Academy Chapel Ceremonies Marked By Impressive Rites

The entire cadet corps of the Academy along with a host of alumni and parents on campus for Homecoming witnessed the simple but impressive cornerstone laying ceremonies for the Culver Memorial Chapel last Sunday morning.

E. R. Culver, president of The Culver Educational Foundation, spoke for the Board of Directors; and representatives of the Legion, Culver Summer Schools Alumni Association, and the Fathers Association, the three fund raising organizations, spoke for their respective groups. Each paid tribute to the thousands of donors to the Chapel fund who have made possible by their gifts this memorial to the 284 Gold Star Culver men of World War II.

Following brief speeches, past presidents of the respective organizations, representatives of the cadet corps, and members of the Culver family participated in the cornerstone laying ceremony.

Before the service started Col. W. E. Gregory, superintendent, introduced members of the Board of Directors on campus for their annual fall business meeting and the past and present officers of the Alumni and Fathers Associations, back for the ceremonies.

Among the former was former superintendent of the Academy, Brig. Gen. L. R. Gignilliat, who along with Mrs. Gignilliat made the trip from Hines Veteran Hospital near Chicago especially for the cornerstone service.

Perhaps the significance and time of the ceremony was best summed up in the prayer of dedication given by Dr. Hardigg Sexton, director of religious education, in which he prayed, "almighty and eternal God, Sovereign Ruler of the universe, to whose government we submit in all our ways, confirm and bless that which is here done in Thy most holy Name. Establish Thou the foundations of this house of prayer, and bless this stone that it may ever be to us a token of that courageous faith which hath inspired the building of this Chapel and a pledge of Thy watchful love and protecting care over us."

Plans call for the dedication of the chapel, at Homecoming, October, 1951.

