Culver Sees Successful WALK FOR MANKIND

The Culver Walk For Mankind was a great success last Sunday as 79 registered walkers and runners, plus a few extras, started around the lake from the Town Park. The Junior High Band, directed by Charles Byfield, led the group through town and sent them on their way in fine style.

Within an hour and twenty minutes, Cross Country team runners Ronald and Donald Sytsma and Mike Busart were at the end of the "walk" and had returned to the Park to have their cards marked "completed." The first walker to return was Bill Birk, who made the circuit in two hours and 45 minutes. The youngest finisher was 7-year-old Jennifer Kline, daughter of Mr. and Mrs. Robert Kline. The oldest finishers were Mr. William MacQuillan and Mr. Latham Lawson. The youngest walker was Todd Shepard, 4-year-old son of Mr. and Mrs. Roy Shepard, who earned \$1.00 for the mile that he walked.

The pledges for the walkers promise a return for the event in excess of \$1,000.00! Each walker was sponsored by individuals who pledged to pay by the mile walked. Clara Hart signed up the largest number of sponsors, and Cathy Ransdell solicited the largest amount of money pledged.

Walkers are requested to immediately collect from their sponsors and to turn the total amount in at one time, by October 12th, to either Mr. T's Rexall Drugs, or to the CITIZEN office. The money and sponsor sheet should be placed in an envelope and sealed, with the walker's name and the amount enclosed written on the envelope.

The checkpoints along the route were sponsored and manned by The Culver City Club, Maxinkuckee Junior Woman's Club, V.F.W. Post 6919, V.F.W. Ladies Auxiliary, the Culver Lions Club, and the Culver Jaycees. These groups provided refreshments and checked the walkers along the way.

The checkpoints were named for the countries which benefit from Project Concern: Hong Kong, South Vietnam, Ethiopia, Guatemala, Mexico, Navajo Nation, Appalachia, and Culver. The Coca-Cola Company of Plymouth donated Cokes for the finishers at the Park.

Several walkers were signed up by Andy Venum, of Culver Clothiers, who provided them with litter bags. Many pounds of litter was picked up along the route.

Donations are still being accepted to increase the Culver contribution to Project Concern. Send donations to the treasurer, Mrs.

Ted Strang, P.O. Box 104, Culver, Indiana 46511. Checks may be made out to "Walk For Mankind." A report of the exact total received will be announced in the near future.

The organizers have expressed their thanks to all who helped, those who walked and sponsored, or were of help in any way.

CCHS GIFT

MEMORIAL GIFT PRESENTED TO CCHS MUSIC DEPARTMENT

Donald R. French, principal of the Culver Community High School, announced this week that a memorial gift had been presented to the school music department.

