Harold Shaw Heads Culver Masonic Group For 1951

Harold V. Shaw was elected Worshipful Master of the Henry H. Culver Lodge F. & A. M. at the annual election held December 7th, it was announced this week. Shaw will head the group of newly elected 1951 officers who will be installed at a special service to be held on Thursday evening, December 28th. The occasion will be marked by the annual dinner of the Culver Lodge.

Reservations for the dinner are now being taken and those who wish to attend should call Lester Young, secretary, at once. There is no charge for the dinner. Harry D. Winkler, retiring Worshipful Master, and assisting officers will have charge of the installation.

In addition to Worshipful Master Shaw, other officers to be installed include: Henry W. Hinkle, senior warden; Harry D. Edgington, junior warden; John Mitchell, treasurer; Lester P. Young, secretary; Cloyd B. Miller, chaplain; Claud H. Cummins, senior deacon; Jack D. Easterday, Junior deacon; Elbert W. Graham, senior steward; Perchis Blanchard, junior steward; and Max Fechner, tyler. W. O. Osborn was re-elected Trustee for a period of three years.

H. S. Christmas Program Monday Evening, Dec. 18

The PTA-sponsored High School Christmas Program will be presented by the music department on Monday night, December 18, 1950, at 8:00 p.m. in the Community Building.

The program will include two numbers by the High School Band, the Christmas medley "Beneath the Holly," and the Leidzen arrangement of "White Christmas." The mixed chorus will sing a group of unfamiliar carols, and the Chapel Choir will sing the Waring arrangement of "Twas the Night Before Christmas."

As the final portion of the program, a playlet in the style of a radio drama, titled "What Can We Count On?" together with the singing of familiar Christmas carols and pictorial representations of Scenes from the Nativity, will be presented.

Grade School Christmas Program December 21st

The elementary school Christmas Music Program will be held at 2:00 p.m. on the afternoon of Thursday, Dec. 21st. The fifth and sixth grade chorus will present, as a Living Christmas Tree, a group of carols.

The primary grades will dramatize popular Christmas songs followed by an arrangement of Jingle Bells by the fourth and fifth grades.

The Christmas Story will be presented by the primary grades through songs by the CIRCLE of Carols.

The Living Christmas Tree will offer the closing number.

Culver Wins 46-42 Over Plymouth; Davis Scores 17

Culver did it again! Yes, the C. H. S. Indians again downed a band of determined Pilgrims in the Plymouth Centennial Auditorium last night by the score of 46 to 42. It was a welcome comeback after their loss to South Bend John Adams last Saturday.

The Indians played most of the contest without the services of two starting players, Kowatch and McCarty, who each accumulated four personal fouls in the first half. Despite this handicap they led Plymouth throughout the game, except for a few seconds in the 2nd period when they trailed by 10-9. The largest lead the Indians enjoyed was 11 points in the final period.

Capt. Eddie Davis' one-handed set shots and Martin's driving lay-ins supplied Culver with most of the needed offensive punch. Davis with 17 and Martin with 12 points were high for the Indians. Sheetz, Plymouth guard, led his team with 12 points.

The Indians low free throw percentage (they missed 18) could have proven costly, but their improved field goal shooting average lends encouragement to future games.

Local Church to Present Annual Vesper Service

The choir of the Grace Evangelical and Reformed Church is sponsoring a Vesper Candlelight Service on Sunday afternoon, December 17, at four o'clock. The public is invited to attend this annual service.

On the same evening at 7:30 o'clock the children of the church school will be presented in their Christmas program. Friends are invited to attend this service.

Send Your Entry In For Union Twp. Christmas Decoration Contest

It costs absolutely nothing, you will probably decorate anyhow and by filling out the slip on page 11 in today's paper and mailing it to the Culver Citizen, you may be among those who will receive lucrative cash awards in the 1950 Union Township Home Decorations Contest.

So get out that pencil, fill out the slip and mail it in at once. Homes will be judged on the evening of December 20th, next Wednesday evening. There are prizes for both interior and exterior decorations. The Lions Club of Culver, sponsor, is offering \$75 to be presented as follows:

Best Exterior decorated Home: First, \$15.00; second, \$10.00; third, \$5.00; Best Interior Decorated Home: First, \$15.00; second, \$10.00; third, \$5.00; and Most Original Decoration, \$15.00.

Candlelight Carol Services Attract Large Audience

Approximately 1700 persons throughout this community joined together at the Culver Military Academy Recreation building on Sunday evening where they participated in the third annual Community Carol Service. The well arranged program, directed by Colonel E. T. Payson, chairman of the Academy's Music department, in cooperation with choral directors of local music organizations, officially inaugurated the Christmas season here at Lake Maxinkuckee.

"It was the best program ever to be presented," was the general consensus of opinion of those attending. From the impressive candlelight procession, through the singing of the familiar "Silent Night" by the Evangelical and Reformed Choir, the carol service was well carried out and will undoubtedly be long remembered by those who were fortunate enough to attend. Choral organizations participating included: The Cadet Chapel Choir, the High School mixed chorus, the choirs of the E. U. B., the Reformed Church, and the Culver Methodist Church, the Academy Band, and the Culver Choraleers.