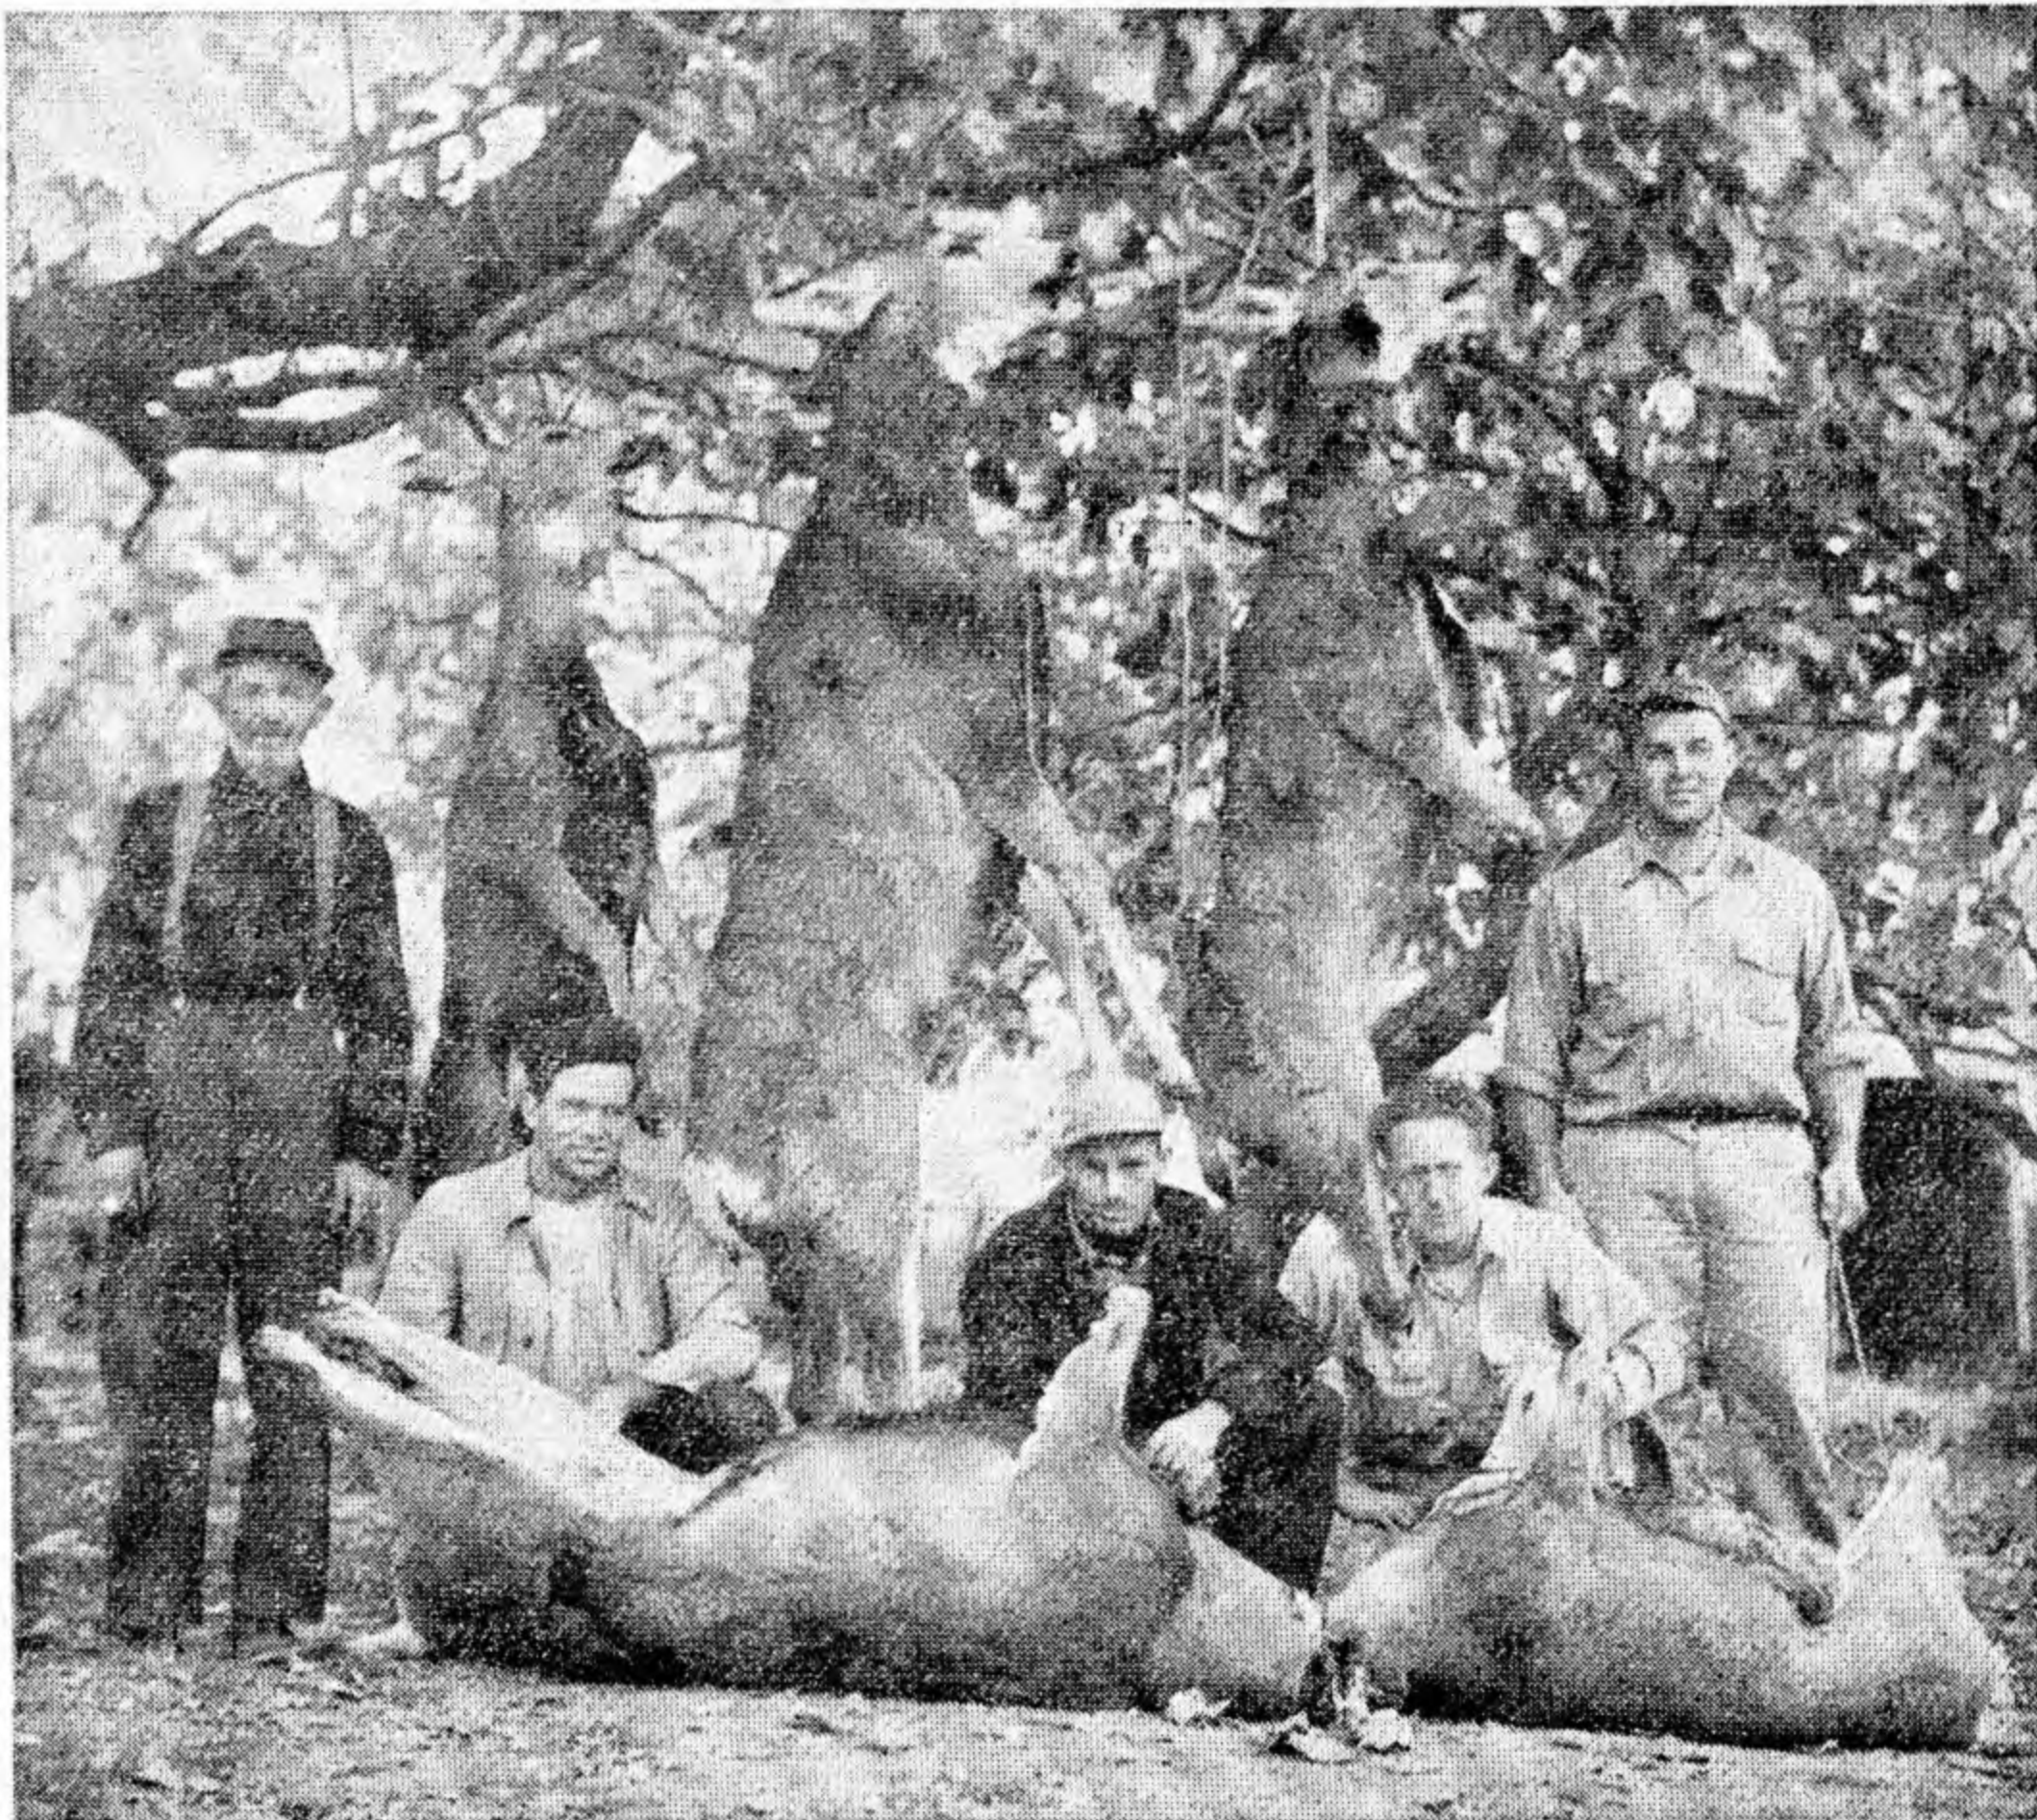

Conduct Final Rites For W. E. Medbourn

Wilford Easterday Medbourn, age 61, of near Monterey, died Sunday morning at Parkview Hospital, Plymouth, after an illness of a few days. He was born on a farm north west of Culver, October 19, 1889 and had lived all his life in this community. He was a member of the Christian Church.

Surviving are two daughters, Mrs. Violet Swartz, Logansport and Miss Mildred Medbourn, Ft. Wayne; three sons, Joseph and Leo, Logansport and Frederick, Culver; one sister, Miss Lena Medbourn, Logansport; two brothers, Lester, North Judson and Walter, Logansport and ten grandchildren. Funeral services were held yesterday afternoon at the Easterday Funeral Home in Culver with Rev. Henry Bulger, Kewanna, officiating. Burial was in the Culver Masonic cemetery.

Culver Hunters Bag Five Deer

There is a lot of prize venison here at the Cihak Farm and the photograph taken yesterday lends convincing evidence of the hunting skill of five Culver marksmen. Pictured left to right are: Tony Cihak, Gene McFarland, Kenneth Kemple, Carroll McFarland, and Bob McFarland.

Bob and Gene McFarland left on October 5th for Gypsum, where they were joined by Carroll McFarland, who came from Napa, California. Kenneth Kemple and Tony Cihak left Culver on October 11 to join the hunting party. The five arrived home last Monday with their limit of one deer each. Kenneth Kemple established something of a record, even for Colorado hunting, when he bagged a 230 pound buck. Bob McFarland's deer weighed 200 pounds; Gene McFarland's, 135 pounds; Tony Cihak's, 110 pounds; and Carroll McFarland's, 100 pounds.

Another Culver hunter, Sam Woods, returned last Thursday from the Gypsum Canyon area of Colorado with a 200 pound deer.

Pfc. Eldon Butler Killed in Action In Korean War

Pfc. Eldon Butler, son of Mr. and Mrs. Leo Butler, was killed in action in Korea on October 15 according to the message received yesterday by his parents.

Pfc. Butler was a member of the 77th Field Artillery Battalion of the First Cavalry and had been in Korea since July 15. He had enlisted on January 6, 1947, and served for about a year and a half, 12 months of which were in Panama, and received an honorable discharge on May 18, 1948. He re-enlisted July 23, 1948, and was stationed at Ft. Benning, Ga. until November 1949. He was sent to Japan and from there to Korea on July 15, 1950.

Born on June 14, 1930, he came to Culver at the age of two and one half years and attended school here. Survivors include his parents, Mr. and Mrs. Leo Butler; three brothers, Leo Jr., of Lakeville; Dale and Kenneth of Culver; four sisters, Mrs. Eunice Lockridge, Culver; Mrs. Joan Farver, Lapaz; Mrs. Maryrose Howard, Hammond; Mrs. Betty Richardson, Bluehill, Maine; his grandmother Mrs. Rebecca Butler; one step brother, Harlan Butler, Culver; and one step-sister, Mrs. Eloise Savage, Royal Oak, Mich.

Arrangements are being made for the return of the body here.

Halloween Frolic Holds Promise of Plenty of Fun

