Two Local Churches Hold Joint Services During March

Last Sunday morning members of the Grace Evangelical and Reformed Church joined with the Methodist Church congregation for worship services. Next Sunday morning members of the Methodist congregation will go to the Reformed Church for services.

Following the practice of following the host church's regular program or "while in Rome do as the Romans do," this Sunday the combined groups will attend church service at 9:30 with Sunday school service at 10:30 a.m.

The joint services came about as a result of both congregations lacking fuel to continue with their regular programs. Action taken at a joint meeting of the church boards held last Thursday evening in the town hall provide for a continuation of the joint services during the month of March.

The resolution as adopted by the unanimous action of the joint church boards stated "As a contribution to the welfare of the community and for the purpose of conserving our resources, the congregations of the Culver Methodist Church and Grace Church will unite during the month of March for all of their Sunday Church School and Worship activities.

"This action was taken when the ministers and groups of officers of the two churches faced the extremely critical coal situation. Each church had on hand enough coal for one, possibly two Sundays. To keep both churches open would require fuel that is needed to keep homes warm and families healthy. Services will follow on alternate Sundays in the two churches.

"It has been agreed that the loose offering will go to the host church each Sunday and all church envelopes will go to our respective treasurers. This procedure will apply both to the Church School and worship services.

"During the emergency, all week night activities of both the churches have been canceled."

One Great Hour Program Sunday

Next Sunday, March 12, local churches will join religious groups throughout the world to participate in the great corporate offering for world relief.

Radio network will carry a program known as "One Great Hour of Sharing," on Sunday evening 6:30 to 7:00 p.m.

Some of the nations outstanding radio and screen stars, together with leading church figures, will have a part in the program.

Marshall County Joins Nation In Observing National 4-H Week

"Better Living for A Better World" is the 1950 theme for the 4-H clubs of America, who are currently (March 3-12) observing National 4-H week. Every county and every locality in the nation is represented in the membership of 1,850,000 rural young people.

In Marshall county and in this locality leaders are laying program and membership plans for the year. They point to the wholesome purpose, and to past achievements of the 4-H club.

Local youth who won laurels during 1949 include: Marilyn Miller, Patricia Close, Beverly Baker, Marilyn Mikesell, Sandra Fitterling, Max Gibbons, Larry Lindvall, David Clauson, Dwight Newman, Bobby Kline, Bill Ulery, Warren and Bob Curtis, Sharon Stevens, Jim Davis, Bonnie Gibbons, Paul Triplet, Pat Keller, Shirley Dowd, Jack Snyder, Marilyn Clawson, and Merle Gibbons.

The Marshall county plans for 1950 enthusiastically point to a drive for more members, and a large number of projects. Membership cards may be obtained through the county agent's office.

The 4-H club work is a part of the national agricultural extension system. Through it boys and girls in school and out are taught better farm and home practices and the finer and more significant things of life. The ultimate aim of the club work is "to provide for the continuous individual and social growth of rural boys and girls."

4-H leaders in Union Township are as follows: Girls: Mrs. Walter Strait; Boys: Lloyd Feller; Township Committee: Mrs. Larry Lindvall, Mrs. Maurice Curtis, Larry Lindvall, Paul Ulery and Wayne Kline.

The 4-H Calendar can be found on page eleven.

Studebaker Male Chorus To Present Concert Here Sunday

The Studebaker Male Chorus of South Bend will present a concert here on Sunday evening, March 12, at 7:30 p.m. at the Community Building. The program is under the sponsorship of the Martha Circle of the Methodist Church WSCS. The entire public is urged to attend this program where a silver offering will be taken.

The Studebaker Male Chorus was organized in December, 1930

ees. During the life of this chorus more than three hundred men have been singing members. They have come and gone because circumstances compelled them to retire. Seven of the present members are charter members. Always, however, applications have kept the membership between thirty and forty.

The chorus has a repertoire of

bers and a list of its appearances, over a period of year, would total more than three hundred fifty in number. They meet and rehearse each Monday evening, eleven months out of the year.

