Code + 555-1212

For the telephone numbers of businesses and people who have "800" numbers dial:

1 + 800 + 555-1212

Charges for Directory Assistance

Indiana Bell customers have a basic five-call allowance each month for calls to local Directory Assistance (1 + 411). Up to five additional calls to 1 + 555-1212 are allowed if the requests are offset by billed customer-dialed long distance calls within the home area code during the same monthly period. Directory Assistance calls over the allowance cost 20 cents each. Directory Assistance placed through the "0" Operator cost 40 cents each.

Directory Assistance charges do not apply to calls from hospitals and coin telephones.

There is no charge for Directory Assistance calls outside the customer's home area code.

Visually and physically disabled persons who cannot use the telephone directory may apply for exemptions from these charges through the Business Office.

Business customers with PBX service are allowed five calls monthly per trunk to local Directory Assistance (1 + 411). Up to five additional calls to 1 + 555-1212 are allowed if the requests are offset by billed customer-dialed long distance calls within the home area code during the same monthly period.

Five ways to save on Directory Assistance charging

1. Use the directory. Most calls to directory assistance are for numbers which are listed.
2. Write down the numbers that you call frequently. You may wish to circle or underline a number in your directory to quickly find the number a second time.
3. To get the telephone number of someone who has recently moved, call the old number. A new number reference is generally provided.
4. You can save the inconvenience of a second call to Directory Assistance if you can supply complete information the first time: exact location, accurate spelling and full names.
5. If you are not sure of the name or spelling of a restaurant, theater, store, union or business, check the Yellow Pages under the appropriate heading.

How to obtain directories

Additional directories or directories for other areas may be obtained by calling your Business Office. In some cases a charge may apply for out-of-town directories.

Errors in directory listings

Every effort is made to make the directory as accurate as possible. The company is not liable for damages resulting from errors or omissions in free listings. Its liability in the case of paid listings shall not exceed the charge for such listings during the life of this directory.

If your listing is incorrect or omitted from this directory, please contact your Business Office. We will correct our records to assure that such an error or omission does not recur.

How to find names in the directory

Check alternate listings

"John James Company" might appear as "James John Company."

James John Co	Jensen A R
John James Co	Johnson C L

Disregard ampersands (&), hyphens (-)

Look up the listing as if it were two or more separate words.

King & Co	King John L
King-Masters Co	Kingston Paul

Disregard apostrophes

If you want the number for "Bob's Place," look for it as Bobs Place." Also, what you may think of as "Smith's Toy Shop" may actually be listed as "Smith Toy Shop."

Bob Shop	Bob's	Bob's Place
----------	-------	-------------

Government listings follow name of state, county or city

For federal agencies look under "United States Government." State, county and city government listings are alphabetical.

Anytown, City of
Centennial, County of
Indiana, State of

Initials precede first names

For example, "Jones, A" comes before "Jones, Albert."

Jones A	Jones A A	Jones Albert
---------	-----------	--------------

Letters used in names

Names consisting of all capital letters such as radio and TV stations are listed at the beginning of the section.

W Ace Sales	WABD
W&W Appliance	Wabash, D

When letters precede a full name, also check the beginning of the section. For example, "A-1 Garage Inc" would be among the first listings in the "A" section.

A-1 Garage Inc
A&M Sandwich Shop

Numbers are spelled out

If used as names, numbers are alphabetized as if the word were spelled out. For example, to find "21 Cleaners," look as though it were listed under:

"Twenty-One Cleaners,"	
Twelves M A	21 Cleaners
Twenty-One Market Bldg	
Two by Six	Twohy R M

Prefixes in names are alphabetized

For example, "MacNeil" follows "Macnab" and "Macoy" follows "MacDonald."

Mac Tool Sales	MacDonald J B
Mac's Auto Inc	McDonald W E
Mead Albert	

Spell out abbreviations

Certain abbreviations are listed as if the word were spelled out. For example, "St. James Hospital" is alphabetized as "Saint James Hospital."

Sainpolis Jane	St. James Hospital
Sais John	Sala E C

Spelling variations are cross referenced

Cross references are sometimes shown in the directory for names which are pronounced the same but spelled differently. Shaffer for example can appear as "Schaefer," "Schafer," "Schaffer," or "Shafer."

SHAFFER — see also
Schaefer, Schafer Schaffer, Shafer

"The" usually follows a company name

For example, "The Brown Fabric Company" would be listed as "Brown Fabric Company, The."