Boys and girls throughout the community and for that matter quite a few adults are expected to turn out for an evening of Halloween fun next Tuesday evening. The traditional and fun-packed Halloween Frolic will again be sponsored by the Culver Fire Department and the Lions Club.

"What you gonna wear this year?" is an oft-repeated question among the youngsters at the moment, and while some may give a slight hint, the majority are probably keeping their costume plans a complete secret. In fact it appears that bossom pals will scarcely be able to recognize each other.

The popular and colorful affair will get underway with a parade

Indians Open Tough Schedule, Meeting Flora Next Week

The Culver Indians will round out a three week pre-season practice stint next week and local fans will get a real preview of the 1950-51 hardwood prospects a week from Friday, when Coach Sering's squad meets Flora High School here. From then on through the tourneys in late February and early March there will be no letup for the team which faces a heavy schedule meeting 18 rivals.

That there is intense interest and loyalty in the 1950-51 basketball schedule is indicated by the fact that fans by the scores turned out in the wee hours of the morning last Thursday when the tickets were placed on sale.

The meeting with Flora will mark the beginning of Coach Red Sering's sixth year at the helm of the Culver Indians. Losing four out of five regulars from last year's team Sering points out that this year's team is one of the smallest he has ever assembled. Coach Sering indicates that there is a possibility of flooring one of the fastest teams in recent years.

Briefly the situation shapes up something like this: there is marked competition for every position. Ed Davis, captain of the 1950-51 varsity is the only hold-over from last year's starting five. Competing for starting births and definitely slotted are B. Snyder, forward; Jim Kowatch, (Continued on Page 11)

Community Chest Solicitation Underway Seek \$4,000

Hoping to reach their goal of \$4,000 quickly Culver-Union township Community Chest canvassers working under the supervision of Col. Robert Rossow, Dr. Oscar Wesson and E. W. Carter, representing the Lake shore and Academy district, the rural area, and the town, respectively, are devoting every moment possible towards carrying out their assignments of contacting folks in their area.

The drive for funds for the local Community Chest opened on Monday morning and within the original plans the campaign is to close Saturday, November 4. Those in charge of the drive are hopeful that the entire area will be canvassed and the job successfully completed long before the official closing date. Not a few local citizens had the jump on the canvassers and some had even made their pledge before the drive began.

Col. Rossow, is implementing his phase of the canvassing program with a personal written appeal. While no reports of contributions or pledges were available at this early date it was believed that the campaign was moving along in a splendid manner. In next week's issue of the Citizen a special effort will be made to publish the total amount contributed up to Tuesday morning.

