People, places, and familiar faces; These three factors provide the setting for an atmosphere of warm friendship and comfort.

At times freshmen may think every room in the school looks the same. Four brick walls, a ceiling, a floor, and one scary teacher at the front of the room. As time passes, they realize everything in the school, from rooms to people, has it's own unique characteristics.

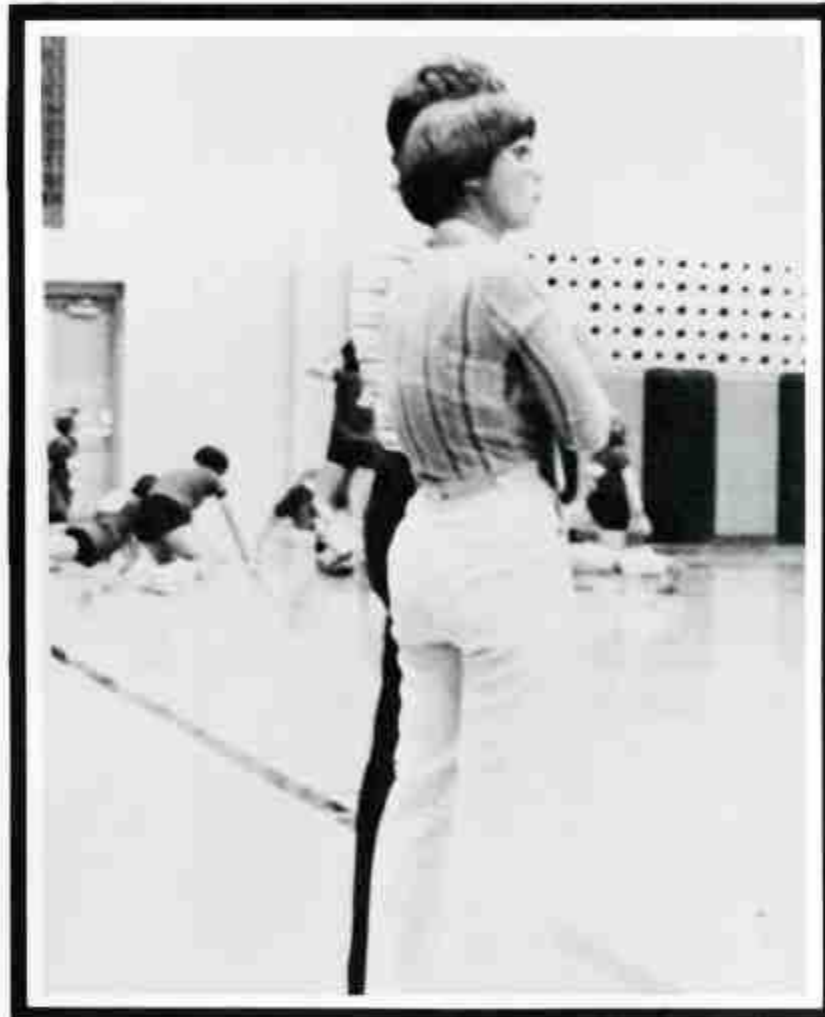

When sophomores become established in the school, they no longer run blindly through the hall. Hopefully they know where their classes are. They no longer run into Seniors, unless he is 6'2", single, handsome, and you need a date for tomorrow nights dance.

Upon becoming a Junior, the pace of school life speeds up. There are points to be considered, plans to be made and activities to be scheduled. These facts are all based on the capability of knowing and understanding their school.

By the time you are a Senior, you look upon the school as an open book. It's there, you just don't look at it! Seniors know exactly how many days are in a school year, where to sit at pep rally, which teachers you can hassle, and how to get a with the foxy little underclass lady who bumped into you yesterday. Plans you made the previous years are carried out and now more important ones are composed.

