EXPLANATION OF CULVER SCHOOL HISTORY

Culver Union Township School has for many years been under the age-old township trustee system with the top professional administrator a county superintendent of schools. Culver's situation was somewhat unique in that it was a consolidation of a town and township under the auspices of the elected township trustee. As is recorded Indiana school history, the legislature in 1959 passed the Indiana School Reorganization Act which invited many small schools to incorporate as larger schools. This was to be directed by a county committee for reorganization. The people in and around Culver wanted as early as 1961 to consolidate Aubbeemaubbee Township, North Bend Township, and Union Township under the Indiana Acts of 1947. Such a plan was presented to the State Committee for Reorganization and was promptly refused. The county committee presented the Marston Plan — consolidation of Argos, Aubbeenaubbee Township, and Culver-Union. The people in a public vote showed their contempt for this plan by voting it down to the tune of approximately 85%. This action was so strong

that in a public meeting the leaders of the three communities who had presented the original plan under the 1947 law decided that it might be worth while to approach the state committee once again. These community leaders selected five men to appear before Dr. Kohlmeier and plead the Culver case. These men were Ralph Osborn, Jr., Kenneth Olin, Frank McLane, George Stevens, and Kenneth Cole. The committee of five returned home after a pleasant but non-committed interview with Dr. Kohlmeier. The Culver patrons were very pleasantly surprised when notified by the state committee that the consolidation of Aubbeemaubbee, North Bend, and Culver was legal and would be effective as of December 27, 1962. This gave Culver quite a variety of administrative heads during one school year for it was operated under Trustee Eugene Benedict and Trustee Glenn Overmyer, Frank McLane County Superintendent, Frank McLane Superintendent of the new Culver Community Schools, and a school board consisting of Cedric White, Donald Taylor, Eugene Benedict, Judd Stinchcomb, and Vernie Bowen.

It is our pleasure to dedicate the Tomahawk to one of Culver's more valuable staff members, Mrs. Ruth Warner.

Mrs. Warner first joined the forces of CHS in 1953 when she began working in the cafeteria. After four years of helping in the school cafeteria, Mrs. Warner began work as high school office secretary, and has served in this position since.

Mrs. Warner's duties are many and varied. She is a secretary not only to the principle, but also does typing for faculty members. As cashier for the bookstore,

auditor for all class records and activities, ticket saleswoman for advance sale basketball game tickets, and as band-aid dispenser, she is continually busy. Mrs. Warner is always willing to help a student, and the life-saving passes she has written for those of us who are unable to get the class on time are highly appreciated.

With gratitude, we take this opportunity to salute Mrs. Warner. Thank you from all Culver High School students.

CLASS HISTORY

In 1952, 53 first grade students began their school days. Twelve years later, after an arduous and exciting journey, 28 of the original members of this class and 14 others proudly walked across the stage of the gymnasium to receive their diplomas.

We entered Culver High School as brave, yet slightly apprehensive freshmen in September of 1958. We had just completed eight years as grade school and junior high school children; now we were eagerly anticipating four years as high school young men and women.

Our class officers were Dennis Shock, president; Cheryl Dillon, vice-president; Kathy Teach, secretary; and Janice Neidlinger, treasurer. Our first class project to earn money for our Senior trip was selling fudge.

During our sophomore year we were no longer the "babies" of the high school. Our leaders this year were Larry Miller, president; Janice Neidlinger, vice-president; Charlene Lucas, secretary; and Cheryl Dillon, treasurer. This year our projects included sponsoring two movies and leaf-raking.

As the days sped by, our junior year was upon us. We began our year by ordering our class rings and choosing our play and cast. Under the direction of Miss Ruth Shanks and Mr. Latham Lawson, we presented the play, *Hobgoblin House*.

Later, we sponsored dances after the ball games, the annual Junior Ham Supper, and a record hop with a group of talented juniors called "Dixcats" as an added attraction. We chose "Moon River" as the theme for the Junior-Senior Prom. Our able class officers were Larry Miller, president; Carol Overmyer, vice-president; Janice Neidlinger, secretary; and Sherrill Edgington, treasurer.

