Injuries Sustained In Accident Prove Fatal To George R. Ogden

Services for George Robinson Ogden, age 42, will be held tomorrow morning at 10 o'clock at the Easterday Funeral Home. Dr. Meredith J. Sprunger, pastor of the Evangelical and Reformed Church, will officiate at the services. Burial will be in the Culver Masonic cemetery.

George, as he was familiarly known to his many friends, passed away at 9:30 Monday night at the St. Joseph Hospital in Mishawaka. Death was due to injuries sustained in an automobile accident near the Palmer Corner on State Road 17, north of Culver, last Saturday evening.

The accident occurred about 6 p. m. as he was returning to his home here from Plymouth. It is believed that he lost control of his relatively new Station Wagon, when it hit the berm of the highway. The car skidded, hitting a large Elm tree on the West side of the road throwing him out of the car.

Even though he sustained severe injuries and his condition was considered critical at the Parkview Hospital where he was taken, his death, nevertheless, came as a shock to his many friends. On Monday he was taken to the St. Joseph Hospital for an operation.

A general contractor of Plymouth and Culver, Ogden was born in Northampton, Mass., June 28, 1908. He graduated from Kendallville high school, later attending Purdue University.

A war veteran he served in World War II as a First Lieutenant in the Engineers. He has resided in Culver for the past three years. Before entering business for himself he had been on the staff of Barnes Construction Co. Ogden was a member of the Culver Masonic Lodge, the Scottish Rite, and the Shrine. He also held membership in the Plymouth Chamber of Commerce and the American Legion at Plymouth.

He is survived by his wife, Martha; a son, George, Jr., age four; and a daughter, Patty, age three, all of Culver; one sister, Mrs. Walter Haines, Saginaw, Mich.; and a brother, Arthur N. Ogden, Burlington, N. C.

Friends may call at the Easterday Funeral Home.

Files For J. P. Office; Question If Vacancy Exists

Robert K. Kyle has filed a petition with the county commissioners for the office of Justice of Peace for Union township. The petition, considered at the regular meeting of the commissioners last week is being investigated.

The commissioners may appoint a J.P. when a vacancy occurs, the appointee serving until a successor is elected. Both the township and the town are entitled to one justice each.

There seems to be some doubt as to the present status of the J. P. office here. It has been indicated that there is no Justice of Peace in Union township since William Riggins, justice for the past 35 years resigned. However, Judge Riggins has pointed out that he has not resigned.

Local School Share In IHSA Distribution

Culver High School is among 770 schools throughout the state who will participate in the annual distribution of surplus funds of the Indiana High School Athletic Association. The local school will receive its pro-rata share of \$75 for participation in the 1950 sectional basketball tourney and an additional \$25 for being a member.

The State Association also announced the dates for the 1951 basketball tourney dates as follows:

- Feb. 21-24 Sectionals.
- March 3, Regionals.
- March 10, Semi-Finals.
- March 17, State Finals.

Culver Methodists Vote to Initiate Building Program

Culver Methodists have committed themselves to a building program to erect a new church at School street and Lewis Avenue. At a congregational meeting held Sunday evening, Sept. 10, the Building Committee presented its report and the proposed preliminary plans for a new church. Merritt Harrison, church architect from Indianapolis, explained the plans. Following the discussion of the proposals of the Building Committee a ballot was taken in which the congregation adopted the building program.

The report of the Building Committee, presented by M. R. Robinson, chairman, covered their activities for the past several months. During this time an extensive investigation of the possibilities before the congregation was carried out by the Building Committee. Possible sites were studied after it was determined that a new building was needed. Several different plans were considered before the Building Committee accepted the plan which was presented to the congregation.

When it was determined that a new building was needed, the Building Committee secured the services of Merritt Harrison, noted church architect of Indianapolis, to guide them. The committee worked in close collaboration with him to design a building suited to the program and needs of Culver Methodist church. The plans which were developed were presented to the congregation Sunday evening and thoroughly explained by Mr. Harrison.

Walter W. Strait, chairman of the Building Finance committee, made a report of the financial aspects of the building program. He indicated that the financial resources of the Methodists of Culver were adequate to pay for a new church building if the Methodists are willing to contribute from their income. "The stewardship of one's possessions is a part of the Christian gospel," he stated. "We give to what we want; if we want a new church we can have one." Mr. Strait said to the assembled Methodists. He added that while the program would call for sacrificial giving it would be in keeping with the sacrifice which God has made for us.

The plans which were presented to the congregation are for a one story building with a basement under part of the building. The nave of the church, the

Panel Discussion On Recreation Opens '50-51' P.T.A.

The Culver - Union Township Parent Teachers Association will open the 1950-51 program on Tuesday evening, September 19th, at 7:30 p. m. in the high school auditorium on the second floor of the school building.

The theme of the national P. T. A. program is "Building For Freedom" and the executive committee of the local organization has decided to follow that theme with some modifications. For September, at least, the theme will be "Building For Freedom through Recreation."

This is in line with the motion that was carried at the May meeting last year when a primary goal of this year's P. T. A. was to be the sponsoring and developing of a year-round recreation program for the youth of the community.

The program for the first meeting on September 19th will include the following: 1. Introduction of new faculty by Principal F. M. Annis. 2. Presentation of P. T. A. plans for the year and 3. A panel discussion on the topic "Proposals For Development of a Year Round Youth Recreation Program."

A tentative program for the year has been worked out by the program committee and will be announced at the first meeting. This will be made definite, in as far as possible, at the executive meeting on October 2nd, and an outline of the remaining programs of the year will be printed by the Culver Citizen Press and will be available to everyone shortly after that date.

The panel discussion should be interesting and it is hoped, will be well supported by the citizens of the community, whether or not they are at present P. T. A. members. The moderator of the group will be Frank McLane. Members of the panel will be: Quentin Hand, Ralph Osborn Jr., Harold Sering, Frank Walaitis and Arthur Hughes.

The meeting will break into small groups in the evening with each of the above men acting as leader. Each citizen is urged to speak up in this first twenty minute period and give his ideas about what could and should be done to make life more interesting, more wholesome and more constructive for young people of the community.

Following this each group leader will come back to the auditorium to a table on the stage where all ideas gleaned from the smaller meeting will be thrown open for general discussion. The P. T. A. plans and hopes to act on all practical suggestions arising from this first meeting.

The youth of this community need your help. In an uncertain structure, purposeful activity as much security and as much constructive, purposeful activity as the community can provide.

Come to this meeting with an open mind; offer suggestions freely, listen to the ideas of others. In formulating goals and projects for later action, this is one of the important meetings of the year.

From 400,000 to 500,000 tons of water tumble over the precipice of Niagara Falls every minute.

Final Rites Tomorrow For Emil Mattson

Emil Mattson, age 63, veteran of World War I, died early Monday morning at Parkview hospital, Plymouth. He had been ill since April, was at the Hines Hospital, Hines, Ill., three weeks and had been in Parkview for the past 26 days.

He was born at Kronoby, Finland, February 14, 1887, came to the United States in 1910. He lived at Hibbing, Minn., and later in North Dakota before coming to Culver in 1923, where he has been employed at the Culver Military Academy until poor health forced him to retire. During World War I he enlisted in the U. S. Army and at that time became a citizen of the United States. He served 18 months overseas during the War.

Surviving are his wife, Agnes and three nieces in Finland. Funeral services will be held at two o'clock Thursday afternoon at the Easterday Funeral Home where friends may call. Dr. Hardigg Sexton will officiate and burial will be at the Culver cemetery.

County Democrat Kickoff Attracts Large Crowd

The 1950 Democratic campaign in Marshall county got off to a rousing start Saturday evening when a capacity crowd of party members gathered at the Plymouth Country Club to hear addresses by representatives of the national, state, and county tickets. Several persons from the local area attended the meeting.

