## State Exchange Party

### BANK STAFFS CELEBRATE "CHRISTMAS AROUND THE WORLD"

"Christmas Around The World" was the Holiday theme for the 35th annual Christmas Party for staffs of The State Exchange Bank of Culver, Plymouth, and Argos; Farmers State Bank of LaPaz; and the State Exchange Finance Company, Saturday evening, in the auditorium and cafeteria of Culver Community High School.

Christmas dainties were served at a prettily arranged punch table before guests joined in the candle-lit dining room where staff members and spouses, numbering 255, gathered for the annual pre-Christmas activity.

In keeping with the motif, the unusual decor was carried out in the table setting, featuring centerpieces with lighted candles, evergreens, and figurines from many foreign lands.

From the "Holiday Fruit Cup" entree and "Roast Native Turkey" with all the trimmings to a dessert course of "Mince Pie with Hard Sauce", the menu featured world accented delicacies.

W.O. Osborn, president, and

Fred Adams, executive vice-president, were joined by directors and other officers at the head table. Mr. Adams welcomed guests, introducing new personnel who joined the bank staff during the past year.

In a series of tributes, Mr. Adams cited three staff members for their long service to the banks—Arden N. Butler, vice president, 36 years; Willard L. Johnson, vice president, 33 years; and Floyd L. Johnson, assistant cashier, 18 years.

Mr. Osborn expressed appreciation to employees for their efforts,

### ELEMENTARY SCHOOL CHRISTMAS PROGRAM COMING UP

The Culver Elementary Christmas program will be held Thursday, December 20th, from 1:30 to 2:30 p.m. The fourth, fifth, and sixth graders will present this year's Christmas program under the direction of Mrs. Wanda Couch, Elementary Music Teacher. The program will be held in the Junior High gym. All parents are cordially invited to attend this annual program.

## COFFEE SHOP BURNS

The Coffee Shop, located across from the city park on Lake Shore Drive, experienced a fire last Wednesday that completely gutted the aged building and the apartment above.

The fire loss has been estimated by Pearl Onesti, operator of the restaurant and occupant of the apartment above, to be over \$25,000. The building and contents were not covered by fire insurance.

Mrs. Onesti is not sure what she

will do with the building or the business. The windows have been boarded up, and little has been done since the fire except the salvage of silverware and other items not irreparably damaged in the fire.

Mrs. Onesti reports that there is much water damage to the building, in addition to the effects of the flames. As of this writing, Mrs. Onesti had not yet found a permanent place to live.

STANDING EMPTY, The Coffee Shop on Lake Shore Drive is closed following last week's fire. This makes the third restaurant closed this year in Culver. CITIZEN Photo

*"Christmas"*

*I love Christmas time,  
To think of Jesus the boy,  
And read about Him on earth.  
"To know Him" gives us joy.*

*I love Christmas time,  
To think of God's great gift,  
And all He does for us,  
Our lives, He tries to lift.*

*"God, Lord all the people"  
"all over this big world."  
So we, should love Him to,  
Keep our lives, unfurled.*

*God's greatest gift, to all,  
Should keep us, all in peace.  
Men should live better to-day,  
Our love for Him, to increase.*

*This wonderful Christmas time,  
Is to live, close to God,  
For, giving us His son Jesus,  
We hope, He will give us, the nod.*

### SANTA'S SPEEDY HELPER... GIFT-GIVING SYSTEM NOW OPERATING LOCALLY

A Culver-area merchant is part of a new nationwide gift-giving system that makes it possible to have a gift delivered almost anywhere in the country within hours.

The system is operated by GiftAmerica, a subsidiary of the Western Union Corporation. Deliveries are made through the network of 5,500 GiftAmerica dealers across the nation, and purchases can be charged to most major credit cards.

Gifts, which are on display at GiftAmerica stores, range in price from \$15 to \$45. The local dealer relays all orders to GiftAmerica's computerized service center in St. Louis, Missouri, which, in turn, contacts the dealer nearest the recipient's home. This dealer signs the special occasion card, wraps the gift and delivers it.

Customers who can't visit a dealer may call a toll-free number -800-342-5777- to order from GiftAmerica directly.

**AN INVITATION TO ALL**  
 Whether you're working, shopping, or just window-shopping downtown next week, part of your day should be set aside to spend a bit of time at the public library to enjoy a respite from the holiday rush.  
 Beginning December 17th, Christmas cookies with hot coffee will be the treat in store for all those who visit the bottom floor of the Culver Public Library. The library staff has been baking goodies and arranging decorations all over the building for the holiday season.  
 Last year was the first time that library personnel served refreshments to the harried Santas and

helpers at Christmastime. The response was so favorable, and requests were so numerous to repeat the event, that Mrs. Jane Scruggs, Librarian, and Mrs. Barbara Ogden, Assistant librarian, want to share again this time of pleasure with the people of Culver.  
 During the holidays, the library will be closed December 24th through 26th and December 31st and January 1st.