Solo parts were carried by Mrs. Travis Harris, Eleanor Turner, and Cadet Jodie Myres. "The Christmas Story in scripture and song" was narrated by Cadet Jacobs and familiar choral responses sung by the congregation. Col. Payson directed the singing of the all community program.

Appropriately the audience heard interesting first hand glimpses of Christmas in Latin America: Cadet H. R. Gonzalez, Puerto Rico; Cadet D. E. Valdes, Mexico; Cadet J. R. Mijares, Guatemala; and Cadet A. Aizala,

Santa Listened Closely to Scores Of Requests While Here on Visit

The Lake Maxinkuckee vicinity proved to be a popular place for Santa Claus, who paid a preliminary visit to the community last Saturday afternoon. The be-whiskered old gentleman arrived aboard the fire truck and a large crowd of boys and girls were awaiting his arrival at the local public library, where he held forth during the afternoon.

The patient and jolly old fellow talked to scores of boys and girls and generally speaking he promised he would do everything to fulfill their requests, even though some of them appeared to be a little difficult even for Santa to

Local Youth's Misguided False Fire Alarm Involves Several Lives

A false fire alarm stunt was pulled in Culver late Monday night by some local pranksters which very nearly had serious consequences. It involved several lives and as a result, what someone thought was a practical joke, has backfired. One man is nursing a sorely wrenched back in which it is believed ligaments are torn and town officials are rightly disturbed over the incident.

It occurred about 11:00 p.m. Monday night when most persons had turned in. The pranksters, if they can be called such, called

Col. Embree Wounded In Korean Action

Lt. Col. Ray O. Embree, who served on the P. M. S. & T. Staff at Culver Military Academy, has been wounded in battle action in Korea, according to a letter from Mrs. Embree to Mrs. Jack Taylor. Mrs. Embree wrote the letter December 6th from Hobart, Oklahoma.

Serving with the 7th Division in the Inchon landing, Colonel Embree was wounded in the left hip. In a letter to his wife he told about being cut off from supplies and medics and that he was in the battery position for 36 hours before a helicopter could get in to evacuate the wounded.

He stayed all night in a Marine clearing station and was then flown by plane to Hamburg, later going to Hungnam, where he was transferred to a navy hospital ship. His feet were frostbitten during the helicopter ride. Mrs. Embree stated that they were not sure of his address.

The Embrees went to Japan the last of June, in fact the Korean War started their third day out at sea. Landing on July 5th, Colonel Embree, because of the war situation in the Orient, made plans to return his family to the States two weeks later.

LIONS MEET THIS EVENING

Russ Oliver is chairman in charge of the program to be presented before the Lions Club at the meeting to be held this evening at the Lions Den at 6:30 o'clock.

Col. Payson stated that it was only through the splendid cooperation and efforts of the choir directors and personnel that such a presentation could be made.

comply with.

He promised not to be late on the night of December 24-25 and he indicated that his toy factory had ample presents for all. Typical of the requests was the one of little Ann Osborn, who whispered in Santa's ear that she lived at 225 Lake Street. Ann wanted to be sure that Santa knew where she lived.

Then there was four year old Brian Piersol, who asked Santa for (of all things) a play snake, a gorilla, and a garage like Ricky Witham's. Seven year old Sharon Lindvall asked for a talking

Plan For New Grade Building To Be Presented Wed. Night

A public meeting of vital importance to every patron of the Union Township schools and to all taxpayers will be held at the Community Building next Wednesday evening, December 20, at 8:15 p. m. Under the sponsorship of the Union Township Parent Teachers Association, plans for the new grade school building will be presented at the meeting and methods of financing will be presented by Township officials.

The meeting will be of particular importance to every freeholder since the Township Advisory Board and the Trustee have initiated plans for advertising to sell bonds thus necessitating the circulating of petitions so that work on the new school building can be inaugurated. The decision to hold the meeting came at the close of a conference between township and school officials, who met with the Union Township Civic Planning Council last Thursday evening. The Planning Council is representative of all civic groups in the township.

Confer With Planning Council

Maurice Curtis, trustee, had asked to meet with the Planning Council so that the preliminary plans might be presented. Those attending the preliminary conference were so impressed with the possibilities of the plans that they went on record as approving a public meeting to be sponsored by the Parent Teachers group.

Roy Bradley, of Fort Wayne, retained some months ago as the architect for the building, presented preliminary sketches. Among those attending were Mr. (Continued on page 10)

CONDUCT SEARCH

Men of the community and boys of the local schools joined together Saturday night to conduct a search for a girl who failed to return to her home following the basketball game on Saturday. She was found Sunday near Delong and returned to her parents home.

LOCAL STORES TO BE OPEN EVENINGS

Business houses in Culver will be open evenings next week from Monday through Saturday for the convenience of Christmas shoppers. Following the custom of past years most stores will remain open tomorrow afternoon (Thursday) and a week from tomorrow afternoon.

A survey reveals that all merchants with the possible exception of one or two grocery markets will follow the annual custom of longer hours for Holiday shopping. Most stores will be open Saturday evening, December 23 until 8:30 p.m.