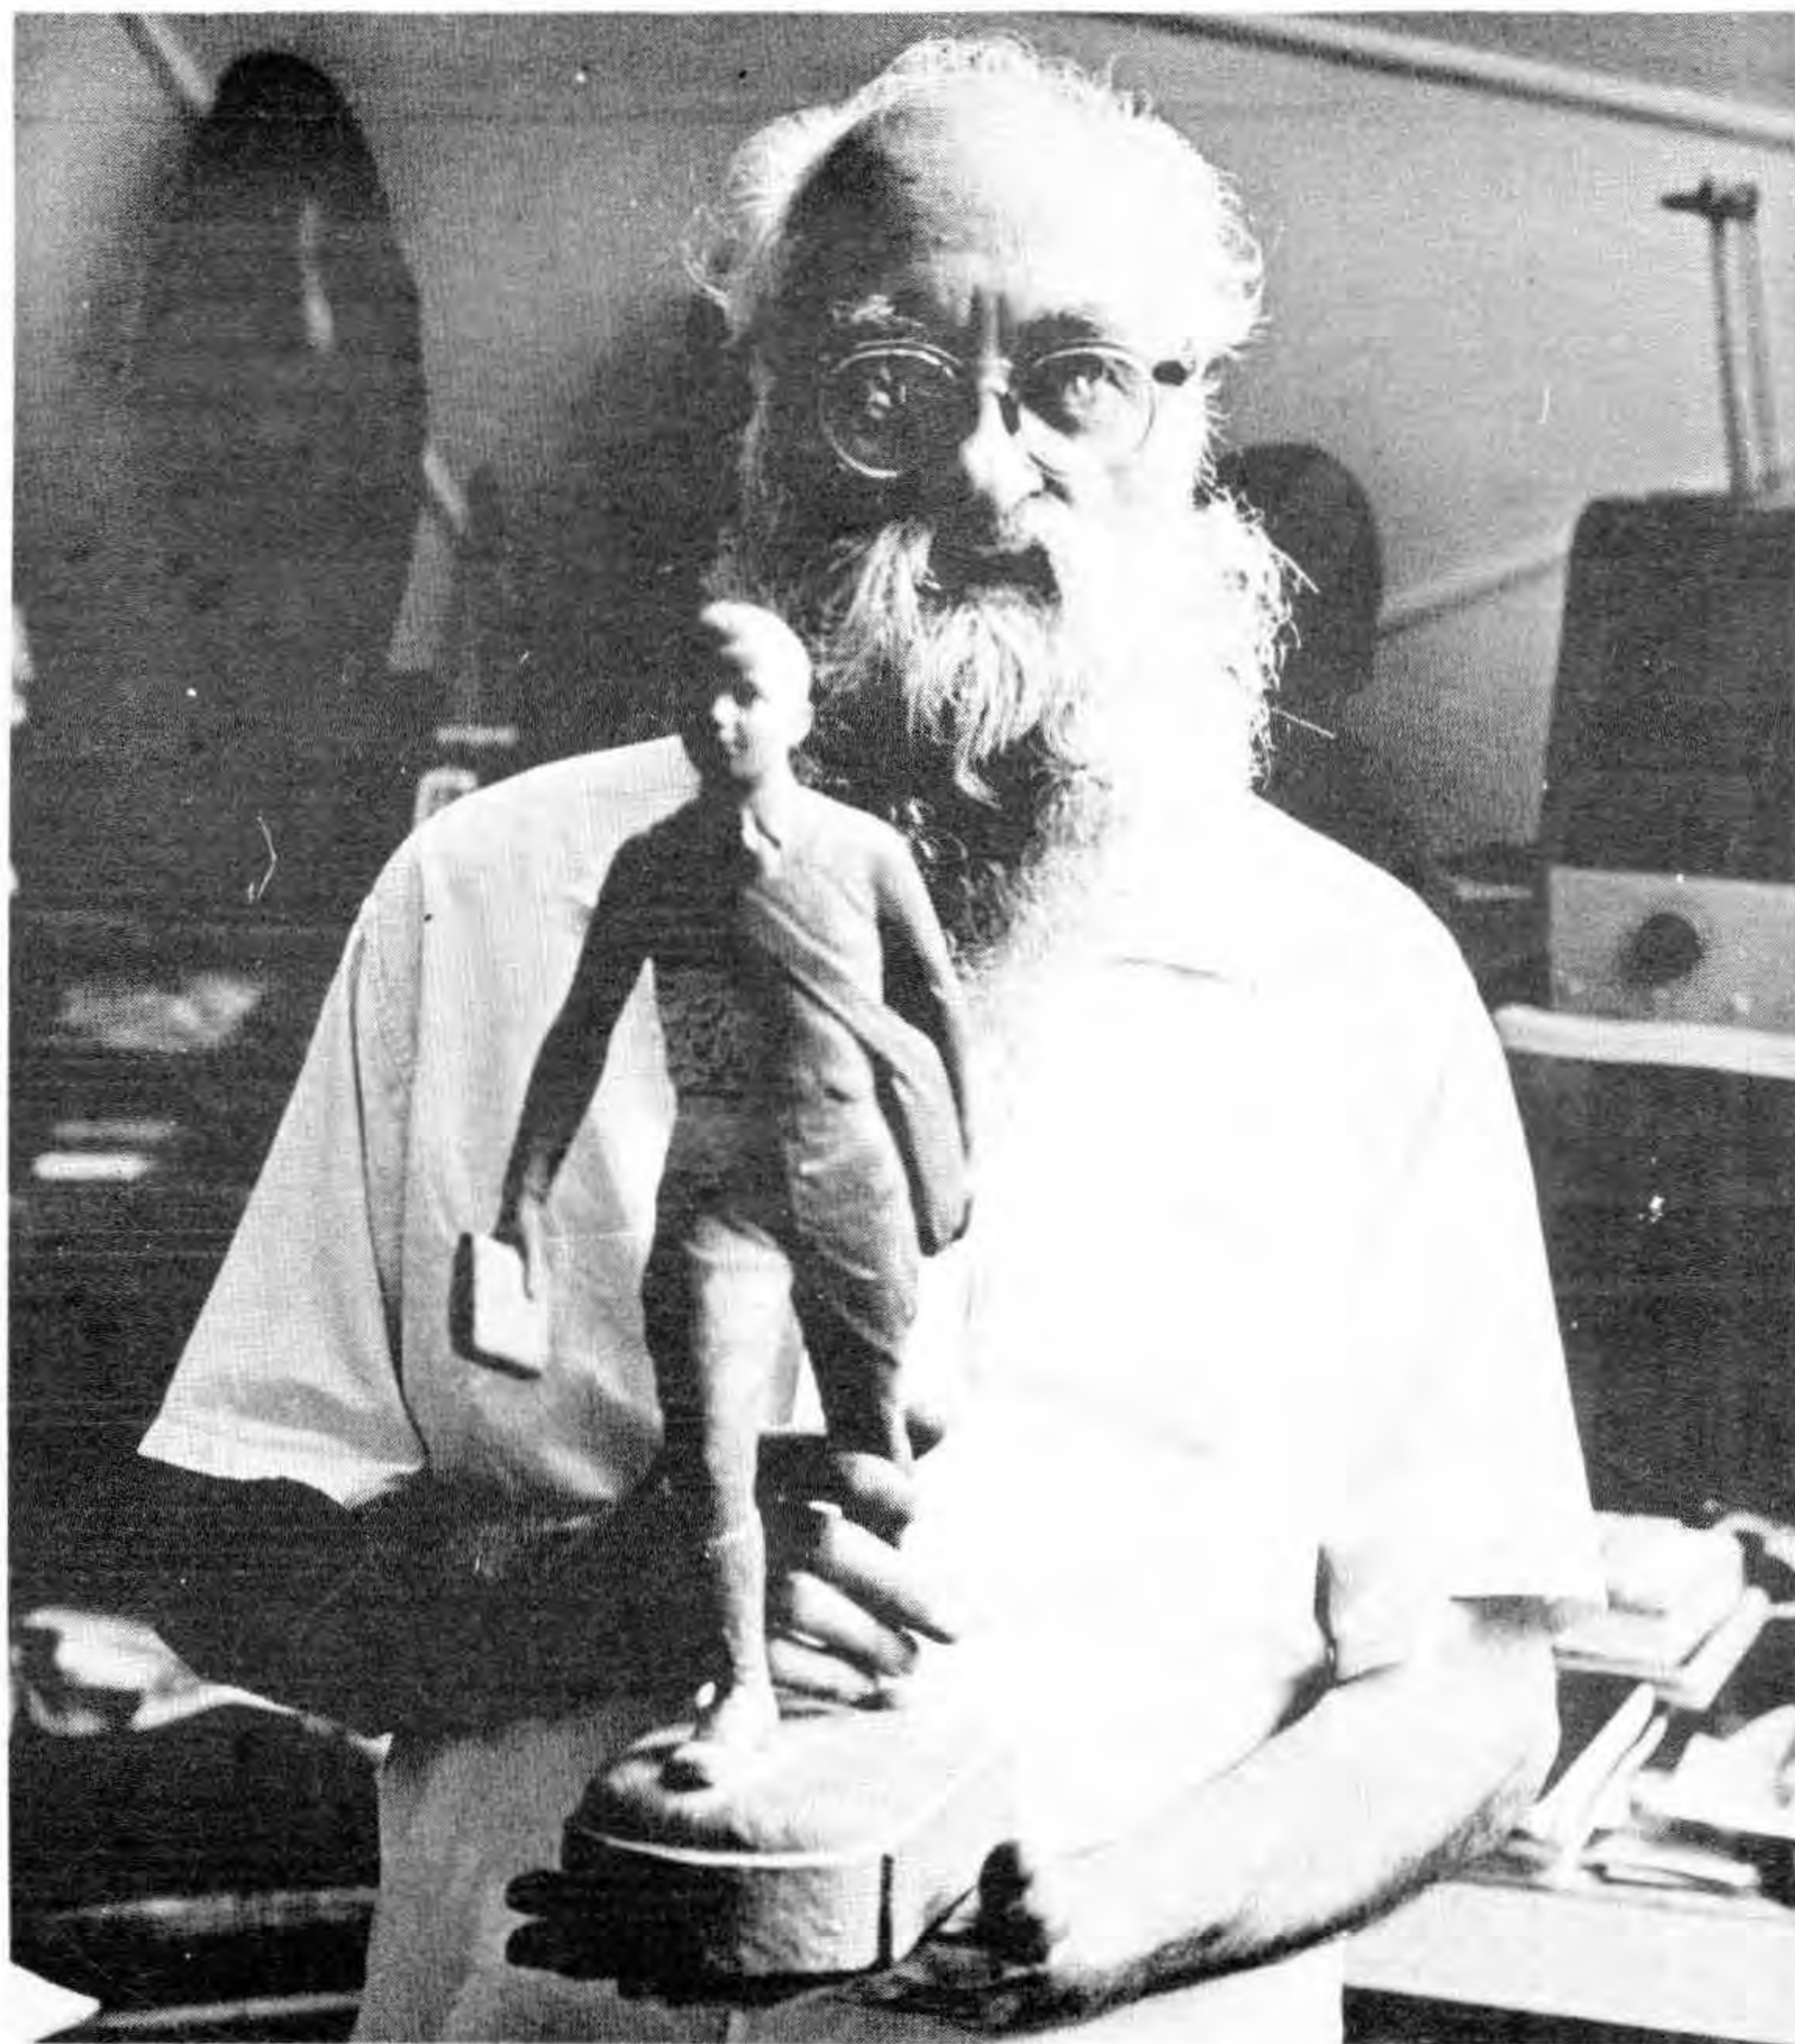

Presented by Mr. and Mrs. Paul Davidson, Leiters Ford, the gift is in memory of their son, Andy, who was killed in a tragic motorcycle accident on May 5, 1973, only a few weeks before he was to graduate from the high school.

Andy was a drummer in the CCHS band, and his parents have presented a Dance Band Drum Set and cymbals. An engraved plate on the gift bears the following inscription: "In memory of Andy Davidson, Class of '73."

UNITED FUND CAMPAIGN BEGINS

The kick-off banquet for the 1973 Fund Drive of the Culver-Union Township United Fund was held this Monday at the Eagles Lodge.

Drive chairman Joseph Currans announced that this year's fund drive, which will run from October 1st to October 31st, is starting two weeks earlier than usual so that workers can avoid the bad weather that often hinders collections in November.

The goal for this year's fund drive is \$10,000. One new organization that has been added to the list of United Fund beneficiaries is the Girls Softball League.

During the business meeting three directors were re-elected to three-year terms. They are Mrs. Jack Jones, Mr. Currans, and Mrs. Ted Strang.