The local community chest is supporting 14 groups and organizations during the forthcoming year including: The YMCA (Hi-Y), the High School Band, the Union township 4-H Club, the Infantile Paralysis Fund, the Cancer Fund, the Heart Fund, the Salvation Army, the USO, Boy Scouts, Brownies, and Cub Scouts.

It is possible for the donor to indicate where he wishes his donation to be placed. In addition to those groups listed above the Community Chest Board has stated (Continued on page 11)

High School Chapel Choir At South Bend

The High School Chapel Choir is participating in the North Central District Chorus, which is formed as one of the activities at the North Central Indiana Division of the State Teacher's Association, meeting in South Bend October 26 and 27. The District Chorus, which will number about 500 voices, is made up of selected high school singers from all over northern Indiana.

In prior years only a small percentage of the local choir has been permitted to go. This year, however, since one of the large schools dropped out, Culver was authorized to take its entire choir.

The chorus will be directed by Dr. Wilfred C. Bain, Dean of the Music School at Indiana University, recognized as one of the nation's outstanding choral authorities.

Culver Chapel Choir members will leave by School Bus at 7:00 a.m. Thursday on a bus driven by Dewey Overmyer. They rehearse with the Chorus from 8:30 to 11:30, from 1:00 to 3:00, and perform in John Adams auditorium at 7:30 in the evening.

Boys' Club Of America Honors Mrs. W. Winslow

Mrs. Walker W. Winslow was highly honored last Friday evening at Indianapolis, Indiana, when she was presented the Boys' Club of America Keystone Award "For long and devoted service to boys."

The distinguished award to the Culver lake shore resident was presented during the course of the fourth annual regional institute of Boys' Clubs of America, held at the Severin Hotel at the state capitol last week. David W. Armstrong, national director of the Boys' Club, conferred the award on Mrs. Winslow.

In addition to the Keystone award Mrs. Winslow was presented a pin in recognition of 30 years service to the national organization. A certificate accompanying the Keystone medal carries the following inscription: "BOYS' CLUBS OF AMERICA presents the award of the Boys'

Club Bronze Keystone for long and devoted service to Boys to MRS. WALKER W. WINSLOW, prominent educator, she became a member of the Board of Directors of the Boys' Club Association of Indianapolis in 1921. For twenty-nine years she has served the Boys' Club with devotion and loyalty. She has given generously of her time and effort to the various committees of which she was a member and has been active in the development of the Boys' Club Movement in Indianapolis. Through her family, the W. W. Winslow Endowment Fund of \$50,000 was given to the Boys' Club. The Boys' Club and the Whole Movement of Indianapolis owe much to her personal endeavors. In recognition of her long and devoted service to boys, Boys' Clubs of America awards her the Boys' Club Bronze Keystone.

Lions To Start Collecting Paper Again on Nov. 2

The Culver Lions Club is re-instituting its war time paper drive it was announced this week. The first pickup of paper will be conducted on Thursday, November 2nd. Citizens are asked to tie up their old papers and place them on the curb. The paper will be processed by a committee of Lions Club members and proceeds derived from the sale will be placed in the Community Betterment fund.

During World War II the Lions Club paper collection developed into a large project and was stopped following the war when the demand for paper fell off to the place where it was impossible to dispose of it.

NIECE PASSES AWAY

Mrs. George Hoover, of Mansfield, Ohio, niece of Mrs. Wilbur Brown, passed away on Monday, October 16, after a prolonged illness. Mrs. Brown who had been called to Mansfield, Ohio by the death of her brother, George W. Kline of Cleveland, Ohio, remained for the funeral services of Mrs. Hoover which were held on Thursday, returning to Culver on Saturday.

FIRE AT BASS LAKE

Fire of undetermined origin damaged Green's Grocery at Bass Lake last Wednesday to the extent of an estimated \$5,000. Culver and Knox firemen were called to assist the Bass Lake department to prevent the spread of the blaze to nearby buildings.

World Community Day Services Friday, Nov. 3

The Culver Union Township Council of Church Women are making final plans for the annual program in observance of World Community Day which this year will be held Friday, November 3, at 2:30 p. m. in the Methodist Church. A prominent speaker, Mrs. P. D. Pointer of South Bend, will be the guest speaker. Mrs. I. G. Roederer, president of the local council, has announced.

Mrs. Eugene Benedict, chairman of the program committee, has announced that the project of the meeting will be for the women of the community to either knit garments, bring good clean knitted garments or bring yarn and knitting needles. These articles will be sent abroad through the United Council of Church Women.

Mrs. Rebecca Robinson's 90th Birthday Celebrated

One hundred nineteen friends and relatives greeted Mrs. Rebecca Robinson on Sunday at the open house given in the home of her daughter, Mrs. Edgar Shaw and Mr. Shaw, to celebrate the former's ninetieth birthday anniversary.

Mrs. Shaw was assisted by her sister, Mrs. Edgar Fenimore and her sister-in-law, Mrs. Harold Robinson.

Mrs. Robinson received many lovely gifts, and cards for the occasion. The home was decorated with fall flowers and the refreshment table was centered with a large birthday cake, beautifully decorated in white with pink roses, by her grandson, Donovan Fenimore of Mishawaka. On either side of the cake were crystal candelabra with lighted white candles. Presiding at the table during the afternoon were Mrs. Ruth Simpson, Mrs. Charles Cowen and Mrs. C. S. Griffith.

Out-of-town guests attended from Plymouth, Knox, South Bend, Rochester, Goshen, Warsaw and Mishawaka.

W.S.W.S. Met With Mrs. Snyder

The Women's Society of World Service of the Emmanuel Evangelical United Brethren Church met in the home of Mrs. Glen Snyder on Thursday evening. Mrs. William Kose and Mrs. W. R. Easterday were assisting hostesses.

Mrs. Jesse Sims assisted by Mrs. Trula McKee and Mrs. Floyd Deck gave the program on "The United Nations" and Janet Sue Zechiel sang a vocal solo.

Refreshments were served to the twenty-three members present with Mrs. Kose presiding at the refreshment table.

Mrs. Kyle Hostess to Public Welfare Group

The Public Welfare Group of the Culver City Club met in the home of Mrs. Robert Kyle on Thursday evening. Mrs. Kyle, chairman, presided at the meeting which opened with members answering roll call with current events on Public Health.