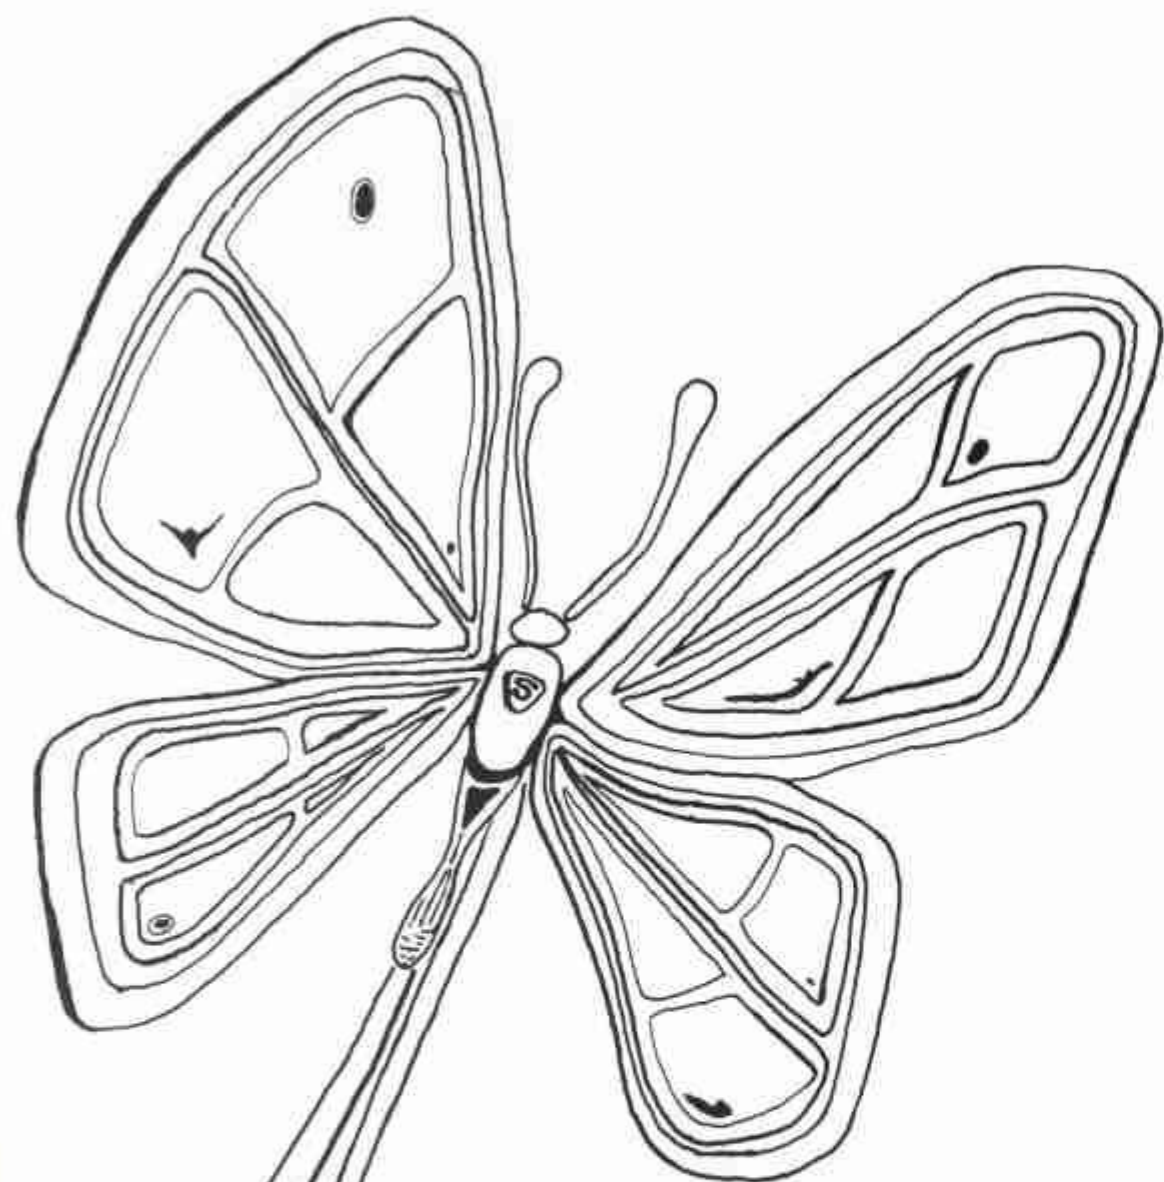

The time, the place, and the people are here, it's only a matter of getting to know them and getting to know yourself.

## PEOPLE, PLACES, AND

## FAMILIAR FACES

# STUDENT LIFE

## HERE AT C.C.H.S.

"Music Maker," Kathy Cultice.

Good! Almost lunch time!

Mr. and Mrs. "Smiley," Sue Nehls and Jim Decker.

Hey, Mr. French! Do I get to sign the honor roll?

Doug Berhart at his camera ready to take a shot at anyone.

# HALL GRAFFITI

What is the importance of halls? Without halls there wouldn't be any way to get to your classes! Without halls there wouldn't be any place to get your nose smashed in by the uncontrollable mobs of people. So far it sounds like halls give us a lot of hassle. Without halls, the school would be a pretty drab place.

The average student spends approximately two and one half hours in the hall. Strange things often take place there like stacking lockers. A favorite pastime of friends. An occasional false fire alarm is almost inevitable.

One of the most casual, comfortable places in the school is our halls. Here is where tension escapes, conversation extends, and friendship grows.

Have you got yours? At the concession stand, students gather to buy yearbooks.

Hey look, we're on camera! Heather Techmeier and Mary Dollhan.

What's happening Bea? You'll always find Beatrice with a smile on her face.

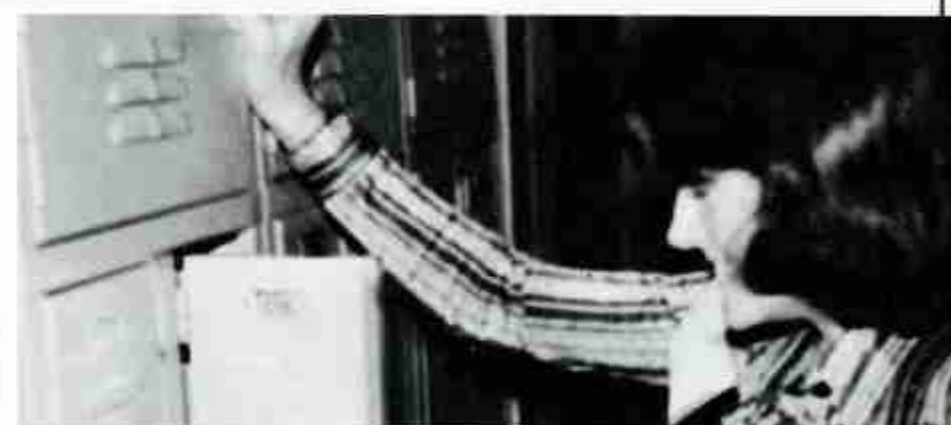

Two peas in a pod. Marilyn Doepel and Gary Rogers, true sweethearts.

Shooting the breeze. Matt Marshall and his side kick—"Crutch", find amusement in a "Hall Hold-up".

Just booking the halls. What would we do if we didn't have halls? We wouldn't be carrying books around in them, that's for sure!

Mrs. Hohman and Mrs. Hanselman take few minutes to chit-chat before school begins.

Looking for trouble. Senior Chris McFarlane searches for that special book, "Chemistry."

Portrait of a teacher. Friendship between faculty and students is often displayed. Coach Heath and Alfie Salary practice their friendship quite often.

### 

Inspite of the rain, the cold and the fact that the North Judson Bluejays beat us 39 to 10, Homecoming was great. After all, they always say, it's the thought that counts.

The time and preparation spent on Homecoming was outstanding. Many classes and clubs took part in the annual Homecoming Parade.

Looking at all of this from another dimension you could say we were all-around winners, even though we lost the game and even though it rained we came up on top . . . we always do . . . Rain or shine, win or lose. Friendships grow and prosper through every little thing we do, regardless if we win or lose.

Juniors: Val Garn, Richard Holbrook, Jayne Ahlenius, and Ed Newman.

Karen Dutt, and Ryan Tusing.

Seniors: C. Kindred, M. Marshall, L. Nehls and L. Miller.

Sue Nehls, Brad Gast, Jackie McCune, and John McFarlane, the sophomores.

Fresh: P. Bonnell, D. Taiclet, J. Crowel, and T. Vantwood.

1977-78 Homecoming Queen and King, C. Kindred and M. Marshall

Everybody Smile!!

## "THE BLIZZARD OF '78"

"Hey, Mom! Do we have school today?" "Heavens, no! Have you looked outside lately?"

