

THE CULVER CITIZEN

63RD YEAR, NO. 43

CULVER, INDIANA, WEDNESDAY, OCTOBER 23, 1957

TEN CENTS

... It Must Be
THE LAKE WATER
By Bob Kyle

This widely-read and much-discussed weekly column by the veteran newspaperman, Robert K. Kyle, represents his personal opinions only. The Culver Citizen does not always agree with Mr. Kyle's views and conclusions but it does strive by fairlight reporting and incisive observations.

THE OLDEST BUSINESSMAN IN TOWN, both in age and years in business here, has just moved his home to a new building in the rear of his residence on Lake Shore Drive.

Arthur Fishburn, the Mack-smith and iron worker, was finally forced to evacuate his building on the eastern shore that has housed his operations since about 1918, because the roof was about to cave in. Now he is settled in a shop where he can do anything with iron that needs to be done.

He was first a blacksmith, and in those days it meant shoeing horses and repairing the iron parts on vehicles that were horse-drawn and sharpening plow points. But times have changed and now electric and mechanical welding is the main operation.

He lately got around to creating a sign for his old ramshackle home and is having him set up a sign that fits in the manner that only one of his craft and experience can turn out.

Incidentally, he also is the oldest volunteer fireman, having served 40 years as a member of the crew in the old fields. Now, something is in the way of a coin operation should he do so long as we are forever honoring persons and things for a lot less reason.

INCIDENTAL HAPPENINGS: A new Methodist parishage is in the making with bids being sought and plans completed. It will be built to the rear of the church, and of near corresponding architecture to Holy Shaker's addition.

Walter Shaker attended a general assembly convention in Indianapolis last week. No foolin' ... Lester Shaker, our Chevrolet dealer, is always on hand to help out when needed. His latest is to supply a truck with a driver training car, which everyone knows is something worthwhile ... This is a good year for auto, and a shame so many of them are going to waste along roadsides. Lots of wintake and hickory nuts (shell-barks), but has anyone seen any hickories? ... Saw a 1913 automobile heading plain in one of the more sinful emporiums in Argos. It was the heavy porcelain kind, and that was the first year the state furnished plates. Previously you were given a small metal tag with your number and you painted your own — black with white letters — and attached them to the sides of your car with leather straps. Nowadays you can't even find that ... Dr. A. A. Noyes of Elkhart noticed that in his town directory there were more

Churches Sponsor Reformation Day Service Sunday

The Culver-Union Township Council of Churches are sponsoring a Union Reformation Day Service, Sunday, Oct. 27, at the Central Methodist Church at 7:58 p.m.

Reformation Sunday which is observed nationally on the last Sunday of October is a day observed by Protestants to remember their common Christian heritage and convictions of faith.

The heart of the service will be a dramatic composition of laymen who will emphasize the great tenets of the Protestant Faith: the Bible, the priesthood of all believers, justification by faith. The theme of the symposium is the Meaning of Reformation. The speakers and their subjects are: Harry Whitely, the Bible; Donald Davis, the Right and Duty of All Christians to Interpret the Bible; James McMurry, the Priesthood of All Believers; Conrad Mattox, Justification by Faith. Robert Tittle is the chairman.

The choir for the service under the direction of Mr. Bryce Bradley will be made up of selected voices from the Protestant churches of the community.

Those of the community ministers will assist in the service. The public is invited to attend.

Basketball Season Tickets Go On Sale Next Wednesday

As an accommodation to regular season ticket holders and a recognition of their loyalty, a change is being made in the handling of the pre-season sale of reserved seats. Coach Bruce Gillett and members of the C.I.H.S. Athletic Committee.

After the field season tickets last year can call the high school office by telephone or call in person, requesting seat reservations. Payment for the seats is to be made when picking up the tickets before the first home game.

Season tickets will be priced at \$5.50 for the eight home games. Season ticket holders will receive preference for tournament tickets. Single admission will be 40 cents.

Reserved seats will be thrown open to the public at 8 a.m., Wednesday, Oct. 30, at the high school office, on a first come, first served basis.

Student tickets will be priced at \$3 this year and will be placed on sale Tuesday, Oct. 29.

Ground Is Broken For New \$25,000 Church

Pictured above are members and friends of the Culver Bible Church at the groundbreaking ceremony last Sunday. In the foreground of the top picture are the members of the building committee, left to right: Rev. Maynard G. Tittle, Arthur Roschke, Joe Hostema, and Milton Goble. Centered in the lower picture Rev. Maynard G. Tittle turns the first shovel of soil toward the construction of the new church.

FOUR CLAYBURN MEN IN PURSUIT OF A BIBLE

Culverites Horchell Strand, George Babcock, Wayne Flagg, and O. C. Gibbons are headed for Hazel, that's the name of a town, not a girl, in South Dakota to try their luck at present hunting. They expect to be about one week.

STANLEY CLINE LEAVES

Airman, third class, Stanley Cline who spent last week with his parents, Mr. and Mrs. Ruth Cline, left Friday evening for the Rolling Air Force Base in Washington, D.C. where he will be in the Air Force Band.

Bible Church To Erect Fine New House Of Worship

Excavation Begins Within A Week

More than 60 people gathered last Sunday afternoon at 1304 South Main Street to observe a milestone in the life of Culver Bible Church.

The weatherman cooperated, providing a beautiful day for the groundbreaking service — the kickoff of the church's eagerly awaited building program.

Following spirited group singing, prayer and special music, the speaker, Rev. Robert Nitz, pastor of the Mayflower Bible Church at South Bend, challenged the congregation to not forget their main responsibility of spiritual building as work progressed on the physical building.

Rev. Maynard G. Tittle, able and popular local pastor, turned the first shovel of ground, followed by Milton E. Goble, chairman of the building committee.

Impressive Ceremony

Instead of ushers taking the offering in the customary manner, the basket was placed in the hole made when the pastor broke ground.

