Culver Jr.-Sr. High School, Culver IN Vol. 25

Mr. Lawson: You're asking me to do this extemporaneously? The addition of the Junior High to the student body. The way cheers are done at ball games.

Mr. Gangloff: Not that much change in the building—has to be the people.

Mr. Garver: You're going to quote us? I refuse to answer on the grounds it may incriminate me.

Mr. Mishler: Dress. Respect for authority. Courtesy for each other. Student apathy. Girl's sports.

25 years of changes!

Mr. Perry: Dress styles or lack thereof. Computers have been a big thing. Width of neckties. Less flies in the cafeteria in the Fall. Streaking has changed. The chairs in my class haven't changed. The color of our hair.