Boy! When you did look outside, What A sight Mother Nature had for you to see! Actually there wasn't much for you to see, with the old North Wind whipping the snow around. Instead of seeing your car turn into a pumpkin, you saw it turn into a big mound of snow. "Gosh! It'll take a year to dig the car out." You really did get pretty sick of just seeing snow, snow, and More snow, when you looked out your frosted over window.

You might think that being out of school for several days would be heaven . . . It wasn't so heaven, when you were couped up in your house, with nothing to do:

Let's hope that there's not to Many more "Blizzards of '78".

Hurry up, let us in, were cold!

Is the Blizzard over?

When is the snow ever going to go away?

Where's the doors at?

## THE TWINS . . . . .

The Hartmans—Becky and Bob.

The Guess—Sandy and Cindy.

The Allyn—John and Jim.

Have you really noticed how many twins, we do have here at C.C.H.S.?

Each year we seem to gain at least one new set of twins. I wonder how many we'll get next year.

"Did you know that Brett and Brian Overmyer were twins?" "You've got to be kidding! I knew that they were brothers, but not twins."

As you could tell not all the twins at C.C.H.S. are identical but with Jim and John Allyn, you've got the problem of telling who's who, you have to get them to smile to tell which one is John and which one is Jim.

Just as we are able to recognize the old sets of twins, our problems start over again, with another set.

The Readys—Leanna and Glenna.

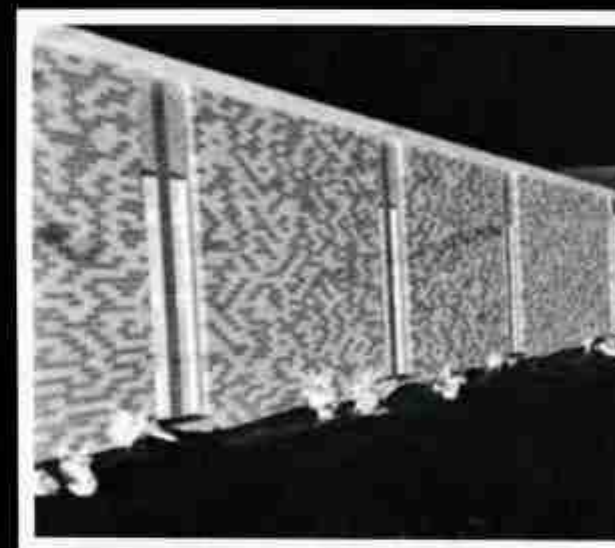

The Overmyers—Brian and Brett.

## WHERE WERE YOU WHEN THE LIGHTS WENT OUT?

Due to the Cole Miner's Strike energy cutbacks were enforced to the "T". Hall lights were shut off. All extra-curricular activities were shortened, if not canceled, and the daily lives of all were changed in some way.

## THE PLAYS GO ON

Ok, we'll have practice from seven to nine o'clock during the week. Practice for what? Basketball? No, practice was for the big spring production "Hello Dolly".

Try outs for the play were held in January and practices started in early February with practices during Spring break. So you know how much time was put into the play.

Besides acting or singing in the play, each cast member was responsible for making his or her own costume, and also each member served on a committee helping with props, scenery or any other job needed done.

With nervousness rising in the air the curtain went up and the play was off. All of the time and effort paid off when the audience gave a great applause for them.

After another successful night of production an air of sadness swept the cast members and all who were involved with the play because they knew that it was all over for another year. It was a fine and successful play appreciated by all.

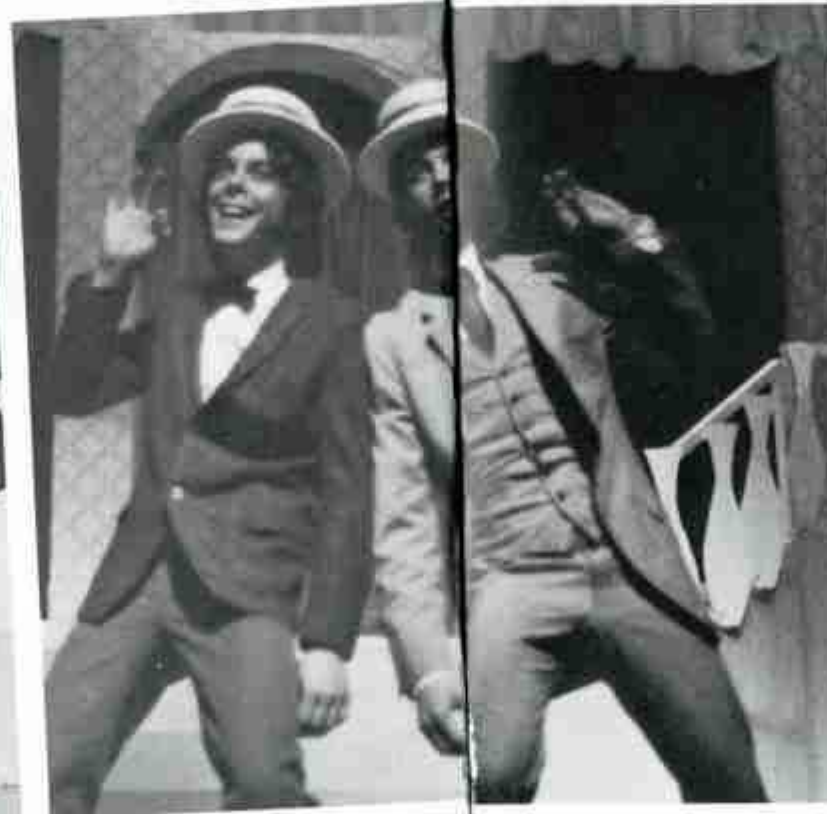

We wish the best of luck to our C.C.H.S. actors and actresses in the near future.

The townspeople lend a helping ear to Dolly.

Do you think they'll notice me?

"Hey John! Smile we're on candid camera," whispers Bob Scott.

## AND ON AND ON AND ON AND

Now don't sway too far!

There's nothing like a Red Carpet Christmas!

"Now Ethel, don't cry."

# TODAY'S LEADERS

Whispers of how pretty she was could be heard at all or most tables during lunch. Who was everyone talking about? Why, Miss Indiana, Barbara Mouglin, our celebrity of the day and probably of the year.

Yes, Miss Indiana was the guest speaker at the third annual leadership conference here at C.C.H.S. She expressed her views on a leader and her experiences of being Miss Indiana.