Alex Campbell, Fort Wayne, former U. S. District Attorney, and candidate for U. S. Senator, spoke to the assembled group. Other speakers on the program included Congressman Thurman C. Crook, and Paul M. Butler, third district Democratic chairman. Deane E. Walker of Culver, state superintendent of Public Instruction, was introduced by Delph McKesson, candidate for Judge, to the group.

Democratic committeemen and committeewomen, honor guests at the dinner were introduced, as were county and township candidates. Marshall Kizer, chairman, capably conducted the Kickoff dinner program. Following the talks the group listened to the address by President Truman.

Local Holstein Dairymen at Southern Fairs

John A. Newman and Sons are exhibiting at the Kentucky State Fair at Louisville, this week. The stop at Louisville is just another in a series of places where the Newman Holsteins are being exhibited. Last week at the Indiana State Fair they copped many coveted honors in the competitive exhibition.

Next week the Newman's will show at Nashville, Tenn.; the week following at Memphis, Tenn. and early in October they will compete in the International Dairy Exposition at Indianapolis.

At the Indiana State Fair the local Holstein Dairymen won 22 ribbons.

CULVER ENTRY WINS HONORS

Bob Kyle, Culver expert dwarf fruit horticulturist, won third place honors for his Quinces at the Indiana State Fair.

Zion Church To Unite With Sister Church In Culver, October 1

The Zion congregation of the Evangelical and Reformed Church will unite with the Grace Church in Culver, on October 1st. Located southwest of Culver on the Newman Road the Zion Church has served the community with continuous religious services for more than eighty years. The action, which has been studied closely by the congregation during the past few weeks, was taken Sunday at a congregational meeting.

"We believe that we have acted in the best interests of the religious needs of our people and in the interests of the Church in taking this action to unite Zion with Grace Church," one member of the official church board said on Monday. The vote to discontinue service at the Church was near unanimous.

It was undoubtedly a big decision for many members of the congregation whose loyalty to the Church dates back through childhood and in many cases to their forefathers.

To Arrange Details

Details for taking care of the transfer of membership, care of the cemetery and the church property are to be arranged. Members of the Church Board are: Claude Newman, John Newman, J. Dick Newman, George Wilson, A. L. Pear and Harry Leopold.

The final worship service and Sunday School hour will be held on Sunday, September 24th. The organization of Zion Church reaches back into the early history of this vicinity when the first religious services in the Zion community were conducted in an old log school house southeast of the present church building, under the leadership of Rev. Bassaler, from 1857 to 1858.

In July 1941 the congregation observed its 75th anniversary when 218 persons took part in the celebration. On the occasion of the anniversary there were 26 descendants of charter members present, one of them being of the sixth generation. It is interesting to note that at the seventy-fifth anniversary service music was supplied by a quartet composed of the late Albert Zechiel, Sylvester Zechiel, Jerome Zechiel and Austin Romig. Miss Edna Stahl and Osie Stahl, Mrs. Charles Asper and Mrs. Claude

Announce Plans To Partially Reactivate Kingsbury Ordinance

Partial reactivation of the Kingsbury Ordnance Plant where many local persons were employed during the last war, was announced last week end by Lt. Col. James O. Branch, commanding officer. The plant has been on a standby basis since 1945.

The announcement stated that facilities for the loading of ammunition would be put into partial operation again because of the Korean War. Production will be limited to the extent necessary to meet current requirements and plans are subject to any change which might arise in the present emergency.

The number of persons to be employed was not made known. Employment offices were opened at the plant on Monday. A few weeks ago 200 skilled employees

were employed to take the plant "out of moth balls." At one time the Kingsbury Plant employed 22,000 workers and had 9,000 on the pay rolls at the close of the war.

Nearly 3,000 persons appeared at the sprawling plant to apply for jobs on Monday in response to the reports which was issued Saturday. Hiring officials stated that close check is being made of the educational qualifications of those seeking employment. Large scale loading operations will start about October 1 according to one report.

Skit Features Program of League of Women Voters

An original skit "Knock at Every Door" was greatly enjoyed by members and friends of the League of Women Voters who attended the meeting Monday evening. A certified registrar was present to register new comers and those who have moved since the last election. Further steps will be taken to carry this service to all voters in the town. Members were selected to attend the Tax Review Board in Plymouth, September 12, and plans were made to interview county and state candidates for office and to get this information to the voters.

Culver To Be Host For Municipal Water Works Conference

The town of Culver will be hosts for the annual meeting of the Northwestern Indiana Water works representatives to be held here on Monday, September 23. The meeting is one of five district conferences to be held this fall with other sessions scheduled at Angola, Indianapolis, Tell City and Salem.

Don Hand, president of the Town Board, Verl McFeeley, Water Superintendent and other local officials are working in cooperation with William D. Shillinger, sanitary engineer for the State Board of Health, in making arrangements for the Culver meeting. More than 100 representatives of other municipalities are expected to attend the conference.

W. O. Osborn, cashier of the State Exchange Bank, will address the group at the noon luncheon. The meetings will be held in the Culver Lions Den and arrangements have been made with the Ladies of the Burr Oak Church of God to serve the noonday luncheon.

The subject of iron removal and rusty water control will be discussed by a panel of water works superintendents who have had extensive experience in this field. The afternoon session will be devoted to a talk by W. L. Yonce of the Indiana Gas and Water Co. on the subject of leak detection and water main location. In addition demonstrations of the use of various leak detectors and main locators will be made.

The Hurty awards will be made to those members of the water works profession who have completed 25 years service. The awards are named in honor of Dr. John N. Hurty, one of the early health officers and one of the promoters of the Indiana Water Works Association.

The meetings are jointly sponsored by the Indiana Section of the American Water Works Association, the Indiana State Board of Health, and the Purdue University Extension Service.

Churches Express Gratitude For Minister's Service

The members of Burr Oak and Pretty Lake Evangelical United Brethren Churches wish to publicly express their gratitude for the ministry of the late Reverend Allen L. Steckley who died of bulbar polio August 26, 1950.

Reverend Steckley came to these churches shortly after the Annual Conference session last September. He had not had time to really become a part of the communities which he served as pastor, but he was winning his way into the hearts of his people in a wonderful way.

During his year of ministry he baptized ten people, and saw to its completion and dedication a new addition to the Burr Oak Church. He was taking an active part in the cooperative movements of the churches on the west side of Marshall County, standing firm on the fundamentals of the Christian Faith. He will be missed, not only by the people of these Churches, but by all the folks who knew him.

To Mrs. Steckley, who labored with him, we want to say "Thank you" and may God bless you! As she leaves the community to re-establish a home for herself and her little girl, we trust that she will find new hope and happiness.

The members of the Burr Oak and Pretty Lake Evangelical United Brethren Churches.

W. O. OSBORN SCHEDULED TO SPEAK IN MICHIGAN AND KENTUCKY

W. O. Osborn, cashier of The State Exchange Bank and executive vice president of the Farmers State Bank, will speak at Niles, Michigan, on September 20. His address will feature the Lions Club Annual Ladies night program.

Mr. Osborn has accepted an invitation to speak at the annual convention of the Kentucky State Bankers Association to be held next month at Louisville, Ky.

ATTEND EXPOSITION

Dale Davis, Eloise Lindesmith and Ethel McKee, all employees of the Culver Citizen Press attended the International Graphic Arts Exposition in Chicago on Monday. Mrs. Dale Davis accompanied them. While there they also visited the Museum of Science and Industry.

Taxpayers Protest Budget at Board Hearing

The two-day hearing of the County Tax Adjustment Board at Plymouth on Monday and Tuesday was marked by the absence of taxpayers particularly until the Union township budget was reviewed. Both the township, and the town of Culver budgets and also Library budget were accepted as advertised with no change.

The Union Township budget was approved unanimously after the board had heard protests concerning expenditures of \$5,000 for additional school ground and the \$1,800 item for the Summer Recreation Program.