The day finally arrived; we were Seniors! We were no longer the followers but the leaders. Our class officers were Larry Miller, president; Dennis Shock, vice-president; Janice Neidlinger, secretary; and Sherrill Edgington, treasurer. We chose kelly green and cream as our class colors.

We began the year by holding our annual magazine drive. As the basketball season started, we sold concessions. On November 30, we received our senior pictures.

April 25 arrived at last. We left Lapaz on our Senior Trip for Williamsburg, Virginia; Washington, D.C.; and New York City. We returned exhausted but filled with memories of exciting times.

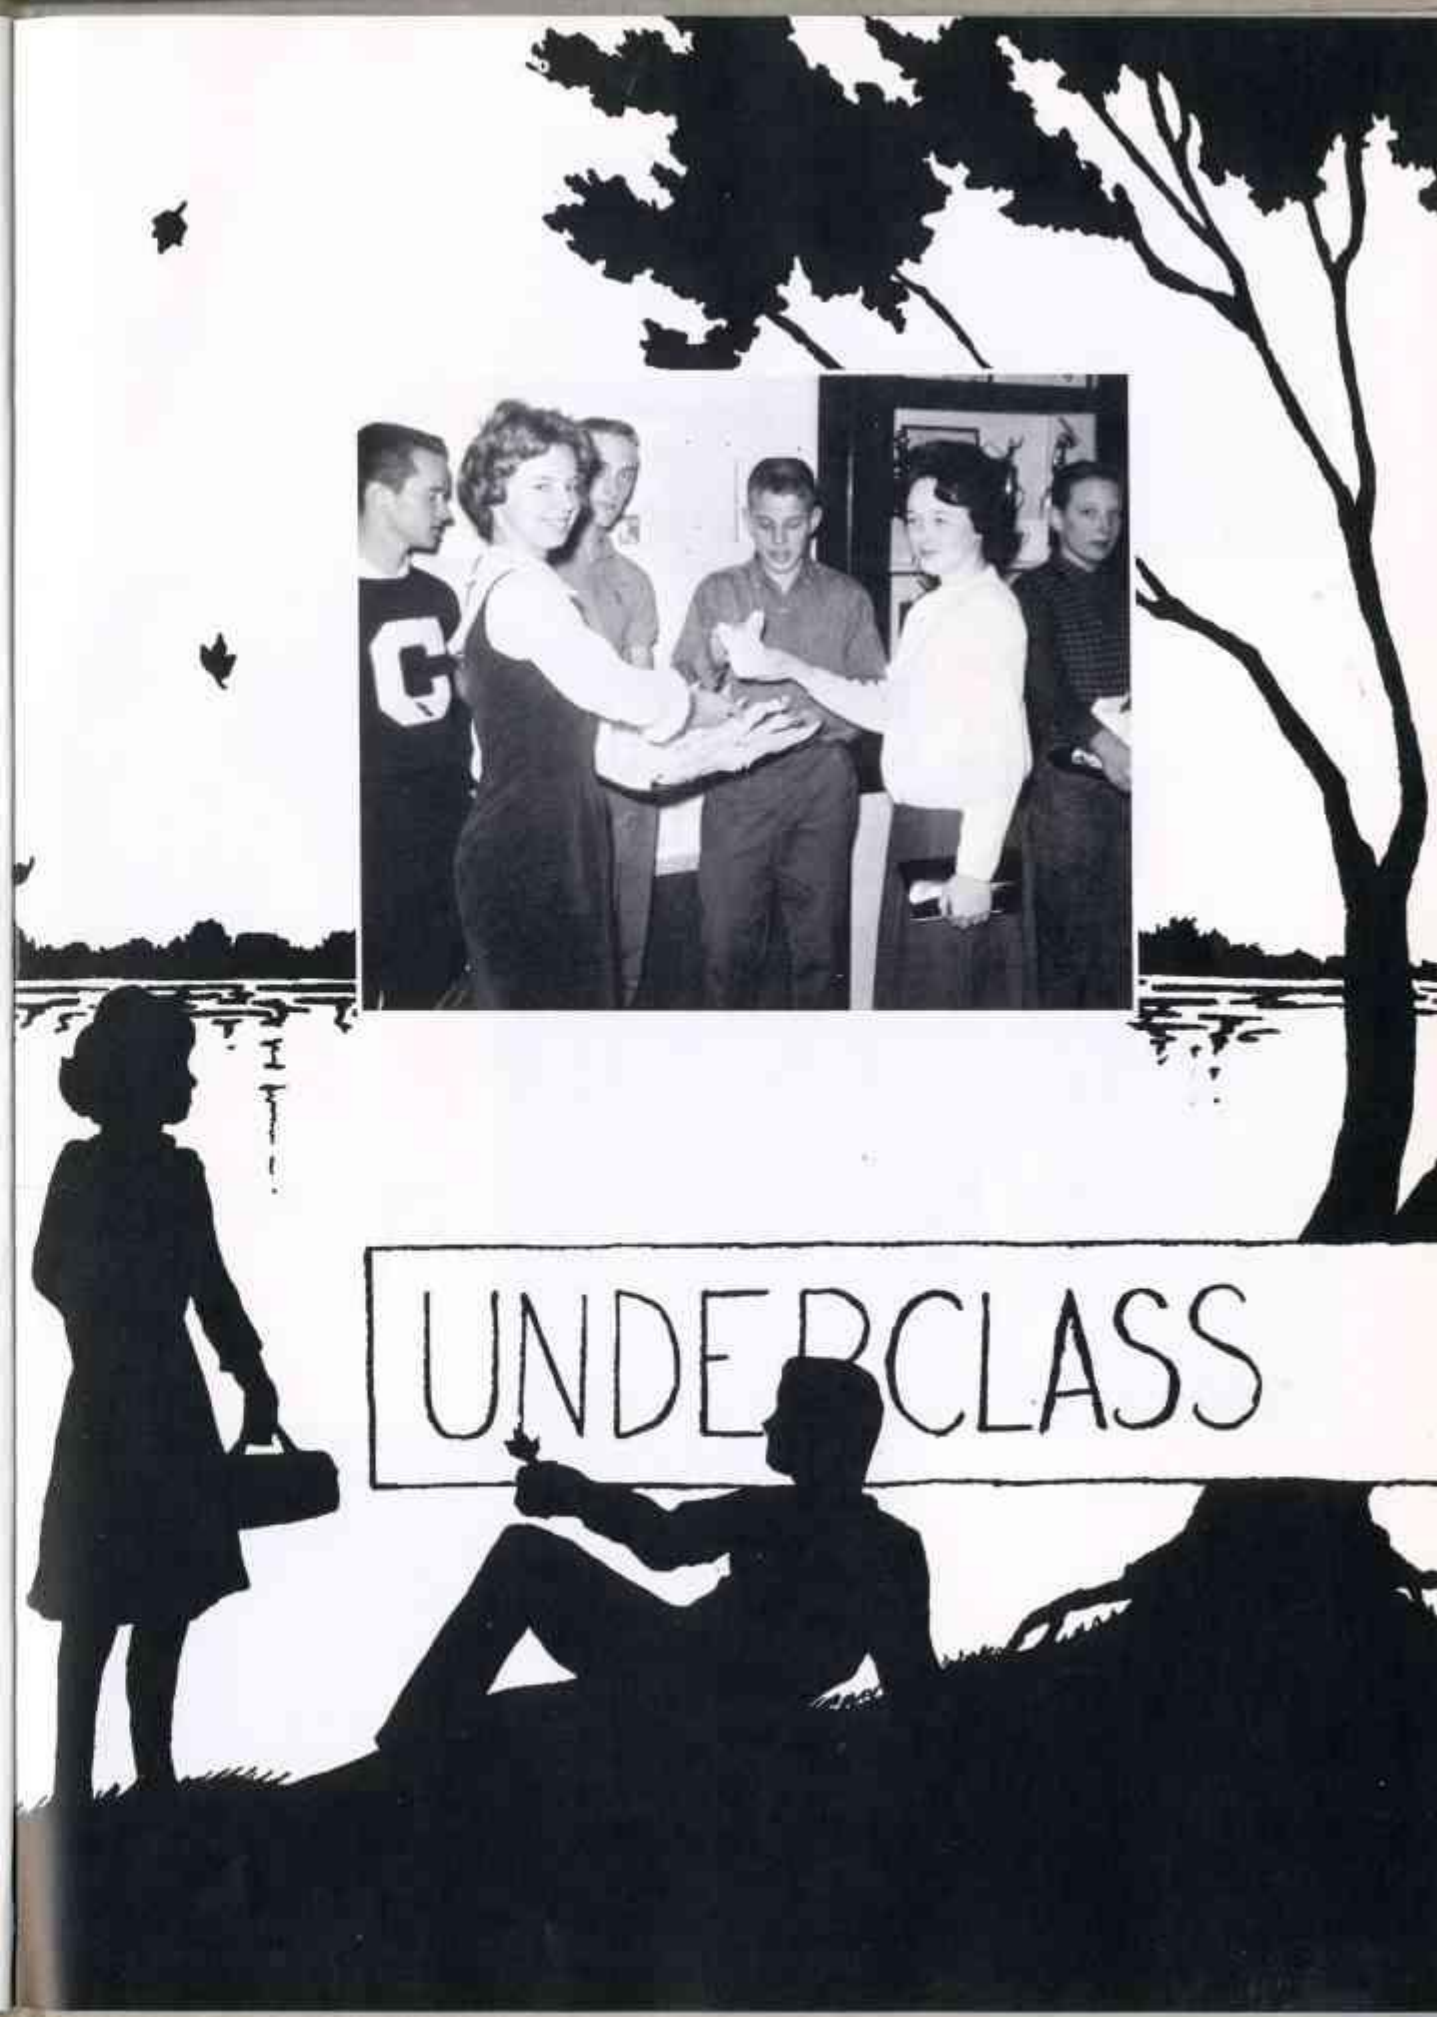

On May 17, we attend our last high school prom. In a last whirl of excitement, we attended Baccalaureate on May 19, and Commencement on May 24. Our life at Culver High School ended that day, but our life as useful citizens of the United States just began.