To close the service those assembled formed an unbroken line on the outline of the proposed building and joined in singing the Doxology.

Actual excavation for the new edifice will be begun within a week.

The building, with full basement, will have a nave seating 144, with expandable rooms for an additional 100. The total main section will be 32 x 40 feet.

Cost Estimated At \$25,000

The complete structure will cost approximately \$25,000, and will be partially made possible by the Broadway Plaza of Church Finance.

The church will sell bonds in denominations of \$5, \$10, \$25, and \$50, bearing five per cent interest, payable semi-annually. The bonds will be sold to any in-

terested persons as well as to members. A fund has been established at The State Exchange Bank into which a stipulated amount will be placed weekly, calculated to pay the interest coupons and retire the bonds as they become due.

Hostema Principal Founder

Culver Bible Church had its inception when a few people, principally the late Joe Hostema, felt the need for a church which interprets the Bible literally, accepting the entire Bible as being inspired by God.

Culver Bible Church, as the name implies, considers the Bible as the sole authority and basis for both doctrine and living, and emphasizes in His preaching the main doctrine of the Bible, salvation through the substitutionary death of Jesus Christ.

The first meeting was held in January, 1951. The pulpit was then supplied by ministers from Grace Theological Seminary at Winona Lake, Indiana, until the present pastor, Rev. Tittle, moved on the field in November, 1952.

Rev. Tittle is a graduate of Franklin and Marshall College in Lancaster, Pa., and has a Bachelor of Divinity degree from Grace Theological Seminary.

James Of Charter Members

The church adopted its constitution and was officially organized in September, 1953, with 12 charter members, representing six different denominational backgrounds. The charter members were Mrs. Mildred Baker, Mrs. Joe Hostema, Mr. and Mrs. Joe H. Hostema, Mr. and Mrs. Edgar Pentzner, Mr. and Mrs. Milton Goble, Mrs. Edgar E. Kelling, Mr. William Riemschneider, Sr., Mrs. William Riemschneider, Jr., and Rev. and Mrs. Maynard G. Tittle.

In 1955 the church purchased the building lot at 134 South Main Street and the parsonage at 804 South Main Street.

The construction field in Culver, Bible Church has an annual mission budget of \$400 to \$500, and contributes a large support of two foreign missionaries.

Services are presently being held in the Culver Public Library auditorium.

Man, made in His likeness, possesses and reflects God's dominion over all the earth.

Donates High School Driver Training Car

Lester Snyder, Culver's Chevrolet dealer, turns over to Robert Gilbert the keys to the new training car he has furnished the local high school for its new driver training course. The key transfer was witnessed by Miss Violet Overmyer and Principal R. J. Ives Jr. Mr. Gilbert and Miss Overmyer are the instructors of the school's popular innovation.

High School Now Has Course In Auto Driving

In order to permit local parents to take advantage of a new Indiana law regarding teenage drivers, and in support of the drive on highway fatalities, Culver High School has installed a course in automobile driving training as a part of its regular curriculum. Twenty students are enrolled for this semester in the course, with 15 of the number being girls. This is the maximum number that can be handled at one time. The class meets two days a week in the classroom for study of the laws of driving, instruction in auto mechanics, and mastering of the principles of automobile operation. One day each week the students are given actual behind the wheel training on the road. The car is equipped with dual control so that the instructor is in control of the car at all times.

Parents will benefit from the training course in that their automobile insurance will be reduced 10 to 15 per cent, while their children will be able to operate the family car under certain conditions six months sooner than previously.

The training car has been donated by Lester Snyder of the Snyder Chevrolet Agency of Cul-

ver. "Mr. Snyder has long been an enthusiastic advocate of driver training in the schools," Principal R. J. Ives Jr. pointed out. "So when the new law was passed it was natural for him to point out the increased advantages of the course. We are grateful to Mr. Snyder for his contribution of the car and its upkeep. Other local car dealers have also given the program their enthusiastic support."

Col. and Mrs. Uebel Will Discuss Their Life in Germany

The second attraction on the Faculty Lecture Series at Culver Military Academy will be presented Thursday, Oct. 24, at 6:45 p. m. in the Music and Art Building. Lt. Col. and Mrs. Martin Uebel of the Academy faculty will speak on their experiences in Germany during the past winter, choosing as their topic, "Germany, Winter 1957."

The informal discussion will contrast their impressions of present-day Germany with the Hitler years of 1935-36, as Colonel Uebel experienced them when a student in Cologne.

The discussion will include various areas of German life, including education, politics, militarism, and daily life. The Uebels will show some slides taken during their trip, emphasizing the "Hitler" and "Gowas" on the "Medieval Road."

The program of the Faculty

Lecture Series are open to faculty members, their wives, invited guests, and members of the cadet First Class (seniors).

Serious Charges Filed Against Culver Man

From Saturday's Plymouth paper: The Citizen has learned that James Howard, age 23, of Culver is in the Marshall County Jail awaiting arraignment on a multiple charge in a case involving a 15-year-old girl.

Howard was arrested by Culver Police Chief Doug Mikusoff last week and County Prosecutor Clifford Goodrich filed charges of rape, assault, and contributing to the delinquency of a child against the Culver man.

He will be arraigned in Marshall Circuit Court Oct. 29.

Lecture Series On Principles Of Democracy

Academy Presents Fine Speakers

The seventh annual series of lectures on the "Principles of American Democracy," a course required of all juniors and seniors of the student body at Culver Military Academy, opened this week.

Dr. Hugh Aker of the Academy's history department is chairman of the faculty committee administering the unit course which is unique in its approach and development of American Democracy.

In the belief that young people are being subjected to a most subtle and vicious attack to destroy their faith in the American dream that a clever and unscrupulous enemy can devise, the Academy originally organized the course upon the premise that young students are emotionally prepared to defend American institutions but with the realization that emotional patriotism is not sufficient to withstand the kind of attack to which they may be subjected in adult life.