Cadet Five Breaks Even in Weekend Hardwood Games

The Academy's basketball team wound up their pre-Christmas schedule last week end by losing on Friday to Griffith, 42-34 and defeating Indianapolis Park on Saturday, 41-30.

Up and until the beginning of the fourth quarter of the Griffith game when the score stood 29-29, the cadets' only weakness was at the foul line where they missed two of their 37 shots while Griffith was connecting on nine out of ten of theirs.

In the final period the Academy defenses fell apart as Russ Oliver felt the loss of three members of his first string team who were out with illness or still recuperating from football injuries.

On Saturday against Park, Culver scored 17 points in the last quarter after trailing at the half 13-17. The cadets' inability to get going in the first two periods was graphically illustrated as they missed 28 out of 33 shots at the basket during the first two periods.

Oliver expects his team to be at full strength after the holidays when they meet the Alumni on January 6 and then play two games a week from January 12 through February 24 against teams from Indiana, Illinois, Ohio and Wisconsin.

PMA Committee Election Returns Announced

Returns from the PMA Community Committee elections were announced last week by Harry I. Lemler, Chairman of the Marshall County PMA Committee.

The following farmers from this area were elected to administer PMA farm programs in 1951.

Union Township: Glenn Snapp, chairman; Claude R. Newman, vice chairman; and Paul A. Humbert, regular member. Green Township: Lester E. McGriff, chairman; Orval L. Town, vice chairman; and George B. See, regular member. West Township: Jesse D. Markley, chairman; Edward C. Miller, vice chairman; and Alfred E. Lesch, regular member.

At the same time the delegates and alternate delegates were elected to attend a county convention November 30th at the PMA office

for the purpose of electing a county committee: Lester E. McGriff, Green township; Claude R. Newman, alternate delegate, Union township; and Jesse D. Markley, West township.

Both community and county committeemen take office December 1, 1950. These committeemen will administer the 1951 Agricultural Conservation Program which provides assistance to aid farmers in carrying out soil and water conservation practices on their farms. In addition they have responsibilities for price support programs for corn, wheat, oats and soybeans, acreage allotments and marketing quota and Federal Crop Insurance in some counties.

Reinholt-Sanders Wedding Vows Read

The marriage of Miss Barbara Reinholt, daughter of Mr. and Mrs. Donald Reinholt of Rochester, Ind. and Jack Louis Sanders, son of Mrs. James E. Talley, Culver, was solemnized at two o'clock Saturday afternoon, Dec. 9, at the home of the bride's parents. Rev. W. D. Archibald performed the double ring ceremony before an improvised altar decorated with bouquets of white chrysanthemums and pompoms with seven branch candelabra with lighted white tapers on either side.

The bride who was given in marriage by her father, wore a two piece street length dress of champagne velvet made with a flared skirt. The fitted top was made with a short peplum in the back and three quarter length sleeves. She wore brown accessories and carried a white orchid on a white Bible. Miss Betty Peters, Winamac, Ind., was maid of honor. She wore a wine colored

velvet dress with black accessories and a corsage of white gardenias. Best man was Emil Ruhnnow, Jr. of Culver.

Mrs. Reinholt, mother of the bride wore a beige crepe dress with brown accessories and Mrs. Talley, mother of the bridegroom, wore teal blue crepe with brown accessories. Both mothers wore corsages of bronze chrysanthemums. Following the wedding a luncheon was served for about twenty guests with Mrs. Eva Jones of Delong and Mrs. Wilma Kelsey, Monterey assisting.

The bride graduated from Leiters Ford High school. The bridegroom attended Culver high school and served two and one half years in the United States Navy as electrician's mate second class.

Out of town guests at the wedding were Mr. and Mrs. James Talley, Culver; Mr. and Mrs. James Hopple, Laporte; Mr. and Mrs. Edward Reinholt, Mr. and Mrs. Robert Beauchamp, Mrs. Eldon Beauchamp and Mrs. Wilma

Kelsey all of Monterey; Mrs. Eva Jones, Delong and Mr. and Mrs. Elmer Peters of Winamac.

A reception for the newly married couple was held at 8 o'clock Saturday evening at the Isaac Walton Club House at Argos with 150 guests attending. The table was centered with a five tier wedding cake which was topped with an arrangement of white wedding bells and orange blossoms and a miniature bride and groom. The cake which weighed 48 pounds and was thirty inches high and twenty-five inches in diameter, was baked by Mrs. Talley, the mother of the bridegroom. Mrs. Eva Jones, aunt of the bride, served the cake.

Mr. and Mrs. Sanders are at home in their newly furnished home on Baker street in Culver.

Lake Maxinkuckee Saddle Club Meeting

The Lake Maxinkuckee Saddle Club met in the home of Mr. and Mrs. Jack Croy on Wednesday evening, with thirteen members and two guests present. During the business meeting it was decided to have a Christmas party for all members and their families in the Faye Neidlinger home on

Sunday afternoon, December 17, from 2:00 to 4:00. After the meeting a roast chicken dinner was served to all.

Buffet Supper Given

Rev. and Mrs. Quentin L. Hand entertained at a buffet supper on Friday evening in their home for members of the pastoral relations committee of the Methodist M. R. Robinson, Mr. and Mrs. Carl Adams, Mr. and Mrs. Travis E. Harris and C. S. McMinn.