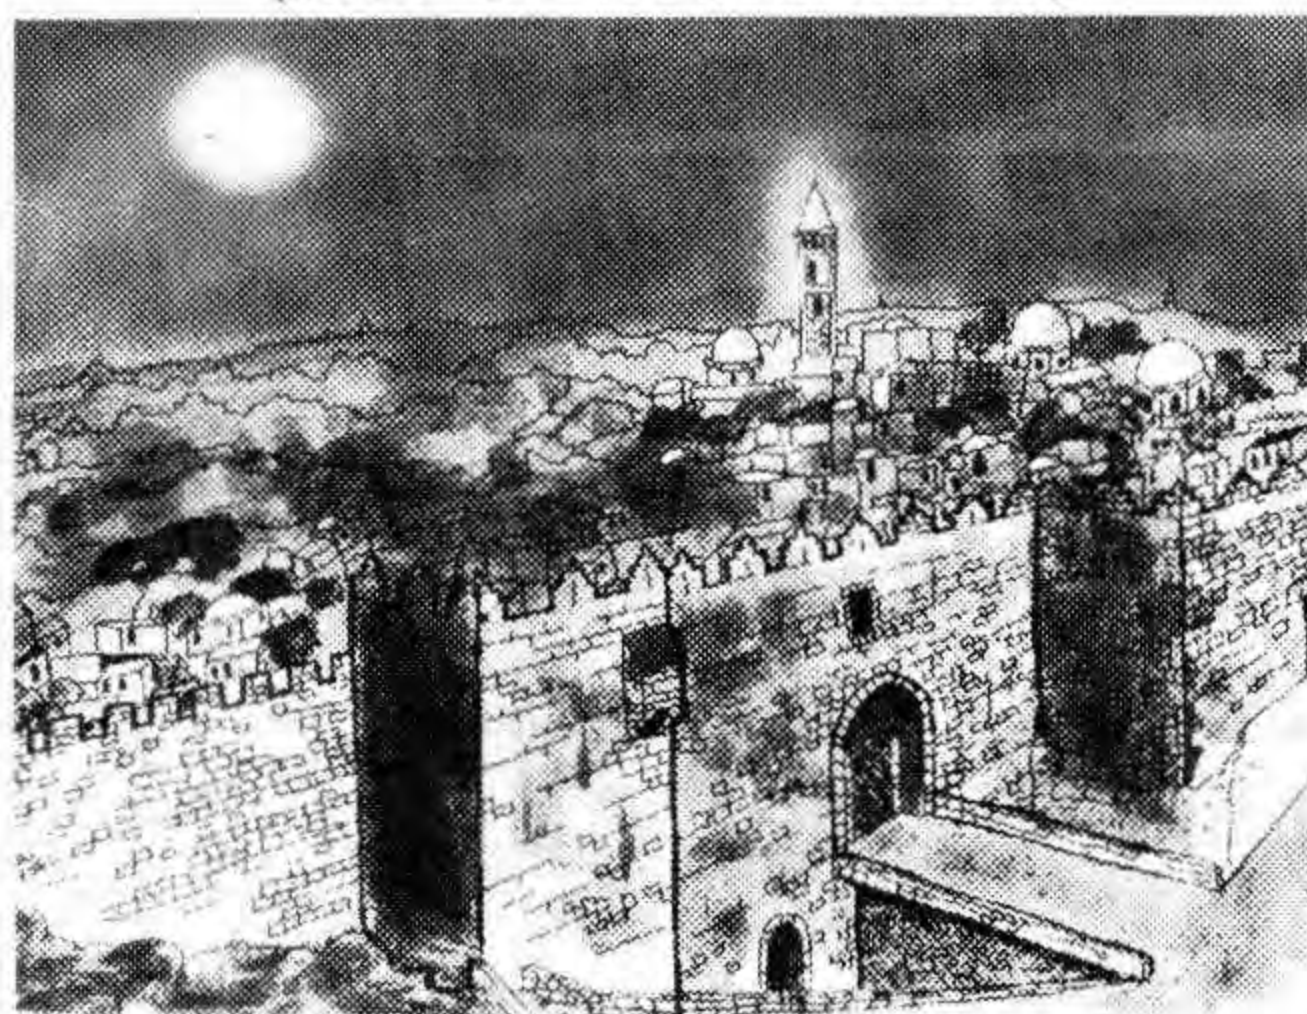

This is the fortieth year that Culver and Union Township have held United Fund campaigns. The directors and collectors hope that we can have a very successful drive to celebrate the anniversary.

POSTAL POSITION OPEN

Wayne Mattox, Postmaster at Culver, has announced that the Culver Post Office is now accepting applications for the position of Substitute Rural Carrier. The pay scale ranges from \$40 to \$50 per day, depending upon the length and type of route.

Applications and more information can be obtained at the Culver Post Office.

YOM KIPPUR (DAY OF ATONEMENT)

OCTOBER 6, 1973

HEBREW DATE: TISHRI 10, 5734

Inside the old walled city of Jerusalem is the site of the ruins of an ancient temple. A wall of that temple left standing is called the "Wailing Wall". During Yom Kippur (which begins the evening of the final day of the then days of penitence) Jewish worshipers gather at this site of religious pilgrimages which have endured through the centuries. This scripture from The Living Bible is the authority for observance of Yom Kippur, the Day of Atonement.

"This is a permanent law: You must do no work on the tenth day of the seventh month (of the Hebrew calendar), but must spend the day in self-examination and humility. This applies whether you are born in the land or are a foreigner living among the people of Israel; for this is the day commemorating the atonement, cleansing you in the Lord's eyes from all of your sins. It is a Sabbath of solemn rest for you, and you shall spend the day in quiet humility; this is a permanent law. This ceremony, in later generations, shall be performed by the anointed High Priest, consecrated in place of his ancestor Aaron; he shall be the one to put on the holy linen garments, and make atonement for the holy sanctuary, the Tabernacle, the altar, the priests, and the people. This shall be an everlasting law for you, to make atonement for the people of Israel once each year, because of their sins." (Leviticus 16:29-34)

"Nine days after the Festival of Trumpets, all the people are to come together before the Lord, saddened by their sin; and they shall offer sacrifices by fire to the Lord. Don't do any work that day, for it is a special day for making atonement before the Lord your God. (Leviticus 23:26-28)

from The Living Bible

YOM KIPPUR is the most solemn day of the Jewish New Year. It is a day of fasting and prayer. Yom Kippur is the highest of all holy days in the Jewish Religion.

Letters

September 26, 1973
TO THE READERS OF CITIZEN: I am writing this letter in reference to the 1974 Regatta Festival. In the past few years the community has shown to me a lack of interest in the planning and organizing of the mid-summer festival. The Regatta Festival gives the people in our community an opportunity to put together a joint effort for a planned annual event for the good of the people in the town, the local merchants, and the children of the community by giving them and their families something of their own doing to look forward to. For those of you who have read this letter with interests such as mine I have respect and hope that when you may be asked to do something not just for the community but for yourselves that you pitch-in and do what you can. Right now I myself and other interested people are hoping to start the planning for the 1974 Regatta (sic) Festival October 9 with the representatives of the organizations of the community, if

you have question (sic) of your club representation please find out so your interests and ideas maybe (sic) heard.

Thank You
Bob Babcock

Mr. Arthur S. Morris, 93, formerly of 480 Lakeview Street, passed away at 3:00 a.m. on Saturday, September 29, 1973, at the Pulaski Memorial Hospital in Winamac. He had been in failing health for the past five years.

He was born in Culver on July 23, 1880, to Oliver and Margaret Morris, and was a lifetime resident of Culver. He was an accountant at the Culver Military Academy until his retirement. He was a member of Culver Grace United Church of Christ.

On March 10, 1904, he was married to Josephine A. Overman in Culver. She preceded him in death on June 9, 1964.

Surviving are three daughters, Mrs. Harold (Margaret Ellen) Derck, Cleveland, Ohio, Mrs. Donald (Lois Bess) Hand, Culver, and Mrs. William (Alda Jo) Dickinson, Orlando, Florida; one son, Clyde Morris, Cleveland, Ohio; eleven grandchildren; and seven great-grandchildren.

Funeral services were held at 11:00 a.m. on Monday, October 1, at the Grace United Church of Christ, with the pastor, Rev. John H. Krueger, officiating. Burial followed in Culver Masonic Cemetery.

The Bonine Funeral Home, Culver, was in charge of the arrangements.

Julia I. Zacharias

Mrs. Julia I. Zacharias, 45, 7377 Sandalwood Drive, Indianapolis, passed away at 1:45 P.M. on Monday, October 1, 1973, at the University Heights Hospital in Indianapolis, following an illness over the past three years.

She was born in Culver on November 27, 1927, to Ora T. and Daisy J. (Reeder) Smith. She had been a resident of Indianapolis for the past twenty years.

She is a member of the First Presbyterian Church of Southport, Indiana, Chapter President of P.S.I. Sorority, and a member of the Emily Jane Culver Chapter, Order of the Eastern Star.

She was married on November 25, 1950, at Many, Louisiana, to H.J. Zacharias. He survives, with three children, Scott, Kent and Lynn Zacharias, all at home, and her mother, Mrs. O.T. (Daisy J.) Smith, Culver.