In the introduction to the course of study, as developed by the faculty faculty, it is pointed out that emotional patriotism in order to be completely effective must be based upon sound intellectual, moral, and spiritual convictions. The purpose of the course is to provide students with a historical and philosophical background necessary for the achievement of these convictions.

The appreciative students meet each Friday morning and study through six units as outlined in the course, beginning with the origin

Lake Maxinkuckee Summer Romance

MRS. CHARLES ROGER JOHANSEN
(The former Miss Donna K. Riggs)

Bumbee after summer romances have flourished along the shores of Lake Maxinkuckee.

The latest couple to be married as the result of such a favorable environment was Miss Donna K. Riggs, daughter of Mr. and Mrs. C. Dale Riggs of Lafayette, whose summer home is at 20 South Shore Drive on Lake Maxinkuckee, and Charles Roger Johansen, son of Mr. and Mrs. J. Roger Johansen of St. Louis, Mo., who were married at the Central Presbyterian Church in Lafayette on Saturday evening, Oct. 3. Dr. J. Clayton McCormick was the officiating clergyman at the large wedding, one of the most beautiful to be held in Lafayette in recent years.

A reception honoring the couple was held in the home of the bride's parents, whose own romance began here on Lake Maxinkuckee 24 years ago. The bridegroom's parents gave the bridal party at the Lafayette Country Club the previous evening.

The new Mrs. Johansen is a graduate of Jefferson High School at Lafayette and attended Indiana University.

Mr. Johansen is a 1934 graduate of Culver Military Academy and attended Washington University at St. Louis where he became a member of Beta Theta Pi fraternity.

Following a honeymoon at Colorado Springs, Colo., the handsome young couple will reside at 852 North McKeith, University City, Mo.

All five members of the Riggs

McKesson, Mrs. Albert Linhart, Miss Bess Easterday, Mrs. Glen Tibbitts, Mrs. Ralph Condon, and Mrs. Maymie Johnson. The refreshment table was crowded with a large assortment of yellow dahlias with yellow candles on either side. Guests were seated at tables attractively decorated in the autumn motif.

Kowatch-Bennett Wedding In Burr Oak Church

MR. AND MRS. H. LEON BENNETT

The Burr Oak Evangelical United Brethren Church was the setting at 2:30 p.m. Saturday, Oct. 19, for the wedding of Miss Susan Jane Kowatch and H. Leon Bennett.

The bride is the daughter of Mr. and Mrs. Jack B. Kowatch of 463 Lakeside St., Culver and Mr. and Mrs. Carl O. Bennett of Burr Oak are the parents of the bridegroom.

Rev. Ross Cook, pastor of the church, read the double ring service before the altar which was flanked with palms and baskets of white gladioli and chrysanthemums.

Following the ceremony, Miss Elaine Warner, organist, played a group of selections and accompanied Miss Janice Slagle of Argos who sang, "Because," and "At Dawning." Miss Slagle also sang, "The Lord's Prayer," at the close of the ceremony in the choir knelt at the altar.

Given in marriage by her father, the bride was lovely in a gown of Skinner's bouquet taffeta made with lavish fan and corde embroidery with sequin trim and softly draped wide shoulders emphasizing a tiny waist. Small self-covered buttons trimmed the long sleeves which tapered at the wrists and the same kind of button extended across the back of her bodice to the large openwork bow at the waist. Her fingerling veil of illusion net was held in place by a crown of pearl hearts with noodin centers. She carried a cascade type bouquet of white Fuji mums with white snow-drift pomoms entwined with ivy and white satin ribbons.

Mr. and Mrs. Bennett were matching satin shoes and carried cascade bouquets of bronze mums with matching flowers in their hair. Gene Bennett of Goodland served as his brother's best man and usher were James Grover of Hibbard and George Stults of Argos.

For her daughter's wedding, Mrs. Kowatch chose a powder pink knit suit with which she wore white and black accessories and a corsage of white pomoms. Mrs. Bennett, mother of the bridegroom, wore navy blue with navy accessories and she also had a corsage of white pomoms.

A reception for about 200 guests was held in the church social rooms which were decorated with freshment table, which was covered with a white cloth, and decorated with a five-tier wedding cake which was decorated with white doves, grapevines, lilies of the valley and rose buds, topped with a miniature bride and bridegroom standing under an arch of ivy from which two little rings were suspended. White-candles completed the table decorations.

Miss Arlene Smith, daughter of Mr. and Mrs. Howard DeWitt, son of Mr. and Mrs. Howard DeWitt, of Plymouth, performed the double ring service. The bride was attired in a blue sheath dress of lace over taffeta and carried a colonial bouquet of white carnations. Miss Sandra Smith, sister of the bride, was maid of honor and she wore a black sheath dress and carried a colonial bouquet of mums in fall colors. Charles McColgo served as best man.

Following the wedding, a reception for members of the immediate families was held at the home of the bride's parents. After a short wedding trip the young couple returned to the home of the bridegroom's parents where they are residing.

A miscellaneous show honoring the couple was held Saturday evening, Oct. 19, at the home of Mr. and Mrs. Donald Smith, with Mr. and Mrs. Howard DeWitt, Mr. and Mrs. Richard Bush, and Mr. and Mrs. David Smith assisting. Approximately 75 relatives and neighbors attended. After the honored couple had signed their gifts, refreshments including a large two-tier cake baked by Mrs. David Smith, ice cream, coffee, and Koolade were served.

Sunday dinner guests of Mr. and Mrs. E. C. Lewis and children were Mr. and Mrs. V. R. Yelton of Plymouth.

Mrs. Paul Johnson of Lakeville, sister of the bridegroom as matron of honor wore a white length row of light aqua iridescent taffeta made princess style with cap sleeves. The sweetheart cake, which was trimmed with a darker shade of the material and the back panel of the skirt and the large bow at the waist were also of the darker shade of material. She wore satin gloves of the same shade as her gown and carried a cascade bouquet of yellow Fuji mums with white snow-drift pomoms and wore matching flowers in her hair.