Another new feature added to the extra-curricular program at Culver High School this year was the Pep Club. The purpose of the establishment of such a club is to promote spirit for home and away basketball games. Pictured above is the Pep Block. These girls wear white blouses, sit in block formation, and do uniform motions to the cheers under the direction of the cheerleaders. The students pictured below are

Music Enlightens

1962-63 has been very successful for the Culver High School Music Department.

Several concerts were given in the town park by the Senior and Junior Bands during the summer months. The Junior Band was treated to a "midnight" cruise around the lake on the *Makinkuckee* by Mr. Amond.

With the opening of school in September, the students found many changes in the music building. The director's office was enlarged, the outside of the music building was painted, and almost all the band instruments were repaired. New textbooks were purchased for the Junior High General Music classes. A new stereo record turn table with earphones for private listening was added to the department.

Halloween time found all the boys in the Senior Band marching for the annual community Halloween Parade. Thad Overmyer, President of the Senior Band, was the drum major.

On December 2, the annual Christmas concert was held in the gymnasium. The Junior Band, Senior Band, Girls' Glee Club, and Mixed Choir participated in this event. Fourteen Seniors were awarded band sweaters.

Several girls from our choirs participated in a joint program with the Academy cadets in the Christmas opera, "Amahl and the Night Visitors" on December 9.

On January 26, many band students were contestants in the instrumental contest at Plymouth. Vocal contest was the first Saturday in February at Penn High School. The long hours of practice paid off as many contestants won first-place honors.

