COME MEET US

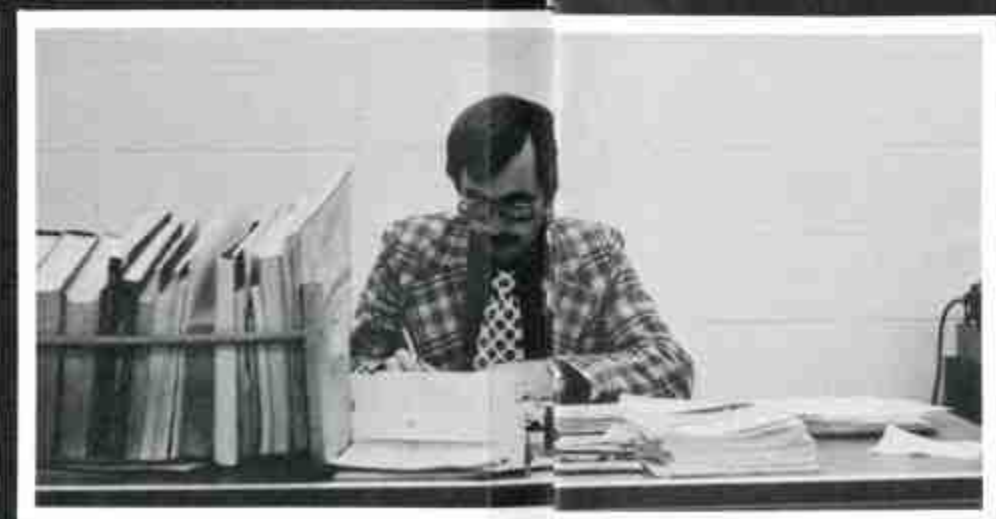

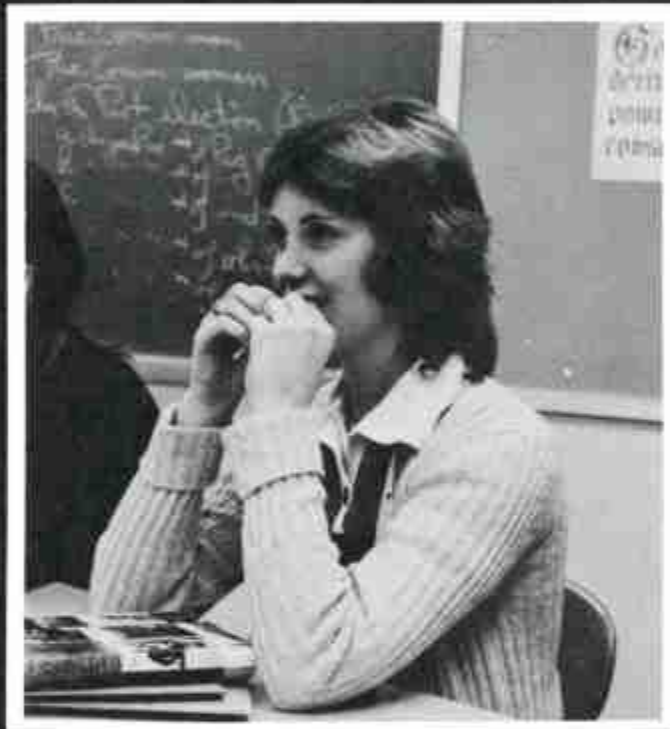

The students and faculty here at CCHS are of a special breed. There is a closeness here not found at many other schools. By the end of your first year here you feel the closeness in everyone's faces as they pass you by and say, "Hi" Everyone knows everyone else and if anyone is hurt or ill there is sadness everywhere.

Spirit and friendship are always present as students engage in fun together. There may only be a few students here but we have all learned to love each other and enjoy ourselves here at CCHS.

Culver Presents: STUDENT LIFE

Freshmen Newness Fades Away

Anne Wiggin has had a hard day. These are the eyes of learning.

Biology I is a requirement for all freshmen to graduate. Ann Fox concentrates.

Homecoming projects attract the attention of many freshmen. Doug Farmer heads this active group.

How does this hit you for a crew? All boys. All freshmen. All something else.

Mr. Garver plays a leading role as freshman class sponsor.

Randy James, president of the Freshman Class, takes part in the Leadership Conference. Mr. French and Mr. Dillon look on with interest.

The day is August 25, 1976. The place is CCHS. The following is an account of one freshman's first day of high school life. Listen carefully, as we bring you the inside story. "How did I ever get myself into this mess? What happened to the simplicity I knew in Jr. High? Excuse me, sir, could you tell me how to get to room 205? Down the hall and third door to the left? Thank you very much. Oh no! Girls restroom? Rule one: never ask a senior for directions."

This may be an exaggeration, but many freshmen find it difficult

to adjust to this new environment. High school life differs from any experience the freshmen have ever had. The rules are different, the responsibilities greater, and the fun is double.

After freshmen become oriented with school policies they begin to get involved. Many opportunities are open. Clubs plead with freshmen to join. The sport spotlight is available to shine on all who wish to compete. Excitement now combines with warmth, and the freshmen are accepted.

FOOTBALL CROWDS

The spirit of a crowd.

Crowded into a line, everyone who makes a football team work.

Football Fans at Cavalier Field! The Football fans were abundant this year. If games were on how loud you cheered, or how fired-up a team was, or how crazy the fans were, Culver Cavaliers would rank number one.

If secret T.V. cameras were watching all the high school football games in Indiana, what would they see? At the South Central football field the cameraman would see a few fans huddling together in a corner, not participating and uninterested in the game. At the Tri-County football field he would see a couple of cheerleaders standing in front of empty bleachers only to cheer at the football lights. At Cavalier field the cameraman would see the entire grandstand

filled with people of every age clapping and stomping. And if he tunes the T.V. in a little more he can even see some Cavaliers shivering from the terribly cold weather. What courage the fans have to expose themselves to the bitter cold of Indiana. The excitement is so tremendous the cameraman can stand it no longer. He simply has to turn the volume on. "Wow!" What enthusiasm, what loudness, the fans are going wild! He can hear above the roar Coach Heath giving last minute instructions to the team.

The cameraman may think that this is an extraordinary game—the fans are so excited! But we know better. This is just an ordinary game for the Culver Cavaliers.

C.C.H.S. IN ACTION!

Mary O'Grady may be little, but she sure is tough!

Mr. Reese awaits the beginning of another Health Class.