It was quite a day! I'm sure everyone found the conference rewarding, especially with Miss Indiana there.

Learning by talking for these girls.

Listening is the name of the game for these girls.

"A leader is . . ." explains Miss Indiana.

"Well it's like this," answers Miss Indiana.

All smiles for Miss Shanks.

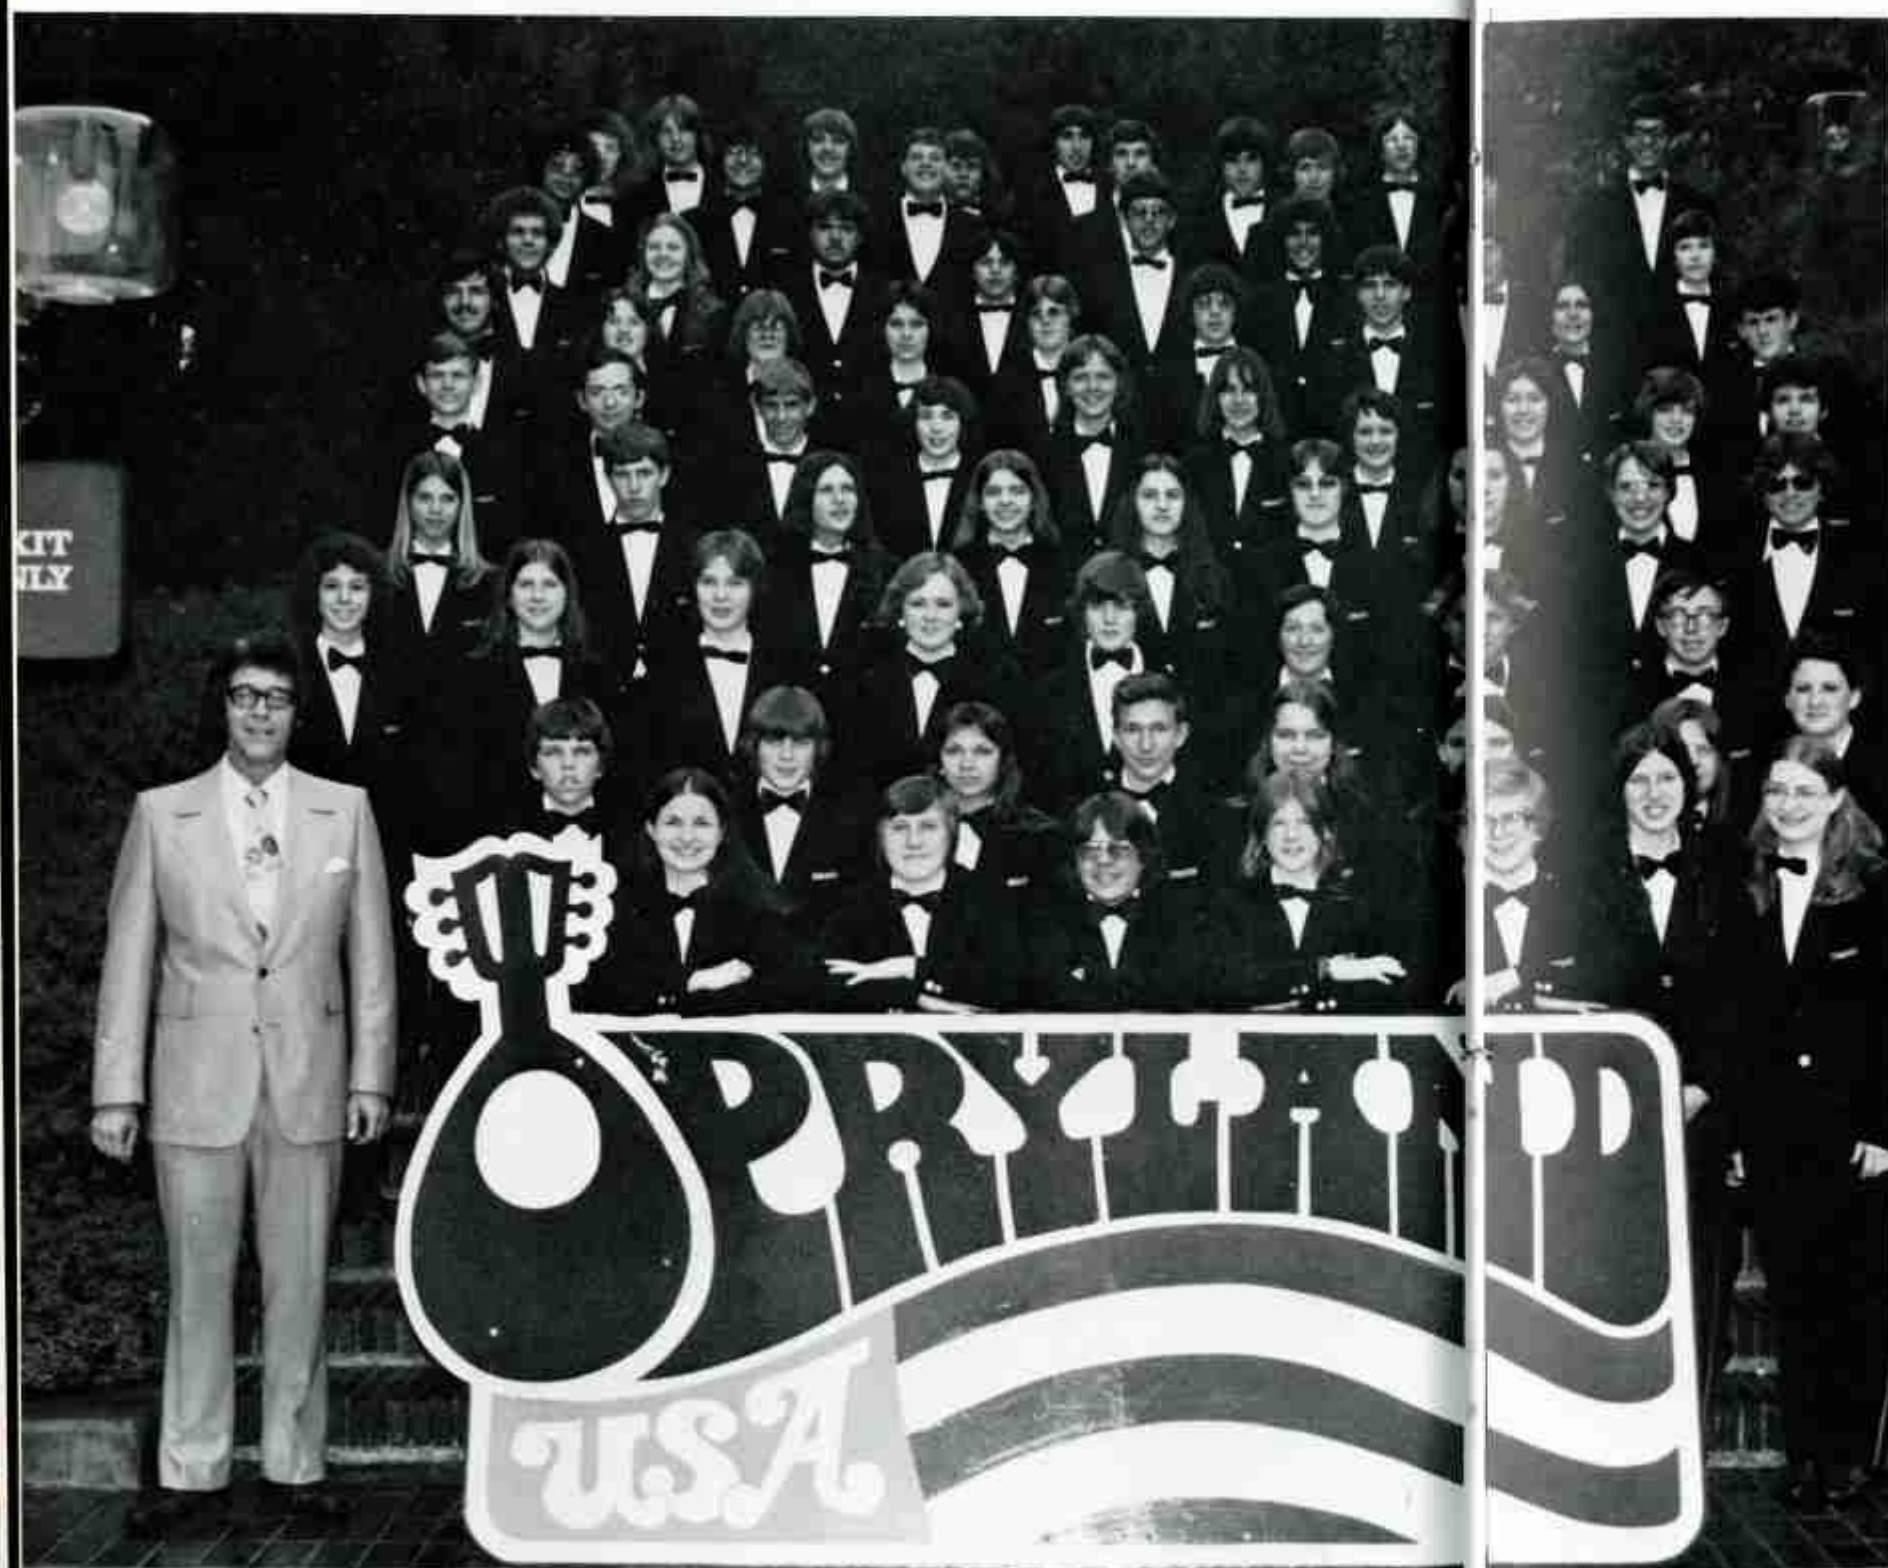

"What's wrong Duane?" "Are the girls getting to you?"

"Mmm!" "What's next?"

## ON TO NASHVILLE

Being at school every morning at seven o'clock to listen to pounding drums, blaring trumpets, and Mr. Byfield's roaring voice was no easy task for the band members, parents, and even Mr. B.

You ask "Why so early?" There's a very simple answer, the band trip! Everybody spent many long hours perfecting the band.

The band and cavalette members with the help of the music boosters sold fruit cakes and held a fish fry to earn money for their trip to Nashville.

As May 21st came nearer and nearer nervousness and excitement rose here at C.C.H.S. Everywhere you walked you could hear talk of the band trip.

Performance day had finally come. Nervousness overcame exhaustion from too little sleep.

With their own little fan club the cavalettes and sponsors and band put on an excellent show. The band not only had their own little fan club right there but everyone home at C.C.H.S. was thinking of them too.

Everyone is very proud of our band and wishes them luck in the future.

Preparing for an amusing breakfast.

The concert jitters overcomes all.

## INVOLVEMENT

### BEING INVOLVED

Get, get excited girls!!

Initiation night for the new National Society Members.

Singing away is what the choir does best.

Yeh! who's going to get the ball?

The C.C.H.S. Music Makers Sounding off on their horns.

The student Council has been very active this year. They started off the school year by having the first dance. In addition to that, they were in charge of the Annual Leadership Conference, Homecoming Parade, and King and Queen candidates. They usually sponsor the Christmas decorating contest, but it was cancelled this year because of snow.