Brown F D	Brown Fabric Co, The
Brown Frank	Browne B A

Indiana Area Codes

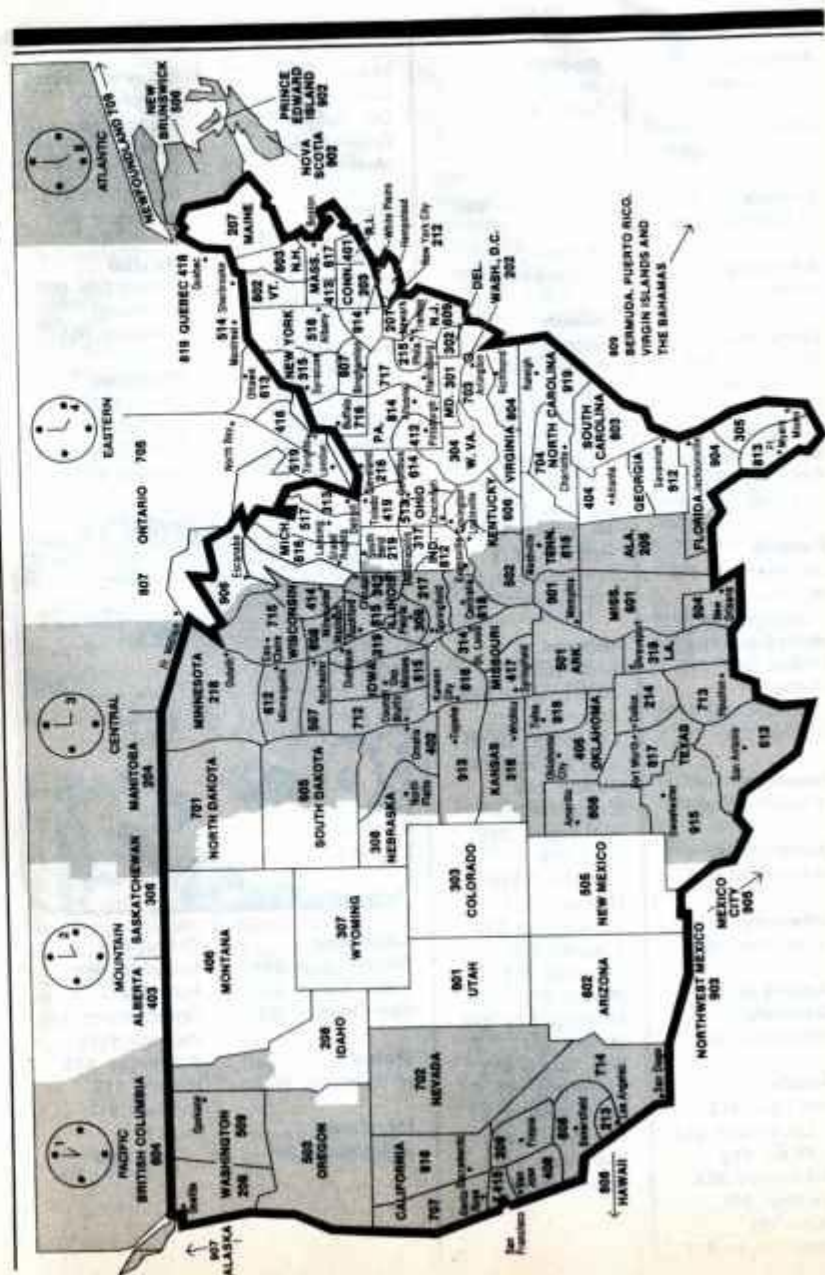

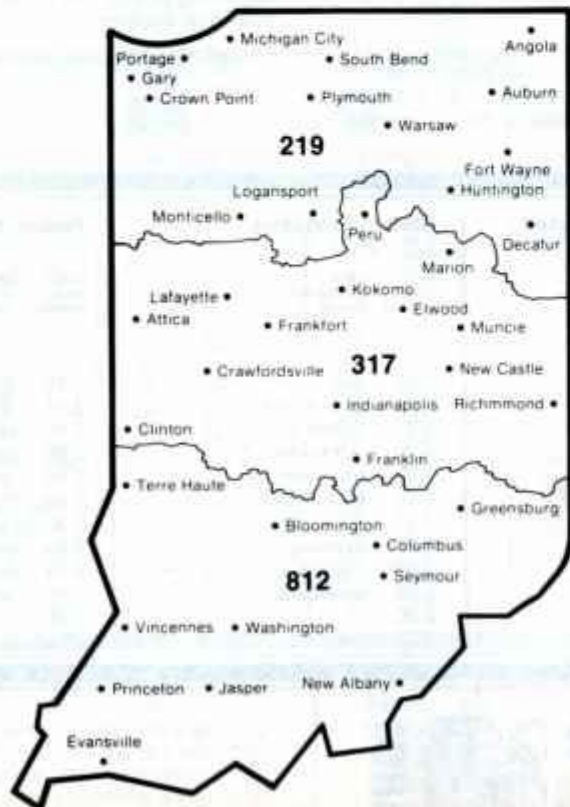

Each area has a three-digit Area Code. The Area Code for this directory is indicated on the front cover and on your telephone.