Mike Willhite, this is your life!

Brett Baker, are you loitering in the hall again?

Mr. Hummel watches as Joe Sheppard makes his decisive move.

THE SPIRIT OF HOMECOMING

Ces Walter, our queen, taking her victory lap.

Cam Tinsley and Mark Wamsley taking their final walk as last year's king and queen of CCHS.

One of the highlights of Homecoming night was the Varsity football game.

Standing proudly for their classes are our underclassmen homecoming candidates.

Terri Reinholt congratulates Larry Miller, representing FFA in winning first place in the homecoming parade.

Cam Tinsley, last year's queen, crowns our newly reigning homecoming queen, Ces Walter.

What happens when you take a CCHS football game and add the following ingredients: a parade, a queen contest, a dance, and hundreds of excited kids? Obviously the final result can be nothing but a CCHS football homecoming.

Homecoming 77 proved different from all others in the past. The first football homecoming in Culver's history was achieved. A parade enhanced the morale of everyone who attended. The student council organized the affair. The stage was set for a new and wonderful experience that had not yet been born at CCHS.

Holly Bowman, the trainer, leads our Cavalier, Tim Overmyer on his victory ride.

Carl Koebe, looking very distinguished, M.C.'s our first football homecoming.

CULVER HAS THE BOOGIE FEVER!

Culver Community High School has at least one dance every two months. They are either held in the cafeteria or gymnasium. The attendance at the dances are usually good. We also have two formal dances a year.

Christy Dan is dancing her heart out as usual.

Kelly Fishburn concentrates on putting her best foot first.

The beat hypnotizes Colleen Dyer.

Judy Dancy is getting into the music.

Judy Bucher and Cindy Posthuma seem to be enjoying themselves.

The expertise of dancing is shown by Gwen Burns and Tony Kozlowski.

WE MAY NEVER PASS THIS WAY AGAIN

What's the matter, Rory, is the crown too tight? Jubilant Rory Smith awaits his crowning by Scot McKinnis, as newly crowned queen Juli McCombs and a smiling court look on with excitement.

Everyone seems to be enjoying himself on the crowded dance floor as the band plays and the prom-goers dance to the music.

The annual Junior-Senior Prom was held May 1, 1976 at the Grand Country Barn outside of Star City. Many students, faculty members and guests attended the prom last year making it a very crowded and exciting event. The King and Queen were Rory Smith and Juli McCombs. This came about after long and complicated voting procedures. The total preparation for the prom was involved as Junior Class members spent many hard working months to make it all come about. The sponsor for the 1975-76 Junior Class was Mr. Richie and the class officers were: Scot McKinnis, pres., John DeWitt, vice pres., and Kelly Middleton, sec.-tres. All in all the Prom was a big success, and the Seniors seemed to appreciate the work done for them.

JUNIORS HAVE MAY DAY PROM

MATH/PHYSICS A WAY OF LEARNING

Bob Holbrook, Craig Winters, and Mr. Pinder prepare for a Physics lab. Mr. Pinder teaches Algebra II, Physics, and General Math.

Mr. Schmidt teaches Algebra I, General Math, and Math IV.

Cheryl Pinder and Regina Pratt play an active part in a Physics lab.

Mrs. Coby teaches Geometry and General Math. Here she explains the geometric significance of a kite.

ART AND ENGLISH DEPARTMENTS

As Mrs. Kline would say, "Express Yourself."

Joe Sheppard or Mr. Muscleman, thinks he has to be strong to take Art.

Miss McMunn helps Don Williams in reading.

Mike Snyder looks at his subject infinitely.

Jenny Martin, concentrating?

The Art Department is one in which the creative individual can show his talent by displaying his drawings. This department also includes their own club.

Our English Department consists of electives, which each last nine weeks. There are many different classes in acting, literature, and writing.

Mrs. Harness shows Jackie McCoige a few pointers about drawing.

Shelly Wynn has grown a little since last year.

BUSINESS IS BOOMING AT C.C.H.S.

Miss Nichols and Ces Walters discuss a serious business problem.

Gienna Ready works onward.

Mike Wolverton and Kathy Budzinski prepare to type while Mr. Schwartz sets the timer.

Cindy Tusing could very easily pass for the school secretary.

Sandy Reinhold concentrates on getting her Typing I done.

SHOP, HOME EC TRAIN 'ON THE JOB'

Jeff Hyndman, John Ahlenius, and Ron Beaver are working hard in Industrial Arts.

Mr. Carlberg and Chuck Robbins enjoy working together.

Arnta Crider gives a perfume demonstration.

Looking good! Jerome Gardener displays his craftsmanship in Woods Shop.

Tina Dowd asks advice from Mrs. Winters.

SCIENCE AND CHEMISTRY

Randy Singleton and Mr. Konzelman await a chemical reaction.

Joe Michael, Don Brady, and Gary Clinger anticipate the testing of their liquid potion.

Charlie Hart and Ron Fox work steadily at their chemistry assignments.

Freshmen Shirley Cooper, Robert Hart, and Jenine Green make their Science class look interesting.

Roger Fieldhouse calculates a scientific formula.

¿PARLEZ-USTEDES FRANÇAISE OU ESPAÑOL?

Pauvre bébé!—Miss Dearth looks unhappy when the photographer caught her off guard.

The Foreign Language Department this year consists of Spanish and French. The two teachers are: Spanish, Miss Vasquez and French, Miss Dearth. Each class is on a different level and there are four levels. The two classes each have a club which is very active. For example the Spanish Club puts on a Spanish Night with tacos.

¡Hola, Miss Vasquez!

Mike Rackich and Jeff Borg look pleased when thinking of tacos.

Three years and a lot of laughs!

AMATEUR ATHLETES OR P.E. PROS

P.E. is the class that really livens up your day. Some of the best dressed faculty members teach these classes. Mrs. Luebcke, Mr. Heath, and Mr. Reese, combine their efforts toward the teaching of these future athletes. Both freshman and sophomores, are required to take one and a half years of P.E. You know that this really adds up to one and a half years of fun.

Peggy Ruby waits for the volleyball to come her way in P.E.

Bea Roberts laughs while Mrs. Luebcke grades her class.