The chorus personnel consists of: Ethel Stuart Gaumer, conductor, Virginia Stuart, soprano-soloist, Trevona Bartlett, soloist-accompanist, and Geo. C. Meadimber,

Sue Ann Henderson Honored In Capping Ceremony

Sue Ann Henderson of Culver was among 97 students who received their caps at the semi-annual capping exercises in the Indianapolis Methodist Hospital School of Nursing, Friday night in the hospital's White Cross Service Center. Miss Henderson, a graduate of Culver high school, is the daughter of Mr. and Mrs. Frank Henderson.

It was the largest freshman class of recent years. The new freshmen entered last September as preclinical students. When they receive their caps, symbol of their full acceptance into the school, they know they are on their way to becoming nurses. This group will graduate in 1952.

Miss Frederick E. Koch, new director of the School of Nursing, presented the caps, assisted by several faculty members and leaders in the student body. Music by the nurses' Choral Club, a candle-lighting ceremony and recital of the Florence Nightengale pledge contributed to an impressive occasion, attended by several hundred relatives and friends of the principals. They were later entertained at an informal reception.

CARLETON ADMISSIONS DIRECTOR TO VISIT ACADEMY

Cecil Houghton, admissions counselor for Carleton College, will spend Saturday, March 18, at the Culver Military Academy talking to students interested in attending Carleton. Mr. Houghton will spend the day conducting personal interviews with those cadets who have indicated an interest in the Minnesota college.

Reed, 304 Slate St., Culver, is one of 97 Indiana University Air ROTC cadets who will be enrolled in summer training camps from June 25 to August 5 at Lowry (Colo.) and Wright-Patterson (Ohio) Air Bases. Reed will attend a special course in administration and logistics at the Wright-Patterson base.

RICHLAND-FLORA EXCITING CONTEST TO LOCAL RADIO FANS

Rabid Culver followers of the Richland Center basketball team nearly "swallowed their teeth," last Saturday afternoon during the hectic closing minutes of the Richland-Flora game. Richland, behind 51-49 with only five seconds to go, appeared to be defeated. Dave Kanouse tipped the ball to his brother, Larry, who dribbled to a side court and let go with a two pointer to tie the score 51-51. Richland scored 8 points in the overtime to win 58-55.

GUN ACCIDENT KILLS FORMER CULVER MAN

A gun accident proved fatal to a former Culver resident, Darrell Nethercutt, 25, when a bullet from a .32 calibre automatic revolver struck him in the heart, Saturday morning at his home in Logansport. Nethercutt was engaged in the process of cleaning the gun.

Born in Culver, October 11, 1924, he is the son of Mr. and Mrs. Fred Nethercutt of Royal Center. Among other survivors are Mrs. Robert Feece and Frederick Nethercutt both of Plymouth.

Funeral services were conducted yesterday at Logansport, with burial in the Mt. Hope cemetery there.

Heavenly Hash Dessert
3/4 cup Pet Milk few grains salt
2 teaspoons unflavored gelatin 1/2 cup water
3 tablespoons cold water 1/2 teaspoon vanilla
1/2 cup sugar 1/2 cup finely cut nuts (can omit)
2 tablespoons cocoa 2 cups angel cake

Chill 1/2 cup milk until ice cold. Soften gelatin in cold water. Mix in saucepan the sugar, cocoa and salt. Stir in slowly a mixture of 1/2 cup milk and the water. Boil and stir over low heat 5 min. Remove from heat; stir in softened gelatin until dissolved. Add vanilla and nuts. Chill until slightly thicker than unbeaten egg whites. Rub with vegetable oil a pan measuring about 8 x 4 x 2 inches deep. Pull cake into small pieces. Put into bottom of oiled pan. Whip chilled milk with cold rotary beater or electric beater at high speed, until stiff. Fold into gelatin mixture. Pour over cake in pan. Chill until firm. Cut in thick slices. Makes 4 servings.

Cadet Boxers Defeat St. Mels To Maintain Unblemished Record

Culver Military Academy's varsity boxing team had to win their last four bouts in a 13-bout match against Chicago's St. Mel last Saturday to maintain the cadet record of eight straight years without defeat either at home or away. This fifth win of the current season also gave the school its 16th consecutive year without a home loss.

Starting the tenth bout last Saturday, Culver fighters were behind 6-3, but two knockouts and two unanimous decisions earned them this last match of the year, 7-6.