Family Christmas Dinner

Mr. and Mrs. Ryle Schafer of near South Bend entertained several guests with a family Christmas dinner on Sunday. Those attending were Mr. and Mrs. Donald Behmer and daughter, Diana, Mr. and Mrs. Bert Davis of Leiters Ford, Mr. and Mrs. Geiselman and family, Mrs. Ray Fisher, and Mr. and Mrs. Glen Behmer of Fort Wayne.

Recent Bride Honored

Mrs. Glen Snyder, Mrs. A. R. McKesson, Mrs. Jesse White and Mrs. George Warner entertained twenty-two guests on Friday evening in the social rooms of the

E. U. B. church honoring Mrs. Rebecca Ault, a recent bride.

A silver sprinkling can showing gold and silver stars hung above the gift table. The refreshment table carried out the color scheme of green, gold and silver.

King's Daughters Class Meeting

The King's Daughters Class of the Emmanuel Evangelical United Brethren Church met at the church all day on Friday with carry-in dinner at noon. Sixteen members and one guest attended.

Mrs. Ira Kline and Mrs. Rebecca Butler gave the devotional and Mrs. Kline gave a Christmas reading. The business session was conducted by the president Mrs. J. L. Hoesel, and afterward there was an exchange of gifts. The committee in charge of decorations included Mrs. Hatti Harmke, Mrs. L. A. Crabb, Mrs. Lucy Alexander and Mrs. Jame Burkett.

CUSTOMERS' CORNER

Have you ever said "I'll just never go back there again!"?

That's the way a lot of people react when something goes wrong in the store in which they shop.

They don't complain. They just make up their minds to shop somewhere else.

But we don't want that ever to happen at A&P.

SELECT CHRISTMAS GIFT LAMPS FOR GOOD LIGHTING

At this time of year, many homemakers are shopping for good portable lamps for Christmas presents. Miss Ruth Hutcheson, extension home management specialist at Purdue University, suggests that they should be sure the lamps they select are designed to give adequate light for work and reading.

Miss Hutcheson points out that a good lamp is one which is high enough. Table lamps should be 24 to 30 inches high, small floor lamps 58 inches tall, and large floor lamps about 63 inches tall. Pin-it-up lamps should be hung 54 to 62 inches above the floor. To use for reading in bed, pin-it-up lamp should be 26 inches above the mattress.

Plan New School Bldg.

(Continued From Page 1)

Curtis, members of the Advisory Board, Dan Shaffer, superintendent of Marshall County Schools, F. M. Annis, representatives of Culver City Club, League of Women Voters, P. T. A., Lions Club, Veterans of Foreign Wars, American Legion Chamber of Commerce, Farm Bureau, and the Lake Maxinkuckee Association.

Mr. Bradley explained various features of the proposed building, types of construction, and probable costs. The preliminary floor plans will be shown in next week's Citizen. Structurally, the building is L-shaped and would tie on to the present high school building at the north side. It would run north in front of the present grade school building to a point near the outer driveway a wing would go to the west. In the completed building there would be provisions for 18 classrooms, together with special rooms including, a recreation room, audio-visual room, a farm shop, a library, principal and trustees offices, and a teacher's room.

Classrooms

The classrooms would be 30x22 and are of sufficient size to provide amply for a maximum of 35 students each. Restrooms for the lower grades would be adjacent to the rooms and lockers for the younger students would be provided within the room. The building would be of concrete and steel construction, Mr. Bradley pointing out that the only wood would be the doors.

The present grade school building would remain standing and be used until the new building is completed. Projecting plans to future years, where the grade building now stands would be the site for an auditorium. At present time school and public meetings are held in the High School study hall and in the Community Building.

Sinking Fund

In discussing the financial aspects, Mr. Curtis pointed out that by the close of this year there would be \$125,000 in the sinking fund. By the close of 1951, when the 75 cent levy for the sinking fund expires, there will be \$168,000 in the fund. By placing a 2 per cent bond levy on the civil and school township there would be slightly more than \$400,000 available for the building program. It was explained that such a bond issue could be retired in 10 years and the tax rate would be lowered from its present 75 cent levy to approximately 65 cents.

Architect Bradley pointed out that the front wing, consisting of 10 rooms and service rooms, would cost \$247,500. The complete building, providing for 18 classrooms would cost \$384,500.

The plans will be submitted to the required state authorities for approval. In the meantime, the Parent Teachers Association will organize a committee of persons who will carry petitions seeking signatures of freeholders. Lovina Wesson, president of the local PTA, will appoint the committee of canvassers soon.

Present School Building

The present grade school building was condemned more than four years ago as a fire hazard. Unable to build because of financial limitations, township officials met the repair and structural requirements of the state, but permission to utilize the building was only granted in lieu of steps to be taken toward the erection of a new building.

In 1947 a special tax of \$1.00 for each \$100.00 assessment first appeared on local tax duplicates and monies from the special tax were earmarked for the present sinking fund. In 1948 the rate was reduced to 75 cents. The present building was erected in 1906.