The program on "Civilian Defense" was in charge of Mrs. Robert Ott who reviewed the work being done in Indiana. Mrs. Hampton Boswell reviewed the situation in the nation and in New York State as given in an article in Times Magazine.

David Burns, township chairman of the Marshall County Board, reported on the county and local plans for civilian defense. Members of the Public Welfare Group volunteered to assist Mr. Burns in the work in the county and locally.

A tea and social hour followed the program.

Mr. and Mrs. Cloyde Miller visited in South Bend Sunday with the Culver Miller family and the Glenn Shriver family.

Wide Awake Class Meeting

Mrs. Ivan Walker, Mrs. J. E. Foreman and Mrs. William Washburn were co-hostesses to the Wide Awake Class of the Methodist Church in the Walker home on Thursday evening. Devotions were given by Mrs. C. C. Doxzen and were followed by pictures of Korea shown by the Walkers. Refreshments were served to eighteen members and four guests.

Entertain at Baby Shower

Mrs. Glen Snyder and Mrs. Merl Crabb entertained fourteen guests at a baby shower for Mrs. Leland Ross and baby daughter, Karen Sue. After the many lovely gifts were opened the evening was spent socially and refreshments were served.

Sub-District W. S. C. S. Conference Here Attracts 115 Members; Local Society Hosts

The Culver Women's Society of Christian Service was host for the sub-district meeting of the W. S. C. S. held at the Methodist church here on Monday. An interesting program was enjoyed by a large crowd of visiting members. Approximately 115 members registered for the conference.

The day's session opened with the call to worship by Mrs. J. Allen Barr of Knox, sub-district leader. Mrs. Ralph Osborn, Sr., president of the local society, extended a hearty welcome to the assemblage, following which conference and district officers were introduced.

A roll call of Society's present was followed by the presentation

of reading course credits by Mrs. B. L. Reling of Chesterton, Mrs. Quentin L. Hand, who was a delegate to the Battle Ground School of Christian Living recently, and Mrs. A. Dolan of Plymouth gave inspirational talks about the school.

Luncheon was served by the Mary Circle of the W. S. C. S. Early after lunch the conference was opened with a business session where the following officers were elected: Mrs. J. Allen Barr of Knox, sub-district leader; Mrs. L. R. Ehernman of Plymouth, assistant sub-district leader; and Mrs. Fay Parker of Tracy, secretary. An invitation was extended for the 1951 Sub-District meet-

Everyone Welcome!

Sponsored by County Young Republicans

To The Citizens of Union Township

"It has been called to my attention on several occasions recently that there is considerable loose talk on the part of a few individuals which need to be answered.

"It has been indicated by certain individuals at recent public meetings that I, as Trustee, in collaboration with the Advisory Board, have performed certain acts detrimental to the development of our schools and our township government. I do not object to any personal attacks as long as they are based on facts, but when they are contrary to the evidence of the facts and particularly when they jeopardize the future of our school program I feel that they should not go unanswered.

"Most of the destructive criticism has been directed towards the summer recreation program and the payment of salaries of Mr. Sering and Mrs. Marshall for the summer work; second, towards the plans for the new elementary school building; third, the question of when the grade school building can be erected; and finally, the purchase and purpose of the purchase of land adjacent to the school.

Aims

"I have never at any time attempted to cover up or withhold information on any action during my four year term. Primarily our sole aim has been to develop the program of our school in terms of local needs and the principles and requirements set up by the state, the county, and the North Central Association of Schools and Colleges of which our school is a member.

With respect to the summer recreation program, the actual cost is \$1,100. The salary of one of the supervisors is \$600 and is added to his regular salary and

spread over his regular contract of 12 months. The salary of \$500 paid to the other supervisor is paid on a special summer contract. It should be noted that the summer recreation program was instituted at the request of several taxpayers, among whom are some present critics. We believe that the recreation program has been worthwhile and that it is doing a vast amount of good in the community, something that cannot be measured in dollars and cents.

Comparative Costs

"Actually the cost of the summer recreation program to the taxpayers is less than the 4-H program, which was instituted for the rural youth. Records disclose that our boys and girls, both from town and the rural area, are benefiting and participating in each of these programs. It's like the fact concerning transportation of children to school. The town people of course pay their proportionate share of this transportation and use little of it, yet the item in the budget is a very sizeable one. As a farmer, I object to any criticism which attempts to sectionalize Union township into groups such as the Lake group, Academy, Town and Rural, for we are all working for a school and a program which will serve all as one community. We need to work together instead of some pulling one way and some the other.

"The need for a new grade school building everyone, fortunately agrees with. Some have said that the Trustee and Advisory Board have impeded, or stood in the way of, a new building. This is absolutely untrue. The record shows that following a condemnation of the building by the State Fire Marshall a thorough study was made as to the possibilities of bonding the town-

ship to start a new building for the grades. Legally we were prevented from doing so because of limitations imposed by law. We met the recommendations of the State Fire Marshall by making the grade school building temporarily safe until such a time that funds would be available to erect a new structure.

Sinking Fund

"In 1947 a sinking fund was established in which each taxpayer paid a special tax of \$1.00 per \$100 assessment on their property. In 1948 the rate was reduced to 75 cents as a result of a ruling by the Attorney General. Because of overcrowded conditions and to meet an emergency, an agricultural shop building was erected in 1949. It is at present housing, during the emergency, the music department.

Some time ago we interviewed several architects, asked them to submit plans in keeping with state regulations and local needs, and in the spring as a result of study, Leroy Bradley of Fort Wayne, was retained as architect for the new building. This has been reviewed in the paper and before public groups, in fact this summer I requested that leaders of all civic groups meet, where Mr. Bradley presented alternate building plans.

"As to when the building can be erected is a question which involves available finance. The total amount in the sinking fund at the present time is \$106,000 as was published on July 26. By the end of the year additional amounts to be received should increase the total to \$124,869. The projected plans call for an L-shaped building with brick exterior, aluminum windows combined with glass brick. As far as finances will permit there will be 20 classrooms, each accommodating 35 students, rooms will

be approximately 24 x 34 feet. There will be ample provisions for recreation, art and music. It is hoped that the building can be started early next year.