Miss Nita Kreichbaum and Miss Judith Heister, as bridesmaids, wore gowns made like Mrs. Johnson's. Miss Kreichbaum's gown was tangerine and Miss Heister's gown was champagne color. Each bridesmaid wore matching satin shoes and carried cascade bouquets of bronze mums with matching flowers in their hair. Gene Bennett of Goodland served as his brother's best man and usher were James Grover of Hibbard and George Stults of Argos.

For her daughter's wedding, Mrs. Kowatch chose a powder pink knit suit with which she wore white and black accessories and a corsage of white pomoms. Mrs. Bennett, mother of the bridegroom, wore navy blue with navy accessories and she also had a corsage of white pomoms.

Gideon's Hold Ladies' Night Meeting
Monday evening the men of the Gideon's Camp of Plymouth, with their wives, held their quarterly Ladies' Night meeting at the Three Sisters restaurant. The chief feature of the evening's activities was the dedication ceremony for hundreds of Bibles which are to be distributed in the fifth grades of the county schools within the next few days. Other Bibles will also pass in the county. The ceremony was conducted by Art Becker, distributed among Gideon's Camp of Plymouth, the camp chairman.

Guests of the camp at this convocation were four members of the South Bend Camp and their wives, one of whom, Mr. Brown, gave the Gideon Church message for the entertainment and instruction of the local camp.

In recognition of his fine cooperation with the Gideons in connection with Bible distribution special Bibles was presented at this meeting. Frank McLean, Marshall County Superintendent of Schools, with Mrs. McLean, were guests at the assembly. This meeting was planned locally by A. R. McKesson, vice president of the Gideons Camp.

Mr. Wisdom Worm Sez . . .

Yeah Man! That Sunshine dance was really cool, at least Mrs. Worm and I had a real time. It looked as though everyone was having a swell time. Mrs. Worm thought the decorations were hep, but as for me the cider and doughnuts hit the spot. We saw only a few new couples, who were Joyce Morrison and Clyde Poppe, and Frank Hand and Sheri Vocum.

We hear the "mighty" (?) Seniors really cut-out-rag. Fab's last year would that be why

Choraleers To Give Repeat Performance At Westville

By Joe Anderlohr

During November, the Culver Choraleers will perform at Norman Beauty Memorial Hospital in Westville. Last year the Choraleers sang there and were so well received that they have been asked to make a repeat performance. They will appear in the beautiful Beauty Auditorium and also in the maximum security ward.

The annual Christmas program given by the Junior High and Senior High choir will be presented on Tuesday evening, Dec. 17, at 8:00 p.m. in the Community Building. Both choirs are already preparing for this big event.

Sheltners in Art Class. Members of the decoration committee were Ginger Pierson, Lois Morrison, Judy Onesti, Suzanne Dawson, Joan Harbes, Jane Dittme, Beatrice Price, and Edna Menser.

USHERS' CLUB: New members were welcomed into Usher's Club on Oct. 14. They are anxious to get things going for the Junior Play.

PROJECTORS' CLUB: A meeting was held Monday noon, Oct. 14, with old and new members alike attending. Present members of Projectors' Club include the following: Richard Kuhn, Russell Ury, Roy Morrison, Judy Onesti, Tom Wesson, Sandra Wallen, Larry Dickson, Ned Crum, Lamone Banks, Dave Washburn, Gary Dillon, Lance Overmyer, Bob McColige, Bob Taylor, Mike Eittering, Eugene Benedict, Lana Berger, and Carol Lucas. 185 films have been ordered by the Projectors' Club for this year.

Nick Todd Added To C.H.S. Hit Parade

By Lois Morrison and Annette Prosser

According to the Culver High School poll, rock and roll is still riding high among teenagers. Nearly all of the top ten tunes are rock 'n' roll numbers. A new entry on the hit parade is "Play Thing" by Nick Todd, Pat Boone's brother. All signs point to the fact that Nick is heading for the same success that his famous brother has known.

1. Wake Up Little Susie — Everly Brothers
2. Silhouette — The Rays
3. Jailhouse Rock — Elvis Presley
4. Chances Are — Johnny Mathis
5. Tammy — Debbie Reynolds
6. That'll Be the Day — The Crickets
7. Play Thing — Nick Todd
8. Language of Love — Andy Williams
9. Diana — Paul Anka
10. April Love — Pat Boone

Our Mystery Guest

By Marsha Lindvall

Did you know that one of our teachers was once a soda jerk? She has also worked for a lawyer and taught in a business college. As you can see Teacher X is a woman of many trades.

Our mystery guest attended Farmland High School in Farmland, Ind., and graduated from Ball State Teachers College. She came to Culver from Bluffton. Here's a final hint: she is married and has children.

Do you know who teacher X is? Last week's mystery guest was Suzanne Dawson.

GIRLS 4-H: Girls who have not picked up ribbons or record books are urged to pick them up in the Home or, room as soon as possible. 4-H Girls who are eligible will go on the trip to Fort Wayne, Saturday.

SUNSHINE: Sunshine initiation for the new girls will be held on Oct. 29. Mothers of the new girls are invited to attend. Time and place will be announced later.

The Sunshine Society sponsored a "Harvest Hop" on Oct. 16, in the old shop under the gym. Decorations consisted of pumpkins, cornstalks and hollow masks which were placed in different corners. During the intermission refreshments of cider and doughnuts were served by Ellice Overmyer, Elaine Jackson, Marsha Lindvall, and Janet Lorky.