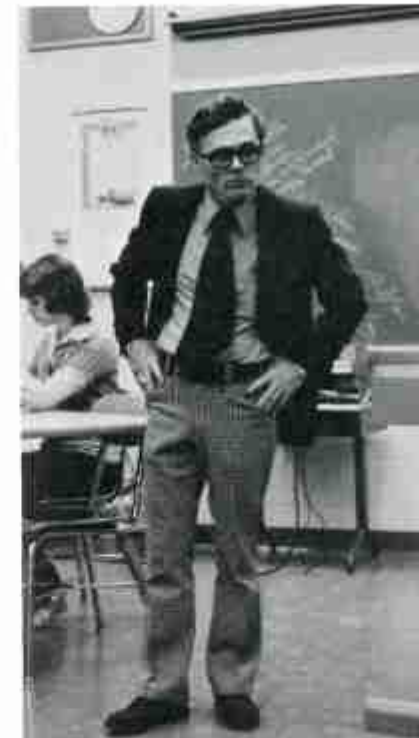

Tom Rakowski gets ready while Jamie Jones eyes the situation.

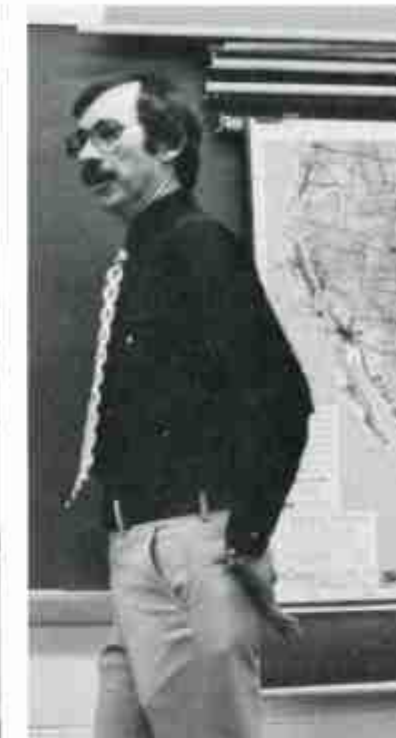

Enthusiastic Rick Scott, times an obviously exciting, wrestling match.

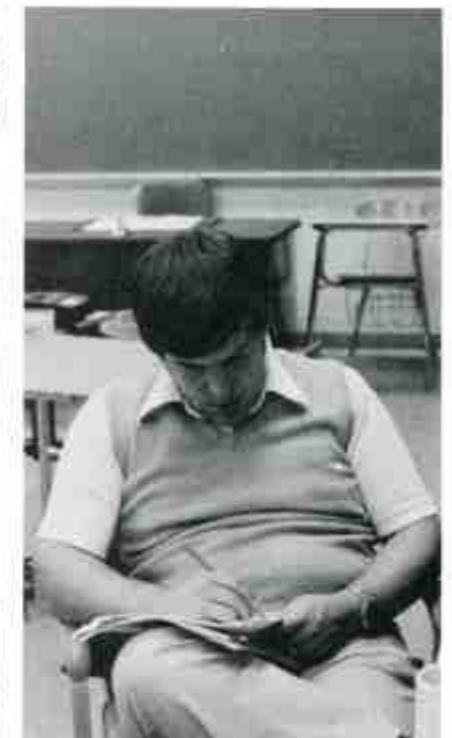

SUCCESS IN SOCIAL STUDIES

Mr. Lawson, giving the old "evil eye"!

Mr. Richie lectures his class.

It's been a long day, right, Mr. Hicks?

Paula Thompson looks on without hope of understanding government.

The Social Studies department at CCHS includes such courses as: U.S. History, Government, Economics, Psychology and others. Three teachers combine their efforts to teach these courses, Mr. Latham Lawson, Mr. Steve Richie and Mr. Robert Hicks.

There is a high enrollment in the Social Studies department. The large enrollment proves that there are many interesting areas of study, right? Or could it be that at least three courses in this department are required to graduate?

Bi-County Runner-Up

Award winners: Steve Brockus was selected most valuable player for the Jr. Varsity squad and the Hustling Award was presented to Art Newman.

BASEBALL SEASON

Craig Cultice and Paul Keith received the pitching award for their contribution to a winning summer season.

Coach Reese was proud to announce Culver's baseball team had again represented Culver in a fine manner, finishing its season with a 14-4 record. One of the highlights of the year was Bi-County where we were runners-up in competition.

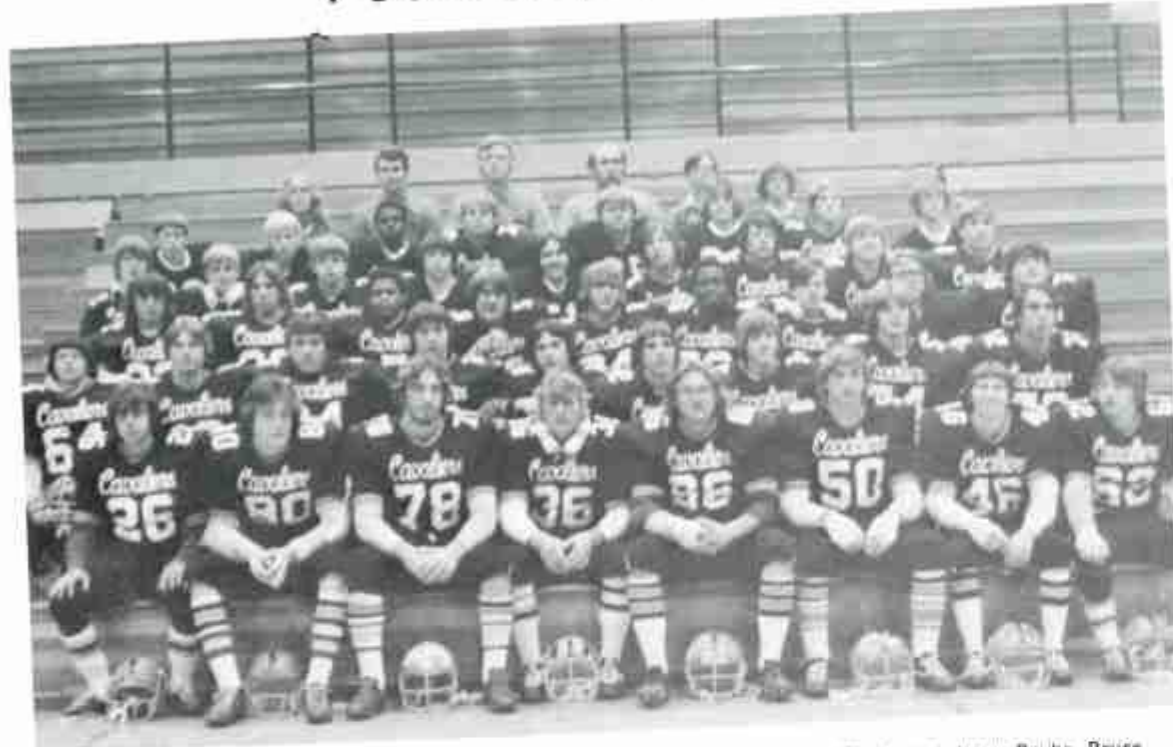

We commend you on your successful season and hope that it can continue.