Funeral services will be held at 11:00 A.M. on Thursday, October 4, 1973, at the Bonine Funeral Home, Culver. Rev. Earl W. Sharp, pastor of Wesley United Methodist Church, will officiate. Burial will follow in the Culver Masonic Cemetery.

Friends may call at the Bonine Funeral Home, Culver, until the time of the services.

Memorial contributions to the American Cancer Society will be accepted by the family.

Rainbow News

"Love bears all things, believes all things, hopes all things, endures all things" was the motto chosen by Debbie Bernhardt, daughter of Dr. and Mrs. Charles Bernhardt for her term as worthy advisor of the Culver Assembly, Order of Rainbow for Girls, at a public installation Saturday, September 29 at the Masonic Temple.

The podium in the East was draped with yellow satin, and at its base was a bouquet of yellow mums and white daisies, and a white candle. These embodied her colors - yellow and white; her flower - the daisy; and her symbol - the candle. Her watchwords are "Faith-Hope-Love"; and her song is "I'd Like to Teach the World to Sing".

Mrs. James Grover, mother advisor, greeted the guests using a theme dedicated to "LOVE". She introduced the installing officer, Mrs. Richard Dehne, past mother advisor; installing marshal, Carol Dehne, past worthy advisor; installing chaplain, Mrs. John Hoesel, past worthy matron, and installing recorder, Mrs. Harold Fitterling, past mother advisor. Musician was Mrs. Barbara Prilliman of Kewanna; soloist was Cindy Shaffer, and guest speaker was the Reverend John Krueger of Grace United Church of Christ.

The soloist sang "The Lord's Prayer" as the installing chaplain placed the open Holy Bible on the altar.

The elective-officers, carrying a single daisy, were escorted into the assembly room by the installing marshal, and the recorder called the names of the officers to be installed.

Debbie, worthy advisor elect, was escorted behind the altar, took her vows, and received the jewel of her office. She was honored with her song, and escorted to the East where she received grand honors.

Twyla Shaffer, worthy associate advisor elect, was escorted behind the altar, received her jewel, and was honored with the song "What the World Needs Now is Love" and seated in the West.

Other elective officers installed were: Charity, Judy Kempe; Hope, Susan Middleton; and Faith, Martha Davis.

Appointive officers installed were: Drill Leader, Kelly Middleton; Love, Michelle Jaquish; Religion, Brenda Shaffer; Nature, Kathy Dehne; Immortality, Karen Kowatch; Fidelity, Cathy Brown; Patriotism, Gwen Burns; Service, Anne Rinehart; Confidential Observer, Debbie Grover; and Choir Director, Tammy Overly. Chaplain, Kathy Grover will be installed at a later date.

After the installation of all the officers, the Installing Officer honored them with a poem "Today", and the marshal

Debbie Bernhardt

declared the officers duly installed for the ensuing term.

Debbie spoke on her motto, watchwords, colors, flower and symbol and invited Rev. Krueger to speak on her motto. He stated "Love" was his favorite word and challenged all of us to be the world's greatest lover.

The installed worthy advisor introduced her mother advisor - Mrs. Grover and her Rainbow Dad - Col. E. Kemp Moore. Her parents were then escorted to the East, introduced and honored with the song "You'll Never Walk Alone". She also introduced her brother Doug, her grandparents, Mr. and Mrs. Albert Hosimer, and other close friends. Other officers introduced their parents. Distinguished guests introduced were Mrs. Max Geiger, worthy matron of Emily Jane Culver Chapter, and Connie Kelly, past worthy advisor and Grand Representative to Michigan.

The mother advisor presented the worthy advisor with her traditional gavel and the worthy associate advisor presented her with a gift from the assembly.

Carol Dehne, on behalf of the installing officers, wished Debbie and her officers a good term, as did "Pop" Moore on behalf of H. H. Culver Lodge; and Mrs. Geiger on behalf of Emily Jane Culver Chapter. Sylvia Shaffer, past worthy matron also spoke briefly, wishing the newly installed officers a successful term.

The formal closing march was held, after which the prayer circle was formed, and all sang "Evening Prayer".

A social hour followed with refreshments served by Cathy Brown, Kathy Dehne, and Karen Kowatch.

Town Board Meeting More About Safety

The Culver Town Board met in regular session Monday night, October 1, at 7:30 p.m. The minutes of the previous meeting were read and approved. New business was handled first on the agenda.

Mr. and Mrs. Robert E. Johnson of 425 South Ohio Street had sent a letter to the Board asking for permission to close Hawkins Court west from Ohio Street, a distance of about 125 feet, for farming purposes. The Board took the

request under advisement.

In other business, several transfers of funds were made. It was mentioned that there were large tree limbs down at the corner of South Main and Wabash, and that the limbs should be removed. The Board agreed to check into the matter.

Several appointments were made to the Town Plan Commission. They are: Mrs. Cary Flora, to fill the unexpired term of Verl Shaffer; expires December 1974; Mary Wieringa, four-year term;

Ora Reed, four-year term; Bill Allen, four-year term. The Board approved Mr. Allen's appointment pending approval by the Circuit Court Judge.

The Board discussed replacing the tank on one of the Town's trucks. Mrs. Sue Mattox reported that the 1000 gallon tank now being used must be replaced, as it has rusted out. Mrs. Mattox was assigned the task of looking into the cost of a replacement.

In old business, the matter of school safety again came up. Board president Ed Pinder prefaced the discussion by expressing his displeasure at the action of members of the community in serving as volunteer crossing guards at the end of school sessions last week. Such volunteer conduct, without the Board's prior knowledge and

approval, Pinder said, was illegal and would not be tolerated by the Board. He suggested that those who were concerned about child safety work through the proper channels to accomplish their goals.

Pinder further pointed out that substantial steps have already been taken to relieve the hazards to local children, and reports from Mr. Mills, principal of the Elementary-Junior High School, and Mrs. Eunice Schrimsher, crossing guard, indicated that substantial progress had been made. It is the Board's opinion, based on the observations of Board members during the week, that a crossing guard is not needed at the corner of Lake Shore Drive and Main Street. It was agreed, however, that signs are needed along Main Street and Lake Shore Drive to warn oncoming

drivers that the school is ahead.

It was suggested from the floor that the speed limit of several streets in town be reduced, including College Avenue and Slate Street. The Board took the suggestion under advisement.

There was discussion from the floor regarding the creation of a "pick-up zone" directly in front of the school, to eliminate the hazard of young children darting into the street to reach cars parked on the other side.

After extensive discussion of many facets of the problem, the Board promised to keep working on the problem of school safety in Culver, and to continue observing the steps that have already been taken.

There being no other business, the meeting was adjourned.

Weekend Traveler

NEARBY CELEBRATION

EXCELLENT WEEKEND TRIP

With the Fall weather upon us, a short weekend excursion can give us an opportunity to view the beautiful colors of the trees as they turn, and visit some interesting places.

Some of the voyagers who re-enacted the Joliet and Marquette exploration of the Mississippi River this summer will participate in the Feast of the Hunters' Moon, October 13-14, at Fort Ouiatenon, four miles south of West Lafayette on the South River Road.

The Feast which will be sponsored for the sixth consecutive year by the Tippecanoe County Historical Association, celebrates the homecoming of voyageurs returning for another season of trading with the Indians. It also is a bountiful harvest as it may have been observed, when Fort Ouiatenon was the first fortified European settlement in what is now Indiana.

In 1673 a crew of five, led by Louis Joliet and Father Jacques Marquette, explored the Missi-

ssippi and claimed land drained by the river for France.

The 1973 party of eight, including a boy of 14, retraced as nearly as possible the route taken by the French explorers 300 years ago. They beached their two canoes September 19 at Green Bay, Wisconsin, after a four-month voyage which began at St. Ignace, Michigan, on May 17.

Some of these 20th century canoeists who commemorated the tricentennial year will join many other voyageurs and traders at the autumn Feast.

Another highlight of the two-day Fort Ouiatenon event will be four performances by the Tippecanoe Players of a one-act Moliere play, "The Impromptu of Versailles." Raffael Nedomansky directs the group which was organized two years ago.