The Senior Band and the Pep Band alternately played for the basketball games in the school year. One of the highlights of the basketball games of 1963 was the performance of Connie Leveall, nationally recognized twirling champion from Purdue University.

In the latter part of March, the Senior Band gave an all-band concert featuring a trombone trio, and the flute section of the band. There was also a program at Aubbeenaubbee, Culver High School, at that time, planned a combined festival program held in April. Culver was host of this event.

Our thanks go out to Mr. Richard Hambrock, our music director, for making this year so prosperous and rewarding.

"I crown you Queen of the 1962 Homecoming!" These were the words of Senior Class President Larry Miller as he placed the silver crown upon the head of pretty Senior Carol Overmyer. Queen Carol and her court were escorted to the stage through two lines formed by the members of the Culver and Walkerton basketball teams.

The candidates for Queen were selected by the Pep Club and the queen was later elected by the Varsity Basketball team.

The following escorted the candidates to the stage: Larry Miller, Bob White, Rex Crump, Jon Van Horn, Dan Haines. Little Beth Adams, carrying the crown on a satin pillow, was escorted by Lonnie Christopher who was carrying a basketball as a symbol of this gallant event.

BASEBALL

Culver's Baseball Indians became Marshall County Champions for the first time in many a year. In compiling an 8-1 record, Culver's stout defense and booming bats dominated the county teams.

Culver started the fall season with a 4-0 win over Richland Center. Paul Liette was the man of the day as he fired a one-hitter at the Wildcats. Sam Lowry's two hits led the offensive attack.

In the second game, with Aubbee, the Lowry boys teamed up to whip the Braves 8-0. Sam pitched a 3-hit shutout and brother Andy rapped out two hits.

Bourbon became the first county team to fall to our Indians, 5-2. Sam Lowry's clutch pitching held the Comets in check while back-to-back two-run doubles by Rick Ervin and Dave Lemar sank Bourbon in the first inning.

Tippecanoe put up a good fight against us, but all in a losing cause, 3-1. Liette allowed only three hits and collected two hits while Ervin had a triple and a single.

Then came the upset of the year. West High traveled to Culver and went home with their first win of the year, 6-4. Sam Lowry and Ervin each had a triple and a single to lead the weak attack.

It took a five-run last inning to prevent another upset, this time at the hands of Tyner. Sam Lowry was the winning pitcher in relief, and Jim Lewis collected a pair of hits in the 8-5 victory.

Culver journeyed to Lapaz next, and came home happy, having won 2-1. Sam was again brilliant on the mound and Liette was Culver's best hitter with two singles.

In the last regular season game, Culver battered the Argos Dragons for thirteen hits and won 12-6. Sam Lowry, Jim Boswell, Lemar, Ervin, and Liette hammered out a total of eleven hits, including a home run by Lowry.

Since Culver and Bourbon tied for the County League lead, a playoff game was scheduled at Bourbon. Culver came from behind to cop the championship, 5-4. Paul White, Lowry, and Ervin collected all seven of Culver's hits, and Paul's home run in the fourth inning put the game on ice.

Hopes for the future look bright, as the Indians only lose one man. With eight returning starters, Culver should have another fine season next year.

Another Winning Year

Seven varsity lettermen returned this year to form the nucleus of the Cross Country squad. The returning lettermen were Frank Keiser, Wade Logan, Dennis Shock, Thad Overmyer, Tom Yocom, George Wright, and Doug Lindvall.

This team compiled a record of 16 wins, 9 losses, and 1 tie. This is very good when one considers that we are in the act of rebuilding from our championship team several years back.

This year Keiser, Logan, Overmyer, Shock, Yocom, Wright, Lindvall, and Jim DeWitt all won major letters. Jerry Nelson and Jim Westcott won minor letters while Ron Babcock, Rich Lutz, and Russ Prosser earned their Freshman numerals.