Dennis Burkett, Don Geiselman, and Paul Keith, all had batting averages ranging in the .300's.

FOOTBALL FEVER

Rick Scott hikes the ball as the other Senior stars look tough behind him: Scott Woodward, John DeWitt, Bruce Musial, Joe Sheppard and Larry Boyne.

Standing are Mr. Glenn Overmyer, Mr. Ralph A. Osborn Jr., Mr. Paul Davidson, Mr. Keith Davis, IHSAA rep., and Mr. Donald R. French, principal. Each of these men played a role in the dedication of Cavalier Field.

It was a touching moment for all as Mrs. Walter Scott presented the flag to team captains, Tony Kozlowski, Bruce Musial, and her son, Rick Scott.

This year's football season was an exciting one! We didn't win all our games, but everyone was full of the football spirit. We only won 3 out of our 8 varsity games, but some were really close. "Doc" Heath said our games against North Judson, Winamac and S. Central, were all decided in the last 4 min. of the game.

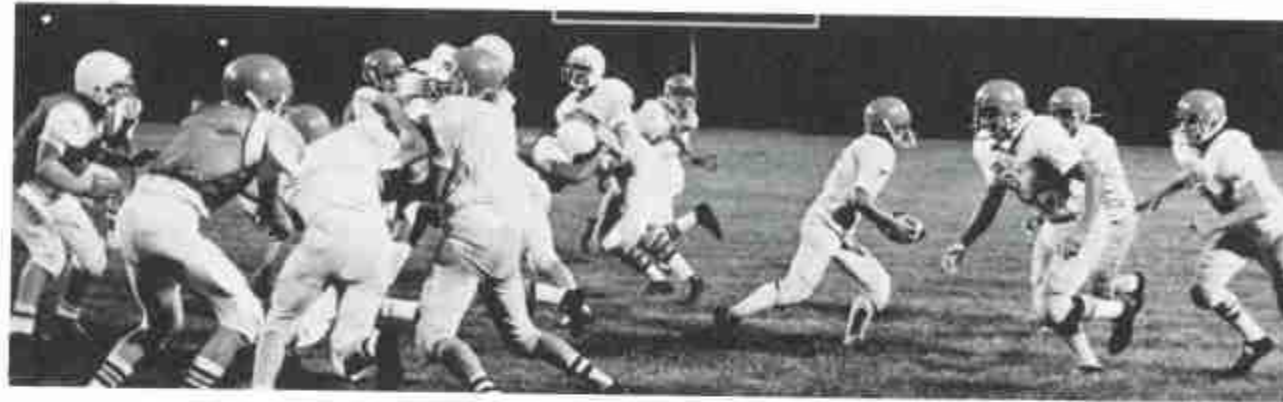

Our B-team and freshman team also did not have much luck, as their records were both 0 and 3. Awards for outstanding accomplishments were given at a convocation at the end of the season; they went to: Bruce Musial—Outstanding offensive back, Rick Scott—Outstanding offensive lineman, Larry Boyne—Outstanding defensive back, and Mark Pratt received the mental attitude award.

What a great team!
What an exciting season!

Here Rick Scott raises the flag as Bruce Musial and Tony Kozlowski help. The flagpole was dedicated in memory of Rick's father, the late Walter Scott.

HERE THEY ARE ... PLAYING THE GAME

To prepare for the season our Cavalier team was out almost every day practicing, and practicing, and practicing ...

... Then it was finally game time! Here are our boys lined up for the kick off. Remember, all you fans, this is the time when we all go, "Ahhhhhhhhh!"

Coach Hummel studies the game.

It's been a long, tough game, right, Joe? Joe Sheppard, a senior player, looks into the crowd with frustration.

Steve Smith quickly makes a run for it with two opponents on his tail.

Action On The Court

WHERE THE SPIRITS AT!

The cheerleaders work hard from the time when they are voted in until their term is up and tryouts roll around again. They are a very determined bunch of girls who dedicate their time to raising school spirit here at CCHS.

This years Varsity and Jr. Varsity squads attended cheerleading camps. The Varsity squad attended camp at Anderson and won the title of the most improved squad while the Jr. Varsity attended camp at DePauw and won 3rd place out of all the squads there. Competition is very tough at these camps but the Culver cheerleaders came through using their charm and spirit to represent us in a fine way.

Congratulations girls on a fine job of backing the teams!

CAVALETTES/MATMAIDS

Here are our 1976-77 Cavalettes. These are the girls that work hard to bring us entertainment at every home basketball game. The Cavalettes also perform with the band in parades, thereby adding a little beauty to the scene.

The cross-country team of this year came through with a respectable 9-5 record. The team also placed second in the conference.

The team was composed of some of the most dedicated students at Culver. You just about have to be called dedicated when you spend so much of your time running all year round to get in shape for the upcoming season.

We realize how hard the boys have worked and would like to congratulate them on their victories throughout the year.

The tennis team was a hard working bunch of fellows who ended their season with a 9-9 record. The team began practices in August under the new coaching of Mr. Hicks.

The team will be losing three graduating seniors, but the rest will be returning plus the new freshman who will be trying their luck in the game of tennis.

We are looking forward to next year's season. It should be a good one!

CULVER'S RUNNER ... TRACK

Led by Coach Spiegel, the Culver tracksters finished the 1975-1976 season with 5 wins, and also finished 4th in the conference. The individuals that qualified in the Sectional were: Larry Boyne—Discus, Don Higgins—Hurdles, Rich Trusty, who as a sophomore was the mile champion at the Rochester Relays—2 mile, and the only senior on the team, Steve Smith, who placed 6th in the Sectional—mile. Here's the 1975-1976 track team: Bottom row, left to right: Richard Trusty, Roger Miller, Tony Kozlowski, Kent Good, Roy Ruiz, Bob Holbrook, Carl Koebe. Second row: Judy Bucher, manager, Tony Bean, Larry Boyne, Steve Smith, Don Harris, Bill Clinger, Don Higgins, Mark Hyde, Claudia Kindred, manager, Mike Boyne, manager. Third row: Denny James, Mitch Farmer, Kevin Bean, Mark Salinas, Mike French, Rodney Kemple, Steve Smith, Charles Hart.