Featured will be members of the 9th Virginia Regiment, patterned after a military group of the Revolutionary War, and the Tippecanoe Ancient Fife and Drum Corps, a group of high school pupils which performed at the French Embassy in Washington, D.C. earlier in the month.

Canoe races and Indian dances, tomahawk and knife-throwing contests are among scheduled events as are muzzle-loading demonstrations, stories and legends for children in a tipi. French folk singing and dancing and dulcimore music.

Craft demonstrations will include spinning, weaving, soap making, candledipping, broom making, pottery making, vegetable dyeing, leather working, silversmithing, blacksmithing, wood-turning, tin-smithing and pewter pouring.

On the Feast's menu are chicken and fish dinners, ham and beans, buffalo burgers, voyageur pea soup, bread and jelly, cider and doughnuts, roasted rabbit and corn, herb teas and French baked goods.

Visitors who wander the Fort Ouiatenon grounds, where a replica of the original French fort stands, will find a "boite a chapeau" (costumes and toys), trade goods, foods and harvest produce in brush shelters, hand-crafted wares and pony rides, plus an animal contact center for children.

Admission is \$1.00 for adults, 50 cents for children.

MAXINKUCKEE JUNIOR WOMAN'S CLUB MEETS

The Junior Woman's Club of Culver met Monday evening, September 24 at Wesley United Methodist Church. Guests for the meeting were Mrs. Norman Dumaine, Mrs. Kenneth Hass, and Mrs. Fred Hasse. Welcomed as a new member was Mrs. John Deery.

The program was given by Fashion Craft of Plymouth. Several crafts including needlepoint, rug hooking, decoupage, and Christmas ornaments were discussed during the program.

During the meeting a report on Junior Workshop was given and included a report that six members, Mrs. Kenneth Miller, Jr., Mrs. Ronald Tusing, Mrs. Larry Berger, Mrs. William Epley III, Mrs. Latham Lawson, and Mrs. James Kalinke attended the day meeting last Saturday, September 22 in Highland.

Representatives were picked to attend a special Senior Citizens' meeting and a planning group was chosen for the 1974 Maxinkuckee Festival. Mrs. Roy Shepard reported that the glass recycling station will once again be open the first Saturday of each month beginning with the October 6 date.

Co-hostesses for the meeting were Mrs. Charles Cullins and Mrs. Jerry Anderson. The next meeting will be October 8 at the home of Mrs. Ned Davis and will include a program on crafts.

WALK FOR MANKIND —

Dozens of area residents turned out Sunday afternoon at the 1973 Walk for Mankind.

Participants ran or walked [although one fell, we are told!] around Lake Maxinkuckee, earning money from sponsors by the mile to contribute to Project Concern. See story on Page One.

At the beginning of each month the library has posted in each of its two vestibules a calendar of events, meetings and things to come for the Culver community.

In order to keep this calendar up to date, Mrs. Scruggs, the Librarian, has requested that all organizations keep her posted as to changes of dates, extra meetings, and the election of new officers.

The community calendar project is of use to almost all citizens in our locality and cooperation is needed to keep it "going strong."

BOOSTER CLUB ORGANIZATIONAL MEETING NEXT WEEK

Interested members of the community are invited to attend an organization meeting for the Adult Boosters Organization of the Culver Community Schools. The meeting will be held in the High School Auditorium on Friday, October 12th, at 8:00 p.m.

The objectives of the group are as follows:

- To promote help in every function and assist all groups in the school group
- To offer support of policies set down by the school officials
- To provide a fund raising function if the need arises
- To provide an organization to allow 100% support for the school

• To foster communication and understanding between the communities and the school officials

The group is intended to represent (and to have members

from) all parts of the school community, not just those adults from Culver.

Board Members of the proposed group's Board of Directors are Helen Osborn, North Bend; Marg. Ahlenus, North Bend; Clip Whomsby, Monterey; Ron Reenholt, Leiters Ford; Jim Kline, Leiters Ford; Vern McKee, Culver; and Bev Wyman, Culver.

This Board will be replaced at a later meeting with a representative group elected by the new members.

For further information, contact any board member listed above.

PROVINCE 10 WORKSHOP

More than one hundred members and leaders of Tri Kappa met at the Presbyterian Church in Walkerton on Wednesday, September 26th, for their annual officers' workshop. Mrs. Bryce Rohrer of Walkerton, Province Ten Officer, was leader and coordinator.

In addition to Mrs. Rohrer, the speakers giving reports were: Mrs. Dale Pence, Columbia City, scholarship; Mrs. Philip Woodcox, Auburn, art; Mrs. Joseph Constanza, Portage, chapters and charters; Mrs. Charles Doran, Elkhart, treasurers; and Mrs. Thomas Walker, Culver, reporting to newspapers.

General business included the latest news from State Council and all state committees, and also general plans for the coming year.

Before the meeting and workshops, a reception was held to honor Mrs. Rohrer and other Province 10 officials.

Attending from Epsilon Nu Chapter, Culver, were Mrs. Clarence Bair, Mrs. Alfred Donnelly, Mrs. Donald Davis, and Mrs. Robert Rust.

LOGANSPOUR LWML ZONE

RALLY HELD

Trinity Lutheran Church, 330 Academy Road, was hostess to the Logansport Zone Lutheran Women's Missionary League Rally on Wednesday, September 26. One hundred women from surrounding area Lutheran churches meet yearly to review the mission outreach of the LWML mite collections. Theme for the rally was "Together in Christ, Mites are Mighty" and the Trinity Guild displayed mite collection boxes and pennies as symbols of the strength of prayers and pennies for missions.

Mrs. Paul Brassie of Lafayette, Zone president, was in charge of the business portion of the day. Speakers included Mrs. Kenneth Jesse of Goshen who spoke on Cedar Lake Lodge and the LWML Mission Service Committee, Mrs. Wayne Bode, delegate to the International Convention, and Rev. Carl W. Baringer, Indiana District Secretary of Missions and Church Extension, from Fort Wayne.

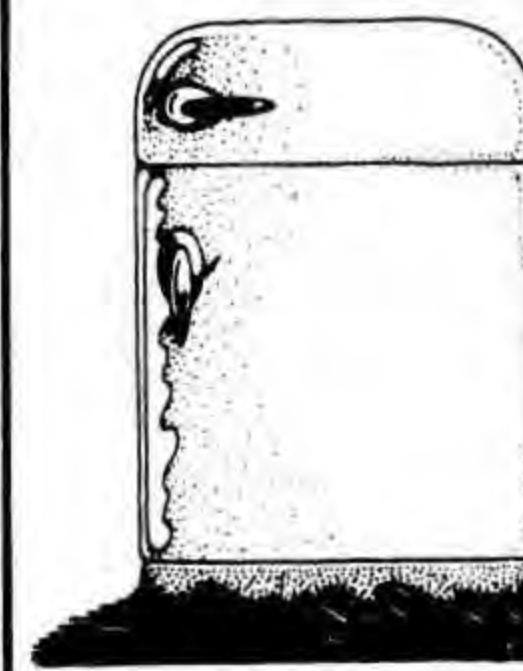

The luncheon was served by Wesley United Methodist Ladies. Special guests for the day included the Calvary Lutheran LWML ladies of Plymouth, members of the South Bend Zone. Rev. Marcus T. Lang of Lafayette closed the meeting with the installation of new officers. Goodland will host the rally next fall.

Helps Shrink Swelling Of Hemorrhoidal Tissues

caused by inflammation

Doctors have found a medication that in many cases gives prompt, temporary relief from pain and burning itch in hemorrhoidal tissues. Then it actually helps shrink swelling of these tissues caused by inflammation. The answer is Preparation H®. No prescription is needed for Preparation H. Ointment or suppositories.

Memories From Past CITIZENS

October 3, 1968

Carl Stubbs was presented with a watch by Brig. Gen. John W. Dobson Friday, September 6. The occasion was Stubbs' retirement from Culver, but he has been retained past his official retirement date. He has been employed at the Academy in several departments since 1930. Stubbs has worked in Buildings and Grounds Security, and for the past eleven and a half years, as an outside engineer in the power house.

Miss Pam Moran, daughter of Mr. and Mrs. Claude Moran, Route 1, Monterey, and a senior at Culver Community High School, has been named as an Achievement semi-finalist in the 1968-69 National Achievement Scholarship program on the basis of her 1968 National Merit Scholarship Qualifying test scores.