Trustee Maurice Curtis pointed out in answer to the procurement of extra ground for the school that the State Board of Education would not approve construction of a new building unless adequate playground was provided. Also Mr. Curtis pointed out that the proposed purchase of six acres was duly advertised and approved by the Advisory Board. Dan Shafer, county superintendent of schools supported the township action as to legality and the need for ground.

In the point brought up concerning the \$1,800 spent for the Summer Recreation Program, it was suggested that the money might be better spent for a noon and recess recreation program during the regular term of the school year, since the rural children cannot take advantage of the summer program.

The township budget was presented by Mr. Curtis, the Library budget by Claude Newman and Trustee Curtis, and the Town of Culver budget by Don Hand, president of the Culver town board.

No taxpayers were present at the hearing of the Town budget. It was approved unanimously after it was explained by Mr. Hand that the increase in expenditures for 1951 over 1950 was necessitated because of a depletion of cash reserves during the past year. This reserve was built up two years ago through receipt of unexpected revenue from the State. The State has informed the Board that next years distribution will be approximately the same as that received in 1950.

The final action of the Tax Adjustment Board was to trim the County tax rate .02 cents. The proposed county rate is now .48 cents. This is a .12 reduction over

the present county rate.

All budgets and rates are now subject to approval by the State Board of Tax Commissioners.

Injuries Sustained In Accident Prove Fatal To George R. Ogden

Services for George Robinson Ogden, age 42, will be held tomorrow morning at 10 o'clock at the Easterday Funeral Home. Dr. Meredith J. Sprunger, pastor of the Evangelical and Reformed Church, will officiate at the services. Burial will be in the Culver Masonic cemetery.

George, as he was familiarly known to his many friends, passed away at 9:30 Monday night at the St. Joseph Hospital in Mishawaka. Death was due to injuries sustained in an automobile accident near the Palmer Corner on State Road 17, north of Culver, last Saturday evening.

The accident occurred about 6 p. m. as he was returning to his home here from Plymouth. It is believed that he lost control of his relatively new Station Wagon, when it hit the berm of the highway. The car skidded, hitting a large Elm tree on the West side of the road throwing him out of the car.

Even though he sustained severe injuries and his condition was considered critical at the Parkview Hospital where he was taken, his death, nevertheless, came as a shock to his many friends. On Monday he was taken to the St. Joseph Hospital for an operation.

A general contractor of Plymouth and Culver, Ogden was born in Northampton, Mass., June 28, 1908. He graduated from Kendallville high school, later attending Purdue University.

A war veteran he served in World War II as a First Lieutenant in the Engineers. He has resided in Culver for the past three years. Before entering business for himself he had been on the staff of Barnes Construction Co. He was a member of the Culver Masonic Lodge, the Scottish Rite, and the Shrine. He also held membership in the Plymouth Chamber of Commerce and the American Legion at Plymouth.

He is survived by his wife, Martha; a son, George, Jr., age four; and a daughter, Patty, age three, all of Culver; one sister, Mrs. Walter Haines, Saginaw, Mich.; and a brother, Arthur N. Ogden, Burlington, N. C.

Friends may call at the Easterday Funeral Home.

Files For J. P. Office; Question If Vacancy Exists

Robert K. Kyle has filed a petition with the county commissioners for the office of Justice of Peace for Union township. The petition, considered at the regular meeting of the commissioners last week is being investigated.

The commissioners may appoint a J.P. when a vacancy occurs, the appointee serving until a successor is elected. Both the township and the town are entitled to one justice each.

There seems to be some doubt as to the present status of the J. P. office here. It has been indicated that there is no Justice of Peace in Union township since William Riggins, justice for the past 35 years resigned. However, Judge Riggins has pointed out that he has not resigned.

Local School Share In IHSA Distribution

Culver High School is among 770 schools throughout the state who will participate in the annual distribution of surplus funds of the Indiana High School Athletic Association. The local school will receive its pro-rata share of \$75 for participation in the 1950 sectional basketball tourney and an additional \$25 for being a member.

The State Association also announced the dates for the 1951 basketball tourney dates as follows:

- Feb. 21-24 Sectionals.
- March 3, Regionals.
- March 10, Semi-Finals.
- March 17, State Finals.

Culver Methodists Vote to Initiate Building Program

Culver Methodists have committed themselves to a building program to erect a new church at School street and Lewis Avenue. At a congregational meeting held Sunday evening, Sept. 10, the Building Committee presented its report and the proposed preliminary plans for a new church. Merritt Harrison, church architect from Indianapolis, explained the plans. Following the discussion of the proposals of the Building Committee a ballot was taken in which the congregation adopted the building program.

The report of the Building Committee, presented by M. R. Robinson, chairman, covered their activities for the past several months. During this time an extensive investigation of the possibilities before the congregation was carried out by the Building Committee. Possible sites were studied after it was determined that a new building was needed. Several different plans were considered before the Building Committee accepted the plan which was presented to the congregation.

When it was determined that a new building was needed, the Building Committee secured the services of Merritt Harrison, noted church architect of Indianapolis, to guide them. The committee worked in close collaboration with him to design a building suited to the program and needs of Culver Methodist church. The plans which were developed were presented to the congregation Sunday evening and thoroughly explained by Mr. Harrison.

Walter W. Strait, chairman of the Building Finance committee, made a report of the financial aspects of the building program. He indicated that the financial resources of the Methodists of Culver were adequate to pay for a new church building if the Methodists are willing to contribute from their income. "The stewardship of one's possessions is a part of the Christian gospel," he stated. "We give to what we want; if we want a new church we can have one." Mr. Strait said to the assembled Methodists. He added that while the program would call for sacrificial giving it would be in keeping with the sacrifice which God has made for us.

The plans which were presented to the congregation are for a one story building with a basement under part of the building.

Panel Discussion On Recreation Opens '50-51' P.T.A.

The Culver - Union Township Parent Teachers Association will open the 1950-51 program on Tuesday evening, September 19th, at 7:30 p. m. in the high school auditorium on the second floor of the school building.

The theme of the national P. T. A. program is "Building For Freedom" and the executive committee of the local organization has decided to follow that theme with some modifications. For September, at least, the theme will be "Building For Freedom through Recreation."

This is in line with the motion that was carried at the May meeting last year when a primary goal of this year's P. T. A. was to be the sponsoring and developing of a year-round recreation program for the youth of the community.

The program for the first meeting on September 19th will include the following: 1. Introduction of new faculty by Principal F. M. Annis. 2. Presentation of P. T. A. plans for the year and 3. A panel discussion on the topic "Proposals For Development of a Year Round Youth Recreation Program."

A tentative program for the year has been worked out by the program committee and will be announced at the first meeting. This will be made definite, in as far as possible, at the executive meeting on October 2nd, and an outline of the remaining programs of the year will be printed by the Culver Citizen Press and will be available to everyone shortly after that date.

The panel discussion should be interesting and it is hoped, will be well supported by the citizens of the community, whether or not they are at present P. T. A. members. The moderator of the group will be Frank McLane. Members of the panel will be: Quentin Hand, Ralph Osborn Jr., Harold Sering, Frank Walaitis and Arthur Hughes.

The meeting will break into small groups in the evening with each of the above men acting as leader. Each citizen is urged to speak up in this first twenty minute period and give his ideas about what could and should be done to make life more interesting, more wholesome and more constructive for young people of the community.

Following this each group leader will come back to the auditorium to a table on the stage where all ideas gleaned from the smaller meeting will be thrown open for general discussion. The P. T. A. plans and hopes to act on all practical suggestions arising from this first meeting.

The youth of this community need your help. In an uncertain constructive, purposeful activity as much security and as much constructive, purposeful activity as the community can provide.

Come to this meeting with an open mind; offer suggestions freely, listen to the ideas of others. In formulating goals and projects for later action, this is one of the important meetings of the year.

From 400,000 to 500,000 tons of water tumble over the precipice of Niagara Falls every minute.

Final Rites Tomorrow For Emil Mattson

Emil Mattson, age 63, veteran of World War I, died early Monday morning at Parkview hospital, Plymouth. He had been ill since April, was at the Hines Hospital, Hines, Ill., three weeks and had been in Parkview for the past 26 days.