Records for the dance were supplied by Virginia Reed. Tickets were made by Beatty McGuffee, Retay Pettis and Frances Pacilio, and Johnny Sipos and Annette Prosser sold them at the door. A total of around 75 tickets was sold. Novel posters which announce the dance were made by

Know Yourself Is Theme Of Rev. Lenk

An old Greek saying "Know Thyself" can be applied to us very well, said Father Joseph Lenk, pastor of St. Mary's of the Lake Catholic Church, at the convocation held Oct. 16. He stated that we need a better understanding of the spiritual and material part of man.

How do thoughts enter our minds? An experiment with a sheet of paper and a blotch of ink showed that man has three inner senses: imagination, memory and common sense. Our minds are capable of having intellect and free will, both spiritual powers. Free will is the ruling king of man and distinguishes us from animals.

Our soul is all these things. Its worth is exceeded by nothing and even though our body may die, our soul will live for all eternity.

Seniors Labor Through Scholarship Tests

By Dave Hall

The Scholarship Qualifying Test was administered to 21 Culver High School seniors on Oct. 22. The tests took the entire morning during which the Seniors worked diligently over English and mathematical questions.

The SQT was given to over 200,000 seniors all over the United States for the purpose of securing scholarships from the college of their choice. It will be several weeks before the results of the tests are revealed.

On Jan. 11, all students wishing to take scholastic aptitude tests for colleges requiring them for admission may do so. The Scholastic Aptitude Test of the College Entrance Board Examination will be administered at Culver Military Academy on this date.

Courage is that virtue which champions the cause of right.

We Specialize in SERVICE!

Oil for a little girl's roller skates? Yes, ma'am! Strap need adjusting? We can fix that, too. If it serves you want, you come to the right place!

Fortunately for your Phillips 66 Dealer, he services more cars than roller skates. But he goes about it in the same friendly, helpful way. You'll find he takes an interest in your car. His service includes getting your car brushed out...

the windows cleaned all the way around... your battery and tires checked, it means friendliness, courtesy, the desire to please you.

That's why a little girl who comes in for "roller skate oil" is likely to keep coming back year after year for Phillips 66 FULF-FUEL and TROP-ARTIC Motor Oil, and all the little courtesies that add up to "Hospitality on the Highway."

Elementary Students Report On Activities

By Jo Ellen Hand and Eva Zovanyi

1ST GRADE: Mrs. Marshall: This week's report pictures beginning with the sound of the horn. We had frogs, euppies, earwigs, ticks and tadpoles on our scotch table. We made a tadpole change into a frog. It was fun. We were learning to carry back to school to find our little friend gone. Then we were sad.

2ND GRADE: Mrs. LeLanc: Halloween is coming! We are decorating our room for this occasion. Girls and boys celebrated her 7th birthday on Oct. 15 with a party.

2ND GRADE: Miss Page: We went to the milk walk at Bass Lake. We saw beautiful leaves and other signs of fall.

3RD GRADE: Mrs. Allen: Our room went for a walk down by the lake and saw signs of fall along the way. We planted seeds which someone else planted in the beans, peas, and zinnias are growing in the milkweed and acorn beds not grown.

3RD GRADE: Mrs. Carter: We had 15 girls and 11 boys in our room. Our room mothers are Mrs. Ralph Gesselman and Mrs. Allen Cantwell. We are starting a feather collection for our science department. Seven children did not miss any spelling words on the first six weeks. They are Elaine Daley, Carolyn Saft, Cathy Welch, Patricia Overmyer, and Arthur Stacey. We had our first six days absence during the first six weeks. In our class we made pictures of one of Columbus' ships. Our new boy is Robert Vondra who came from Illinois. His father teaches at West High School.

3RD GRADE: Mrs. Helen Keller: David Crab had a birthday Oct. 15. We finished booklets of arithmetic facts Oct. 19. Those who had perfect spelling for the first six weeks: They are Larry Boesma, Pamela Carter, Diane Davis, Marsha Gulley, Vivian Harnoss, Michael Oelling, Kent Wallstedt, and Sheryl Welch. We wish to correct a mistake in last week's paper that said we only had 15 boys. We also have 15 girls. Our class had been studying about migration and alternation in sciences.

5TH GRADE: Miss Quirey: Members of our class have been writing invitation letters to various companies, travel bureaus, and government agencies in order to do a vacation study of various social studies class. Several of us have also made interesting reports to the class about people and places of early America.

5TH GRADE: Mrs. Epley: Billy Osborn and Sharon Warner each brought treats to us on their birthdays. While we were studying about our senses in Health, several of our boys and girls wrote health riddles. Can you guess these?

(1) It has a trunk, yet it's not a tree. Yet it has limbs as you can see. The only roots are in the head. And the sap that flows is just plain red.

(2) It has a drum that will not bang. It has a camera that will not click. It has a covering that will not make (like a bed). It has a framework made of bones.

(3) It is a part of our body.

A stove pipe has one too. When you bump it, it hurts. What is it?
THE GRADE: Mr. Parkinson: The canteen girls this week are Bonnie Saft and Karen McDonald. The office girls are Carry Croy and Nora Sheppard. The playground patrol boys are: Capt. Tom Miracle, Lt. Brian Piersall, Charles Masala, Frank Keert, Charles Snyder, Richard Warner. Our class wishes to express our sorrow and extend our sympathy to Sharon and Karen Wagoner whose parents passed away. We are all glad our first six weeks tests are over.

Rev. Florent Torac Speaks at Culver Bible Church Dinner

A carry-in dinner was held by Culver Bible Church in the Lions Den Wednesday evening, Oct. 15. Fall flowers, leaves and pumpkins decorated the tables.

Following the dinner the spiritual flight of Europe was recalled by Rev. Florent Torac. Rev. Torac, a Cuban by birth, working with the Greater Europe Mission, has served during the past four years as pastor to both Spanish and French speaking congregations in Paris. He also directed the European Bible Institute, which is training nationals from a dozen countries. He conducts a daily radio broadcast reaching eastern Europe and North Africa. Although no Protestant missionaries are allowed in Spain, Rev. Torac preaches from that country 1100 requests a month for new Testaments.