The Culver girls' track team ended their 1975-1976 season with a 4 and 5 record. However, their hard work and determination paid off when they placed second in the Rochester Relays. The team had many individuals who went to the Sectional: Jayne Ahlenius—high jump, Cathy Schwartz—mile, and the 440 relay team: Brenda Shaffer, Phyllis Stokely, Darlene Dimmock, and Jenny Salary. Two members Jayne Ahlenius and Jenny Salary participated in the Regional. Here's the 1975-1976 girl's track team: Front row: Donna Walters, Shirley Poort, Phyllis Stokely, Karen Kowatch, Darlene Dimmock, Sandi Reinholt, Stephanie Dimmock, Jenny Martin, Cathy Schwartz. Second row: Debbie Miller, Francine Bauer, Jayne Ahlenius, Cheryl Schrimsher, Barbara Craycraft, Sandy McCoige, Amy Coffin, Vickie Bauer, Brenda Shaffer, Lydia Reinholt, manager. Third row: Wendy Burkett, Debbie Belk, Kathy Cultice, Dee Mikesell, Brenda Crowel, Kenda Master, Susan Personette, Cindy Pitts, Kelly Young.

Fourth row: Denny Morrison, Mike Hurford, Brett Baker, Mitch Farmer, Larry Boyne, Rick Salary, John Wentz, Mark Baker. Not Pictured are: Coach, Dale Hummel, Asst. Coach, Robert Hicks.

Mike Shock has a look of anguish on his face.

Are you ready Brett?!

Team work!

Bob Holbrook tries desperately to regain footing.

The referees really get into the match.

Jeff Mills goes for a pin.

John Wentz struggles to get back on the mat.

The 1977 wrestling team proves to be a good one. The team has won 10 matches and lost only 2. Also this year the team won the Culver Double Duo Match. Although, they had a heartbreak sectional as a team by losing to Culver Military by one $2\frac{1}{2}$ points; they did come up with 9 regional qualifiers.

The Culver team managed success with a lot of practice and sacrifice.

VOLLEYBALL TOURNEY CHAMPS!

Just cross your fingers girls and hope Culver gets it over the net.

Time out has been called and Culver discusses the strategy that should be used on the opponent.

JV COMING ON STRONG

Captain, Mari Measles.

We have again passed through another volleyball season, coming out victorious for both Varsity and Jr. Varsity. The girls were all very dedicated and spirited throughout the year and that's exactly what it takes to be a winner.

Practices began before school started and were normally everyday for two hours. The new season brought in quite a few interested freshmen who were all ready to give their 100% toward teamwork. The first week was full of exercises and practicing the basics of volleyball such as bumping, setting, and serving. With time, the skills of everyone matured and it was time to push forward to the more advanced volleyball. Overhand serves began,

skimming the net, spikes were becoming a must, and most important, the team was playing together as a whole. They were ready for their first game!

Coach Nancy Luebcke commented, "I am looking forward to next year, for I have ten returning letter-persons who I feel will carry Culver volleyball through another winning season." She also said, "We are losing two important seniors from the team, Mari Measles and Carla Foust."

Announced at the Sports Convocation were: Most Valuable Player, Mari Measles, and Mental Attitude, Brenda Crowel. These girls were chosen by their fellow teammates.

Congratulations on a winning season girls!

CCHS Girls Take

and now; A word from our Coach . . .

The 1976-77 girls basketball season proved to be very successful. Their season record showed 9 wins and 6 losses, but most important, a sectional win. This championship was very gratifying because it is the only back to back sectional win in the school.

Deb Miller led the team in rebounds, scoring, and was voted the team's most valuable player. Carla Foust, Pam McCune, and Mari Measels added the touch of experience needed for a winning season. This year's Seniors will be missed, but the team is looking forward to another fine season next year.

A Piece of the Action

Cavaliers display good sportsmanship, as well as alertness during a tense moment.

Robin to the rescue!

Alright girls, this is no beauty break, get back in there and show 'em what Cavaliers are made of!

Hey! We're basketball players, not wrestlers!

THE MAGNIFICENT

The decision makers pictured, is the band council, who are elected by the members.

The band is one of the highlights in C.C.H.S. They play at basketball games, perform at football games and are well enjoyed.

Paul Deinema playing his drums with rhythm.

MUSIC MAKERS

Stage Band, is a group that meets during lunch hour. They play well, and we're happy to have them in our school.

Our faithful baton twirler, Shirley Poort.

Culver Presents: INVOLVEMENT

CCHS AT

Tony Wakefield confers with Kent Good about a recently developed picture in graphics.

Junior Rick Hopkins peers into his locker, searching for a lost pencil.

Sour apple Chris? Chris McFarlane and Amy Dale sample the caramel apples the Art Club is selling.

With book in one hand and pen in the other, Don Geiselman is well prepared to take on even his toughest class.

Who's absent Betty? Betty Dollahan makes her daily rounds picking up absent slips.

IT'S BEST

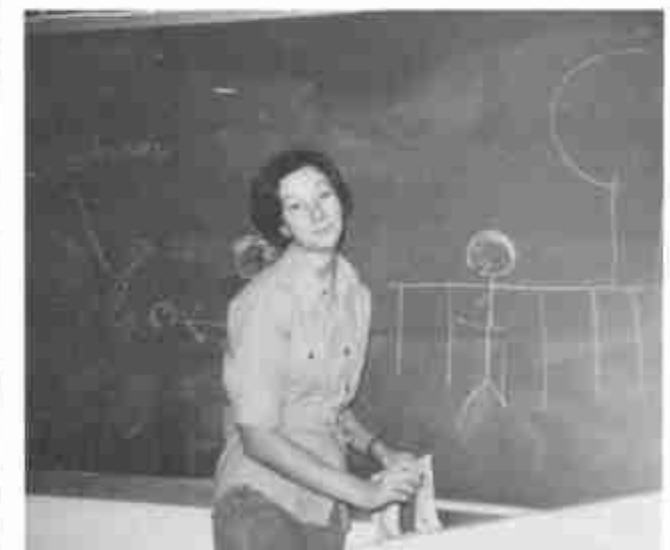

Even in crowds, Jodie Jones can always be spotted.