He was born at Kronoby, Finland, February 14, 1887, came to the United States in 1910. He lived at Hibbing, Minn., and later in North Dakota before coming to Culver in 1923, where he has been employed at the Culver Military Academy until poor health forced him to retire. During World War I he enlisted in the U. S. Army and at that time became a citizen of the United States. He served 18 months overseas during the War.

Surviving are his wife, Agnes and three nieces in Finland. Funeral services will be held at two o'clock Thursday afternoon at the Easterday Funeral Home where friends may call. Dr. Hardigg Sexton will officiate and burial will be at the Culver cemetery.

County Democrat Kickoff Attracts Large Crowd

The 1950 Democratic campaign in Marshall county got off to a rousing start Saturday evening when a capacity crowd of party members gathered at the Plymouth Country Club to hear addresses by representatives of the national, state, and county tickets. Several persons from the local area attended the meeting.

Alex Campbell, Fort Wayne, former U. S. District Attorney, and candidate for U. S. Senator, spoke to the assembled group. Other speakers on the program included Congressman Thurman C. Crook, and Paul M. Butler, third district Democratic chairman. Deane E. Walker of Culver, state superintendent of Public Instruction, was introduced by Delph McKesson, candidate for Judge, to the group.

Democratic committeemen and committeewomen, honor guests at the dinner were introduced, as were county and township candidates. Marshall Kizer, chairman, capably conducted the Kickoff dinner program. Following the talks the group listened to the address by President Truman.

Local Holstein Dairymen at Southern Fairs

John A. Newman and Sons are exhibiting at the Kentucky State Fair at Louisville, this week. The stop at Louisville is just another in a series of places where the Newman Holsteins are being exhibited. Last week at the Indiana State Fair they copped many coveted honors in the competitive exhibition.

Next week the Newman's will show at Nashville, Tenn.; the week following at Memphis, Tenn. and early in October they will compete in the International Dairy Exposition at Indianapolis.

At the Indiana State Fair the local Holstein Dairymen won 22 ribbons.

CULVER ENTRY WINS HONORS

Bob Kyle, Culver expert dwarf fruit horticulturist, won third place honors for his Quinces at the Indiana State Fair.

Zion Church To Unite With Sister Church In Culver, October 1

The Zion congregation of the Evangelical and Reformed Church will unite with the Grace Church in Culver, on October 1st. Located southwest of Culver on the Newman Road the Zion Church has served the community with continuous religious services for more than eighty years. The action, which has been studied closely by the congregation during the past few weeks, was taken Sunday at a congregational meeting.

"We believe that we have acted in the best interests of the religious needs of our people and in the interests of the Church in taking this action to unite Zion with Grace Church," one member of the official church board said on Monday. The vote to discontinue service at the Church was near unanimous.

It was undoubtedly a big decision for many members of the congregation whose loyalty to the Church dates back through childhood and in many cases to their forefathers.

To Arrange Details

Details for taking care of the transfer of membership, care of the cemetery and the church property are to be arranged. Members of the Church Board are: Claude Newman, John Newman, J. Dick Newman, George Wilson, A. L. Pear and Harry Leopold.

The final worship service and Sunday School hour will be held on Sunday, September 24th. The organization of Zion Church reaches back into the early history of this vicinity when the first religious services in the Zion community were conducted in an old log school house southeast of the present church building, under the leadership of Rev. Bassaler, from 1857 to 1858.

In July 1941 the congregation observed its 75th anniversary when 218 persons took part in the celebration. On the occasion of the anniversary there were 26 descendants of charter members present, one of them being of the sixth generation. It is interesting to note that at the seventy-fifth anniversary service music was supplied by a quartet composed of the late Albert Zechiel, Sylvester Zechiel, Jerome Zechiel and Austin Romig. Announce Plans To Partially Reactivate Kingsbury Ordinance

Partial reactivation of the Kingsbury Ordnance Plant where many local persons were employed during the last war, was announced last week end by Lt. Col. James O. Branch, commanding officer. The plant has been on a standby basis since 1945.

The announcement stated that facilities for the loading of ammunition would be put into partial operation again because of the Korean War. Production will be limited to the extent necessary to meet current requirements and plans are subject to any change which might arise in the present emergency.

The number of persons to be employed was not made known. Employment offices were opened at the plant on Monday. A few weeks ago 200 skilled employees

were employed to take the plant "out of moth balls." At one time the Kingsbury Plant employed 22,000 workers and had 9,000 on the pay rolls at the close of the war.

Nearly 3,000 persons appeared at the sprawling plant to apply for jobs on Monday in response to the reports which was issued Saturday. Hiring officials stated that close check is being made of the educational qualifications of those seeking employment. Large scale loading operations will start about October 1 according to one report.

Skit Features Program of League of Women Voters

An original skit "Knock a Every Door" was greatly enjoyed by members and friends of the League of Women Voters who attended the meeting Monday evening. A certified registrar was present to register new comers and those who have moved since last election. Further steps will be taken to carry this service to all voters in the town. Members were selected to attend the Tax Review Board in Plymouth, September 12, and plans were made to interview county and state candidates for office and to get this information to the voters.

Culver City Club to Inaugurate Fortieth year; First General Program Planned For October 5

A timely mid-century theme, "1950-51, The Turning Point," will be the program motif for the Culver City Club which will inaugurate an ambitious season of worthwhile meetings this week. Mrs. Wilber Taylor, program chairman, has announced details of the program which includes a series of eight general meetings along with an interesting series of related programs for each of three organized groups.

The Club, headed by Mrs. Robert Rust, expects the current season, the fortieth since the founding of the Culver City Club, to be one of the best in the four-decade history of the organization. Committee chairman are hopeful that participation and interest this year will be as great as that in other seasons.

The 1950-51 officers of the Club are Mrs. Rust, president; Mrs. Wilber Taylor, first vice president; Mrs. James Marshall, second vice president; Mrs. Sara Reinhold, secretary; Mrs. Harold Sering, assistant secretary; and Mrs. E. G. Benedict, treasurer.

Program chairman for the three groups include: Mrs. George Phillips, Group I; Mary E. Nash, Group II; and Mrs. Robert Kyle, Group III. Other committee chairmen are: Music, Mrs. Richard Powles; Blind Aid, Mrs. Robert Ott; Conservation, Mrs. F. W. Bates; Girls Organizations, Dorothy Reed; Community Recreation, Mrs. H. Oberlin; Auditing, Margaret Swanson; Membership, Mrs. James Marshall; Ways and Means, Mrs. E. G. Benedict; Club Magazine, Mrs. H. L. Werner; Refreshment, Mrs. Dale Jones; and Publicity, Mrs. Quentin Hand.

General Program
 One hundred nine women of

the local community will participate in the programs. The general program will open on October 5 in the State Exchange Bank Assembly Room where Frank Wallace, Indiana State Entomologist, will appear before the group to discuss "Indiana's Scenic Beauty." Hostesses for the opening meeting will be Mrs. Dale Jones, Mrs. George Babcock, Rose Voreis, and Mrs. Donaldson Trone. Mrs. Roger Thews will be presented as vocal soloist and the Culver Brownies and Scouts will give the Salute to the Flag. The opening meeting is sponsored by the Public Welfare group of the Club.

The Music and Art group, sponsors of the second general meeting to be held November 2, have announced that C. Warner Williams, artist-in-residence, at the Culver Military Academy, will address the group on "Sculpture in the Making." Mrs. A. Coke Smith will lead the group in the Club Collect and hostesses for the November meeting are Mrs. Donald Reed, Mrs. Ann Aylsworth, and Mrs. Shelton Kaiser.