The Area Code of the telephone you are calling should be dialed, or given to the Operator if it is different from the Area Code of the telephone you are using. It should not be used if both Area Codes are the same.

When you give someone your telephone number, include your Area Code — it might be needed to place a call to you.

Consult Area Code list on page that follows for specific cities not indicated on these maps.

If you want the Area Code for a place not listed, dial the Operator.

Use left-in equipment

If the telephones have been left by the last resident of your new home or apartment and you are satisfied with them, be sure to mention this to the Service Representative when you order your telephone service.

Choose a one-time payment plan

If you plan to stay in your home for several years, you may save money by making a one-time payment on either the Princess® or Trimline® telephone rather than a monthly charge. You may choose the one-time payment plans of \$50.00 for the Princess or \$90.00 for the Trimline. If you prefer this one-time payment plan, which is non-refundable, please mention this to your Service Representative.

Install everything at once

Every time you have telephones installed or service changed certain one-time charges apply. Save money by having all installation work done at one time.

Letter of guarantee instead of deposit

You have the option of providing the telephone company with a letter from a person or firm with established telephone credit willing to guarantee payment of your bills. This can be used instead of a deposit.

Take and save when moving

If you are moving, ask your Service Representative about our Set Recovery Plan. You may save \$5 by taking your telephone with you.

Ask for a pay phone refund

If one of our pay phones collects your money but you don't talk to anyone, report it by dialing the "0" (Operator) from another phone. We'll see that the phone gets fixed and mail you a refund.

Make special arrangements when you go on vacation

If you are going to be gone for one month or more, call your Service Representative to have your phone put on vacation rate service. The vacation rate is lower than most regular rates and may save you money, although there is a charge for this service. Your calls may be referred to another number while you are away for an additional charge.

Order service at the PhoneCenter Store

You can save part of the installation costs by going to the PhoneCenter Store and picking up your telephones.

Schedule and plan your calls

If you call someone frequently, try to set a specific time when he or she will be there to receive your long distance call. That way, you can always call station-to-station and save. Plan the things you want to say to save calling time.

Look in the book

You can avoid Directory Assistance charges in the future by looking up your own numbers in the directory. Also, jot down frequently called numbers and keep them next to your telephone.

Dial direct and save

It costs less when you dial long distance calls yourself.

Collect, credit card and coin phone calls require the services of an Operator; so do requests for time and charges and calls billed to another number. Calling person-to-person always costs the most.

Extra equipment costs more

If you're on a limited budget, consider having only one rotary dial phone for your home. Telephone service without Touch-Tone dialing, extension phones, or additional services saves money. You still have a variety of colors and wall or desk models to choose from at no extra charge.

Call during bargain times

Rates on direct dial long distance calls are lower during evening, night and weekend hours. Also, take advantage of holiday rates on New Year's Day, July 4th, Labor Day, Thanksgiving and Christmas Day.

TIPS on HOW TO USE the...

Yellow Pages

NO MATTER WHAT YOU ARE LOOKING FOR . . . JUST THINK OF THE WORD OR PHRASE THAT BEST DESCRIBES IT AND LOOK IT UP, FOR EXAMPLE:

WANT TO BUY SOMETHING?

Suppose it's lumber. You will find it under Lumber—Retail.

NEED A SERVICE OF SOME KIND?

Perhaps your clock is out of order. Look for a firm under the heading of Clocks—Repairing.

WANT TO SELL SOMETHING?

Want to sell an antique? Just turn the pages to the Antique Shops heading. You will find dealers listed who buy antiques.

WANT TO RENT SOMETHING?

Suppose it's a trailer. Open the book to Trailer Renting & Leasing.

WANT A BRAND NAME PRODUCT?

Perhaps it's a well known water heater. Turn to Water Heaters. There you can select a dealer listed under the trade mark of the brand you want.

NEED EMERGENCY SERVICE?

Suppose you lose your house keys. Look under Locksmiths for one who is located near your home.

Bell System Yellow Pages

THE YELLOW PAGE EMBLEM Leading national manufacturers use it as an important part of their magazine, TV and newspaper advertising campaigns. Locally you'll see the emblem on a company's shop door or window or on its delivery vehicles. When you need that company's products or services, the emblem with the message "Find Us Fast", is your guide to the Company's ad in the Yellow Pages.

Yellow Pages

They go together

... Yellow Pages and the telephone instrument; both symbols of comfort, convenience, and service do indeed go together.

The new design reminds everyone that your telephone company is always searching for fresh ideas and new approaches to stimulate increased consumer usage of Yellow Pages... a better place to shop... and a more effective place to advertise.

Yellow Pages, better today, even better tomorrow.