"There has been some undue caustic comment regarding the purchase of land. Briefly this is the story, the site occupied by the present high school and elementary school is 4.4 acres. About three years ago, following approval by the Advisory Board, and after legally notifying the taxpayers, the township purchased from the Methodist Church approximately three-fourths acres of land. On Nov. 18, 1949, due to a requirement set up by the Division of School House Planning, and upon approval by the Advisory Board, a plot of ground 6.2 acres located northwest of the present school ground was purchased.

"It should be noted that the Indiana State Assembly in 1949 empowered the State Board of Education to establish a Department of School Buildings and School Grounds. The law made it legally necessary to have the approval of this department before any steps could be taken towards construction of any school building. Formal application for the building of an elementary school here was filed and approved some time ago.

"As can be seen from the above statements Culver has a fraction over eleven acres. The minimum standard requirement is five acres for an elementary school and ten acres for combined elementary and high school. The law further states that for each 100 enrollment the school is required to have one acre of additional land. I have prepared this statement in the interests of government in our township."

Respectfully Submitted,

Maurice Curtis, Trustee.

Second Annual Indian Hill's Calf Sale

Indian Hill Farms of Rochester, Indiana, recently completed a successful season, showing their Aberdeen-Angus cattle at three Indiana fairs.

At Central States Fair, Crown Point, its entries won Junior Champion Female, which went on to become Reserve Grand Champion; Reserve Senior Champion, female, first two year old, female; first Junior Yearling, female; first Pair of yearlings; second, Pair of Females; and third, Junior Yearling Bull.

At Indiana State Fair entries bred and owned by Indian Hill Farms won first Light - weight Gold Medal steer; fifth, Junior Yearling Heifer in a class of 51; fifth, Junior Yearling Bull, and ninth, Pair of Yearlings. This was one of the strongest Angus shows ever held at the Indiana State Fair. There were 358 head of Aberdeen-Angus competing, including entries from well known breeders from Illinois, Kentucky and West Virginia.

At the Fulton county 4-H Fair two steers and one heifer of Indian Hill breeding won first place Angus Steer in both heavy and lightweight classes, Grand Champion Steer over all breeds, first and Champion Angus Heifer in both 4-H and Open Classes. (These three entries were owned and shown by Tom and Marcia Swanson and bred at Indian Hill Farms.

The second annual Indian Hill Farms calf sale will be held on tomorrow, October 26, at the Rochester sale barn, beginning at one o'clock in the afternoon.

Academy Eleven Wins 27-25 Thriller Over K. M. I. Sat.

When Notre Dame, was running up its long string of football victories, Coach Frank Leahy was heard to remark, "We are no better than a lot of the teams we defeat; we merely know how to take advantage of every break we get and that makes the difference between a win and a loss."

Had Leahy been present at the Academy vs KMI homecoming football game last Saturday which the local cadets won 27-25, he would have seen a perfect example of the truth of his statement.

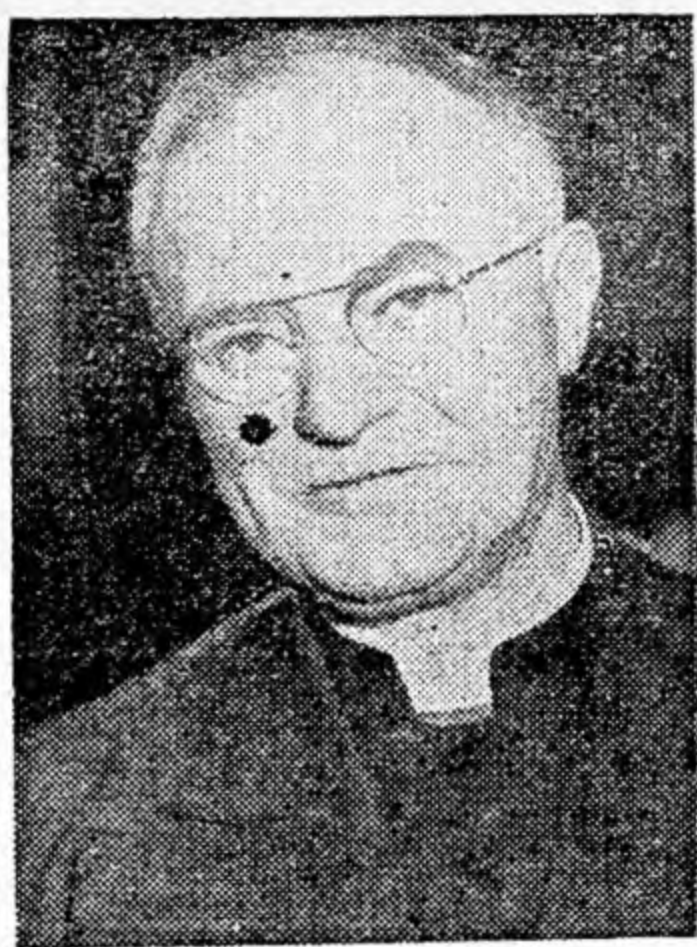

Most of the large crowd present for the game, became reconciled to a one-sided victory for Kentucky when the visitors scored twice in the first quarter to lead, 12-0.

However, they failed to give credit to an Oliver-coached squad that refused to be defeated, for three fumbles and a couple of 15-yard penalties plus excellent ball handling helped produce two Culver T. D.'s in the second quarter before Kentucky scored a single first down. Accurate P. A. T. kicking of Co-Captain Bob Sabo had put the cadets ahead 14-12, when K. M. I.'s star half-back, Ed Mixon, broke loose just before the first half ended to place the visitors ahead again as the period ended, 19-14.

Again in the last two periods, however, the Culver players took advantage of the breaks while at the same time handled the ball cleanly themselves. Recovered fumbles paved the way for a score in the third quarter by Ronnie Witort, star junior back on the Culver squad, and after another broken field run by Mixon that placed the visitors ahead as the third period ended; Dick Reynolds, Academy right half, carried the ball over from his own eight to make the final score, 27-25.

This was K. M. I.'s first defeat this season. In three games prior to last Saturday's they had piled up 111 points to their opponents' 13. According to Kentucky papers they are regarded as one of the best teams representing any high school in the South this year.

This next Saturday, Culver will play their third Homecoming game in as many weeks then they

Submits Thorough Explanation for Request of Community Chest Support

Richard Bowles, High School Music director, feeling that there is some misunderstanding regarding the support of the high school band by the Union Township Community Chest, last week submitted a letter to the Community Chest Board of Directors giving a thorough explanation of the annual request.