They have also strengthened their welcoming committee for new students at CCHS. Each student receives a "Caval Kit" or a welcome package, and a personal escort by a council member. Instead of a scrapbook this year, they are planning a window display on everything they've done. Overall, they have proved to be a very involved group.

The band council is the backbone of our band. When something important comes up, these kids are the first to know!

These people head up the Choraliers. They are the musical decision makers!

The Future Educators of America are very active. They participated in educational field trips and conferences throughout Indiana.

The Office Educators will soon be running the offices of America. Keep it up, people!

The Future Homemakers of America learn how to run and care for homes. We're sure their skills will be greatly appreciated in future years!

## FROM ATHLETES TO SPIRIT RAISERS

The Varsity Club, formally known as the Lettermen Club, is sponsored by Doc Heath. As usual the group is responsible for their annual chili supper and Meet The Team Night.

To be able to become a member of the Varsity Club the members had to earn a letter by participating in a varsity sport. And to earn a jacket they had to earn at least five letters in a varsity sport.

The Pep Block is responsible for most of the screams and yells we hear at the sport events. Being one of the largest clubs, its members give our teams a lot of support and encouragement whether it's a win or loss. The Pep Block is sponsored by Mr. Pinder.

The Sunshine Society is a very busy club made up of bright and cheerful members. Their goal is to spread happiness and sunshine throughout the community. The club also picks ideal ladies and has various conventions. Each year the club raises money to be sent to the Riley Hospital in Indianapolis.

