Excitement, anticipation, and apprehension surround us as the dawning of a new decade is upon us. We're stepping into the 80's. Putting before you now for your approval, a year in review, a gala of happenings: ups and downs, wins and losses. All taking their place in the spirit of the 80's. Yes we're stepping into the 80's. Our minds grasping for knowledge and striving for maturity. Relishing victory and laughter. Whether you are stepping into C.C.H.S. for your first or last year, let's step inside and look at the happenings of the 70's and honor the "Class of 1980."

STUDENT LIFE

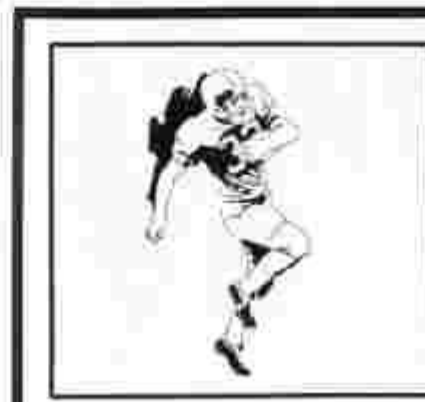

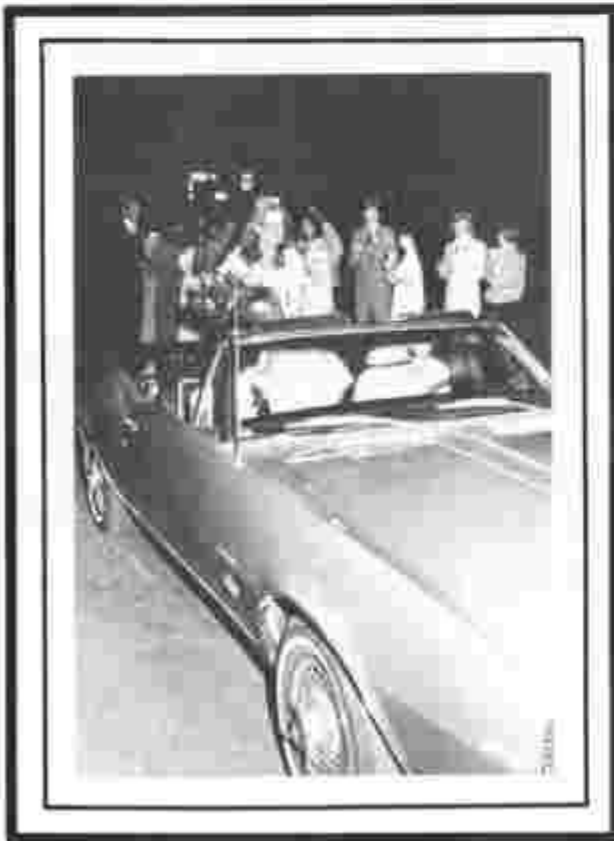

Eighty

Stepping into student life of 1980 revealed the different faces and special places, we saw the spirit, the closeness, and the familiarity of good friends as we stepped into and out of 80.

The Main Event

The 1979 Homecoming was perhaps one of the most festive ever. The parade was spectacular and piled onto the spirit of the evening, the Cavs stomped on their competition for the game. Crowned as the 1979 homecoming queen was Lenore Hinsey, and

her escort was Jim Decker. The court looked radiant, as did Lenore. The crowd aspired the Cavaliers as they went on to victory for their homecoming game. The 1979 Homecoming festivities gave us all something to remember.

The Senior Class showed their spirits on this float, and as it exhibits, many seniors turned out to back the Cav's. Upper right, as well as far right, and below are just a few of the colorful floats created by the students to show off their spirit. Center bottom, are the cheerleaders and football players, as they ride on their pinnacle through downtown Culver.

The Homecoming Parade!

Come To

Our Town

On November 9th & 10th, 1979, Thespian Troupe II, #1704 of CCHS, presented a drama play called, "Our Town", written by Thornton Wilder. The play was directed by Mimi Kalt and Jan Moon.

Evenings were unique for the viewers as there was a dessert theater—meaning a play was given in the cafeteria and dessert was served to the guests.

The stage was set up on the north wall of the cafeteria. Carpet which was furnished by Boetsma's, was green astro turf, for an outdoors effect. Trees were used plus oil lamps were the "footlights". Candles were used on the tables for a warm atmosphere.

Main characters—Mike Rakish, Lenore Hinsey, Bill Gupton, Paul Pare, Ed Keller, Holly Bowman, Jeanne Thompson.

The cast and directors put in many long hours of work and all felt rewarded with good performance plus many compliments from the audience.

COLOR MY

WORLD

The annual Junior-Senior prom was held last May at Story's Place outside of Plymouth. The King and Queen were Don Darda and Jayne Ahlenius. The total preparation for the prom was involved as Junior class members spent many hard working months to make it all come about. They selected "Color My World" for the theme and also picked the band, which was Phase III. All in all the prom was a big success and the Seniors seemed to appreciate the work done for them. The Sponsor for the Junior class was Mr. Paul Schmidt, Pres.: Kelly Lawson, V. Pres.: Melanie Sage, and Sec.-Treas.: Laurie Zehner.

Sometimes

*Sometimes, not often enough,
We reflect upon the good things,
And these thoughts always center around those we love,
And I think about those people,
Who mean so much to me,
And for so many years have made me so very happy,
And I count the times
I have forgotten to say thank you,
And just how much I love them.*

The dawning of a new-decade has come and gone, and we hope that the class of 1980 and the underclassmen cherish the memories and special occasions that we have put before you, as the year in review.

As we close the door on 1980 we take with us a little more knowledge, maturity, a few new friends, and a lot of laughter. All to be remembered as we step out of 1980 ...