The high point of season took place at Rochester. It was the first meet in which we managed to have our first five men run under 11 minutes for the two mile run.

Yocom, Shock, Lindvall, and Wright are Culver's first four.

Shock leads the pack at the finish.

Wright finishes far out in front.

BASKETBALL

Culver's Varsity Basketball Team suffered through a dismal season this year, plagued by unpredictable bad luck. The team as a whole made many fine showings, but many times looked poor also.

In the season opener, Culver was downed by Aubee, 55-42. The Indians were in the game until the final four minutes, a characteristic which we held all season long. Paul White was our only consistent scoring threat, racking up 19 points.

Two weeks later the Indians won their first varsity game at home in almost two years. Tyner was the unfortunate victim, 61-50. Thad Overmyer spearheaded a very balanced Culver attack with 14 points, while Dave Lemar and Rick Ervin added 12 each.

Against Plymouth, Culver made a fine showing, but again faltered in the last minutes to lose 65-59. Overmyer again led the scoring with 19 points and Ervin was right behind with 15.

In a poorly played game at North Judson, Culver was downed 58-56. Both teams played well below par as the Blue Jays held off a last minute Indian rally to win their first game. Overmyer was Culver's best scorer with 18 and Sam Lowry added 12.

Still smarting from their loss to Judson, Culver played

a tremendous game against tall and talented Knox, but again we were denied the victory, 49-45. Ferocious rebounding and spirited floor play kept us in the game. Ervin led all scorers with 14 points and was backed by White's 11.

North Caston became our next conqueror, 78-59. After scoring 20 points in the first quarter, the Culver gears bogged down and failed to mesh until the final quarter, when it was too late. Overmyer tallied 14 and Ervin had 12 to top the Culver scorers.

With sophomores Jim Boswell installed in the starting unit, Culver came close to their second win, but again was defeated, this time by Rochester, 49-48. Ervin's 9 points topped a balanced Indian attack.

In the last game of 1962, Walkerton came to town, and left happy. The score was Walkerton 53, Culver 43. Lemar's 11 points were the most by any Culverite.

With the County Tourney coming up, Culver journeyed to Bremen. The Indians played another fine game until the final minutes, where they again faltered. Bremen scored 12 straight points in the last two minutes to win, 54-42. Overmyer and Lowry each scored 10 points.

BASKETBALL (cont.)

Culver gained its second victory of the season by downing LaPaz, 71-60. The stunned Vikes found themselves behind by ten points in the first quarter and never recovered. Ervin had 17 points to top the scoring while Overmyer and Lowry added 16 points each.

The Indians drew Tyner in the first round of the County Tourney and severely drubbed the Redmen, 57-39. Culver collected 66 rebounds in the triumph. Ervin's 16 points were high for the game and Lowry was close behind with 12.

In the second round of the tourney, Culver put up a great fight, but was downed by Bourbon, 50-44. Lowry scored 15 and Overmyer 14 for the Indians.

Arch-rival Argos was Culver's next victim. The Indians rolled up a 26-9 first quarter score and coasted to the 71-44 victory. Ervin collected 16 points for game honors and Lowry scored 14. All twelve Indians scored in this great team effort.

Culver traveled to new Paris and the Cubs, who were Elkhart's County champs, downed the local squad, 77-60. Lowry poured in 21 points and White helped out with 13.

Royal Centre visited Culver in the next game and left with a hard fought 55-49 victory. Overmyer tallied 16 and Lowry scored 11 to lead the scoring.

The following night, the Indians met a tall, good-shooting squad from North Miami. The Warriors' bulk provided their 74-69 win. White hit for 21, Lowry 16, and Ervin 13 to top the scoring.

Against Winamac, Culver displayed a full court press that resulted in stealing the ball numerous times. The Indians took a 31-18 halftime lead and won 55-51. Overmyer scored 16, Ervin 14, and Lowry 11, for Culver.