The town of Culver was honored Wednesday morning when a group of dignitaries of the United States Postal Department presented a citation to the Culver Post Office.

The new teachers of the Culver Schools have been invited to attend the October 3 meeting of the Culver City Club to be held in the Bank Lounge at 8:00 p.m.

On Sunday, October 6, the Monterey Tippecanoe Public Library will formally celebrate the 50th year of operation.

October 2, 1963

More than 200 Boy Scouts and their leaders of the Menominee District, Tri-Valley Council, Boy Scouts of America, attended the Fall Camporee over the weekend, September 27-29, at Myers Lake Scout Reservation. The theme of the Camporee was "Invitation to Adventure", with 21 Scouts of local Troop 290 participating in the demonstrations, competitive skills, and projects.

The Backyard Horseman

By Capt. Jeff Honzik

Bot Flies

The bot flies annoying our horses during the summer are still more of a problem in midwinter. Nearly all horses have varying degrees of bot infestation.

Bot flies are specific flies that attack horses; the bot larvae are immature forms of the fly found in the stomach. The adult female fly is hairy and gray-brown in color. She hovers around the legs and neck, where she attaches her eggs with a special secretion to the hair. These flies are most active in the summer months. The eggs hatch when moistened. The hatched larvae irritate the skin causing the horse to lick the area. The small bots thus gain entrance through the tongue into the mouth and slowly pass on to the stomach. Once in the stomach, they attach themselves to the mucous lining and rapidly develop into larger larvae. Most horses host a few bots, and horses on pasture may have several hundred.

The bots remain attached to the stomach lining until approximately May or June. During this period of time they feed on the lining of the stomach, sucking blood from the host for nourishment. The most severe damage occurs when the bots are attached to the stomach wall, resulting in inflammation and interference with digestion.

Horses having large numbers of bots in their stomach may suffer from digestive disturbances and colic, lowered vitality, emaciation and reduced work output. Large numbers of bots may even obstruct the opening at the junction of the

Mrs. Esther McFarland reported this morning to The Citizen that she had the unseasonable experience of picking red raspberries yesterday, on the first day of October, in her garden at 304 East Jefferson Street. She reports that the fruit is much larger than the seasonable product and just as delicious.

September 30, 1953

Yesterday's unseasonal heat wave, carried in on hot, dry winds from Texas, sent the temperature soaring to an unofficial 94 in Culver for an all-time record for that date.

The Culver Bible Church, presently meeting in the Public Library auditorium was organized Sept. 26, with Maynard G. Tittle as pastor.

A two-alarm fire Monday morning threatened to destroy the Culver City Grain & Coal Company.

E. A. Thessin, who left about the middle of September for Washington, D.C., is an instructor in the physical education department at McKinley High School.

A safety patrol is being organized in the schools under the sponsorship of the Lions Club, which will provide the members with appropriate equipment.

Four new teachers in Culver High School this year are Miss Schuman of Columbia City, Joe Furnas of Westfield, Basil O'Reilly of Frankfort, and Shelton Kaiser of Orleans.

James Marshall has been appointed chairman of Union Township for the observance of Navy Day.

Floyd M. Annis, principal of Culver High School, announces the cooperation of the Union Township school in offering Rural War Production Training courses. Governor Henry Schricker proclaimed the period from Oct. 1 to Nov. 15 to be devoted to the Hoosier Victory Scrap Bank Campaign.

stomach and the small intestine. Serious problems may result from the toxic materials released by the parasites.

In the spring, the bots loosen their hold, pass through the bowels with the ingesta and pass out in the feces. If outside conditions are favorable, they burrow into the soil and hatch. After four to six weeks, the adult fly emerges, ready to lay eggs.

Frequent grooming, washing with warm water and clipping to remove the eggs that are attached to the hairs of the host are effective means of early control.

Administering debotting agents should be done about a month after the first killing frost has stopped bot fly activity. This is a good time to break the life cycle of the bot. A better job is done if a horse is debotted twice - after the first frost, and again a month later to get those immature forms which were migrating and were not in the stomach at the time of the first treatment. Horses should also be debotted in the late summer to get rid of any accumulated masses of bots which already are in the stomach by then.

Debotting agents can be administered by adding them to the horse's grain ration. Some are available at the animal health counter in a store or feed mill, but others are available only from a veterinarian. For young horses the use of a stomach tub by a veterinarian is most effective.

Do not let the inside of your horse be a winter resort for bot larvae.

The American Legion is offering a diamond ring to the most popular young lady at the fall festival.

It is located in Plymouth. There is also a riding club out at Bass Lake. You may also want to check with the local 4-H club and the FFA club. If you want to start one, I'm sure you can get some interested people together and start the ball rolling. Let me know your progress and good riding to you, Connie.

And this final note - a recent report in U.S. News and World Report states that the horse business in this country presently totals some \$13 billion a year. It also estimates that 40% of the pleasure horse owners are under twenty years of age. Also, that some 300,000 boys and girls are enrolled in 4-H club horse projects, compared to only 38,000 in 1959.

The lesson-sermon this week on Unreality shows us the problems we have to meet by following human will and not the Divine will. This is illustrated in the story of the prodigal son, Luke 15, who asked his father for his inheritance, left home, spent all in riotous living, and became very hungry and in want. He went home in humility to ask his father if he could be just one of his hired servants, who had plenty to eat.

The father, being happy over his return, made a big feast for him. The elder son was angry and would not go in to the party. The father said, "Son, thou art ever with me, and all that I have is thine." We would be happy to welcome you at First Church of Christ, Scientist, Plymouth, at 10:30 A.M. Sunday, to hear this beautiful lesson.

EVANGELIST TO SPEAK AT BURR OAK

The Burr Oak Church of God is sponsoring a Harvest Festival Revival, to be held at the church October 7 through 12, at 7:30 p.m. each night.

Evangelist for the revival will be Rev. Clyde E. Randall. In the ministry for over fifty years, Rev. Randall recently retired from editorship of THE RESTITUTION HERALD, a Church of God national publication. He has served churches in mid-America and Canada. He has served on many church and civic committees, including the Mayor's Committee for Civic Morality in Omaha, Nebraska. He has always been active in the Church of God General Conference, serving on the Board of Directors as well as heading many committees.

The topics for the revival week include: Sunday, The Joy of Freedom (a.m.) and The Fig Tree Blooms (p.m.); Monday, Breaking Fallow Ground; Tuesday, Come My People; Wednesday, The Church Triumphant; Thursday, The More Abundant Life; and Friday, The Water Test.

Rev. Darrell Maddock, pastor of the Burr Oak Church of God, invites all members of the community to attend.

