Military Academy.

NEWS FOR THE HERALD,

Written by Our Special Reporter.

It was anybody's game last Saturday, until the final whistle blew, and even after the cheering crowd had gone into barracks with the team on their shoulders, it was hard to realize that we had lost after all. The cheering was fine, and the team fought desperately to win. McQuaid and Wood went in the game in the second half and did much to help things out. McQuaid especially in the short time he was in the game showed that he has in him the making of probably the best half back the Academy has ever had, and with a little more weight a star on any university team in the country. Knight, Morse, Van Ryper and Koontz played their usual strong game, in fact they all did good work and deserved to win.

The following clipping is from the Indianapolis Sentinel:

Culver, Indiana, Oct. 26.—Lake Forest Academy won this afternoon by a score of 11 to 5. Both touchdowns for Lake Forest came in the first half on short end runs and plunges through tackle by Kennedy, Milner and Aiken, aided materially by Winter's fumbling.

In the second half, the cadets braced up and outplayed their heavy opponents, Morse, VanRyper, Koontz, and Knight carried the ball steadily up the field and scored a touch-down eight minutes after play began.

After the second kick-off, they kept up the same clip, but lost the ball a few yards from the goal and Banfield punted it out of danger. For the remainder of the half, the ball stayed in Lake Forest territory, but no more scoring was done. Kennedy, Miller, and Aikin were the stars for Lake Forest and Marcus, Koontz and Knight did most of the work for the cadets. Line up:

Lake Forest.	Position.	Culver.
Oughton	Left-end	Stursburg.
Aikin	Left Tackle	
Weir	Left Guard	Baucus.
Chapman	Center	Lamson.
Bitner	Right Guard	Bays.
Herdman	Right-tackle	Knight.
Clark	Right-end	Wood, Nichols.
Sweet	Quarter-back	Masters.
Kennedy (Capt.)		

Milner	Left-Half-Back	Van Ryper.
Banfield	Right-half-back	Koontz.
Umpire—Hite.	Full Back	Morse.
Time-keeper—Sherlock.	Referee—E. E. Voris.	

A Company took a fall out of C Saturday, winning by a score of 11 to 0. The game was hard fought and well played, the bad fumbling which usually marks company games being conspicuously absent. For A company, Colt, Gould and Pierce followed their interference well, and were in every play, Coats also did some clever tackling. Pierce got the first bad hurt that a company player has suffered so far, breaking a small bone in his right wrist, which will keep him out of the game for the rest of the season.

The first issue of the Vedette, Oct. 1901, appeared last Monday with the following editorial staff: Editor in Chief, Joseph McCreary; military editor, J. A. Given; literary editor, G. R. Masters; athletic editor, J. B.

Trinler; local editors, J. H. Patchin, J. S. Dodson, H. R. Tilton; exchange editor, J. W. Spellman; business manager, A. R. Howells. Through a mistake of the printer, the cover of the October issue of this year was printed with the numerals '00.'01, instead of '01.'02, and though this is regretted by the editor, it makes little difference, and in no way detracts from the general excellence of the paper. The style and tone of the whole is simple, natural and interesting, the jokes are exceedingly bright, the editorials are strong and well-written, there are 20 pages of reading matter, and after we have read the last joke on the 20th page we lay down the paper with the feeling that we have spent a very pleasant hour, and we wish that there were 20 more pages to read.

The following cadets drove to Plymouth, last Friday evening, and attended a dance given by some of the young ladies. Caynah, Ely, Judson B., Trinler, Van Brunt, Queal, Crowe and Calahan. They report a very enjoyable evening.

Crawford is playing quarter-back at the University of Tennessee.

W. A. Fleet '00 and J. A. McNeeley '01, have entered the doubles in the fall tennis tournament at the University of Virginia.

H. H. Canfield, '00, is playing left end on the foot ball team of the Western Reserve University, and doing all the punting. His punts are averaging sixty yards, and he is playing a star game.

OBITUARY.