Since 1942 when the Academy boxers started their current undefeated string they have won 325 bouts against 149 losses that have been fought in the 46 matches. Included among their opponents have been teams from various high schools, community centers, YMCA's, and boxing clubs, and such formidable opposition as the varsity squads from Purdue University, Valparaiso, St. Joseph's College, and Morton Junior College.

Prior to his retirement last year, the Academy boxing team was coached by Mike Carpenter. The present coach is Jock Sutherland.

ACADEMY QUINTET LOSES TO ST. JOHNS IN TOURNEY

Russ Oliver's cadet cagers outscored St. Johns Military Academy 30-23 during the last three quarters of the Mid-West Prep Tournament finals last Saturday night, but were unable to overcome a first quarter 20-5 lead which the Wisconsin players piled up so lost the title, 43-35.

Culver won their right to play in the finals by defeating Pullman Tech in the semi-final afternoon game, 39-26.

This split gave the Academy cagers a record of eleven wins against seven losses for the season.

CADET NATATORS WIN SWIM MEET

The cadet swimming team coached by Frank Walaitis completely swamped the six team opposition in last Saturday's Mid-West Invitational Swim Meet to capture the title for the second successive year. Academy tankers not only scored 40 more points than their closest rival, Chicago Fenwick, but they also set three new pool records in the 100-yard breaststroke, 200-yard free style, and 120-yard medley relay.

Schools and their scores were as follows: Culver, 79; Fenwick, 39; Mt. Carmel, 21; St. George, 18; Loyola, 13; Wayland, 3; and Ellettsville, 2.

WRESTLING AND POLO TEAMS WIN

Varsity wrestlers at the Academy won their best match of the season at Chicago last Saturday when they defeated the South Chicago YMCA, 21-14. They will wind up their season this week end when they attempt to avenge their only defeat so far this season in a return match with Mt. Carmel, there.

The polo team continued their winning ways by defeating Pontiac, Michigan 14-11 for their sixteenth win in seventeen starts this year. Thirteen of these victories have been by the first string who also have suffered the only loss.

SENIOR AT WESTERN MICHIGAN

Glen Hawkins of Culver has enrolled at Western Michigan College for the second semester. He is a senior in the general degree curriculum.

The Broadcast Measurement Bureau says 39,281,230 families in the U. S. have one or more radios.

10 GRADS HOLDING ADVANCED DEGREES ARE IN DEMAND

Indiana University's graduates with advanced degrees have little difficulty finding employment, according to figures released at Bloomington.

The Bureau of Personnel Relations and Placement announced that all 69 men and women who received master's or doctor's degrees from the School of Business last summer and fall have reported acceptance of positions. Their starting salaries range between \$250 and \$350 a month, with the average about 13 percent higher than that for those receiving Bachelor's degrees in business.

The School of Law reported that of the 110 persons graduated last year from the Bloomington and Indianapolis divisions, only three have not yet reported placement.

FORMER CULVER ATHLETE STARS AT ST. JOSEPH

Eddie Amond, former Culver High School athlete has completed a successful season with the St. Joseph College freshman varsity team. The squad had a record of 8 wins and 5 lost. Amond, at 5' 9" was the smallest player on the squad.

He also competed in the college table tennis tournament in

both single and double events. In the singles, he advanced to the semi-finals and in the doubles to the finals.

Pictured here are four Culver residents who are vacationing in Florida, left to right; Mr. and Mrs. Benjamin Hawkins, Mrs. Lottie Marshall and Charles Lambert.

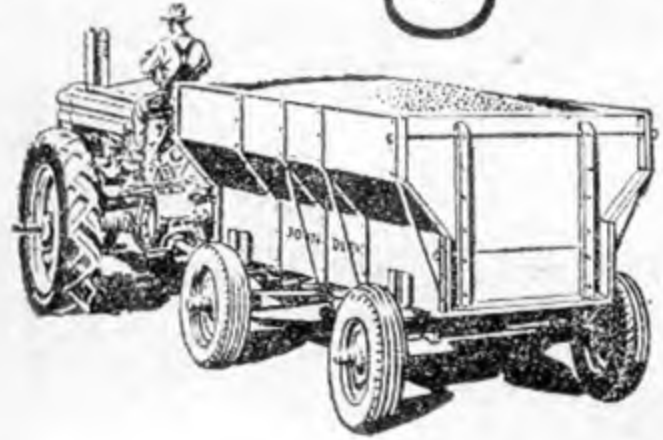

In a letter to the Citizen the vacationers tell of their trip as follows: "We left Culver on February 2, coming to Florida via Evansville, Chattanooga, Cordelia, Atlanta, Macon, St. Petersburg, Sarasota and Naples, where we picked our first oranges.