Spiritual mediums abound in France, with 20,000 registered mediums in Paris alone. Rev. Torac also revealed that there are 200,000,000 people in Europe who have never seen a Bible.

While Rev. Torac spoke to the audience, Mrs. Torac, who operates the largest flammignong lending library in the world, told the children of life in France.

You probably won't dare to publish this but a lot of our folks feel that the Nickel Plate's ruthless, cruel, and wholly unnecessary closing of the Hibbard railroad station hastened the death of our beloved George Thierburg; who, a week later, was to have retired from a job he faithfully filled for nearly 49 years.

Big business like the Nickel Plate is just as dangerous to our American way of life as the corrupt leadership of the labor unions.

Farewell To Culver?

Editor, CITIZEN:

A lady we met in a doctor's office in Warsaw, Indiana, suggested that I write to you.

For a number of years — since the Culver Lodge motel was first built, Mrs. Jones and I have been spending occasional weekends, and portions of our vacations in your lovely town.

It has been a relief to get away from city noises for a rest, good food, etc., and to meet nice down-to-earth folks. We patronized your stores (met the younger Mr. Adams — who he had the men's furnishing business; also his associates); enjoyed the Siro Sisters, and other nearby eating places. We were glad to spend \$10 for a motel room; weekends, or during the now.

The town is restful; the residents are nice people; we like all of it. I don't know, but I'd guess the Academy has driven away many commercial travelers, also. The town would benefit from weekend visitors, or vacationers. If it had good, reasonable priced accommodations.

We have avoided the motel when Academy parents needed the space; always checked in before planning our visits; often visited, even when one could fish through the ice on the Lake. Now, it looks as though we must abandon Culver for Warsaw, or some other suitable place.

This may be of interest to you — and to others in Culver.

Driver Education Pays Off
Culver, Ind.

Editor, CITIZEN:
Here is an excerpt from a report by the Inter-Industry Highway Safety Committee:
"In the year of 1957 as a result of dealers furnishing cars for driver training courses 745 additional schools were enabled to offer student practice driver instruction. A total of 649,885 students were enrolled in classroom and practice driving courses, or 28% of the total enrollment of eligible students which represents an increase of 6% over last year."

Since surveys show that properly trained teen-age drivers have less than half as many accidents and violations as the nontrained, you can appreciate the importance of Driver Education Programs. There is no activity that can do so much to advance the cause of safe driving and highway safety as an adequate Driver Education Program for the young people in our community.

Editor, CITIZEN:
I was recently pleasantly surprised by a visit from Reginald Shugrue, son of the ticket agent at Culver 55 years ago, and George Neumann, son of the editor of Culver's first newspaper, "The Marmont Herald."
We spent the day at Disneyland and reminisced concerning the early days there.

Incidentally, I wonder how many will remember the terrific cloudburst we had one night about 55 years ago which raised the Lake 14 inches, all rowboats were nearly filled, many piers under water or level with same, and the water poured over the ramp just below the outlet bridge, filling the marsh where now cottages line the road.
Arthur Morris will remember this.

Jest Do Nuttin'

By LAVERNE BROWN PRICE
The Culver Citizen's Gifted Staff Poet

When yer head is dull and heavy
And yer thoughts air spinnin' round
And yer feet air kinda draggin'
Hard to git 'em off the ground —
Then the time to take it easy,
Drop yer troubles, let 'em fall,
Quit yer worryin' and thinkin',
Jest do nuttin' — set — that's all.

"Magic Circle" Of U. S. Gets Babson's Nod

By ROGER W. BABSON
N. O. I. C. S. Economist
Babson Park, Mass. — Some day our great country will blossom like a rose. That is why it is called the "Magic Circle." This includes the states of Kansas, Nebraska, Iowa, Missouri, Oklahoma, and Arkansas, which have a total area of about 490,000 square miles.

Why Called The Magic Circle? Because the area has the potential of being the breadbasket of the entire United States. It has good soil, abundant sunshine, and a plentiful water supply. In fact, some of the best crops of the world are raised here, and then a Roger W. Babson deluge which takes away good topsoil and does other harm.

This lack of regulated water holds back agriculture, handicaps industry, and makes retail trade very fluctuating. There is some form of Federal insurance to offset the very dry periods, but such insurance is wholly unnecessary. Moreover, "rainmaking" by channicking is only "robbing Peter to pay Paul."

Where Water Will Come From The western part of Canada is blessed with heavy rainfall. This rainfall collects in four lakes: Great Bear Lake, Great Slave Lake, Lake Athabaska, and Lake Winnipeg. These are part of a tremendous system carrying this fresh water into the Arctic Ocean. Here the water is not only wasted, but dangerous fogs are created which affect ocean navigation and the climate of various regions.

Some day an artificial river will be constructed from these lakes, across the Canadian line southerly to the very Center of the United States. "Center" will be near Greenwood County, of which Eureka, Kansas, is the hub. From Eureka, canals will radiate in different directions to provide water for all sections of the Magic Circle.

I am interested in the woodland area in Marquette, in lake-front land in Florida, and, of course, in land in Wellesley, Mass., but the only pasture land which interests me is in this Magic Circle. I have bought such land in the past and would be glad to pay Canada for this water, which is now of no use to Canada.

Plans should immediately be made and negotiations started. We should not wait until we are late next of the food from the nation's breadbasket. Those who own land which will some day be glad to pay Canada for this water, which is now of no use to Canada, should immediately be made and negotiations started.

Work of John W. Fowler Jr. Really, my friend Mr. Fowler of Homewood, Alabama, deserves the credit for this idea. In fact, it is only a portion of his grand plan. He believes that as soon as the Government completes proposed national highways and toll roads for automobiles, it will immediately start on a similar program for water.