Winamac and Knox Games Next
Culver plays host to Winamac this Friday in a return game. The Indians defeated their Pulaski county opponent 49-38 earlier in the season.

On Tuesday (Dec. 19) Knox H. S. will invade the Culver Community Building for their annual encounter with the Indians.

JOHN ADAMS GAME

Culver's Indians lost to the John Adams Eagles last Saturday night by a 41 to 38 score. A look at the record discloses one reason for Culver's second defeat of the campaign — 13 free throws missed out of 21 chances.

Despite the fact that they connected on only 4 out of 16 charity tosses in the first half, the Indians were leading South Bend 24-20 at the mid-way point. They still maintained a slim 31-29 lead entering the fourth quarter when John Adams suddenly pried the lid off their goal and ran up a 39-32 lead.

The Eagles spurt was led by center Don Oakes who hit for 15 points in the contest. The Indians crept to within 3 points of the Eagles, due to some accurate shooting by Jim Kowatch. The rally fell short, however, as John Adams successfully stalled the final minutes of the game.

Kowatch was high scorer for the Indians with 16 points; Ed Davis and Bill Snyder each contributed seven.

Fresh Chevrolet Styling Imparts Lower Lines

The Styleline De Luxe four-door sedan is one of 14 models introduced by Chevrolet as its passenger car line for 1951. Notable in this picture are the design improvements which accentuate a longer, lower appearance. Radiator grilles have been simplified, the decorative body moulding lowered and rear fender crowns raised. Models also offer added safety.

Added safety, greater driving ease and fresh re-styling highspot the 1951 Chevrolet which is now on display at the E. Thoner and Sons Chevrolet, Inc., in Culver.

"Important improvements and changes are featured in both chassis and body. These changes range from the 'biggest brakes in the low-price field' to extensive design innovations that make the car appear much longer and low-

er than any previous model," E. Thoner stated in announcing the showing of the 1951 models.

The Powerglide automatic transmission, has been refined for the latest models, although remaining fundamentally the same flexible driving control that has already enrolled a quarter of a million satisfied owners. It will again be optional on DeLuxe models only.

Fourteen passenger body types

are included in the 1951 line. Two and four door sedans will be available in the Styleline and Fleetline series. All sedans and the sport coupe will come in DeLuxe or Special trim. A convertible coupe, all-steel station wagon and the Chevrolet Bel Air, which has scored so sensationally in popularity, are exclusively in the DeLuxe series. The business coupe will be available only as a model in the Special series.

Hope For Grade School May Be Realized

Announcement in today's paper tells of further plans for the construction of a badly needed grade school building for Union Township. Preliminary plans have already been viewed by leaders of various civic organizations. On the whole they were enthusiastic that steps are being activated so that the present crowded and inadequate facilities could be corrected.

The Parent Teacher's Association is sponsoring a meeting next Wednesday evening where plans for the building and plans for financing the construction will be presented. Every person interested in the school and particularly freeholders, who will be asked to sign petitions, should attend this important meeting.

Curtailed of essential building materials will probably interrupt the construction of the proposed new building, but it is long past time when something should be done to start on the building program. Township officials, extremely cognizant of the situation of the past five years, have directed studied efforts to reach their present state of planning. Objectively it is now up to us as taxpayers and patrons to lend our support towards this building program.

Obituaries

William Kline

William Kline, the son of father Debolt Kline and mother Elizabeth Wingert Kline, was born August 26, 1862, in Union Township, Marshall County, Indiana. He passed away at his home on December 5, 1950, at the age of 88 years, 3 months and 9 days. He was next to the youngest of eight children and the last to pass to his reward.

Mr. Kline was born on a farm and took great pride in being a farmer all of his life. He became a Christian in early years and remained an ever faithful follower of his Saviour and Lord. In the church he served as a Sunday School superintendent, filled many church offices and several times was elected as a delegate to the Indiana Conference.

When a young man he became a member of the Washington church, located near his farm home, and in recent years with other members of that congregation was affiliated with the Evangelical United Brethren Church at Culver. As long as health permitted he was faithful in his church attendance and obligations, taking an active interest in all matters pertaining to the building of God's Kingdom.

On November 14, 1886, Mr.

Kline was married to Clara Rapp. Until her death December 3rd, 1904, their home was in the Washington neighborhood. To this home were born one daughter and four sons. The daughter, Bessie, and one son, Ralph, preceded their father in death.

On November 28, 1907, Mr. Kline was married to Effie Finney Irwin. Her daughter Mildred became one of the Kline family. In the year 1915 a son, Wayne, was born to Mr. and Mrs. Kline. For over 43 years this devoted Christian couple maintained a Christlike home and saw their family grow to maturity.

Mr. Kline was always interested in neighborhood and community affairs, was known for his concern for his fellowman, his honesty and high standards in business and as a progressive and successful farmer.

Because of a life span of 88 years many of his neighbors and acquaintances have preceded him in death. Nevertheless he leaves a large number of relatives and friends to mourn his passing. He also leaves a faithful and devoted companion, Effie; one daughter, Mildred Stettbacher, of Mineral, Illinois; four sons, Walter of Milwaukee, Wis., Guy of Compton, Calif., and Whitney and Guy of

Culver; eleven grandchildren and seven great-grandchildren.