With three regularly scheduled games left, with Lakeville, Mentone, and Bourbon, Culver compiled a 5-12 record. It must be taken into consideration that Culver's schedule is extremely rugged as compared to the rest of the county teams. The outcome of the last few games will appear in the Tomahawk at a later date.

After seventeen games, Thad Overmyer topped the scoring with 191 points. Sam Lowry was second with 180, followed by Rick Ervin with 177, Paul White with 146, and David Lemar with 111. Obviously the scoring was well balanced.

Rick Ervin led the team in rebounds with 182. Thad Overmyer collected 175, and David Lemar added 103.

At this point we would like to pay a special tribute to Coach Gene Crosley. Although his record is nothing wonderful, Crosley has developed mediocre ballplayers into good ballplayers. With a friendly attitude, Crosley stressed teamwork very strongly. His point was well taken as no one Culver player led the scoring in more than three consecutive games. Coach Crosley's squad will be well diminished as he loses Thad Overmyer, Rick Ervin, Wade Logan, George Ogden, Jerry Nelson, and Dennis Shock via graduation. Next year's squad will be strengthened by the return of Paul White, Sam Lowry, Dave Lemar, Jim Boswell, Jim Lewis, and Doug Lindvall.

Culver's B-team, supervised by Coach Jim Cox, compiled an 8-9 record with three games left to play. Featuring a fast break attack, Coach Cox's team can be considered one of the best in many a year. Jim Lewis led the scoring for the Papooses with 138 points. Bob Carter hit for 111 and Doug Lindvall had 100 even.

The B-team started the season with an overtime victory over Aubbee. Then they downed Tyner and Plymouth before losing to North Judson. Knox and North Caston fell to the Papooses and then Jim Boswell was elevated to the varsity so the B-team was left without its leading scorer. Lewis and Lindvall

took up the slack, but Culver lost to Rochester, Bremen, Mentone, Etna Green, and Lapaz. The next victory was over Argos and then we lost to New Paris, beat Royal Center, lost to North Miami, and lost to Winamac.

Other top scorers for the Papooses were Andy Lowry with 65, Jim Weirick with 60, Jim Boswell had 50 in six games, and Paul Lette added 38.

Future hopes are bright as proved by the fact that six of the top seven scorers were sophomores and freshmen.

Action pictures of the B-team will appear on page 65.

Junior High

The first sport on the agenda for the junior high was baseball. Led by Coach Zellers, the junior high compiled a record of one win and two losses. In the first two games, the junior Indians were beaten by Bourbon 16-15, and by Argos 5-4. In the last game of the season, Culver defeated Bourbon, 9-2, behind the excellent pitching of Stu Lowry. The prospects for next year look good since many seventh graders will return.

The freshman basketball team, coached by Jim Cox, began the season by losing to LaPaz and Bremen in their first two games. Then the Indians nipped Mentone 44-40 behind Bruce Lindvall's 27 points. After Mentone, Culver defeated Winamac, lost to Rochester, won at Knox, and lost to C.M.A., Argos, and Bourbon for a season total of three wins and five losses.

Bruce Lindvall led the freshmen in scoring with 94 points. Ron Babcock and Randy Wakefield followed with 40 and 37 respectively. Other players scoring were Larry Washburn with 34, Andy Lowry with 26 in

four games, Dan Haenes with 8, Richard Lutz with 6, Frank Sheppard and Mark Lowry with four each, and Mike Hansen with two.

The junior high A-team won and lost eight games for the season. They defeated Richland Center and North Judson, while losing to Bourbon, Rochester, Argos, Knox, Tyner, Aubbee, LaPaz, and Bremen. Paul Hatten was the top scorer with 101 points for the season. Other scorers were Phil Scruggs with 28, Kerry Haenes with 22, Bob Crow with 21, Stu Lowry with 16, Dennis DeMarco and Fletcher Mattox with 14, and Ray Sheppard with seven.

The future junior high teams should do well, as many seventh graders will return from the A-team.

The junior high B-team won three and lost six games. They beat Bourbon, Aubbee, and North Judson, while losing to Rochester, Argos, Knox, Tyner, LaPaz, and Bremen. Ray Sheppard led the scoring with 28 points.