Lettie Ellen Clifton, wife of Pulaski Wickizer of Poplar Grove, Union township Marshall County Indiana, the third daughter of Nathan and Mary Clifton, was born but a few rods from the place of her last residence, May 11th, 1845, and died Oct. 24 1901. She was the fourth of a family of twelve children, six of whom with a mother 83 years old survive her: Rev. Charles W. of Havelock, Iowa, Nancy J. of Newell, Iowa, Hugh S. of Hibbard Ind., Julia A. of Akron Ind., Eliza I. of Maxinkuckee, Ind. and Rebecca B. of Hibbard, Ind.

She was united in marriage in 1867 to Pulaski Wickizer who is well and favorably known throughout this county. To this union were born nine children: Bertha I. John M., Addie, Arlie E., Nora E., Roy E., Lottie, Georgia D., and Ida Blanche, all of whom, a husband and nine grandchildren are left to mourn their loss. Her parents were among the earliest pioneers of this county, settling here in 1843. The hardships incident to pioneer life were fully experienced by her. In these trials she was always found, from early youth, bearing her portion. Her early years were spent at home until her marriage, when she went to a newly prepared home three-fourths of a mile north, residing there about five years, then moved just across the road west, remaining there thirteen years, thence back to her birth-place, the old Clifton homestead, where she remained until her death.

In 1862, she united with the Methodist Episcopal Church, experiencing a thorough change of heart. Though strong in faith and pure in life, she did not maintain an active membership in the church. Her life was sweet and gentle, moving on toward its goal as smoothly and peacefully as a crystal stream, with here and there a ripple or an eddy, but the great current of life moved steadily and majestically onward, approaching nearer the noble end to which she at last attained. No life was more loyal to duty or more unselfishly spent for the welfare of others. In her daily walk, she scarcely knew the wants of self, but threw her whole life upon the altar of her home, there to distill a sweet incense to the members of her own fireside. She had a pure Christian character, believing in the efficiency of prayer in which she daily engaged. It was hers to live in deeds alone and not in words. Virtue, integrity, and Christian piety were her constant ideals, evinced by the light and love of Christ, in whose presence she strove so nobly to walk. In the early hour of morn, without a tremor, and with her countenance all aglow with the smile of Heaven her soul took its flight.

E. H. Mow, who was calling on friends in Culver last week, is now located in Mentone, and attends almost exclusively to the auctioneer business, and says if anyone needs his services to write to the above address.

"Forex" is Fox's trade mark on the best cracker ever baked.

Horace, son of Mr. and Mrs. J. Shugrue of this city, is now in the Indian territory, He is in the superintendent's office of the Choctaw, Oklahoma & Gulf R. R., and receives a munificent salary as one of its trusted employees. Although but 18 years of age, Horace has made rapid strides in the railroad business and we would not be surprised if he became superintendent of a railroad himself yet.

No need of being deceived. Fox's "Forex" Crackers are original in shape, no other crackers look like them—they have that fresh wheaty flavor.

A new addition has been built on the Schurmann cottage known as "The Oaks," also Mr. Thomas Medbourn has put down a drive well in the rear of the cottage. A large wind mill will be put in place, and the grounds and buildings be supplied with water from a tank. Mr. O. D. Bohlen, will also put down a drive well, the work to be done by Medbourn the famous well driver.

We are pained to chronicle that Mrs. T. Conzelman, who with her husband and family occupied their beautiful cottage known as "The Roost," during the summer season died at her home in St. Louis. She was well and favorably known by a large circle of people who have cottages at the lake, and will be greatly missed by a great number of Culver people. She was a lady who possessed a sunny disposition, and had a cheerful word for all who came in contact with her. We are sure Mr. Conzelman has the heartfelt sympathy of a large number of friends in this community.

E. C. Sala, State Deputy Fish and Game Warden, arrested four Italians who were hunting near Logansport, last Sunday, and they were fined \$41.60 for having their little fun. It is evident that our boys had better look a "leedle out" or some of those who wish to defy the law will get their foot in it good and plenty. It is best to be on the safe side and save trouble.