In his last illness, Mr. Kline retained his usual cheerfulness, an interest in his family and friends, a great faith and trust in a loving Saviour, and a belief in a God who watches over his children and is ready to receive those whose faith endureth.

Life changes all our thoughts about Heaven;

At first we think of streets of gold,
Of gates of pearl and dazzling light,

Of shining wings and robes of white,

And things all strange to mortal sight.

But in the afterward of years
It is a more familiar place,
A Home untroubled by sighs or tears,
Where waiteth many a well-known face.

With passing months it comes more near.

It grows more real day to day,
Not strange or cold, but very dear

The glad Homeland not far away,
Where none are sick, or poor, or lone,

The place where we shall find our own.

And as we think of all we knew
Who there have met to part no more,

Our longing hearts desire Home, too.

With all the strife and trouble o'er.

—Browning

James William Riggins

James William Riggins, son of Samuel E. and Elizabeth Brown Riggins, was born at Etna Green, Ind., on April 11, 1875 and passed away at his home in Culver following an illness of one and one half years, Tuesday evening, December 5, 1950. His age was 75 years, 7 months and 24 days.

He lived in Bourbon and Plymouth before coming to Culver to make his home 46 years ago. When 23 years of age, during the Spanish American War, he enlisted in the United States Army and served in Company M. of the 157th Regiment of Indiana until the end of the War.

After coming to Culver, he was employed as barber at the Culver Military Academy for 25 years. Thirty years ago he was appointed Justice of the Peace for Union Township, and he has held this office continuously over this thirty year period. Besides his work as Justice of the Peace, Mr. Riggins spent several years in real estate work, and has also been active in community affairs.

He was a member of the Evangelical United Brethren Church; was a past master of the Henry H. Culver Masonic Lodge; a charter member of the Emily Jane

Culver Chapter Order of Eastern Star which he helped to organize; was a member of the Chapter and Council at Plymouth; a member of the Marshall County Bar Association; the United Spanish War Veterans at Knox; a member of the local Lions Club; and the Veterans of Foreign Wars.

Surviving are the widow, Cora; three daughters, Mrs. Lorena Dunlap, South Bend, Mrs. Lucille Downen, Evansville and Mrs. Mary Verkouille, Detroit, Mich.; two sisters, Mrs. Daisy Meredith and Mrs. Golda Fisher, both of South Bend; two brothers, Orel of Midway, Ga. and Daniel of Chicago; six grandchildren and many other relatives and friends.

L. R. Easterday

Leander R. Easterday, son of Benjamin and Amanda Shupp Easterday, was born in Ohio near Bucyrus December 5, 1873. He passed away at Colorado General Hospital, Denver, Colorado, Friday, December 1, 1950, after an illness of three months. His age was 76 years, 11 months and 26 days.

When a small child he moved with his parents to Indiana and they made their home near Culver. Most of his life has been spent in this community where he worked at the carpenter trade.

He was united in marriage to Miss Laura Garn who preceded him in death July 16, 1931. Surviving are one daughter, Mrs. Fern Young, Culver; three sons, Russell of Culver, Harold of Denver, Colo., and Eldon of Los Angeles, Calif.; one sister, Mrs. Clara Mikesell of Culver; one brother, Frank, of Hammond; sixteen grandchildren and eighteen great-grandchildren.

CULVER STUDENTS ATTEND WORLD OUTLOOK CONFERENCE

Dale and Alice Cromley, son and daughter of Ira Cromley of Culver, are this week attending the Mid-Century World Outlook Conference which is being held at Bob Jones University in Greenville, S. C., from December 12-16. The Conference is featuring speakers from all parts of the world, including ambassadors, ministers, United Nations delegates, and others. Each one is speaking on his own country — its present condition and future outlook and aspirations.

Curbstone Comments

Editorial Asides and Observations which may be of passing importance to the week-by-week record of the Lake Maxinkuckee vicinity.

Charles Vorm of North Judson recently returned home from a 10,000 mile hunting safari in the wilds of Africa. Mr. Vorm, president of the American Oak Preserving Company at North Judson, left his home in July and returned four weeks ago. It was the second African hunting trip for the well known Starke county man.

Excepting to relatives and close personal friends, few people realize that 19-year old Eddie Amond, ex-CHS athlete, was stricken with Infantile Paralysis in August, 1946. At the time he was stricken with polio it was uncertain that he had the disease, but diagnosis of specialists later verified the case. The ailment affected his shoulder and arm muscles but fortunately he was not permanently disabled. He was a member of the high school baseball and basketball teams in 1949.

Under the appropriate title "Snakes Alive! Reptile Roaming in December," the Pulaski county Democrat relates an interesting item. The article follows:

L. V. Lanphear, while strictly a temperance man, was seeing snakes last Saturday. At the time he ran across the two reptiles in a field near his home at the south edge of Winamac, two frogs were also hopping about in the same vicinity.

Whether the unseasonable actions of the meadow dwellers were due to the milder weather the last of the week, drawing them from winter quarters, or if they were caught out in the Thanksgiving blizzard, is anybody's guess, Mr. Lanphear said. Mrs. Lanphear and their son Ruverne were with him at the time.