The Health Careers Club is busy with field trips and promoting good health. This year several field trips were taken by the club, such as a trip to Logansport Mental Hospital.

The Science Club participated in the football homecoming parade, the window painting contest and other activities. Also this club is responsible for various service projects such as planting trees and flowers on our school lawn.

## WE BELIEVE IN MUSIC

The choraliars are a group with a lot of effort.

The choir also express their talent in singing.

## WE BELIEVE IN MUSIC

The award winning band

The stage band, A group that gets the beat.

Shirley Poort, an added attraction to the Cavalettes.

Culver's chapter of National Honor Society consists of twenty-eight members. To be a member you must be a junior or a senior with high academic standards. The faculty and the old members vote you in. The NHS has several bake sales to raise money for the club throughout the year.

The International Thespian Society, Troup 1704 sponsors the major theatrical productions at Culver High School. They also provide a Christmas Convocation and entertainment for the Senior Citizens. The 1978 Musical, "Fiddler on the Roof" is hoped to be as big a success as "Hello Dolly". In May of each year, the Thespians hold a banquet to honor those who have excelled in the Dramatic Arts throughout the year.

These are the French Club members. They participated in the homecoming parade and in the window painting contest. Last spring they went and ate at a French restaurant. They plan to do so again this year.

The Industrial Arts Club is an interesting club to join. They participate in many school activities. The members help the Graphics department in printing the school paper. Graphics is one of the many fields of Industrial Arts.

The Spanish Club is an active organization. They participated in the homecoming parade and window painting contest for the first game. They went down to the Jr. Hi. to help the migrant children to learn English. Mr. Button is the new sponsor.

## In Memory Of Norman Frasa Jr.

Such a short time has passed, since you've left us Norman. All of us can remember your smiling face, and your helping hand there whenever needed. Your friends and your fellow classmates here at C.C.H.S. will remember you always with that smiling face.

## FFA Class Officers

The FFA is a group of guys and girls who like farming, and are considering that as a future occupation. During the school year, the FFA co-sponsors the Sweetheart Dance, and they are involved in many of the activities that the school sponsors.

Soph. Class—Melanie Sage, Pres.; Kelly Fishburn, Treas.; Laura Zehner, Sec.; Mr. Richie, Sponsor.

Freshman—Tony Vantwood, Pres.; Doug French, V. Pres.; Fred Elliot, Sec.-Treas.; and Mr. Carlburn, Sponsor.

Sr. Class—Mrs. Winters, Sponsor; Cindy Postuma, Pres.; Kathy Ransdell, V. Pres.; and Susan Snyder, Pres.

Junior Class—Mr. Schwartz, Sponsor; Kelly Young, Sec.-Treas.; Amy Coffin, V. Pres.; and Susan Snyder, Pres.

As the minutes tick away to half-time of either a football game or basketball game, the Cavalettes are nervously putting last minute touches to their hair or uniform, and awaiting for the buzzer to ring. When the band strikes-up, out onto the floor they come, to perform for the fans. What a performance they do give!

The Cavalettes not only perform at games, they also add an extra something to the band in the summer.

## Routine Time . . . . .

The Cavalettes working long and hard before performance time.

Kathy Francis, and Shirley Poort talking it all over.

## Cheer, Cheer, Cheer . . . . .

Varsity—Brenda Crowel, Val Garn, Susan Snyder, Darlene Dimmock, and Dee Mikesell.

"Let's cheer for the Culver team." Though cheering isn't the only thing that the cheerleaders do, it's one of their main jobs.

The cheerleaders work hard at making posters, selling balloons at football games, sponsoring the window painting, as well as keeping the fans spirited. What a job! Keep the rah, rahs coming cheerleaders.

Frosh—Tina Reister, Kim Hamman, Shellie Overly, and Karen Francis.

Stickem on girls!

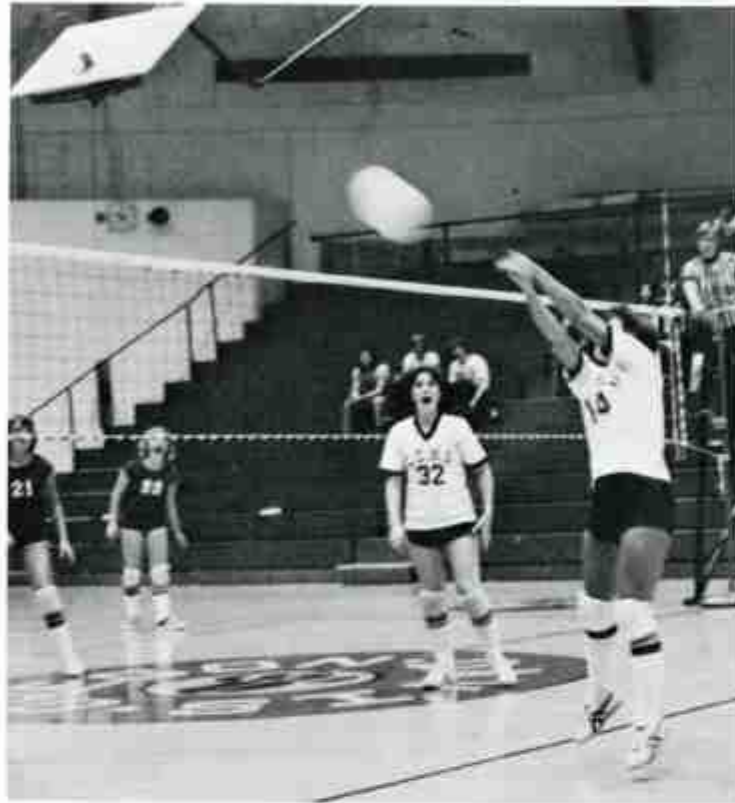

D. Mikesell thinking it over.

Steph Dimmock, Shelley Wynn, Michele Tusing, and Leanna Ready.

## POTPOURRI

Go over, and we win the game.

Only one more minute left. Thank God.

Ann Wiggin—An ear for an interesting conversation.

Stop giggling Jane and watch!

## POTPOURRI

Come on Brenda, walk! It's not time to sleep yet.

Cheer up Joan.

Wake up Jon—Your not Rip Van Winkle.