Next Monday, as stated elsewhere in today's paper, the 1950 drive for Community Chest funds begins. Because of the timeliness of Mr. Bowles' letter and in the hope that it will help clear up any misunderstanding The Citizen asked the Community Chest for permission to publish it. His letter follows:

To the Community Chest Board
Culver, Indiana
Gentleman:

In submitting the attached request for funds for the High School Music Fund, we would like to offer some words of explanation and review about this request.

On the budget estimate it will be noted that there are five different categories of expenses: Transportation, Contest Registration, Maintenance and Replacement of Uniforms, Repair of Existing Equipment, and Acquisition of New Equipment.

Tax Money Not Available
Under the tax laws of the State of Indiana, only the acquisition of new equipment, is an approved expenditure from tax funds. In other words, if the music program were restricted to activities which could be supported by tax funds, contests, clinics, uniforms, dance bands,

and the repair of existing equipment would be impossible.

To solve this problem, the Music Department of the high school has had a Music Fund, support for which has been solicited from many different sources — tag days, sale of tickets for concerts, appeals to various community organizations, and others.

For several years the high school music fund had a "Tag Day" on which patrons were asked to contribute directly to the fund; the smallest amount netted from any of these "Tag Days" was about \$750.

Joined Community Chest In 1947

In keeping with the spirit of unification of the Community Chest idea, the Music Fund has for the last three years been included in the Community Chest Drive, not in the sense of being a "charitable" activity, but rather for the purposes of unification of the many demands on the public purse, and for the support of a worthwhile activity from which the entire community benefits. Since its main support has come from the Community Chest, the Music Fund has made no other public requests for funds during the year.

We will appreciate your approving our request for funds, and stand ready to be of assistance during the campaign.

Budget Estimate H. S. Music Fund

1. Transportation: Based on records from preceding years, transportation of students to and from contests, festivals, and clinics will amount to \$200.

2. Contest Registration Expenses: Registration of students for the Solo and Ensemble and Organization contests (Solo, 75 cents per student; Ensemble, 40 cents per student; Organization, \$3.00 each) will amount to \$50.00.

3. Maintenance and Replacement of Uniforms: The Band uniforms are now nearly ten years old, and are showing signs of honest wear and tear. Cleaning and pressing of these uniforms and making necessary replacements is beginning to be a major item of expense. (The expanding instrumental program will require the purchase of about ten new uniforms next year, although this is not included in the present budget estimate). Amount needed \$100.00.

4. Repairs on existing equipment: The Music Fund owns quite a number of musical instruments, most of which are the type of instruments which are either too expensive, too bulky, or otherwise impractical for individual ownership. Repair and maintenance of these instruments is essential, and conservatively amounts to \$150.

5. Acquisition of new equipment: Our expanding instrumental program makes constant acquisition of new equipment essential. Needed at the present time are a glockenspiel, a new bassoon, another bass clarinet, and a complete set of street drums for marching. Our estimate of \$250 is ridiculously low, but it is realized that all of these needs cannot be satisfied immediately.

Total amount requested for the years: \$750.

Respectively submitted

NEW BUSINESS OPENS IN CULVER

Culver has a new business establishment. Chapter's Fur Service opened for business this last week in the Frank Amond building on South Main street. Proprietor of the new establishment is Mrs. Nellie Chapter. With the fur service, the new business is well equipped to handle tailoring, remodeling, and alterations. Mrs. Chapter who resides near Knox is widely experienced in tailoring and fur service.

HONOR TEACHERS

Mrs. Etella Carothers of Plymouth, was highly honored last evening at a reception in her honor, held at the Plymouth Country Club. The reception was planned by former colleagues of Mrs. Carothers in honor of her invaluable contribution and success as a public school teacher. Teachers of the Franklin School of South Bend were hosts.

Mrs. Carothers began teaching in 1895 in the Seltenright School near Linkville, in Marshall County. She was later associated with the schools at Lapaz and the Franklin School at South Bend. Following the dinner Mr. C. M.

Harris, principal of the Franklin School, presented her with a book of testimonials among which was a tribute by Mr. Frank M. Allen, superintendent of South Bend Schools. An Eisenberg pin, the gift of the faculty was presented by Miss Vivian Hering. Mrs. Robert Wiltout, president of Franklin PTA gave Miss Carothers a corsage, a gift of the organization. Mr. Harry Lewandowski, chairman of school social committee was the toastmaster. Mr. and Mrs. J. D. Newman attended the reception. Mrs. Newman is a niece of Mrs. Carothers. Mr. and Mrs. J. D. Heiser Corn Drier To Be Used in Demonstration

Plans for a corn picker-sheller and corn drying demonstration to be held next Tuesday, October 31, have been completed, Extension Agents A. C. Shideler, Knox and R. C. Harvey, Plymouth, have announced. The program, one of six to be held in the state, will take place on the Ralph A. Osborn farm, 2 1/2 miles north of Hamlet, Starke County.

The demonstration will open at 1:30 p. m. with a field demonstration of the two-row machine which picks and shells corn in the field. Following the picker-sheller will be a cornstalk cutter. A demonstration of drying shelled corn harvested with the picker-sheller will be given at 2:30 p. m.

The field demonstration will be under the supervision of Ray M. Lien, agricultural engineer of Purdue University, and James Bonnell, Winamac. The meeting, which is sponsored by the Agricultural Extension Service and persons interested in corn drying, is intended to give farmers an opportunity to observe the field operation of the picker-sheller and corn drying methods, and to show the reduction in time needed to harvest the corn crop.

The picker-sheller is not an entirely new development. It has been in limited production for several years because of the lack of storage on the farm for harvested shelled corn. The advent of new crop drying methods has shown that shelled corn harvested with a picker-sheller can be

dried and stored on the farm.

The drying demonstration will show farmers the method of drying high-moisture shelled corn to a safe storage moisture content. Drying equipment developed by Carl Heiser, a Marshall County farmer, will be used.

All farmers and persons interested in corn harvesting methods are urged to attend. The program is the only one of its kind to be held north of Lafayette.

THE VOLUNTARY WAY IS THE AMERICAN WAY

Your Life Insurance

For everybody there comes a day when it is too late. One day you may be able to get life insurance. The next day you can't.

Last year many thousands of people who wanted life insurance tried to get it and failed. Some health impairment had set in. They had waited too long.