In the O'Brien Sweepstakes Bowling tourney held in South Bend recently the local Shively Specialty team scored 2594. Individual scoring was as follows: Jane Graham 460, Mary Kowatch 394, Betty Flora 382, Jeanne Anderson 366, and Patty Brown 359.

VICTORIOUS DAILY LIVING

International Sunday School Lesson for December 17, 1950

Twelfth in a quarterly series. Scriptural reference: II Corinthians 11: 16-33; 12: 7-10; Philippians 3: 4-11; II Timothy 4: 2-4. Memory selection: My brethren, count it all joy when ye fall into divers temptations; Knowing this, that the trying of your faith worketh patience. But let patience have her perfect work, that ye may be perfect and entire, wanting nothing.—James 1: 2-4.

Sparkling Variety Show Scores Audience Hit

Persons who failed to see the Variety Show presented by the Press Club and the Music department of the local high school a weeks ago Friday missed an evening of fine entertainment. In spite of the weather conditions, the program was quite well attended and the audience was most appreciative of the fine talent and effort shown by the cast.

Those having prominent parts in the program were Beverly Hunt, Trinkka Harper, Larry Belmer, Mary Havlin, Mark Fisher, Pat Stovall, Stanley Cline, Carolyn Robinson, Dick Flagg, Tom Hurt, Mildred Milbrath, Donald Neidlinger, Marian Prosser, Freda Condon, Barbara Hinkle, John Lewis, and Mary Jean Johnson.

The cast was supported by choruses consisting of the chapel choir members with the swing band furnishing the accompaniment.

Too much credit cannot be given to Miss Violet Overmyer, Frank McLane and Richard Bowles who so ably directed the production. Miss Overmyer wrote the words and music to two of the numbers, "Blue Jeans and Red Checkered Shirt" and "I'm in Love;" and also with Mr. McLane wrote the script for the production. Mr. Bowles arranged the music for the swing band.

CRAIG HANNUM MEMBER OF CHOIR PICTURED IN NATIONAL MAGAZINE

Craig Hannum, son of Mr. and Mrs. Paul Hannum formerly of this community and now of Los Angeles, is pictured with the Carol Choir of the Westwood Community Methodist Church of Los Angeles, on the cover of the December issue of Woman's Day. The appealing color illustration clearly shows Craig, who is a member of the choral unit composed of third and fourth graders.

State School Bus Fleet Ranks High in Nation

Indiana's school bus fleet ranks with the best student transportation systems in the nation in vehicular safety, according to State Police Supt. Arthur M. Thurston, although the establishment of higher driver standards may be asked.

A total of 5,435 buses were inspected by state troopers early this month and 52 vehicles condemned. Thirty of the condemned buses were ordered removed from service as unfit for further duty; the remaining 22 would be approved after undergoing major repairs. All Union township buses passed the inspection, Maurice Curtis, trustee, stated.

The drivers and township trustees operating 1,300 other buses were advised the vehicles are in need of minor repairs and alterations. Garagemen must certify the work is completed before state police will approve the buses.

Products of a source of manufacturers in the city of Keene, N. H., amount to \$14,000,000 annually. They range from woolen goods to golf tees.

More than one-third of the standing timber on the United States is in the Pacific northwest.

Your Life Insurance

Calvin Coolidge, former President of the United States and then a member of the Board of Directors of the New York Life Insurance Company up to the time of his death, once said:

"I urge every father and mother as they are interested in the future of their children to see that they are taught the purpose and value of life insurance. Parents should help their children to take out policies at as early an age as possible. Taking out such policies and then turning them over to the children as soon as they are self-supporting starts them out in life with a real value and assists them in acquiring early a sense of responsibility and habit of saving which will help them throughout their lives."

Chamber of Commerce Directors Hold First Meeting

Officers and members of the board of directors of the newly formed Chamber of Commerce are pictured here; seated, Earl D. Overmyer, secretary, and Ralph Osborn, Jr., president; standing, left to right, Wilber Taylor, Earl Foreman, treasurer; Maurice Curtis, Byron Studebaker, A. R. McKesson and Ernest Neault, vice-president. Directors not shown are Don Hand, John Bigley, and Hampton Boswell.

President Ralph Osborn met with the newly named directors for the first time on Monday evening where plans for the membership drive were discussed and a tentative program was outlined and discussed. Ernest Neault was named as chairman for the membership drive and the nine-man board will serve with Neault in the membership campaign.

January 3 has been tentatively set for the first general meeting of the Chamber of Commerce. Plans call for a dinner meeting at the Lions Den. The Chamber of Commerce will serve the business and professional interests of the entire township.

Casimir Kaminski Passes Away; Death Follows Mrs. Kaminski's Funeral

Casimir Kaminski, age 67, died suddenly Thursday morning in Chicago where he had gone to visit Wednesday following the funeral of his wife, Nettie, which was held Wednesday morning.

He was born in Poland Marsh 4, 1883 and came to the Culver community in 1931. Surviving are one daughter, Evelyn, at home; five sons, John E. and Joe both of Chicago, Lieut. Frank of the Air Force in Germany; Stanley of Ball State College, Muncie and Thomas at home; one brother, Walter in Poland.