Adm. Bays to Speak
 Early in January the Club will hear Admiral J. W. Bays discuss "The Citizen's Place in 1950-51 at the Turning Point of the Century." Hostesses will be Bess Easterday, Frances Mahan, and Mrs. A. Adams. The Culver H. S. Speech class under the direction of Frank McLane will be presented at the February meeting where Mrs. Glenn Voreis, Mrs. Wayne Von Ehr, and Mrs. Edgar Shaw will be hostesses. Mrs. H. L. Werner has been named to lead the Club Collect.

Mrs. Kenneth Hesgard, Mrs. Barrett Irvine, Mrs. Harold Baker and Mrs. A. Coke Smith are host-

esses for the Anniversary Program to be presented in March. Mrs. Donald Davis is chairman for the "Fashions of 1951" program for April. Mrs. Hardigg Sexton will assist in the program where Barbara Hinkle will present an accordion solo. Mrs. Floyd M. Annis, Mrs. T. L. Ervin, Mrs. Verl McFeeley, and Mrs. W. T. Parish are hostesses for the April meeting.

Officers of Three Groups
 Divided into three groups, Mrs. George Phillips is chairman of the Music and Art group, Mrs. M. R. Robinson, vice-chairman, and Mrs. G. F. Henricks, secretary; Mary E. Nash, heads the Literature group, and Mrs. J. P. Carter is secretary; chairman of the Public Welfare group is Mrs. Robert K. Kyle, Mrs. Ora Reed, vice chairman, and Mrs. Quentin L. Hand, secretary.

The Literature group will present the first of its series of

eight programs on September 21 at 6:45 p. m. at the home of Mrs. M. L. Keen with Mrs. Ralph Krueger, Mrs. James Shearer, and Mrs. J. P. Carter assisting. On the same evening the Public Welfare group will meet at the home of Mrs. Harold Sering with the officers assisting the hostess.

Bride-Elect Honored At Shower

A lovely bridal shower took place in the bank lounge on Wednesday evening when Mrs. Jerome Zechiel, Jr., Mrs. Don Mikesell, Mrs. Norman Kelly and Mrs. Ralph Tyler of Remington entertained thirty-one guests in honor of Miss Esther Lindvall, bride-elect, whose marriage to Adrian Snapp will take place in the near future.

A dessert course was served at small tables centered with rosebuds. The gift table was decorated with two silver wedding rings,

inside of which were miniature brides and grooms.

After the gifts were opened, buncos was played. The prizes were kitchen gadgets and were presented to the honored guest at the close of the evening.

King's Daughters Class Meeting

The King's Daughters Class of the Emmanuel Evangelical United Brethren Church met in the social rooms of the Church on Friday afternoon. The president, Mrs. J. L. Hoesel, called the meeting to order and conducted the business session after which the devotional program was given by Mrs. Charles Bush. Readings were given by Mrs. Ira Kline and Mrs. Donald Milner, a guest. Refreshments were served during the social hour by the hostesses, Mrs. I. G. Roederer and Mrs. Laura Fitterling.

Customers' Corner

School days bring new problems for many of our customers.

There are lunches to be packed, after-school snacks to be kept on hand.

Shopping habits may change, too, because the children aren't available to help.

If there's anything we can do either in the way of food or service to make your school days' shopping pleasanter and easier, please let us know.

Bass Lake Civic Groups Sponsor Freedom Forum

Threats to the personal and property rights of free citizens in this country will be pointed out in a discussion of "This is our Problem" to be presented this Friday, September 15th at 8:00 p. m. at the California Township School. The meeting is sponsored by fourteen civic and women's organizations at Bass Lake.

John McNaughton of the Allison Division of General Motors, Indianapolis will be the speaker. He will illustrate his talk with graphic visual aid materials, to emphasize the presentation. The meeting will be of particular interest to many Culver area persons.

There will be no admission charge as the meeting is being sponsored as a public service by the Allison Division and the following local organizations:

Bass Lake Federated Women's Club, Booster Club, Bass Lake Property Owners' Association, North Bend Club, Modern Homemakers, Farm Bureau, P. T. A. 4-H Club, Bass Lake Fireman, Bass Lake Fireman's Auxiliary, Lions Club, Ladies' Auxiliary of Lions' Club, American Legion,

and Bass Lake Conservation Club.

Mr. McNaughton is one of 24 men in the Allison organization who now are using material developed at the Freedom Forum of Harding College at Searcy, Arkansas to show the dangers of encroaching socialism in this country. To date more than 200 lecturers have been presented by this group, but the meeting here will be one of the few presented by Allison outside the Indianapolis area.

The invitations to speak here was sent Mr. McNaughton after a number of Bass Lake residents had heard him speak at the state convention of Federated Clubs at French Lick last spring.

In the lecture it is pointed out that in all the world's history no great nation, enjoying a democratic form of government, has ever started down the road toward state control of the individual and still retained its place as a world power. The example of other nations is pointed out and compared with trends appearing in this country, which indicate that the United States may

also be in danger of following similar destructive path.

Local Church to Conduct Installation Services For New Pastor Sunday Night

Installation services for Reverend Meredith J. Sprunger, recently appointed Evangelical and Reformed pastor for the Grace and Zion churches here will be held at the Grace Church next Sunday evening. The special service set for 7:30 p.m. has been arranged by the consistory, the official board of the local church.

Dr. Hardigg Sexton, chaplain of the Culver Military Academy, will be the speaker for the occasion. Reverend Matthew Worthman of Bluffton, Indiana, president of the Michigan-Indiana Synod for the Evangelical and Reformed Church will officiate at the installation. Arrangements are being made for a reception following the service. The public is invited to attend the service.

Dr. Sprunger began his pastorate here in mid-July coming to Culver from Elmhurst College where he was chairman of the department of Psychology and pastor of the Highland Avenue Methodist Church in Chicago. A native of Woodburn, Indiana, he of Mr. and Mrs. Robert Reichard and sons were Mr. and Mrs. Frederick Gorden and family of Bellefontaine, Ohio. Later in the evening they all called on Mr. and Mrs. Paul Day and son Francis.

Friends of Mrs. Ida Overmyer may like to know that she is improved, and is able to be up some each day.

The Leiters Ford church Sunday School Class will meet next Monday night with Mr. and Mrs. Harry Johnson.

Group 2 of the Leiters Ford Church WSCS will meet September 21 at the home of Mrs. Ed Bunn.

is a graduate of Mission House College. Dr. Sprunger holds graduate degrees from Mission House, Princeton University and Purdue University. Previous to his teaching assignment at Elmhurst he was pastor of Trinity Evangelical and Reformed Church at Mulberry, Indiana, and earlier he served as pastor of the Memorial Evangelical and Reformed Church, Toledo, Ohio.

Dr. Sprunger is the fourteenth pastor since the organization of the Culver (Marmont) congregation on March 11, 1885, and the twentieth pastor to serve the Zion congregation since Jan. 1, 1865. Other pastors who have served as pastors of the local church are: Rev. Peter J. Spangler (1884-87), Rev. N. H. Loose (1887-89), Rev. Samuel Shaw (1889-92), Rev. J. W. Barber (1892-1900), Rev. H. N. Smith (1900-01), Rev. S. E. Klopfenstein (1902-07), Rev. A. J. Michael (1907-15), Rev. J. W. Bechtel (1915-17), Rev. G. P. Fisher (1917-29), Rev. J. F. Tapy (1920-25), Rev. C. A. Lang (1926-31), Rev. H. E. Harsh (1932-42), and Rev. V. D. Weidler (1944-49).

ROCHESTER SHUFFLES NET SCHEDULE

When the ISHAA decided that the winner of the Rochester-Winamac section would play at Logansport, instead of South Bend they unknowingly started a series of changes in the Rochester high school basketball schedule.

Teams in the South Bend feeder area, such as Culver, South Bend Riley, no longer have to worry about meeting Rochester in the Regional, and the mutual feeling is expressed by the discontinuance of competition with those two

schools. Coach Charles Shumaker hinted that several other of the northern-most teams on the Zebra slate might receive the axe in coming seasons.