"From there we took the Tamiami Trail through the Everglades on to Miami where we spent a little time with Jesse Osborn. Then onto Homestead and from there to Key West. Then up the east coast to Fort Lauderdale, Palm Beach, Vero Beach, Hobe Sound, Melbourne and to the Indian river where we got up early to see the fishermen come in with their fish.

"We drove inland to Kissimmee

Police arrested a Connecticut woman for refusing to leave a phone booth after two hours. Why break up the description of a new hat?

and visited a short while with a friend, Mrs. Bea Otlo, formerly of Plymouth, Ind. At Winter Park we saw the largest cypress tree in the world, next we went to Bok Tower and Winter Haven to the Citrus Festival.

"They have a Community sale in Kissimmee every Wednesday. We went twice and saw them sell large Brahma bulls. Also saw cattle ranches where huge piles of citrus fruit were dumped in fields for the cattle.

"The weather is grand - little cool of mornings - always have a little fire. We sure are enjoying the glorious sunshine. We received three Culver Citizens March 1st and we all wanted to read them at once - had no mail for a month as we didn't stay in one place long enough to have an address, so we sure appreciated the Citizen."

Most African soil is deficient in basic mineral elements essential to plant growth.

Brilliantly designed and distinctively styled in gleaming white, gold, chromium and ice-blue, this streamlined Frigidaire DeLuxe refrigerator is representative of an extensive new 1950 line of 20 models in three types. Featured are such innovations as adjustable and sliding aluminum shelves, twin extra deep porcelain Hydrators which can be stacked to make space for big items, a new full-width plastic chill drawer for beverages, and a new plastic basket drawer for eggs. The new full-length door and ice-blue and gold interior trim make it particularly pleasing.

The 1950 Theme

4-H members work together for "Better Living for a Better World" in keeping with their ten 4-H guideposts.

The Ten 4-H Guideposts

1. Developing Talents for greater usefulness.
2. Joining with friends for work, fun, and fellowship.
3. Learning to live in a changing world.
4. Choosing a way to earn a living.
5. Producing food and fiber for home and market.
6. Creating better homes for better living.
7. Conserving nature's resources for security and happiness.
8. Building health for a strong America.
9. Sharing responsibilities for community improvement.
10. Serving as citizens in maintaining world peace.

The following Culver business and professional men are happy to participate in this observance of National 4-H week and the members have our best wishes for success in the 1950 program.

4-H Forestry Champions

Know Woodlot Potentialities

One of 1949's state 4-H Club forestry champions and a local club advisor examine young pines that started him out on a forestry career. Four-H forestry lessons will later pay dividends in regular cash crops harvested on well-managed farm woodlots.

As an incentive to local farm boys and girls to turn their woodlots and small timber tracts into money-making properties, four college scholarships of \$300 each are being offered again this year in the 4-H Club forestry project. All 4-H Club members, working under Extension Service supervision and enrolled during the current year in a 4-H Club forestry project, are eligible to compete for national awards.

As in previous years, top awards will be made on a sectional basis to the boy or girl having the best forestry record in each of the four Extension Service sections of the Nation. In addition to the scholarships, national winners will be given all-expense-paid trips to the 29th National 4-H Club Congress to be held in Chicago, November 26-30 inclusive. Medals will be awarded to each state winner.

This is the third consecutive year American Forest Products Industries, a national non-profit association of wood-dependent industries, has sponsored the 4-H Club forestry project. In the past two years' competition, eight of the college scholarships and free trips have been won by farm youths from the states of Arkansas, Georgia, Idaho, Montana, New York and Wisconsin, the latter two states

having had national winners both years.