MERCURY COUGAR

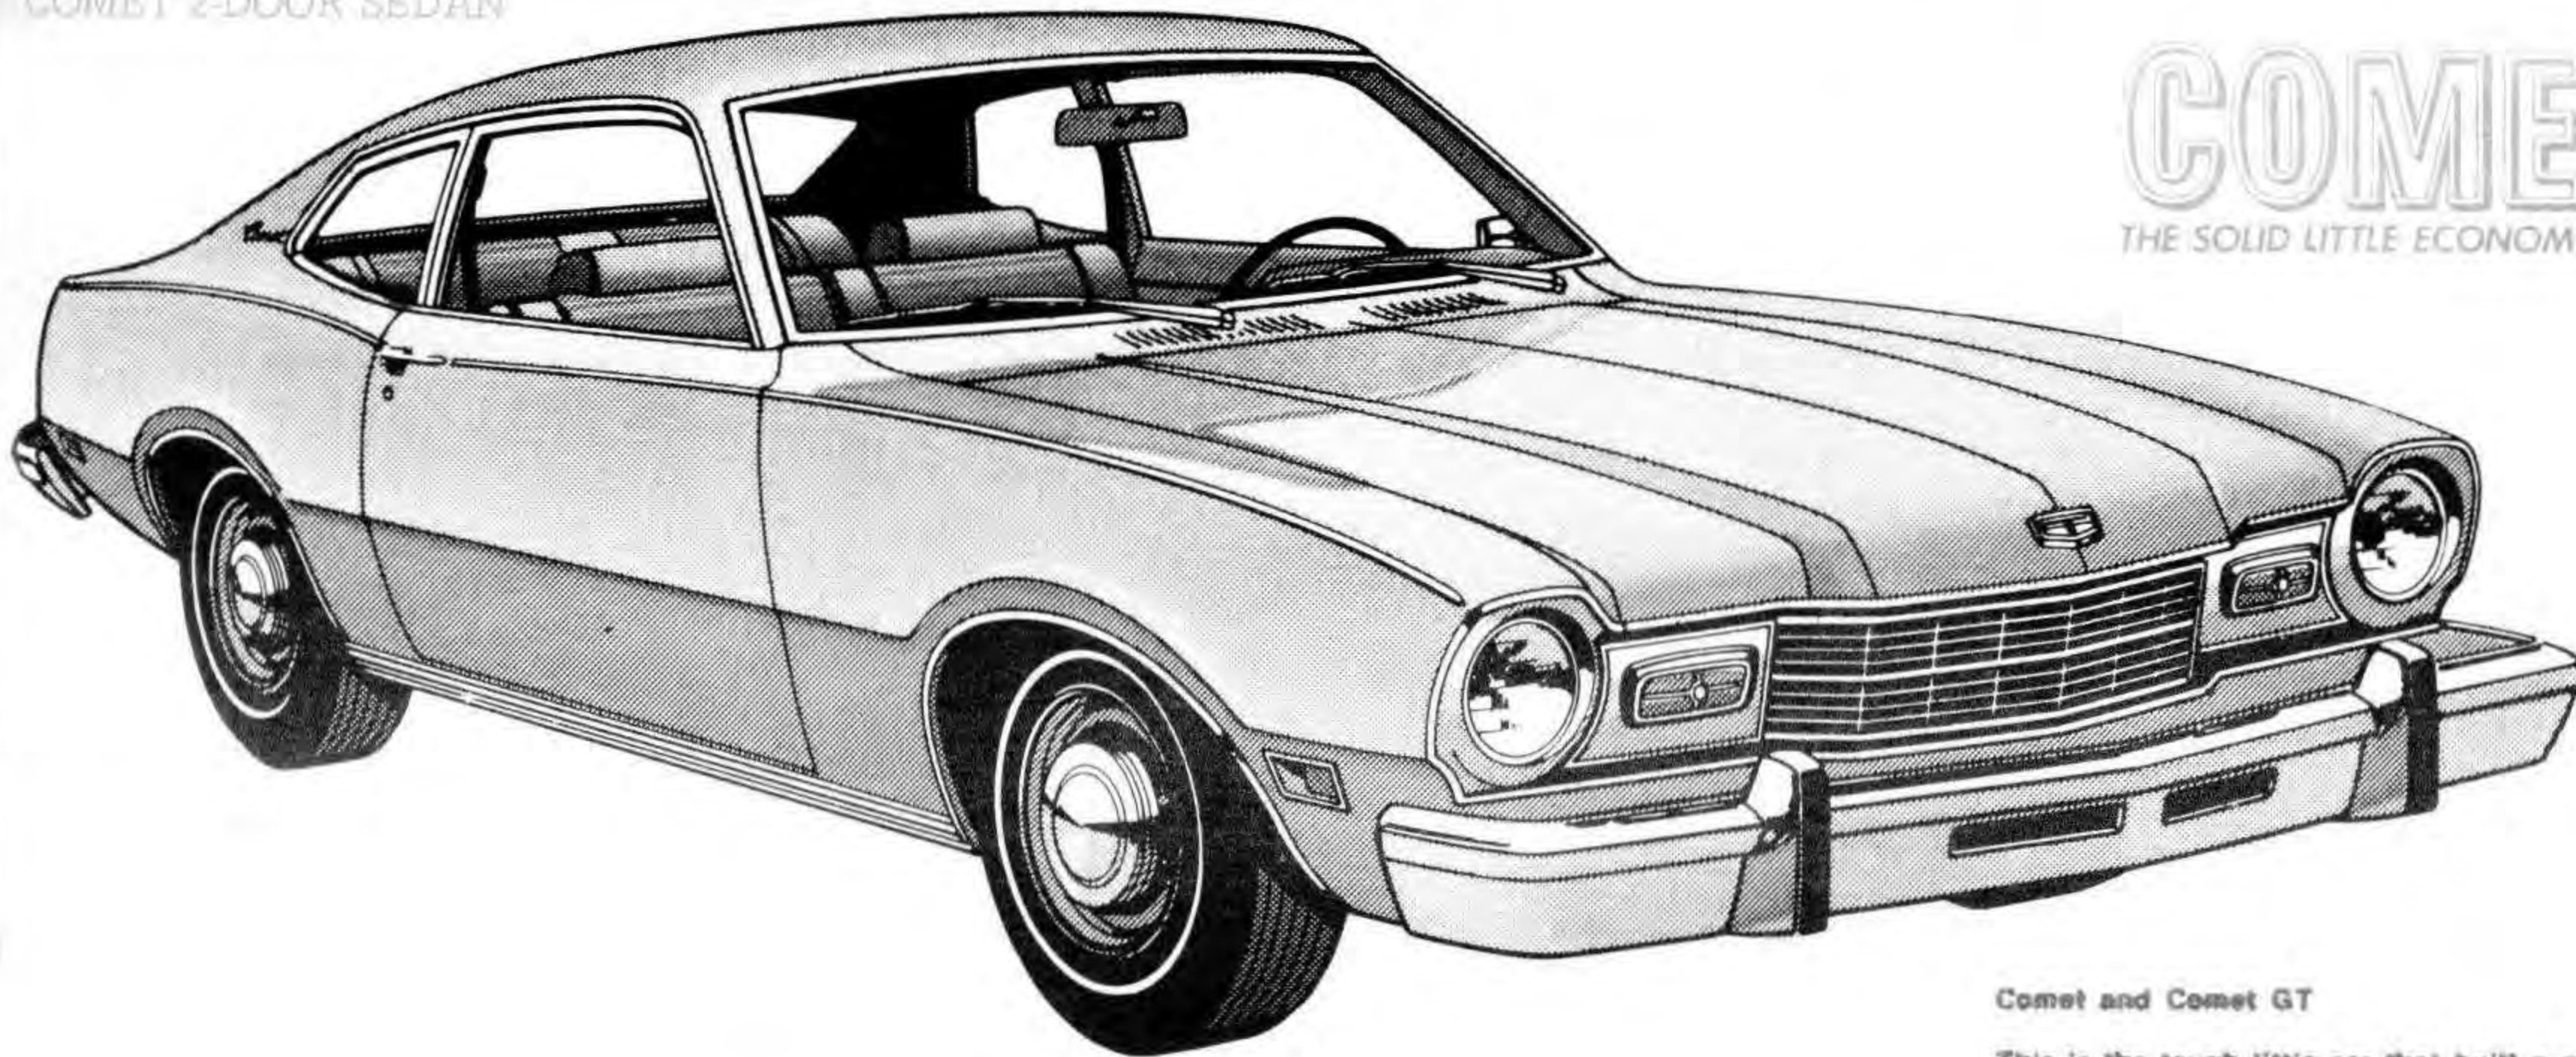

IT'S LIKE NOBODY ELSE'S CAR

COUGAR XR-7

Cougar for '74 — totally new and totally unlike any Cougar anybody's seen before! Longer in its stride, and cal-sure on steel-belted radials. This new Cougar possesses a long, sleek body and wider stance than ever before. It's also noticeably roomier and more luxurious than ever. A fabulous leap upward...into a whole new class of car and comfort. A Cougar like nobody else's car.