One along the east side the Rockies, starting from Fort Peck and following the Rocky Mountains, giving sufficient water supply to Southern California, Arizona, and New Mexico. A second further east would feed the Magic Circle by gravity and would start from an elevation of 2,000 feet; water the third would change the flow of the Great Lakes so that instead of this fresh water running to the south, it would flow into the Atlantic Ocean and being wasted, it would flow westerly and be constructed from these lakes, across the Canadian line southerly to the very Center of the United States.

These possibilities are clearly shown on the Great Relief Map of the United States. It is about 45 feet in diameter, weighing over 20 tons.

FIRST CHURCH OF CHRIST SCIENTIST
423 S. Michigan St., Plymouth
Man's responsibility for spiritual growth and progress will be brought out in the Lesson program entitled "Probation after Death" at Christian Science Services Sunday.

Scriptural selections to be read include the following (Phillipians 2:12-15): "Brethren, I count not myself to have apprehended; but this one thing I do, and that which I am behind, and reaching forth to those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus. Let us therefore, as many as are perfect, be thus minded; and if in any thing ye be otherwise minded, God shall reveal even this unto you."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (2:112-113): "Universal salvation rests on progression and probation, and is unattainable without the aid of the Holy Spirit."

The Golden Text is from James (1:12): "Blessed is the man that endureth temptation; for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him."

Magic Meeting
For our next meeting, Wednesday, Oct. 23, we will be entertained by a young necromancer, whose slight of hand skills will awe and amaze you. Bobbie Taylor, son of Lion Wilber Taylor, has mastered the magic art to his own satisfaction, and is now ready to delight us with his wizardry.

We have been after Bobbie, and finally got him to sign on the dotted line. Come and see this young man perform and I'm sure you will be proud of our local product. Since this is "National Membership Week" we are sure and bring a guest. The first meeting in November is to be a ladies night affair, so have the wife or sweet heart save this date.

Here and There
It is a grand feeling to listen to the Little League men tell about the good time they had at the ball game. Over fifty of those boys were able to make the trip, under the supervision of Lion Norman Baker, and already are looking forward to next year.
Our new piano is now a reality, and if you have not seen it come to the next meeting, please look for it on the stage—it's a beauty.
Our Lion President is looking for some member who can play it, so that it may be heard.
Those of you who were absent at that meeting certainly miss-

ed a fine talk and color slides of Japan. The whole program was based on the experiences of Col. William Wehring while with the Armed Forces.
The Board of Directors authorized regarding the Lion road sign with new ones. Time and place of meetings are to be added.
At the street sign job need painting and a committee was appointed to take care of this. He prepared to help with this project.
Halloween Parade
The annual Halloween parade for the kiddies is Thursday night, Oct. 21. Lots of help is needed for this night. See Lions Bill and Sam Allen, who are co-chairmen, and they are desirous of having the children during the parade.

Post Office Film Available Here

The Post Office is finally going modern. Postmaster Mattox says and he has a film to prove it.
The film "Men, Mail and Machines" is an exciting pictorial presentation of the new electronic and super-automatic devices now being installed in some of the major postoffices of the nation. Postmaster Mattox invites all civic, church, school or social clubs in this area to contact him if they are desirous of showing the film at their meetings.
"The Post Office has been trying for years to give the public twentieth century service out of nineteenth century facilities," Mattox says. "Postmaster General Sumnerfield, in attempting to revolutionize the outmoded techniques of mail handling in the postal establishment, had to start from scratch. He had to ask the electronics industry to develop machines that hadn't even been invented yet. This film is a remarkable presentation of the progress being made in the United States mail service."
He added that even if automation had not been installed in the smaller offices such as Culver, the program will greatly accelerate out of town mail in this area because mail will move far more swiftly through the large gateway post offices of the country.

Can tranquilizers change your personality? Dr. David B. Allman, President of the American Medical Association gives an up-to-the-minute report on tranquilizing pills. Read his important warning against some of their dangers, in The American Weekly with Sunday's CHICAGO AMERICAN.

CULVER BOYS NAMED TO DEAN'S LIST AT C.M.A.

For his academic achievement during the 1956-57 academic year at Culver Military Academy three Culver boys have been named to the Dean's List. E. B. Benson, dean of the Academy, announced last week they are Larned Edmondson, son of Mrs. T. L. Edmondson; Robert Glaze, son of Mrs. Helen Berge Glaze; and Robert Benson, son of Dean and Mrs. E. B. Benson.

Edmondson is a First Classman (senior) this year and both Glaze and Benson are members of the Third (sophomore) Class.

THE BIG DITCH in front of the
railroad station is quite a mess, as
was to be expected. It cost a lot of
money for the time and labor but when
the first rain came it didn't carry
away the mud. Why?

Well, anyone with no engineering
experience except the town's
master-mind knows the first thing
to do was to get an engineer to
plan the project of taking the
standing water from one side of
the street to the other. Instead of
doing this sensibly, a catch-basin
was put on the opposite side of
the street and actually an attempt
was made to run water uphill!

The whole thing is just too ridicu-
lous for any use and something
you wouldn't expect by
grown men. Meanwhile, the place
and the water is still there, and we
probably will be for years to come.
The crew has moved on to West
Jefferson Street where the highest
apprecial will no doubt be recent

United Fund News

The United Fund Drive has
chosen its officers for this year.
It was urged that all solicitors
will vigorously canvass all citi-
zens in their respective towns.
We are hoping that it will be
possible to announce a report on
percent participation on the
part of all citizens and the suc-
cessful termination of the drive
on an early date - but will keep
it open, if necessary, until our ob-
jective has been attained.

Herewith we announce the fol-
lowing changes in the drive organ-
ization. Miss Olive Stahl is re-
placing Mrs. Harshel Strain. Mrs. George
Harden to replace Mrs. Sheila
Kaiser; Mrs. Henry Hendler to
replace Mrs. Herman Hendler;
Mrs. Paul Satt, Mrs. Jerome
Zechlin and Mrs. Bonnie Auer
have also kindly agreed to join
our staff of solicitors.