Members of the St. Mary's of the Lake parish gathered at the Easterday Funeral Home, last Friday evening to recite the Rosary. Funeral services were held at ten o'clock Saturday morning at the St. Mary's of the Lake Catholic church where he was a member. Rev. Joseph Lenk officiated and burial was in the Catholic section of the Culver Cemetery.

Orville Burkett Takes Own Life On Monday

William Orval Burkett, age 42, was found hanging in the cell at the Town Hall Monday morning. He had been taken there on Sunday evening for public intoxication.

He was born near Tippecanoe, Ind., and had spent most of his life in Culver. He was a veteran of World War II and was a corporal in Co. F, 262 Infantry, serving overseas in the European area for 11 months.

Surviving are his mother, Mrs. Eell Burkett; three sisters, Mrs. Iris Eskridge, and Mrs. Mary Martha Kaler both of Culver and Barbara Ann at home. There is one brother, Millard P. of Detroit, Mich.

Final rites were held this morning at 10 o'clock at the Easterday Funeral Home with Rev. I. G. Roederer in charge of the ser-

VICES. Burial was in the Culver Cemetery.

Up and Coming Lakers Win Two Out of Three

The Lakers raised their A. A. U. League record to 3 wins and 4 losses by winning over Kokomo and Lafayette, while losing to South Bend. Culver's loss to South Bend occurred on Dec. 5 in a home game by a 72-55 count. Local 5, led by Alex Santa with 26 points, easily disposed of the Lakers. Goodman and Snyder each had 11 for Culver.

It was a different story against Kokomo and Lafayette, both games being played at Kokomo. Last Thursday night Culver squeezed past Kokomo, 62-55, in the last two minutes, after the score was tied at 55-55. Dille was high for the Lakers with 16 points while Talbert led Kokomo with 18.

Saturday night found Culver outplaying a spirited Lafayette team, and although the Lakers once led by 22 points, the final margin was narrowed down against Culver substitutes. Dille and Goodman each used their height effectively and scored 23 and 21 points respectively. Kelly of Lafayette had 21.

Culver Scoring:
South Bend (72), Culver (55): Alberts 6, Goodman 11, Dille 6, Snyder 11, McKee 4, Fishburn 0, Morris 8, Kanouse 5, Melton 2, Amond 2.

Kokomo (55), Culver (62): Alberts 7, Goodman 9, Dille 16, Snyder 13, Heiser 0, McKee 10, Morris 7, Melton 0, Amond 0.

Lafayette (56), Culver (67): Alberts 6, Goodman 21, Dille 23, Snyder 4, Heiser 6, McKee 3, Fishburn 2, Morris 2, Melton 0, Amond 0.

The first revenue-paying passengers on a railroad were carried on Jan. 7, 1830, by the Baltimore & Ohio between Baltimore and Ellicott's Mills, Md., a distance of 13 miles.

Large Prizes Offered For Best Decorations In Marshall County

The Plymouth Chamber of Commerce is again conducting their annual Marshall county Home Decoration Contest. Clem Volpert, chairman of the 1950 contest, urges all persons who wish to enter the contest to do so at once. All that is necessary is to send a card to Mr. Volpert indicating your desire to enter the competitive contest.

The 1950 prizes are very lucrative with \$100 in cash to be awarded for first place. The State Exchange Bank of Culver and Argos, and the Farmers State Bank of Lapaz has donated \$50 to be used for the awards. Other county businesses have contributed to make the awards the largest for the contest. There are special awards for both interior and exterior decorations of churches throughout the county.

PURDUE OFFERS FARM LEASE FORMS

Many farmers will be writing new leases during the next few months. Available from the department of agricultural economics at Purdue University are eight tenure forms which consider the amount of capital, ownership, risk and management, assumed by kin or non-kin renter, operator and employee. Details of the various forms are available from the agricultural economics department at Purdue.

BOTHERED ABOUT SHOPPING? HERE'S A SUGGESTION

Through the advertisements in today's Citizen you will find plenty of suggestions, to help you with that Christmas shopping list. Check over the ads closely. And, by the way, if you are planning a small or large family dinner be sure to check the items which will be found in the Grocery and Meat Market ads.

AWARDED CROWN FOR OLDEST CAT

Martha Braden, daughter of Mr. and Mrs. Frederick Braden of Kalamazoo, Mich., and granddaughter of Mr. and Mrs. F. L. Brooke, is the owner of the oldest cat in Kalamazoo. "Boopsie," now awaiting her 19th birthday was crowned the oldest cat during National Cat week which was recently observed. The cat is five years older than her owner.

According to the Kalamazoo Gazette "Boopsie" was a child of the depression, born of a union of an Angora and a Persian. Despite the fact that things were pretty tough for cats back there in 1931, she never earned an honest meal in her life. Although she is afraid of mice and has nev-

er climbed a tree, she is not a coward for probably the greatest day in her extra-long life came when she chased an English bull dog out of the yard. "She's never chased a mouse or climbed a tree, but Boopsie has run through more than her nine lives."