COMET 2-DOOR SEDAN

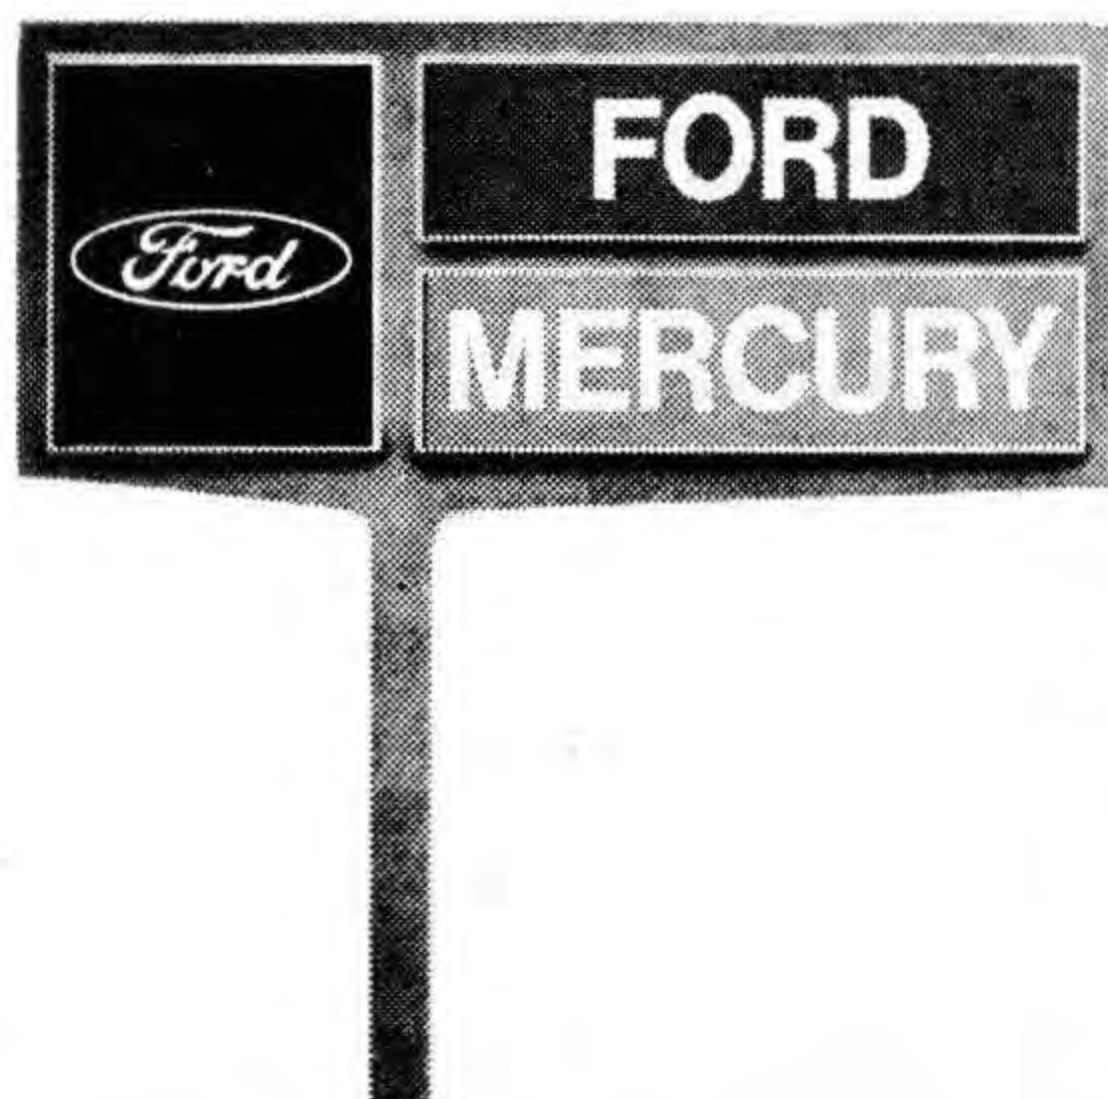

COMET

THE SOLID LITTLE ECONOMY CAR

Comet and Comet GT

This is the tough little car that built a name for durability. Built of the same type high-quality steel as our biggest Mercurys. Solid unibody; sturdy steel side beams. Big-car ideas, big-car stamina — but priced right down with the little imports. The Comet GT model adds sporty touches uniquely its own.

OF LOCAL INTEREST

Mr. and Mrs. Donald Osborn, 315 North Slate Street, spent this past week visiting their daughter and her husband, Mr. and Mrs. Alfred J. Marshall, and family, in Boston, Massachusetts. Mr. and Mrs. Osborn flew to Boston last Tuesday and returned today.

Among the highlights of the Osborns' trip were tours of New Hampshire and Maine, as well as sightseeing around the Boston area.

Mr. and Mrs. Albert Hosimer and Mr. and Mrs. Sam H. Allen spent Wednesday in Centerville, Michigan, attending the St. Joseph County Fair.

Mr. and Mrs. Dean (Skip) Smith and children of Piqua, Ohio, visited for the weekend with Mr. and Mrs. Sam Allen, 571 West Shore Drive, and called on other friends.

Guests of Mrs. James Shearer for the afternoon of September 19 were Mrs. Vernon Ward and Mr. and Mrs. Arthur Heckaman of Bremen.

Mrs. Frank Martin, 915 Obispo Street, entertained as her guests recently Mr. and Mrs. Eugene Beach and son and Mr. and Mrs. David Beach and sons, both of Lima, Ohio.

Evening guests were Mr. and Mrs. Harry Culp of Fulton. Mr. and Mrs. Culp are Mrs. Martin's parents.

MAXINKUCKEE REBEKAHS HOLD MEETING

Preceding the regular meeting of the Maxinkuckee Rebekah Lodge September 24, the members met at Bonine's Funeral Home to hold memorial services for Mrs. Henry Hinkle. Returning to the lodge, Mrs. Charles Frain, noble grand, conducted the meeting. Reports were given and Mrs. Otho Warner and Mrs. Leslie Mahler will be the delegates to the Rebekah Assembly at Indianapolis in October. It was announced that lodge will now convene at 7:30 p.m. through the winter months. The District meeting will meet at Warsaw and members are urged to attend on Tuesday.

Birthdays of the week were remembered and Mrs. Alva Savage presented the mystery gift. Mrs. Emmett Keifer was the recipient. During lodge the Charter was draped in memory of Mrs. Hinkle.

Mrs. Everett Gibbons and her September committee served refreshments with games and social time following.

C.M.A. ROTC NEAR PERFECT ANNUAL FORMAL INSPECTION

Out of a possible 100 points, the Army Junior ROTC detachment at Culver Military Academy earned 99.45 points and recognition as an "Honor Unit with Distinction" during the Annual Formal Inspection conducted May 7th and 8th. The Academy has received top honors since creation of the Junior ROTC concept at the high school level.

The Army inspection team under Col. Alvin J. Gendron concluded its lengthy checklist with the overall observation that "the corps is superior in all aspects and is worthy of being designated an Honor Unit with Distinction."

Normally reserved for the top 20 percent of qualified schools, the award carries with it the privilege of nominating three qualified students to each of the three service academies. Qualified students from the honored schools may also apply directly to the service academies if other avenues of application are unproductive. In the past five years, 21 Culver graduates or post-graduates have entered the nation's service academies.

CHAMBER OF COMMERCE OCTOBER MEETING

The October meeting of the Culver Area Chamber of Commerce will include husbands and wives for an evening dinner.

The meeting will be held Tuesday, October 9th at 7:00 p.m. at The Culver Inn. The meal will consist of the specialty of the house for Tuesday, Lasagna.

In addition to an evening of fun and fellowship, the program includes a short film of the 1930's showing the town of Culver and its citizens, shown by Dave Burns.

Reservations should be called in before Monday noon to Mrs. Ted Strang.

LITTLE LEAGUE MEETING

There will be a Little League meeting on Friday, October 5th, at 7:30 p.m. at the Town Hall.

GLASS RECYCLING RETURNS TO CULVER

The glass recycling station sponsored by the Maxinkuckee Junior Women's Club will begin its winter schedule October 6. The station will receive glass only on the first Saturday of each month between the hours of 9:00 a.m. and 12:00 noon.

Bottles are to be rinsed, and all metal caps and rings must be removed.

The station is located at the home of Mr. and Mrs. James Kalinke. To reach the station, take School Street north across State Road 10; turn left at the dead end, and the Kalinke home is the first house on the left.

APPLICATIONS FOR VPO NOW BEING ACCEPTED

The Marshall County Probation Office announced they are receiving applications for VPO. The VPO program is designed in such a fashion that local persons trained to be probation officers supervise the persons on probation in the community. If you are interested in being a Volunteer Probation Officer, contact Col. E. Kemp Moore, 842-3288, for more information and application forms. The deadline to have these forms in to Col. Moore is October 12.