Following this trend, Logansport, Flora and Northwestern have been added to the Rochester schedule for this season.

Twice THE ELECTRIC POWER ... and More to Come!

HERE'S THE RECORD OF INDIANA ELECTRIC COMPANIES' POWER-FULL GROWTH

No matter what the future brings, the people of this State have the satisfaction of knowing that the electric companies of Indiana have been building ahead as rapidly as possible since V-J Day . . . getting set in advance . . . anticipating the increasing electric power needs of Indiana's farms, homes and industries.

The Indiana Electric Companies, under their experienced managements, have always made sure there'd be plenty of power available, when and where needed in Indiana. Since World War II they have been undertaking the greatest program of electric facility expansion in the State's history.

If Indiana's industries should have to change over from their expanded peacetime production to production for defense, it is reassuring to know that the electric generating capacity of Indiana's electric companies is now already twice as great as it was in 1940 . . . will have been increased still more in the next two years, as present facilities, now under construction, are placed in service.

Additional Indiana electric power generating, transmission and distribution facilities are being planned right now by the Indiana electric companies—involving the investment of many more millions of dollars. How soon they can be built and placed in service will now principally depend upon the availability of necessary materials.

Surprise Party Honors Major Ivan Walker, Retired Army Officer

The Walker cottage on Long Point was the setting for a surprise party last Sunday evening when Mr. and Mrs. Thomas Walker entertained about ninety-five guests from Culver, Indianapolis, Shelbyville, South Bend, Plymouth, Warsaw and Argos, Indiana, and Cincinnati, Ohio, at a buffet supper.

The occasion was a surprise to honor Mr. Walker's father, Major Ivan Walker, who recently retired from the United States Army after thirty-two and a half years of service. The house was prettily decorated with bouquets of asters and other fall flowers, brought by friends.

The buffet supper was served from a table on the front porch overlooking Lake Maxinkuckee. The table was centered with a large two-tier cake decorated with two miniature cannons on top surrounded by various army insignia made of frosting.

The cake was flanked by two more miniature cannons to carry out the theme of the artillery, Major Walker's branch of service. Individual slices of ice cream were centered with bronze colored cannons. The evening was spent socially as Major and Mrs. Walker reminisced with their old army friends.

Mr. and Mrs. Wayne Kline and Mr. and Mrs. Robert Kline returned Saturday afternoon from a trip through the West. They report a most enjoyable time. One highlight of the trip occurred when they saw an Indiana car parked across the street out West. Of course they were curious and it turned out to be Mr. and Mrs. someone from Marshall county and Bill Crossgrove and party.

Mrs. Laura Miller returned to her home in Argos Saturday evening after staying at the Wayne Kline home during their absence.

Mr. and Mrs. Ira Ringer and Mr. and Mrs. Elsworth Snyder and daughters Marjorie and Mary Ruth were Sunday afternoon callers at the Wayne Kline home. On Sunday evening Mr. and Mrs. Wayne Kline and family were with Mr. and Mrs. Norman Ringer and saw some pictures which Norman had taken with his movie camera.

Carol Sue Kline spent Sunday afternoon with Kay Henderson.

Mr. and Mrs. Bert Savage of Los Angeles, Calif., called on Mr. and Mrs. William Kline Friday afternoon. They were calling on relatives and friends. They are making quite a tour across Canada on their way home to California.

Zion Church To Unite With Sister Church In Culver, October 1

(Continued From Page 1)

Newman sang two numbers from the original Zion song book.

(Continued on Page 11)

Charter Members

Charter members of the Church were Fredrick Stahl, Christina Stahl, John Romig, Anne Romig, John Zechiel, Rosina Zechiel, Simon Wolfram, Margaret Wolfram, John Adler, Magdalena Adler, Elizabeth Ditmire, Mary Wolfram, G. A. Morlock, Elizabeth Morlock, Ragina Stahl, William Good, Mary Schall, and Rebecca Ettinger.

In the fall of 1865 steps were taken towards organizing a congregation at Zion. A meeting was called on Thursday, March 29, 1866, to begin proceedings. On the following Sunday, April 1, 1866, an election was held resulting in the selection of the first Church Board composed of John Romig and John Zechiel, elders; John Adler and Jacob F. Stahl, deacons.

For many years Zion prospered and developed around a nucleus of five families; namely, the Romigs, the Wolframs, the Zechiels, the Stahls, and the Ditmires. It was not until August 1914 that the Reformed Church finally re-organized its district and local structure so that Grace and Zion churches formed the present Culver charge.

Twenty Pastors

During the past 75 years Zion has had 20 pastors. Rev. J. W. Bechtel was pastor at the time of the 50th anniversary held in April 1916. Rev. Harvey Harsh was pastor at the time of the 75th anniversary program held in 1941. During the first 75 years, 398 members were received into the Church.

At one time Zion reached a Church membership of 150 and a Sunday School enrollment of about 200. At that time the Church choir consisted of 25 voices. As early as 1890 Church services were held every two weeks. Sunday morning preaching services alternated with those conducted on Sunday afternoon. As automobiles were not then in existence and good gravel roads were few, Church members hitched their horses to the surrey, spring wagon or cart and drove through sand and mud to attend services. Those who lived quite a distance from the church were asked to eat dinner with those who lived nearby.

Many will remember when Rev. J. W. Barber and Rev. A. J. Michael drove twenty-two miles with horse and buggy to Bruce Lake for the morning service and back to Zion for an afternoon service at 2:30, making it necessary to eat lunch while driving. This arrangement was continued until the charge was divided in 1914. Since that time services have been conducted at Zion every two weeks following the Sunday School period.

Contributions

In November, 1907, free will offerings were taken for the first time at each Church Service to help defray congregational expenses. Previously money was raised by subscriptions and voluntary contributions. In the field of Church finances Zion has liberally contributed to home and foreign missions, the orphans home and other benevolent causes.

For a period of fifteen years from 1895 to 1910 Zion had a very active Christian Endeavor Society. Later when organized classes came into prominence several groups were organized. Several will remember the particularly active and large "Tried and True" class.

The Women's Missionary Society was organized in 1895 with Mrs. John C. Zechiel as president. It successfully sponsored and played an active role in the district and regional program.

Younger Groups

The younger church groups took part in Bible dramatization contests and Bible athletic meets sponsored by the county, where they won their full share of ribbons and individual awards. Another project which Zion encouraged was the sending of youth to religious camps. A number of young people attended and graduated from Camp Mack and Lake Geneva where some were chosen as leaders. Because they carried back to their home community the inspiration and knowledge received, Zion has felt that it benefited from the financial and moral support it gave.

In 1916 Zion entered a float in the Marshall County Centennial Celebration winning first prize in the Sunday School parade. The float was a miniature representation of Zion and the church yard at a Sunday morning service.

The present building was erected in 1873 and dedicated, free of debt, on May 4th of that year by Rev. Jesse Schlosser. In 1896 and later in 1913 the church was remodelled.

Zion is rightly proud that among other contributions it has helped to fill the ranks of the Christian ministry by giving to its cause five men who were members of the church. They are: Dr. Jacob F. Stahl, (deceased) and Rev. Albert Zechiel, (deceased), Rev. Fred E. Zechiel, Dr. E. E. Zechiel, and Rev. O. J. Zechiel. Others who received their early Christian training at Zion and have become prominent leaders were Everett Jones, pastor and evangelist; and Frank Sparks who is president of Wabash College. Many others have gone from Zion to serve in other communities; possibly in less prominent positions but in the same Christian Spirit.

Culver Methodists Vote to Initiate Building Program

(Continued from Page 1.)

church parlor, the nursery and kindergarden departments, as well church parlor, the nursery and the pastor's study and church office, are all on the main floor of the building. The floor level, at the main entrance of the church, will be only two steps above ground level; this was done that elderly people might not have to climb a flight of stairs in order to attend worship services. The basement will house the fellowship hall, stage, high school room, kitchen and heating and toilet facilities. The building is American Colonial in design.