"It is most gratifying to see the upsurge of interest in forestry that is being shown by 4-H Club members everywhere," declared Charles A. Gillett, managing director of American Forest Products Industries, in announcing the association's continuing sponsorship of the scholarship awards for 1950. "These young people are learning the basic fundamentals of sound timber management and how to apply them to the farm woodlots of America. Certainly this assures an even greater progress in private forest management in the next half century and an ever increasing wood supply for this Nation and the world."

The local county extension agent will supply detailed information about the 4-H forestry project and the 1950 awards awaiting those boys and girls who excel in forestry.

home of Mr. and Mrs. Robert Kline were Mr. and Mrs. Chet Bowersox and family, Mrs. Pearl Bowersox and Mr. and Mrs. Wayne Kline and family. In the afternoon Mr. and Mrs. Raymond Burch and family, Mr. and Mrs. Guy Stayton, Miss June Kline and Tommy DeGellio of Peru, were visitors.

Washington

Words cannot express the shock and heartache in the tragic death of our brother, Carl Finney, last week when he was burned to death. The children include Mrs. Loren Marriott of Rochester, Thelma Jean Ringer of near South Bend, Lila Fenimore of Indianapolis, Betty Yapp and Millard, of Culver. The sons-in-law were here for the funeral except Mr. Fenimore who at the time is on a mission to Hawaii. Carl was the youngest of seven children of John and Alzana Finney. His brother, Edgar Finney, a sister, Mrs. Ira Faulkner, and a sister, Lottie, besides his parents, preceded him in death.

Mrs. Fenimore and children, Terry and Jeffrey, were taken to their home in Indianapolis Saturday by her brother Millard and sister Lola.

Mrs. James Falvey of South Bend was unable to come to her brother's funeral and Mrs. Laura Miller and her daughter were in Florida and could not attend.

Mr. and Mrs. Floyd Kring and son of Plymouth were Sunday dinner guests of Mr. and Mrs. Maurice Curtis. Maurice attended a funeral of a brother Odd Fellow Sunday afternoon.

Ormond Miller spent Sunday afternoon with his aunt, Mrs. William Kline, and Mr. Kline.

Mrs. Georgia Curtis and Carrie Curtis called on Mr. and Mrs. William Kline on Wednesday evening. On Saturday James Falvey, Alice Sharp of South Bend, Bonnie Jones of Detroit, Mich., and Mrs. Fred Medbourn were Saturday afternoon callers of Mr. and Mrs. William Kline.

Mr. and Mrs. Whitney Kline and Joyce were Sunday afternoon callers at the Norman Davis home. Norman is confined to his bed with a blood clot in his leg.

Mr. and Mrs. Wayne Kline and children and Mr. and Mrs. Chester Bowersox of Leiters Ford were guests Sunday of Mr. and Mrs. Bob Kline and sons.

Mr. and Mrs. Guy Kline of Compton, Calif., arrived at the home of his father, William Kline, on Monday evening. They had been attending the American Association of School Administrators which was held in Atlantic City.

Whitney Kline is spending a couple of days in Chicago this week.

Evangelistic services began here Monday evening and will continue through Friday evening, March 17. The Rev. A. W. Stoneburner of Carlisle, Indiana is the evangelist and there will be special music each evening except Saturday services beginning at 7:30. You are cordially invited to attend these meetings.

S. S. services each Sunday at 10:00 a. m. Attendance last Sunday 95.

Enthusiasm is running high in this community over the triumph of the Logansport Center in the B. B. tournament in Logansport, Saturday. We continue to boost for them as they journey to the Semi-finals at Lafayette next Saturday. This church has the honor to have one of the team's state players, Bob Goodman, son of Mr. and Mrs. Vernard Goodman, as its member.

This correspondent is indebted to Mrs. Everett Goodman for the items of this community during her absence to Florida.

The regular meeting of the W. S. C. S. was held Wednesday afternoon with Mrs. Everett Goodman. During the course of the business session the annual election of officers was held with Mrs. Robert Kline re-elected as president; Mrs. Edgar Haney vice-president; Mrs. Maggie Cavander, secretary and Mrs. Clarence Kline, treasurer. Secretary of local church activities, Mrs. Leona Hawk; literature and supplies, Mrs. Whitney Kline; missionary education, Mrs. Guy Davis; spiritual life, Mrs. P. Douglas; flower, Mrs. Cluriel Hikesell and basement, Mrs. Dot Fields, Mrs. Marie Goodman and Mrs. Ruby Goodman.