Donna Katschke, Debbie Parrott, Mary O'Grady, and Juanita Mersch ponder over what seems to be a difficult question in Government.

Jim Vincent tries to coax Lynette Brown to smile for the camera.

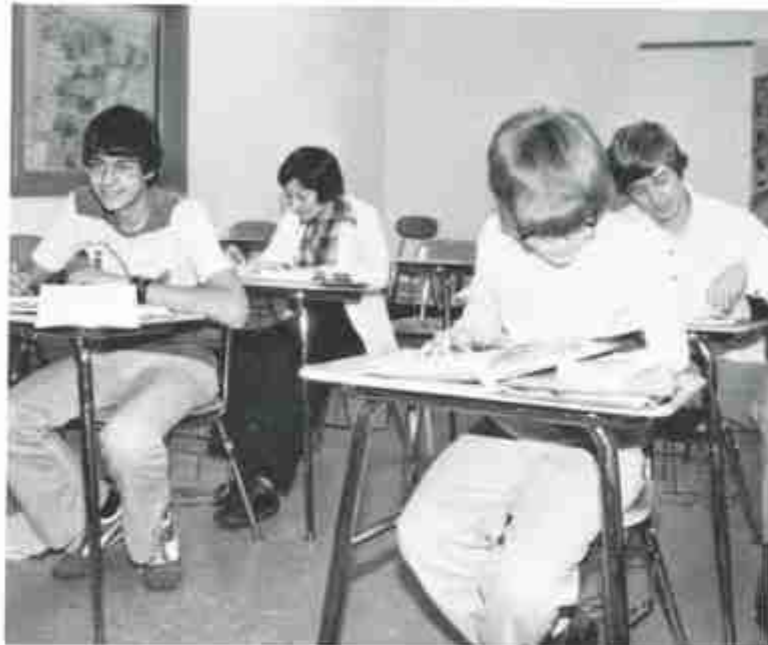

Teri Reinholt proves that even she can draw as good as Miss Dearth in French.

Charlie Hart, Chuck Robbins, and Bret Overmyer—the CCHS charmers.

A LITTLE DETERMINATION

Get to work, George! Lisa Kline, Kevin Burger, Susan Snyder, and George Hopple are concentrating on their daily Spanish assignment.

Mitch Farmer pedals hard to the finish line in the "Mini 500."

Evelyn Cunningham listens intently to the Biology lecture.

GOES A LONG WAY

You can always find Mrs. Surber working hard in the library.

Judy Bucher and our great speaker, Candy Swick, are enjoying the Student Leadership Conference.

Tim Hinsey, Mark Pratt, and Paul Kozubik head a crew of FFA members in a project.

"Godspell"—a great success!

A LITTLE CLASS FROM CCHS

Dale Young tries desperately to get the cobwebs out of the rafters of C.C.H.S.

Cheryl Schrmsher is undergoing the FHA initiation process.

Brenda Shaffer portrays Tinker Bell?

Bill Lentz concentrates on making a checkmate on Herb Brooks' last move.

KEEP UP THE GOOD WORK

Debbie Miller—trumps on her tricycle.

Cheryl Pinder asks Mr. Spiegel the three most asked questions: how, why, and where.