Sports

BASKETBALL

In their last home game, the Indians lost to Lakeville 81-61. Lowry scored 18 points while Overmyer added 16 for the losing Culver squad. This was the last home game of their high school careers for the six seniors on the team.

For their next contest, the Culver tribe ventured to Bourbon to face the highly rated Comets. After a "give and take" first half they lost pace to the hot hands of the Bourbon five and lost 69-51. Overmyer led the balanced attack with 14 points while Boswell and Lowry popped in 12 and 10 points respectively.

In the final game of the regular season Culver challenged the Mentone Bulldogs. Ervin, playing the finest game of his career, scored 27 points which was the highest single scoring feat for the Indians all year. The Mentone team came through with another victory by defeating our Indians 89-65.

The drawings for the Sectional Tourney paired the Indians against the Wildcats of Richland Center on Thursday night. The Culver five came out on top after a thrilling overtime game by a score of 60-51. Thad Overmyer hit 25 points to pace the Indians to the win.

On Saturday afternoon the Indians scored an upset by downing the Bremen Lions 46-38. Ervin, Lowry, and Overmyer scored 15, 13, and 12 points respectively to lead the Culver crew to victory.

Saturday night the Indians met the Pilgrims of Plymouth in the final game of the Sectional. Both teams played well and gave the fans a fine game but Plymouth came out on top with a score of 55-53. Ervin and Lowry were again our top scorers with 15 and 12 points.

TRACK

Coach Cox had eleven major letter winners this year. They are: Ned Davis, Rick Ervin, Frank Keiser, Paul Liette, Jim Lewis, Larry Linhart, Dennis Shack, Bob White, Paul White, George Wright, and Tom Yocom. Yocom scored 110 points to lead the team, while Paul White tallied 84 and Bob White received 81½ points.

On April 7, 1963, the Culver squad started the season. In a very close meet, the Mentone team won over the home team 66½ to 62½.

Three days later Culver was host to the Tippy squad. The Indians put on a fine show in defeating the visitors 76 to 53.

The following Monday, the Indians were again at home, this time facing Bourbon. The Bourbon Comets beat our Indians 65 to 44.

On April 10, the squad traveled to Plymouth for a three-way with Plymouth and Lapaz. With all points counted, it was Plymouth with 63, Lapaz with 37, and Culver with 15.

The next day the track team journeyed to Knox where they met Knox and Hamlet. This time Culver came in second with 38½ points. Knox had 86 and Hamlet had 32½.

The next meet was a four-way held in Bremen. Once again Culver did poorly tallying only 18 points while Bremen got 97, Walkerton earned 39½, and Tippy received 29½.

In the next meet, Culver faced the impressive track squad of Lapaz. The Lapaz tracksters accounted for 70 points while Culver received 39.

Winamac and North Judson outscored Culver in the next meet which was held at Winamac. North Judson came in first with 82½ points while Winamac and Culver got 42 and 32½ points respectively.

Culver played host to Richland Center in the next meet on April 23. The Indians beat the Wildcats 65½ to 43½.

The Indians went to Argos for their next meet which was a three-way. Tippy ran away with the scoring; they received 73½ points. Argos nosed out Culver by a score of 42½ to 41½.

Culver again met Tippecanoe in a dual meet at Culver. Tippy got revenge for their loss they received a month earlier. That squad outscored Culver's 82½ to 46½.

The Lapaz relays were held on May 4, at Lapaz. Lapaz, Culver, Argos, and Bourbon were represented in the meet. Lapaz won with 79½ points; Bourbon, second with 64; Culver, third with 39; Argos, fourth with 37½.

In the County track meet at Bremen, the home school cleaned up with 85½ points. Bourbon was second with 47; Lapaz, third with 41; Tippecanoe, fourth with 27½; Argos fifth with 18 5/6; and Culver, last with 5½ points. Tyner didn't enter the meet.