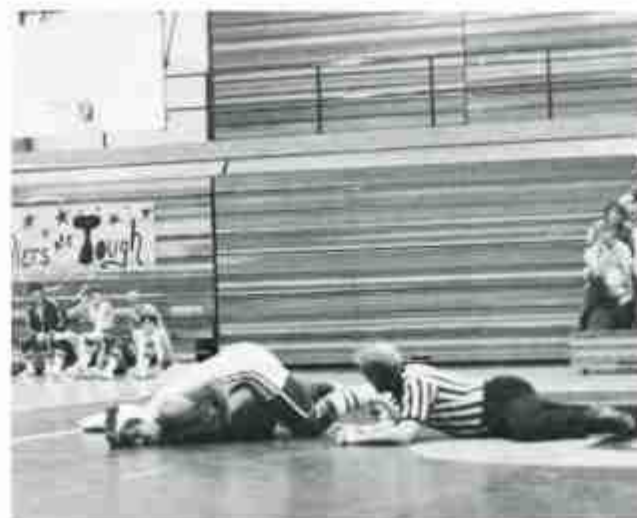

## POTPOURRI

Hey, everyone! Look at me!  
Gab session time.

Do you have yours?  
Marsha, Marsha, I see him, I see him.  
Come on, you can get up!

## POTPOURRI

"Old Seniors", they just can't stay away.

An emotional experience for Claudia Kindrid.

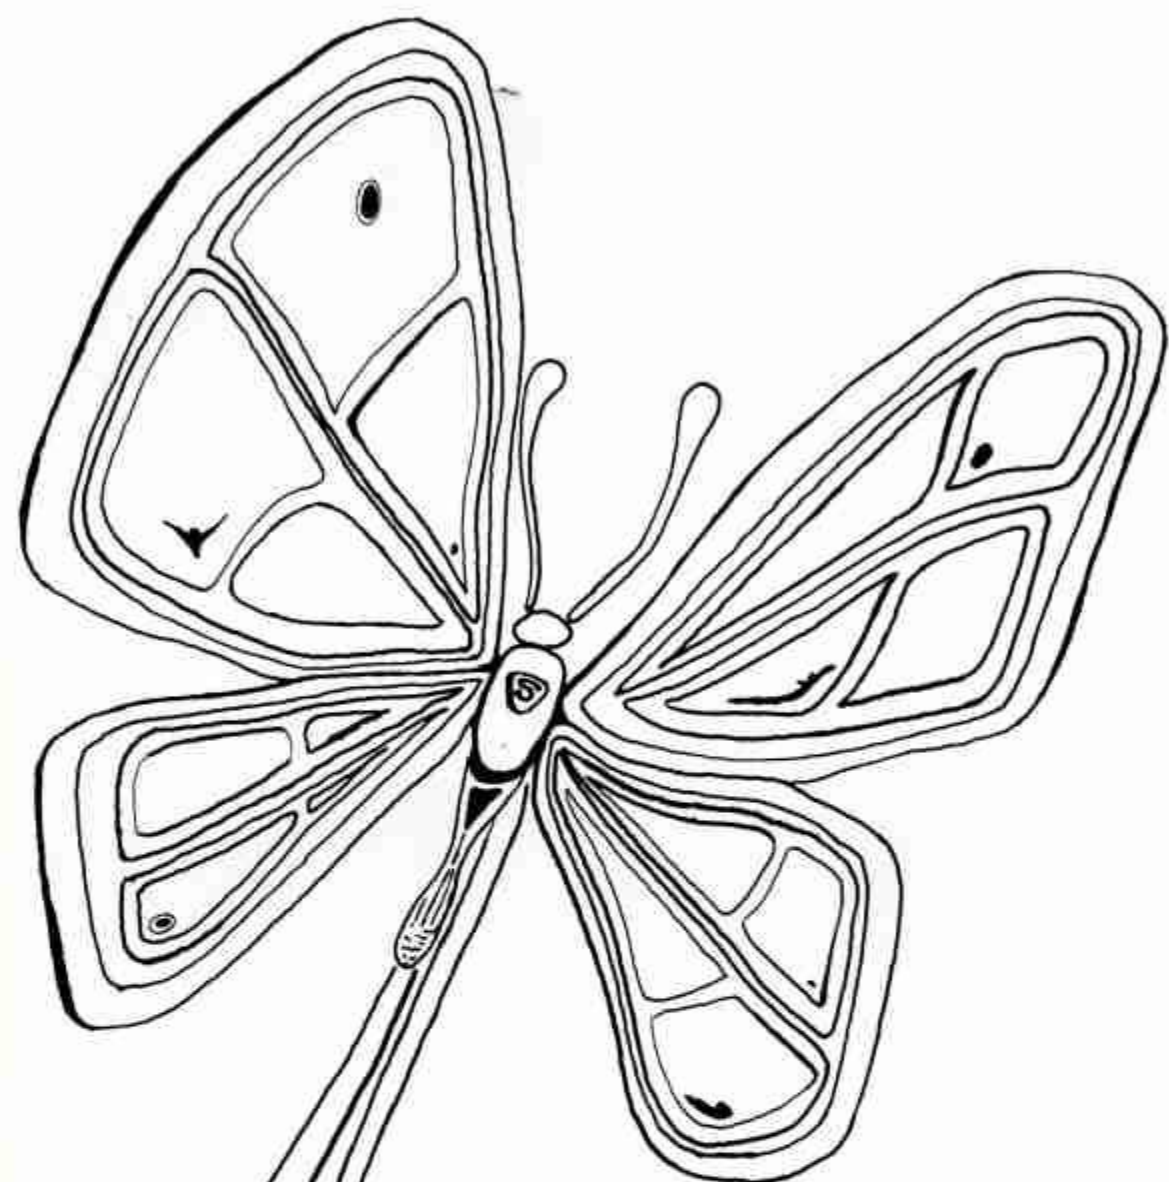

A jolly chat for Judy Bucher.

I am a good supporter for the Cavaliers.  
An interesting conversation for Jeanne Thompson.

## SENIORS OF '78'

Come on everybody say cheese!

Senior Wow, it's finally happened! After all those years of saying, "I can't wait until I graduate." It's rather sad to say good-bye to your friends, whom you've gone to school with practically all of your life. At least there's the memories of parties, dances, games or just talking in the halls to remind you of those good ole C.C.H.S. days.

