The time is ours

we are living,
loving,
learning
about ourselves and
those around us.
Awareness is our goal
and maturity our hope.
Our childhood years
are quickly closing
in the rays of sunset.
Yet adulthood awaits us
in the new dawn.
We proudly accept
the challenge of our future.

APPRENTICES

When you can do the common things of life in an uncommon way, you will command the attention of the world.

In Memory Of

Curt Coffin And Mary Hunter

We just found out today about Mary and Curt going away.

Their memory will not be forgotten.

Their spirit will always live.

We who loved them will never forget, the way they were when they lived.

They were very beautiful people in every way. Neither one had an enemy the night they passed away.

The Cavalcade Staff is a hard working group of kids. Of course, that's not saying we work hard all the time! But most of the time is devoted to film developing, final layouts, harassing Twyla, and just getting the book done on time. Of course, Ginger, Sally and Teri do get their book-keeping done sometimes. Susan and Judy always manage to get everything done on time. Fred (Dan) always manages to upset Debbie and drive everyone else crazy. Of course, we do finish the book!