Construction of the building can not begin until certain requirements of the Discipline of The Methodist Church have been met by the local congregation. Also world conditions which affect the building trade will have a direct influence upon construction of the building. However the collection of funds for the new church will begin immediately in order that there may be money on hand when the time comes that the building can be erected.

Were you in church Sunday?

RESCUE FOUR FROM CHOPPY LAKE WATERS

Four men in a sailboat narrowly escaped possible personal injury recently when a heavy Lake breeze overturned their boat. Weighted down by approximately 300 pounds of weights and an outboard motor, the boat overturned in mide lake.

The occupants were in a dubious position, but fortunately aid arrived and the crew was rescued. Eddie Amond noting their distress threw life preservers to the near exhausted sailors. The men were taken aboard the Amond boat and an unidentified outboard boat which was nearby. Alan Wallstead righted the sailboat and Frank Amond towed it to shore.

It pays to advertise.

Father and Daughter Attempt Lake Swim

Early this month marked the third time this year that a person swam the 2.6 mile length of Lake Maxinkuckee. Frank Amond, 45, and his daughter, Joan, 19, started at the town park accompanied by William Washburn and Robert Simpson in a speedboat.

Rain and rough waves made the swim precarious and Frank had to withdraw half way across, at Long Point, when he got a severe cramp in his leg. Mr. Amond attempted the swim with his feet tied with rope, but still made it to Long Point in a fast 1 hour and 20 minutes. Joan continued on and finished her swim to Behmer's lagoon in a record time of 2 hours and 48 minutes, beating her brother Eddie's previous record swim of 3 hours.

COL. I. L. KITTS JUDGES STATE FAIR HORSE SHOWS

Col. I. L. Kitts, director of Horsemanship at the Culver Military Academy, returned Saturday night from Indianapolis where he was an official for the highly popular Indiana State Fair Horse Shows. The equestrian shows, a feature attraction of each day's program for the annual affair, attracted large audiences. Col. Kitts was the sole judge for the Hunter and Jumping divisions of the shows.

"Now it Catches the Gleam . . ."

Believe it or not, today, September 13, is a day which is historically significant. It was 136 years ago today on September 13, 1814, when Francis Scott Key penned the immortal lyrics to our National anthem—"The Star Spangled Banner." It was during the bombardment of Fort McHenry, that the author phrased his thoughts which set to music has since thrilled generations of Americans.

The extreme concern of Francis Scott Key is contained in the first words of the first stanza as he directs the query "O say! Can you see by the dawn's early light, what so proudly we hailed at the twilight's last gleaming?" and again later in the same verse "O say does that Star Spangled Banner yet wave o'er the land of the free and the home of the brave?"

In the second stanza the author has found the answer to his own question concerning "Old Glory" pointing out "now it catches the gleam of the morning's first beam . . . 'Tis the Star Spangled Banner: O long may it wave o'er the land of the free and the home of the brave."

Unfortunately we have become a nation of first verse singers only. And a lot of us particularly need, in these days, to study and to understand the thought found in the last verse of this symbolic anthem. It goes—"O thus be it ever when free men shall stand. Between their lov'd homes and the war's desolation! Blest with vict'ry and peace, may the heav'n rescued land Praise the power that hath made and preserved us a nation! Then conquer we must, when our cause it is just, And this be our motto 'In God is our Trust!' And the Star Spangled Banner in triumph shall wave o'er the land of the free and the home of the brave!"

What Francis Scott Key anxiously wondered on that night of September 13, 1814; the realization of his high hopes in the early morning hours of the 14th; and finally his challenging summation, are intensely vital points in today's ebb and flow of national identity.

If we, who represent the mid-nineteenth century heritage of the ideals of men like Francis Scott Key and others, have forgotten or mislaid their ideals for the nation, then it behooves us to refresh ourselves at the ever flowing fountains of our many illustrious forebearers so that we may better face the tomorrows.

Speaking of tomorrow the record of history also discloses that 136 years ago tomorrow, September 14, 1814, the Russians set fire to their city of Moscow after Napoleon's entry into their capital city, forcing his retreat. Unfortunately we cannot find any record of any Russian counterpart of Francis Scott Key, however, we'll wager that one of their patriots rose to that historic occasion.

What we do know is that the Russians have supplanted not only the songs of their nation's early history but also those of several other nations. Today instead of "The Volga Boatman," "The Blue Danube," and others they are singing and confidently chanting their "Internationale."

Yes, it is a good time for us to sing the good old "Star Spangled Banner" and through the Korean ramparts let our hearts sing of the fact that "Old Glory" and all that she stands for is flying high here and that we have faith and the will to keep it triumphantly flying.

Sirs:

Here is (Check for subscription renewal) to provide a little more lubrication for the presses; keep 'em rolling.

Cordially,

F. L. Hunt.

it was a happy occasion Sunday when they could eat and visit together. Two other uncles, John 87 and George 80 and an aunt, Mary 83, are also living, which were not present.

Brother and Mrs. Edgar Bryan and three children of Mt. Clair visited Mr. and Mrs. Cleo May for several days the latter part of August and Mr. and Mrs. Lester McCown of Indianapolis were guests of the Mays Labor Day week end.

Mr. and Mrs. Walter Clevenger were guests at a Bridal dinner party given Thursday evening by Mr. and Mrs. John Wright of Plymouth and Mr. and Mrs. Harvey Hatfield, Jr. of South Bend, in honor of Peggy Jo Wright and James Clevenger, who were married Saturday evening at the E. U. B. Church in Plymouth by Rev. Sickafoose of South Bend, former pastor of the Plymouth church. Other guests at the dinner were Mr. and Mrs. Richard Jones, Mr. and Mrs. Lowell Greenlee, Mr. and Mrs. Eldon Peterson, Mrs. Grace Wright, mother of the bride, Fred Kehoe, Don Shirar, Dale Livinghouse, Arthur Becknell, Jr. and Miss Betty Clevenger.

Mrs. Wilbur Foster of Fort Wayne spent several days last week with her parents, Mr. and Mrs. William Piper. Wilbur spent the week end here and both returned home Sunday afternoon. Both will be instructors at International College when the fall term opens September 18.

Mrs. Lloyd McFarlin, Jr., spent Monday at the home of her parents, Mr. and Mrs. Onis Hite of Plymouth. The Hites will move soon to their home on Road 31, just south of Plymouth. Mrs. Hite spent several days last week at the home of her sister, Mrs. Killiam Carl, of near Argos and helped care for her mother, Mrs. Anna Ganiz, who has been very ill.

Mr. and Mrs. Otis Mishler and

daughter, Phyllis, and son, Billy, returned to their home at Milton, Tuesday after enjoying a week's vacation with her parents, Mr. and Mrs. Roscoe White.

Mr. and Mrs. Lloyd McFarlin and sons, John and Jim spent Sunday with relatives at Rockford, Ohio.

William, son of Mr. and Mrs. Willard Lawrence has the mumps.

Philip, son of Mr. and Mrs. Howard Beatty, is now home from the South Bend hospital where he had been for several weeks. He fell from a cow and fractured his arm.

Mr. and Mrs. Fred Masten of Culver were Friday evening visitors of Mr. and Mrs. Warren McFarlin.

Bourbon Fair Set For Next Week

The 1950 Bourbon Fair will open next Tuesday, September 19, and full program of events and activities are scheduled each day through Saturday, September 23. A grand total of \$4,800 in purses has been announced for the horse racing program of twelve races.

Special attractions including the WLS Barn Dance Stars, the famous White Horse Troop, Vaudeville Acts, and Ward Beam's Thrill Show are expected to fill the grandstand each evening of the fair.

Tractor pulling is scheduled for Thursday and Friday mornings and the cattle sale is set for Saturday.

Obituary

Reverend Allen Lee Steckley, son of Mr. and Mrs. Wilson Steckley, was born near Eutler, Indiana, July 19, 1923, and departed from this life into the spirit world at the Robert Long hospital, Saturday, August 26, 1950, at the age of 27 years, one month and seven days.