Some of the Seniors will go to college, some to marriage, others off to work. Whatever each one does, we here at C.C.H.S. wish you Seniors the best of luck.

All right Chris, who's the letter to?

## JUNIORS SEE DOLLAR SIGNS

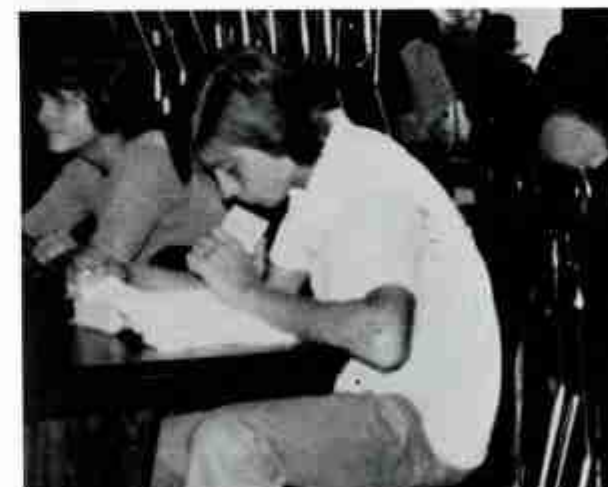

"What, you have got to be kidding, 10,000 dollars?" "Yes, that was the goal that the Junior Class, or better known as the class of '79" set and earned in their magazine campaign.

The magazine drive hasn't been the only Junior success, though. They were awarded the best club or class by Mr. French, and also won the window decorating contest two years in a row. There's just no stopping that class of '79"

"Well it's like this" explains Michele Tusing to Shelley Wynn and Susan Snyder.

Being stumped over homework is no fun for Tom Rakowski!

J. Winters says "You're never to old!"

"No, please don't!" Stephanie Dimmock.

Rick Salary our C.C.H.S. "Superstar."

GO! GO! Yell the fighting Cavaliers as they fire-up for the Judson game.

"Come on you guys!" "We're going to win!" "I know we are."

The "Mighty Cavaliers" pulled out with an exciting victory over South Central.

Despite the cold and rainy football season, our fighting Cavaliers brought home five victories and four losses. Bringing us our first winning season. Each football game held a lot of exciting moments, which brought the crowd cheering.

The B-Team had many exciting moments, also. Their record is two-three for the season.

The football team started conditioning August 8th in the summer heat. Practices were usually once a day or sometimes twice a day.

Our team only had eleven days to ready themselves for the Jamboree on August 20th, the first football game of the year.

The awards for outstanding accomplishments were given at a convocation held in front of the student body at the end of the season. Awards went to outstanding lineman—Mitch Farmer, outstanding back—Steve Smith, outstanding defense—Rick Salary, and Rodney Kemple, most tackles—Mike Hurford, mental attitude—Mark Salinas and the most valuable player—Steve Smith.

We have our own football celebrity here at C.C.H.S. Rick Salary was named to the Loganland Football Team. The first C.C.H.S. football player to be named to the team.

WOW! What an exciting football season!

## WRESTLING '78

Winning seems to be the name of the game for the Culver wrestling team. The Culver wrestling team had a record of 6-3 for the year.

There was a lot of hard practicing and work that went into the placing of third in the conference meet, and the second placing in the sectional.

Six wrestlers went on to regional, and some tough competition. Mitch Farmer, a winner in his own class, and Brett Baker went on to Semi-State. They became the first C.C.H.S. wrestlers to do so.

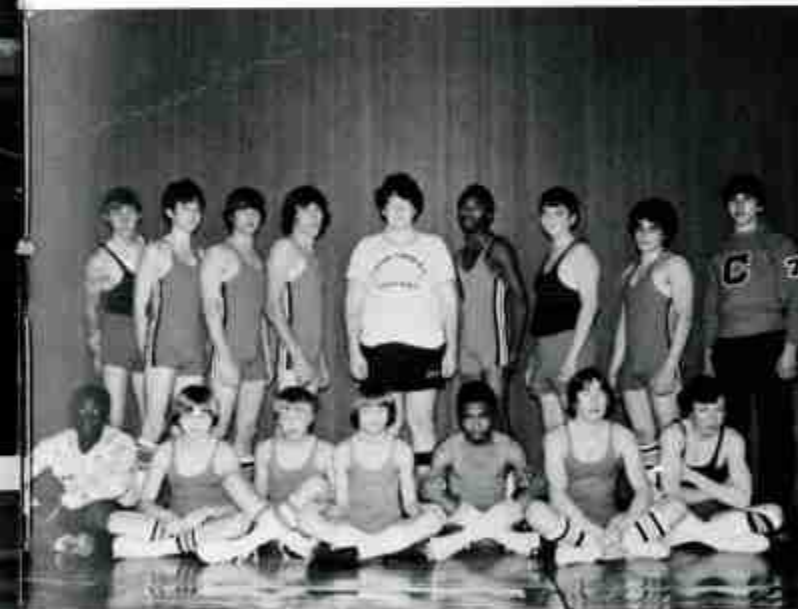

Congratulations to all the wrestlers for having a winning season. Good-Luck in the future for the wrestlers, and Hummel.

Varsity—Front: Roy Ruiz, Don Darda, Mark Pratt, Jeff Mills, Mike Shock, Tony Kozlowski. Back: Mark Dopil, Brett Baker, Mitch Farmer, Ricky Salsry, Jeff Volz, Mike Hurford, and Bob Holbrook.

Warming up to a big VICTORY!

## PEOPLE, PLACES AND FAMILIAR FACES.

It's now time to look at the past, to reminisce throughout the days gone by. We hope this yearbook will help you to once again obtain that special feeling of knowing and being a part of our school.

Jackie McCoige, Holly Bowman, Craig Winters, Bob Holbrook, Linda Crull (co-editor) Kelly Young, (sponsor) Mr. Button, Not pictured co-editor Amy Coffin.

Chris Venum stands attentive.

Is this a pick-up or is this a pick-up? E. Ruiz, C. Cummins, K. May and S. Nehls.

We Juniors stick together! "Mike Hurford and Susan Snyder are two of the most out-going people of the class."

## PEOPLE, PLACES

One flew over the coo-coo's nest and landed . . . Guess where?

Mrs. Torok, Mrs. Kline and Mr. Spiegel look as if they are delighted to see us.

Sandy McCoige has that cover girl look.