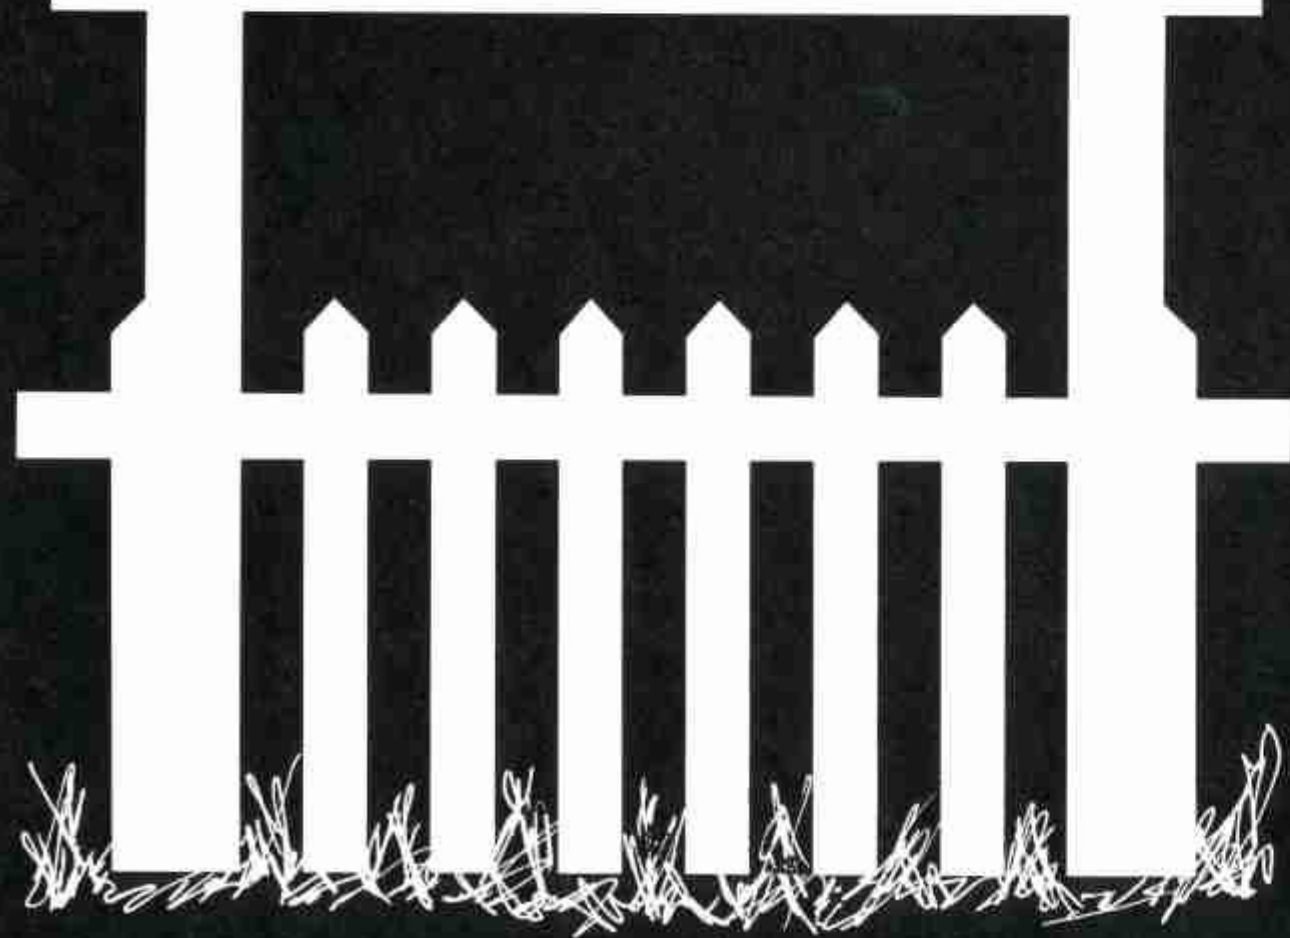

Kenda Master and Christy Dan are busy lying down on the job.

Gari Campbell, Todd Landry, and Curtis Thomas could be our future Biologists.

THE CAVALCADE CREATORS

Scot McKinnis (co-editor), Amy Coffin, Susie Wildes (co-editor), Tammi Overley, Sue Bauer, Dee Mikesell, Pam McCune, Tony Dowd, and not pictured, Brenda Crowel and sponsor, Miss McMunn.

The Senior Class officers are: Pam McCune, Sec., Jim McFarlane, Pres., Bob Scott, V. Pres., Mrs. Winters, sponsor. The Senior Class officers were responsible for making many important decisions involving money-making projects for their Senior Trip.

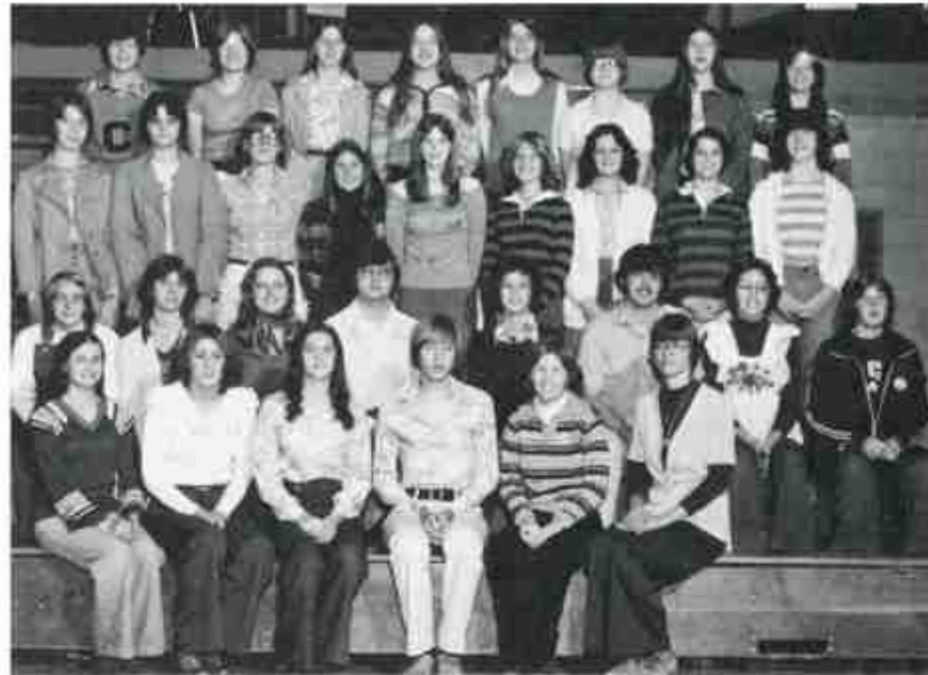

The National Honor Society of CCHS consists of twenty-seven members. To be a member of the Honor Society, you must be voted in by the NHS. The Honor Society has several bake sales in order to raise money for the club.

Although there are many important clubs in CCHS, one of the most important clubs is the Student Council. It is important to the student body because its members work together in making important decisions and sponsoring recreation such as dances for the student body at CCHS.

FEA OEA FHA

The Future Educators of America are sponsored by Mrs. Coby who is also the coordinator for Area 3. Some highlights of the year included activities such as a visit to a school with a different curriculum or way of operation. Other events were Ride-A-Bike for the Retarded, Career Night, State conventions, and a Regional Conference. These are only a few projects the FEA takes part in. The club holds high honors with Lynn Nehls being a state officer for Area 3.

The Office Education Association is a national organization sponsored by Miss Nichols. The officers are: President—Frank Ludwig, Vice President—Vicki Shidaker, Secretary—Susan Baker, Treasurer—Wendy Burkett, Historian/Reporter—Ces Walter. Members are offered the opportunity to compete in a contest of office skills. The group also participated in many of the functions of the school.

Future Homemakers of America is a national vocational organization which helps youth assume responsibilities to prepare for their role in society. Chapter projects help develop leadership and initiative and the ability to carry out decisions.