Mr. and Mrs. Guy Davis returned home Wednesday evening after spending the past month in Florida, Key West and other points of interest in the south. They were overnight visitors of their uncle and aunt, Mr. and Mrs. Alf Cowen at Gainesville, Florida; were callers of Rev. and Mrs. A. E. Grubbs at Tampa and met with Mr. and Mrs. Charles Berg at Bradenton, Florida. They had a most delightful trip. Sunday dinner guests in the

THE LOCAL ANGLE IN 4-H CLUB WORK

Throughout the nation newspapers, magazines, radio, and public programs are this week stressing the work and the program of the 4-H clubs of the nation. It isn't difficult to gain support or attention to the splendid work of this particular youth club, or to other worthy farm organizations, which is devoted to the betterment of boys and girls.

In Marshall county the record shows that 4-H has had notable accomplishments and in the record of achievement there are quite a few local boys and girls who have achieved distinction.

There are a number of institutions and civic leaders in this community who are whole heartedly interested in furthering the work, not only of the 4-H, but of F.F.A. A letter sent out by the Citizen seeking suggestions as to how farm youth organizations might be more effectively interpreted has brought forth a large number of replies. All show intense interest and a close appreciation of the possibilities of the work of farm youth organizations.

One wrote suggesting that "the 4-H program could be improved locally by 1. Following a definite Farm Bureau plan for supporting or sponsoring 4-H groups. 2. Featuring types of projects that younger boys could start without large sums of money such as collections, etc. 3. Supply worthwhile projects of interest to the girls who live in town or rural areas. 4. Develop the program along lines or more effectively cementing family effort, that is keeping it on the child's level but getting more over-all home cooperation. 5. Provide for better interpretation of past achievements and out of the ordinary projects.

"Some of the problems facing 4-H progress in our own home township are as follows: 1. There are not as many interested here for several reasons including perhaps the quality of farmland here and the more general opportunity here for youth to earn money in other fields and also the competition from several other interests. 2. Perhaps we do not give the backing that some of the townships should give. 3. The problem of financing good long level projects such as dairy projects needs to be studied closely and some solution found to afford boys particularly the opportunity to carry on projects over a long period of time."

The pertinent suggestions here are worthy of every person's consideration, particularly all those who are interested in the developing of worth while youth programs. Several adults are contributing freely of their time and effort to sponsor these programs and for their continuing interest the community should be extremely grateful.

Refuse Disposal To Be Among Topics For State Rodent Conference

Collection and disposal of refuse and garbage will be one of the subjects featured at the insect and rodent control conferences to be held March 13-14 at Purdue University, and March 15-16 at Indiana University.

"Since insects and rodents contaminate and destroy millions of dollars worth of goods annually as well as jeopardize the lives of us all by the disease organisms they carry, we have planned two conferences to give more people an opportunity to hear about insects infesting foods, habits and characteristics of rats and mice, rat and flyproofing and other subjects."

B. A. Poole, director, Environmental Sanitation Bureau, Indiana State Board of Health, said in announcing the meeting which is also sponsored by the Universities and the U. S. Fish and Wildlife Service. "The collection and disposal of refuse is such a community problem that we are directing a portion of our program to this subject also."

Authorities from state and local health departments, the Universities and the U. S. Fish and Wild-

life Service will also participate. An invitation has been extended to service organizations, rural groups, county and city officials and others interested in this subject. Reservations are being made with Prof. J. J. Davis, Purdue University.

Corn Borer Population Alarms Corn Growers

The increased population of the European corn borer which was built up during the last year is serious enough to justify the alarm that is now spreading among corn growers in Indiana. Prof. J. J. Davis, head of the department of entomology, declares.

Reports are being received at Purdue that many corn growers are undecided whether or not they should sign up for dust and spray service as supplied by airplane operators. The Purdue entomologist pointed out that the decision will depend upon the value of the crop, the spring weather conditions and the time the crop will be needed to be planted so that the crop can be marketed at a favorable price.

If the corn crop is sweet corn, or hybrid seed corn, both of which must be planted early, the ento-

mologist said that these high value crops will warrant the use of insecticide.