It is urged that all area captains
report any changes in their re-
spective teams of solicitors, so
that proper credit may be given
all local workers in the commu-
nity of the Citizen.

MEETING OF SHEEP MEN TO BE HELD AT PLYMOUTH FRIDAY

Marshall County sheep men and
sheep men from the surrounding
area are invited to attend a sheep
meeting Friday night, Oct. 25, at
7:30 p.m. (CST) in the R.E.M.C.
Building at Plymouth.
Furber specialists, Jim Out-
man and Henry Mayo, will dis-
cuss fall and winter care of ewes
and lambs, equipment and the out-
look for the sheep business. Lawrence
Love, a farmer and well
known commercial sheep breeder
and feeder of Eaton, Ind., will
discuss the selection and feeding
of western breeding ewes and feed-
er lambs.

The meeting, planned by the
Marshall County Sheep Associ-
ation and the County Extension
Office, has been designed to assist
both the commercial feeder and
purchased breeder in the winter
management of sheep.

County Agent R. C. Harvey
states that plenty of time will be
allotted for questions and an-
swers, and refreshments will be
served.

Write Review Of Basketball At Culver

By Eugene Benedict
(Ed. Note:—This theme was reserved for sophomore English class. Any work of unusual merit will be published in the School-bell during the year.)

Basketball at Culver is only one of the major sports but probably is played the most and draws more spectators than any other sport.

Basketball was started in Culver in 1912. Culver High school didn't have a gym then so the squad practiced out-of-doors during the fall of 1912. When winter came they moved to the top of the old grade school, since there didn't make room for the new building. But the space where they practiced was needed for classrooms so the boys moved down to what is known as the Price Apartments. In 1920 they moved again to what now the biology room, the cafeteria and the lower hall.

The projection room was a dressing room as was the kitchen of the cafeteria and the lower hall where the high school office is and teachers on the east wall. The gym, if you could call it that, held about 400 people, a lot of spectators in that day. In 1929 Culver built its present gym.

During the season of 1924 when Dick Newman, Herman Sager, Rex M. Shorter, Tom Shaw, Harold Davis and Lewis Dillon were playing, Herman Sager scored 148 points by himself against a strong Plymouth team. This Culver team went to the final game of the playoff of the three Northern districts where they were beaten by Whiting. Since 1929 Culver High school teams have won, county tournaments, 10 sectionals, and two regionals. They have gone to the semi-finals twice but have lost the last games each time by one and two points. In 1930-31 Culver had its best year. The team won 23 and lost 1, the last game in the regional at Rochester. They were beaten by South Bend Central. Since 1929 Culver has won 414 and lost 178 games.

The Culver Indians, as they come to be called, have had eight coaches starting with Dean Walker, Russell Burns followed with Wvert Hessel, Paul Underwood (who was here for 17 years), Red Gering, Waldo Sauer, Ralph Pederson, and the present coach, Bob Gilbert completing the list. Paul Underwood took the Culver team to Hammond in the semifinals and lost to LaPorte by one point. Red Gering went to Lafayette with the Culver Indians and was beaten there by one point.

Culver was one of the first places to broadcast basketball in Indiana. Mr. Robinson was the announcer.

All in all, Culver has had its good years and its lean ones but always has had a fair share of wins and trophies.

Do not take life too seriously— you will never get out of it alive.
—Elbert Hubbard

Martin Hallberg Succumbs At Parkview Hospital

Martin Emanuel Hallberg, age 75, passed away Saturday night at Parkview Hospital, Plymouth, following an illness of one week. He was born in Udvalva, Sweden on Sept. 5, 1879 and came to the United States in October, 1910, living in Chicago until 1921 when he moved to Culver. He was employed at Culver Military Academy as custodian of the quartermaster's store and tailor shop until he retired a few years ago.

Mr. Hallberg was a member of the Grace United Church, the Chicago Odd Fellows Lodge, No. 159, Viking No. 1 of Chicago and the 57th Lodge No. 1 of Chicago.

Surviving are one daughter, Mrs. Greta Thomas of South Bend; three grandchildren; and one great grandson. Mrs. Hallberg preceded him in death two weeks ago on Oct. 4, having been fatally struck down by an automobile at the corner of Lake Shore Drive and Plymouth Street.

Funeral services were held at 2:30 p. m. Tuesday at the Easterday Funeral Home. Dr. Meredith Sprunger, pastor of the Grace

United Church, officiated and burial was at the Culver Masonic Cemetery.

Children Will Trick-Or-Treat For Unicef

Next Tuesday evening, Oct. 29, from 6 to 8 p. m. children of the community will trick-or-treat for pennies or nickels for Unicef. The money which goes into the "United Nations Children Fund" will be used to help children all over the world.

This program was initiated in Culver last year and because of the reception it received and the good that the program does, the Maximukkee Junior Woman's Club is again being assisted by the Culver City Club, Town Board, Lions Club, Culver Union Township Council of Churches, Brownie, Girl Scouts, Boy Scouts, Culver Schools, Chamber of Commerce, and League of Women Voters in sponsoring trick-or-treat night for Unicef.

People of the community are urged to save their pennies and dimes to drop into the specially marked containers which the children will bring to their doors next Tuesday evening and to help in the effort which indeed seems a commendable way to observe Halloween.

Important Notice From Postmaster

With the approach of Halloween evidently as the excuse, there has recently been a series of rural mail boxes in the Culver area maliciously damaged or torn from their posts. The persons who committed these acts of vandalism obviously were not acquainted with the seriousness of their offense.

The United States Attorney General's office clearly defines deliberate damage done to rural boxes as being a federal offense and sets forth heavy fines as punishment.

Culver's law enforcement officers as well as the state police and the Post Office Department's Inspection Service have been informed of the local situation and are preparing to handle any recurrence.

E. Wayne Mattox