Thespian Society/Health Careers

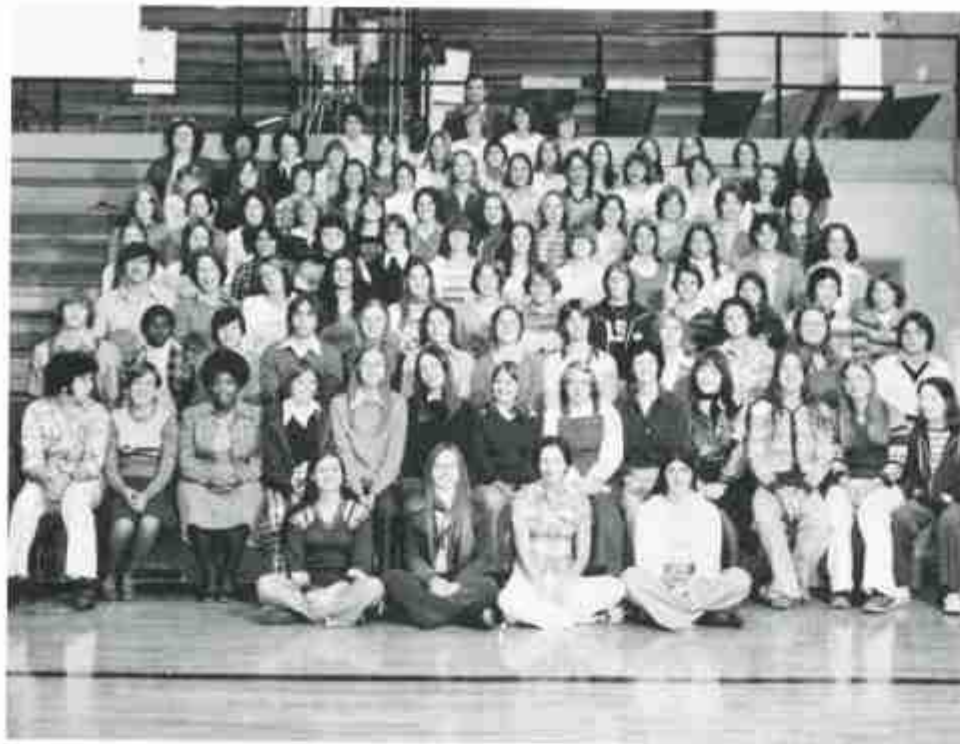

Is the world really a stage? All the Thespians seem to think so. This club is unique. You join and you become a Jr. Thespian. After long hours of dedication, you finally become a Thespian. Now you are not only a member of a school organization, but also a member of an international society. In spring 1976, Robert Scott and Chris Venum were chosen best actor and actress respectively for their exceptional performances in "Godspell". This particular production stirred the hearts of many, especially those who took part in it. Productions for the 76-77 year included "The Night of January 16th" and a spring musical "Hello Dolly". The Thespians are under the new direction of Mrs. Bennett.

Health Careers is obviously concerned with opportunities in the health professions. The school nurse, Mrs. Coffey sponsors the group. The club offers students who are interested in a medical future a chance to explore all the possibilities. Regina Pratt functions as the club's president.

"Well is everybody here?" That question is answered frequently by the CCHS Pep Block and always with a resounding "yea man!" This is just a mere portion of the dedication they put into cheering for the many sports at Culver, even though their voices are abolished by the end of the year. The Pep Block is a great support for the cheerleaders and all the teams as well.

The Lettermen are a group that have worked very hard to earn the letter on their sweaters. To earn the letter you must have participated in at least one Varsity sport. To receive a jacket you must have earned at least five letters in a Varsity sport.

This club is responsible for a lot of the entertainment at Culver. Such as their annual chili supper and Meet The Team Night. They sponsor various other activities during the year to keep the students busy.

An Rembrandt, Picasso! We have our own here at Culver. The Art Club at CCHS is really great. They are very hard workers when it comes to school activities. They were in the Homecoming Parade, and painted the windows for the first home basketball game.

Have you ever heard the expression a song makes the world go 'round? Well in Culver's case it makes the students go 'round. This is the CCHS choir under the direction of Mrs. Taylor. The Choir brightens up the students near Christmas time each year with their lovely songs. They are not really considered a club because they have a class that meets every day.

These people also know what music is all about. The Choraliers perform for many other things. They may go to meetings or to the senior citizens home. They bring cheer where ever they may go. These people also have class every day.

Culver Community High School's Sci-Club is an active club. They participate in the Homecoming Parade, the painting of the windows for the first home basketball game, and sponsor various other activities.

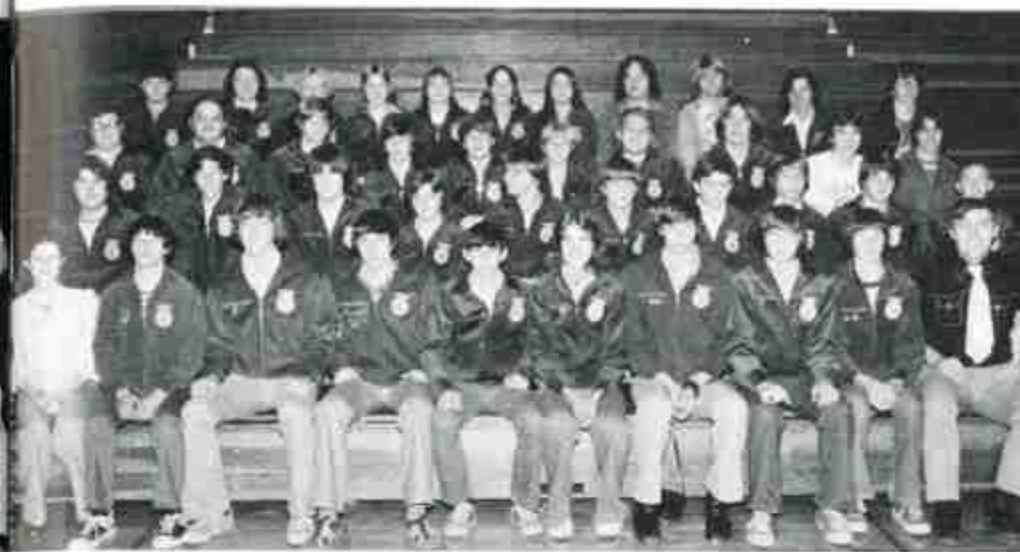

This is the French Club. This club received runner-up in the window painting contest this year. They also came in second last year for the mini 500. They participated in the Homecoming Parade using themes from the fifty's.

Sunshine is a very active group that spreads happiness through the community. They visit nursing homes and hospitals. One hospital they make a point of going to is the Riley Hospital. They also participate in all school sponsored activities.

The Future Farmers are just what there name indicates. They are a club but they do much more out side of school. They plant and raise animals, which they show at the state fair. They also sponsor a sweetheart dance every year where they choose a sweetheart. Last year's sweetheart was Regina Pratt.

Spanish Club is a good club to join if you are interested in speaking a foreign language. At the Spanish Club meeting you must speak in Spanish. The Spanish Club presents a Spanish night every year where they serve tacos and help teach the Spanish culture to the first year students.

The Industrial Arts Club is a very interesting club to join if you are into Architecture of mechanics. They participate in other activities too. Their sponsor is Mr. Mishler. Mr. Mishler also teaches graphics. The graphic department prints the school paper. Graphics is another field of Industrial Arts.

It's Time To Say Good-By

Covering an entire year in a few number of pages is almost an impossible task. We have tried to bring some of the highlights of the year to you. You have seen the faculty, the students, and all the others who make

up our school family. Every one with character and a sense of belonging. Everyone an individual. Even though the heat was turned down, the school abounded with warmth. You have met us. You be the judge.