He attended the Butler high school and graduated with the class of 1941. He entered Indiana Central College, Indianapolis, and graduated with the class of 1948. The deceased was married to Jesse Willoughby Allison of Odon, Indiana. This union was honored with one daughter, Linda Lee. Mr. Steckley taught in the Walkerton school at Walkerton, Indiana, and also served as assistant coach.

Later he felt the call to enter the Ministry. He began his ministry by serving the Burr Oak and Pretty Lake charge in the St. Joseph Evangelical United Brethren Conference. His ministry at this place was very fruitful, having baptized into the fold of God's Kingdom, ten people.

His home church near Butler, Big Run, extended him the call as a minister, and granted him a Quarterly Conference license. He held his membership at the Big Run Evangelical United Brethren Church at the time of his death.

He served his country during the last war, spending three years overseas. Mr. Steckley was a man that made lasting friends. He was a living son, a good husband and a loving father.

He leaves to mourn, his wife and daughter, father and mother, one sister, Mildred at home, one brother, Howard of Butler. Also five uncles and three aunts, besides a host of relatives and friends.

Dude Ranch Plans Fall Festival Horse Show

A Fall Festival Horse Show in which expert horse riders from Marshall and Starke counties will compete with some of the best horsemen and horsewomen in Indiana will be held on Sunday, September 17, at Lightning Dude Ranch on Bass Lake in Starke county, nine miles west of Culver on State Road 10.

Ced L. White and his wife, Rosemary, owners of the Lightning Dude Ranch, announce that a highlight of the Horse Show will be a large outdoor barbecue on the eve of the Horse Show. This will be open to all entrants who will bring their mounts the day before the competition. During the barbecue they will be invited to go on moonlight trails.

Jerry Humes of Knox who sustained several fractured ribs at the Culver Horse Show this summer is expected to be in top condition and ready for the Lightning Ranch Horse Show. Clyde Noerm of Brems is reported to be a "dark horse" contender for high jumping among the saddle clubs.

Among the clubs expected to have entries in the Lightning Ranch Horse Show, are the Bourbon Silver Dollar Saddle Club, the Kewanna Saddle Club, the Galveston Saddle Club. The riders will compete in twelve events, including games and contests. Ribbons will be awarded to the various winners.

In the event of inclement weather on September 17, the Horse Show will be scheduled for Sunday, September 24.

The name "Winnipeg" means murky waters.

Culver To Be Host For Municipal Water Works Conference

The town of Culver will be hosts for the annual meeting of the Northwestern Indiana Water works representatives to be held here on Monday, September 23. The meeting is one of five district conferences to be held this fall with other sessions scheduled at Angola, Indianapolis, Tell City and Salem.

Don Hand, president of the Town Board, Verl McFeeley, Water Superintendent and other local officials are working in co-operation with William D. Shillinger, sanitary engineer for the State Board of Health, in making arrangements for the Culver meeting. More than 100 representatives of other municipalities are expected to attend the conference.

W. O. Osborn, cashier of the State Exchange Bank, will address the group at the noon luncheon. The meetings will be held in the Culver Lions Den and arrangements have been made with the Ladies of the Burr Oak Church of God to serve the noon-day luncheon.

The subject of iron removal and rusty water control will be discussed by a panel of water works superintendents who have had extensive experience in this field. The afternoon session will be devoted to a talk by W. L. Yonce of the Indiana Gas and Water Co. on the subject of leak detection and water main location. In addition demonstrations of the use of various leak detectors and main locators will be made.

The Hurty awards will be made to those members of the water works profession who have completed 25 years service. The awards are named in honor of Dr. John N. Hurty, one of the early health officers and one of the promoters of the Indiana Water Works Association.

The meetings are jointly sponsored by the Indiana Section of the American Water Works Association, the Indiana State Board of Health, and the Purdue University Extension Service.

Churches Express Gratitude For Minister's Service

The members of Burr Oak and Pretty Lake Evangelical United Brethren Churches wish to publicly express their gratitude for the ministry of the late Reverend Allen L. Steckley who died of bulbar polio August 26, 1950.

Reverend Steckley came to these churches shortly after the Annual Conference session last September. He had not had time to really become a part of the communities which he served as pastor, but he was winning his way into the hearts of his people in a wonderful way.

During his year of ministry he baptized ten people, and saw to its completion and dedication a new addition to the Burr Oak Church. He was taking an active part in the cooperative movements of the churches on the west side of Marshall County, standing firm on the fundamentals of the Christian Faith. He will be missed, not only by the people of these Churches, but by all the folks who knew him.

To Mrs. Steckley, who labored with him, we want to say "Thank you" and may God bless you! As she leaves the community to re-establish a home for herself and her little girl, we trust that she will find new hope and happiness.

The members of the Burr Oak and Pretty Lake Evangelical United Brethren Churches.

W. O. OSBORN SCHEDULED TO SPEAK IN MICHIGAN AND KENTUCKY

W. O. Osborn, cashier of The State Exchange Bank and executive vice president of the Farmers State Bank, will speak at Niles, Michigan, on September 20. His address will feature the Lions Club Annual Ladies night program.

Mr. Osborn has accepted an invitation to speak at the annual convention of the Kentucky State Bankers Association to be held next month at Louisville, Ky.

ATTEND EXPOSITION

Dale Davis, Eloise Lindesmith and Ethel McKee, all employees of the Culver Citizen Press attended the International Graphic Arts Exposition in Chicago on Monday. Mrs. Dale Davis accompanied them. While there they also visited the Museum of Science and Industry.

Taxpayers Protest Budget at Board Hearing

The two-day hearing of the County Tax Adjustment Board at Plymouth on Monday and Tuesday was marked by the absence of taxpayers particularly until the Union township budget was reviewed. Both the township, and the town of Culver budgets and also Library budget were accepted as advertised with no change.

The Union Township budget was approved unanimously after the board had heard protests concerning expenditures of \$5,000 for additional school ground and the \$1,800 item for the Summer Recreation Program.

Trustee Maurice Curtis pointed out in answer to the procurement of extra ground for the school that the State Board of Education would not approve construction of a new building unless adequate playground was provided. Also Mr. Curtis pointed out that the proposed purchase of six acres was duly advertised and approved by the Advisory Board. Dan Shafer, county superintendent of schools supported the township action as to legality and the need for ground.

In the point brought up concerning the \$1,800 spent for the Summer Recreation Program, it was suggested that the money might be better spent for a noon and recess recreation program during the regular term of the school year, since the rural children cannot take advantage of the summer program.

The township budget was presented by Mr. Curtis, the Library budget by Claude Newman and Trustee Curtis, and the Town of Culver budget by Don Hand, president of the Culver town board.

No taxpayers were present at the hearing of the Town budget. It was approved unanimously after it was explained by Mr. Hand that the increase in expenditures for 1951 over 1950 was necessitated because of a depletion of cash reserves during the past year. This reserve was built up two years ago through receipt of unexpected revenue from the State. The State has informed the Board that next years distribution will be approximately the same as that received in 1950.

The final action of the Tax Adjustment Board was to trim the County tax rate .02 cents. The proposed county rate is now .48 cents. This is a .12 reduction over

the present county rate.

All budgets and rates are now subject to approval by the State Board of Tax Commissioners.

Bowling League To Begin 1950-51 Play on Sept. 25

are quickly washed away with soap and water

• VELVA-TEX gives you the finish and washability of fine enamel at the cost of ordinary paint. It is especially recommended for walls and woodwork where frequent washing is necessary.

Grease, dust, finger-prints, stains, and pencil-marks are quickly washed away with soap and water; with the freshness and daintiness of new paint restored as if by magic. The first low cost is the last cost.

VELVA-TEX will transform shabby rooms into cheerful sunny ones. It has just the right amount of gloss—and yet no glare.

Made in ten modern shades endorsed by leading Interior Decorators everywhere.