Miss Alcott on Thoreau's Funeral
In one of her letters of her "Laurie," published in the Ladies' Home Journal, Louisa M. Alcott thus describes the funeral of the great Nature-student, in Concord, in 1862: "Henry Thoreau died on Tuesday and was publicly buried from the church on Friday. Mr. Channing wrote an Ode, Mr. Emerson made an address, and Father read selections from Henry's own books, proving that though he didn't go to church he was a better Christian than many who did. A party of great people from Boston came up, the church was full, and though he wasn't made much of while living he was honored at his death."

The Teacher's Wife.
Clarissa, Minn., Oct. 28.—Mrs. Clara Keys, wife of Chas. Keys, school teacher of this place, tells a wonderful story. For years her life was one of misery. Her back ached all the time, her head ached all the time; neuralgia pains drove her to desperation. She used much medicine, but failed to get any relief till she tried Dodd's Kidney Pills. She says:

"Very soon after I began using Dodd's Kidney Pills all my aches and pains vanished like the morning dew. I consider this remedy a God-send to suffering womanhood."

Encouraged by their success in her own case, Mrs. Keys induced her mother, an old lady of 74 years, to use Dodd's Kidney Pills for her many aches and pains. Now both mother and daughter rejoice in perfect freedom from illness or suffering which is something neither had enjoyed for years before.

Care of the Complexion.
Many persons with delicate skin suffer greatly in winter from chapping. Frequently the trouble arises from the use of impure soap and chap salves. The face and hands should be washed only in clear, hot water with Ivory soap. A little mutton tallow or almond oil may be used after the bath to soften the skin.

Every Wife Should Have an Allowance.

It is one of the most humiliating elements in woman's life in America today, and one of the phases which is most uncomplimentarily reflective upon American husbands, that a just allowance is withheld from many wives. No matter how small the allowance may be, so long as it is fair in proportion to the income earned, every wife should have a purse of her own, sacred to herself and her needs, and free from the slightest intrusion on the part of her husband. Every wife is entitled to this, and no young man—I care not how small his income nor what his reasoning may be—starts married life aright who withholds that courtesy and that right from his wife.—Edward Bok, in Ladies' Home Journal.

New Coast Line of the Southern Pacific Co.
California is known now all over the world as the greatest resort State and its attractions have been greatly increased by the completion of the Southern Pacific Company's coast line between San Francisco and Los Angeles, running through San Jose and Santa Barbara. The new line includes a journey of 100 miles along the ocean cliffs; follows the trail of the old Franciscan fathers; passes near the best preserved of the California missions; and possesses a variety of ocean and valley scenery not included in any other 500-mile trip in the world. Famous resorts, Santa Cruz, Monterey and the grand hotel of Del Monte, with the magnificent grounds surrounding it, are reached by side trips. The giant redwoods of the Santa Cruz mountains are on a very large extension of the line. Such famous all-year resorts as Paso Robles Hot Springs, San Luis Obispo and Santa Barbara are directly on the new route. The company has arranged to honor all tickets over this scenic route, and it is expected that the business of that line will be greatly increased thereby.

Statesmen's Literature.
Among the books referred to by members of the Athenaeum—most exclusive of all the clubs—none can approach the frequency with which the volumes of "Hansard's Debates" are handled, says the London Sketch. These are consulted at close-recurring intervals by our foremost legislators, and not unseldom intervals by the Earl of Rosebery, the Marquis of Salisbury, Arthur Balfour and Joseph Chamberlain.

The Chastened Englishman.
I observed in my travels this summer in Switzerland, in the Tyrol and elsewhere, that the tourist Englishman is now less arrogant and more subdued. Formerly he always gave us foreigners an idea of "I—want—to—take—charge—of—this—place." Now he murmurs "Thank you" at table, saying, "Mercy," which means pity.—Amsterdam Het Handelsbad.