While in good health, life insurance may not seem like a pressing matter. Usually it seems urgent only when you are ill or have escaped from a serious accident. That time, however, may be too late.

You probably intend to own more life insurance "some day." Why not take the first step now, before it is too late?

Teachers and Chapel Choir to Take Part In Assn. Conference

Local school teachers will join 26,000 Hoosier instructors, who will assemble tomorrow and Friday, October 26-27 for the annual conventions of the Indiana State Teachers Association to be held simultaneously in Indianapolis, South Bend, Fort Wayne, Gary, and Evansville.

Schools throughout the state will be dismissed this evening for a two-day recess for the annual meetings. Of the 28 instructors of the Culver-Union township school faculty, 19 will attend the South Bend conference, and 9 instructors will take part in the sessions at Indianapolis.

Outstanding programs have been arranged at each of the conferences. Chief among the speakers at Indianapolis, will be Dr. Andrew Cordier, executive assistant to the secretary-general of the United Nations, who will speak on "The United Nations and World Peace;" and Mrs. Willis Snoth Ethridge, author and lecturer, who will talk on "The Balkans."

Dr. Cordier will also speak at South Bend. Teachers attending the South Bend meeting will hear Dr. Norman Vincent Peale, well known Ethridge, author and lecturer. Culver Lakers Join New State AAU Basketball League

The formation of The Indiana Amateur Athletic Union Basketball League was announced recently. The new organization, composed of eight independent teams which have won sectional or state titles are from Kokomo, Delphi, Akron, Lafayette, Logansport, Culver, Indianapolis, and South Bend. Newly elected officers of the League are Chic Schrock, president, Kokomo; Gene Hooper, treasurer, Indianapolis; and George Treida, secretary, Delphi.

The Culver Lakers, Culver's representative in the State AAU League, will open play against a strong Akron quintet at Delphi on November 12. Considerably strengthened with the addition of several new members, the Lakers 1950-51 roster is as follows: Paul Snyder, Dale Heiser, Bill Dille, Vern McKee, Al Morris, Bob Melton, John Hoesel, Francis Fishburn, Dale Alberis, Paul Lucas, Dave Kanouse, and Bob Goodman. Their first home game will be with Kokomo on Tuesday, November 14. South Bend and Akron are scheduled to meet in the preliminary game on the local floor.

The League schedule is made up of three rounds of play, so that each team will have 21 games. Double-headers involving four of the League teams will be played on each announced date, assuring fans of two first class basketball games. The complete schedule of both home and road games will be announced in the near future.

Gov. Schricker in Plymouth Friday

Mayor Francis W. Johnson, chairman of the program and arrangements committee for the Democratic rally at Centennial Auditorium, Friday night, announced today that final plans

Deane E. Walker

for the rally have been completed. From all indications, the rally will be one of the largest held in Plymouth in many a year.

Among Marshall county people, it is a homecoming celebration for Deane E. Walker, State Superintendent of Public Instruction and candidate for reelection. Mr. Walker was for twenty-five years county superintendent of schools in Marshall County and is now serving his first two year term as State Superintendent of Schools and his fine administration of that office has brought credit to Marshall County.

Invitations have been sent to Democrat leaders and Mayors in surrounding counties and indications are that many delegations from these counties will come to Plymouth to hear Governor Henry Schricker and pay tribute to

his fine administration.

Democratic leaders from as far away as Valparaiso have indicated their intentions of bringing delegations to the rally.

Plans are under way for a Torchlight Parade which will assemble at Centennial Park at 7:00 o'clock and parade through Plymouth and end at Centennial Auditorium.

In connection with this rally, Mayor Johnson announced that all students in the Junior and High schools are invited and parents are urged to bring their children.

Basketball Pot Begins Brewing

In traditional fashion, Culver's annual dish of basketball is beginning to brew, in fact the pot is already simmering and hundreds of folks with whetted appetites are ready to be served. The recipe for this well known dish is familiar to both young and old. Simply mix a lot of basketball talent, stir in 18 games, garnish with a couple of tournneys or three and serve piping hot.

With the sale of tickets to students on Monday the season is about ready to get under way. Some 450 adult fans procured their tickets last Thursday. As an indication of the interest, the length of the line of adults waiting when the door opened at 8:00 a.m., last Thursday would have cause the casual observer to think that he was near the Notre Dame football ticket office.

Mrs. John Altman was the first in line, arriving at the school building at 2:05 a.m. Within a short while after her arrival a steady crowd of ticket seekers started gathering.

Virginia Bair, Rose Marie Oberlin, Greg Osborn and Betty Meebourn arrived at 4:00 a.m. They carried with them proxies to purchase 20 tickets for friends, all of whom have attended games and sat in the same section in past seasons. To pass the time they brought coffee and rolls for refreshments and a dack of cards

GOP County Round-Up All Set for Tomorrow

If you should hear a sound truck coming down the highway or street tomorrow with a long string of streamered cars don't be alarmed for it will probably be the 1950 Marshall county Republican Caravan. The Caravan of cars is expected to meander down State Road 17 from Plymouth arriving at Culver about 1:30 p. m. The stopping point here will be the State Exchange Bank corner.

From Culver the group will go to Argos, Bourbon, Bremen, Lapaz, then back to Plymouth for the Roundup program scheduled to begin at 6:30 p. m. at the Lincoln H. S. Auditorium. A buffet supper will be served (all for free) to the assembled guests. Arrangements have been made for entertainment by the Plymouth Men's Chorus.

Ralph Harvey, representative from the 10th Congressional district, and Leland Smith, candidate for secretary of State, will address the gathering of county Republicans.

Invitations sent out by Bill Oberlin, general chairman, extend the following gay bid to attend the roundup.

"Get out your long ropes and iron horses and prepare to ride herd in the big Republican Round-up come Thursday!

for entertainment. One gentleman did not arrive until 11:00 o'clock, but he enthusiastically proclaimed that he had been able to get his favorite seat.

"Join the Roundup at the town nearest your home and follow along till we have all the Republican Cowboys, Cowgirls and Cowkids corralled in the Plymouth High School Auditorium for Supper.

"We are sending you 10 complimentary tickets. (None needed for children.) This is your chance to represent your Party to your neighbors!

"If you have any spare crepe paper — decorate your car. We will furnish signs for all cars. Get 'em when you join the parade

"Remember — only one rally this year, so let's make it big and one we won't forget for a long time!—