The corn borer is passing the winter in very large numbers, but the spring weather will be the deciding factor on the number of borers in the fields next summer. A late spring will necessitate delayed corn planting and result in fewer borers. At present this heavy overwintering population appears likely to provide the heaviest infestation to early planted corn that has ever been experienced in the state.

As a consequence, the department of entomology has given careful consideration to the recommendations for control in 1950. These recommendations are based on experiences in Indiana as well as experiences in other north central states as reported in a recent meeting of entomologists from these states. The Purdue recommendations are given in the circular E-17 and stress the use of adapted hybrids and date of planting. Copies of the circular are available from the University free, and from the county agents' offices.

A&P FOOD STORES IN OPERATION 91 YEARS THIS WEEK

"To provide more and better foods to more people as cheaply as possible" is the 1950 goal of the nation's largest food chain, according to D. B. Austin, president of the middle western division of the Great Atlantic & Pacific Tea Company.

Speaking last week in observance of the company's Founder's Week and on the silver anniversary of the middle western division, Austin said that this policy was established by the founder

of A&P, George Huntington Hartford, 91 years ago and that it had been responsible for the company's growth through the years.

Austin took occasion to point out that the middle western division of the company now has 125 active employees with more than 25 years' service with A&P. Citing their record, he added that their success with the company may in part be traced to strict adherence to the owners' philosophy: "Always do what is honest, sincere, and in the best interests of our customers."

The first A&P store was founded on Vesey Street, New York City, in 1859. Since that time the chain has expanded until today it operates stores in 40 states and in parts of Canada and has 110,000 employees.

TRAIN WRECK ATTRACTS ONLOOKERS

Scores of Culver residents drove to Plymouth on Monday, where they joined hundreds of onlookers from over northern Indiana who were attracted to the wreck of two freight trains along the main line of the Pennsylvania, east of Plymouth. The wreck, which derailed 35 freight cars, occurred early Monday morning. Wrecking trains from Ft. Wayne, Chicago and Logansport worked all through Monday night to clear the right-away.

YOUR LIFE INSURANCE . . .

Is your business a partnership?

Suppose that suddenly you should hear over the telephone

that your partner had just been killed in an accident. Here are a few questions which would be sure to come to your mind:

Will you buy out his interest?

Have you the ready cash to do it?

Will you want his widow as a partner?

Will you take in a new partner?

How long will it take to find him?

Will the right man have the money to buy in?

Would you like to have a check at the time of your partner's death big enough to enable you to purchase his interest?

How big ought that check to be?

Can you set aside the necessary amount of cash to be ready in case of death or wouldn't you rather do it the easier way, through business life insurance?

Men's Bowling

The Coffee Shop was victorious in a match game Sunday afternoon with the Shaw Automatic Music Co. team of Knox. The score was 2409 to 2188.

Although there weren't any new records set this week there were a few interesting developments. Last week three teams were tied for third place with 46 points each and this week the General Sheet Metal went into undisputed third place by winning 4 points.

The highest individual series of the week was turned in by Ora Reed with a 591. The Lake Shore Plumbers turned in both the highest game of the week and the highest series of the week, their game was 1044 and their series was 3035. There were only four 200 games this week, Emil Ruhnow 229, Morley Skinner 221, Ora Reed 219, Sgt. Dalton 213.

Taxpayers to Receive Statements of County Taxes in Few Days

A statement of county taxes will be mailed to all taxpayers within the next few days, announced county treasurer, Harold E. Rose. For the first time in Marshall County, taxpayers will receive a statement as to the amount of their personal and real estate tax.

The statement will be an exact duplicate of the tax receipt and will afford an opportunity for taxpayers to examine it in detail before payment. Tax statements are prepared by townships; therefore, those persons owning real estate or personal property will receive individual statements for each township.

Persons having purchased real estate within the past year will not receive a statement in their name since the auditor's office transfers real estate as of the first day of March of each year. Individuals purchasing real estate on contract will not receive statements since the tax receipts of such real estate bear the name of the individual owning same.

It is believed that the mailing of tax statements will relieve congested traffic in the treasurer's office, since the taxpayer has only to attach a check or money-order to the statement and mail to the treasurer's office.

The statement will give the personnel of the office immediate reference to the taxpayer's file. The receipts will be stamped "Paid" and returned by mail. Individuals paying taxes at the Treasurer's office are urged to bring the statement with them since it will speed up the operation.

Since tax statements will be mailed only in the Spring, the treasurer's office will return the statements in order that they may be utilized when paying the fall installment by mail.

As tax receipts are made up from duplicates prepared by the Assessor's and Auditor's office, taxpayers are requested to carefully examine their receipts to see that all personal property, real estate and poll tax is included. It should be remembered that correct descriptions and the payment of proper personal and poll are the individual taxpayer's responsibility. It will be noted that the rate per one hundred

dollars assessed valuation and the amount of the poll tax is also included in the tax statement.

Those individuals accustomed to paying at the State Exchange Bank may continue to do so.

European Nations Need To Be More Aggressive, Creighton Declares

"The people of all except two of the European countries are lacking in individual initiative," declared Hobart Creighton in addressing the Marshall - Fulton County Farm Loan Association held at Argos last week. He said they are seeking an insured security at the expense of personal freedom. Switzerland, named as one of the two aggressive individualist countries remaining on the European continent, lacks coal, steel, and other natural resources, yet they manage to maintain their freedoms because they are unwilling to accept the security offered in other countries through restrictive governmental programs.

Mr. Creighton urged that we in America look ahead and help the young people appreciate this great nation by giving them the opportunity to earn the things they want.

A good representation of the 30 farmers who became members of the N.F.L.A. association during 1949 were present in this year's meeting. The annual dividend of \$1,583 paid out at the meeting represented a 5% return on the association stock held by its members.

Clifford O. Goodrich, Plymouth, and Dennis Foor, Rochester, were re-elected to the board of directors for three year terms.

RECEIVED WORD OF DEATH

National Commander To Speak At Legion Conclave Saturday

Plans for the appearance of Indiana's own National American Legion Commander George N. Craig, together with a mass initiation of new Legionnaires from some Posts in Northern Indiana and about 40 Posts in the Fourth Michigan District, are under way. The huge affair is scheduled for the Navy Drill Hall at the University of Notre Dame, on next Saturday, March 11th, at 8 p. m. The public is invited to attend.

High-light of the event will be the National Commander's address, which is expected to be as "punch-packed" as many of his previous talks throughout the nation. Civic leaders, the faculty and student body of Notre Dame, the State Commanders of both Michigan and Indiana will be present.

Scheduled as a Third Indiana District event, hosts for the occasion will be the Bendix Aviation Post No. 284, South Bend.

Elected at the Legion's national convention at Philadelphia last fall, National Commander Craig has the distinction of being the first of the younger Legionnaires of World War II to be elevated to the highest office this world's largest veterans organization can confer. Craig, a graduate of the Brazil, Indiana, High School, attended Arizona University pre-law and graduated from Indiana University School of Law, in 1932. He attended the Culver Summer Naval School back in the mid-20's.

During World War II he served with the 80th Infantry Division in General Patton's Third Army, participating in the campaigns of Northern France, Rhineland, Ardennes and Germany, being discharged in 1946 as a Lieutenant Colonel of Infantry.

Since actively taking over the reins of the National Legion, he has made an enviable record, and has gained the report of friend and adversary alike. His address at the coming event will be one of his major addresses of this year, and will be his only appearance in this area during his term as the national Commander.

ANNOUNCES MODEL PLANE CONTEST

Pop Sheehan, proprietor of the Hobby Hub at Plymouth has announced plans for a Model Plane Building Contest. Entrants up to 16 years of age will be classed in Squadron One, while Model plane builders above the age of 16 will comprise Squadron Two. Rules for the contest which closes April 8 are available at the Hobby Hub.

Large Crowd Attends Delong Fish Fry

A large crowd attended the annual Fish Fry on March 3, sponsored by the Tippecanoe Fish and Game Club at Delong.

The club realized a total of \$203 on the benefit program which they have turned over to the Delong Methodist church. The church will be remodelled in the near future.

Regular meeting was held on March 2nd, with a large attendance of members and friends. A comedy act was put on by Hazel Yelton and Mary Fisher. Coffee and donuts were served and enjoyed by all.

The officers of the club expressed their particular thanks to all the people that worked and those who attended the Fish fry.