**CULVER JUNIOR HIGH WINSTWO**

 The Culver seventh grade team won their second game in five outings by defeating Caston 44-22. Coach Pachniak got to play all the hoys as Culver led from beginning to end.  
 The next home game will be against Oregon-Davis tonight, December 13th, with the first game beginning at 6:30 p.m. This will be the last home game until after the Christmas break. The Junior High Pom Pom Girls will perform at this game.

## LETTERS

**An Open Letter To Rev. Krueger:**  
 As a former CCHS athlete, I found the recent efforts of Coach Hass and the Athletic Council to upgrade the basketball program at CCHS, and to generate some interest and enthusiasm for the upcoming season to be highly laudable. Any successful athletic program has to have the support and assistance of the local community. Coach Hass would be remiss in his duties if he did not seek this support.  
 At the December 4th meeting of the School Board, the Rev. John Krueger expressed his uneasiness over the emphasis being placed upon winning by Coach Hass. Rev. Krueger seemed worried that this emphasis might obscure other valuable assets that can be gained from participation in high school athletics. While the ultimate value of an athletic program to it's participants cannot be measured by any criterion so short-sighted as a won and loss record, perhaps Rev. Krueger does not realize that a coach can't instill a winning attitude in his players simply by teaching them a few plays. Anyone can prepare a team physically, it is only by reaching the players' minds and emotions that a coach is able to fulfill his highest expectations - that of helping his players to develop into strong, mature, and creative individuals.  
 This emphasis upon winning can serve as a constructive influence. Every player soon realizes that basketball games are not won by accident, but only through long hours of hard practice. Victories on

the court can serve as an indication of how well an athletic program is achieving it's fundamental goal of assisting in the positive development of the individual players, both physically as well as mentally. The lessons of interscholastic athletics are legion. To be sure they include the creation of individual self respect, pride, courage, self-reliance, dedication to goal, and the teaching of interpersonal cooperation. Without the inculcation of an intense dedication to on the court success, players can hardly be expected to do any more than just go through the motions, or realize the value of what their coaches preach to them. A team that strives to win is a team that is developing and putting to use the character traits that are supposed to be fostered by participation in athletics. I would also submit that no person can be honest with others if he is not first honest with himself, and that personal honesty

is demanded by Coach Hass' rigorous discipline.  
 I am proud and happy to have been associated with CCHS athletics, and I count the experience as one of the most valuable of my life. The oft-times hard lessons there learned have stood me well in all later endeavors.

Respectfully, I am  
 Steve McCombs

Days Gone By...
Memories From Past CITIZENS

December 12, 1968

Once again the churches in the Culver area have prepared special services and events observing the Christmas holidays.

At a regular stated meeting December 5, Masons officers for the new year were elected. They are James D. Bonine, Worshipful Master, Verlin L. Shaffer, Senior Warden, R. Larry Berger, Junior Warden, Jud T. Stinchcomb, Treasurer, Harry D. Winkler, Secretary, Melvin E. Thomas, Senior Deacon, Robert E. Butler, Junior Deacon, Harold E. Hatten, Chaplain, David H. Gaskill, Senior Steward, George C. Vondra, Junior Steward, Albert W. Graham, Tyler, William O. Osborn, three year term Trustee.

December 11, 1963

Earl Dean Overmyer is the new president of the Culver Chamber of Commerce, elected Monday, December 9th at the Chamber's noon luncheon-meeting at the Culver Inn. Other officers elected were Col W.E. Covington, Jr., vice-president and Pete Trone, secretary-treasurer.

Last weekend saw the Culver Indians face the best Starke County had to offer—Knox and North Judson—on successive nights. Coach Gene Crosley's boys blew a 12-point lead Friday night at Knox, losing eventually in an overtime, 74-68. But the Tribe retaliated with a 60-57 win at home Saturday.

December 9, 1953

CMA Chapel Choir will present a vesper service of Christmas Carols in the Memorial Chapel Sunday evening.

Wilber Taylor was elected president of the Culver-Union Township Chamber of Commerce at the regular meeting held Monday.

December 15, 1943

Robert Rust, member of the Academy faculty, will receive his master's degree in education at Indiana University on Sunday.

Due to the coal shortage for heating the Scout Cabin, no meetings of the Brownies will be held until further notice.

Frank Amond has sold his house on Obispo Street to Mrs. Charles Best and has purchased the Medbourn house.

December 13, 1933

Plans have been completed for CWA to improve the school grounds. CWA is now working on Ohio Street and Lake Shore Drive. Cement curbs are being put in now and paving will follow.

The thermometer dipped to eight above zero and produced a fringe of ice along the shores of the Lake for the second time this winter.

December 12, 1923

Two federal officers, along with county officials, raided the Lenon Pool Hall, Mack's Restaurant, Dan Walter's place, and Tuck Swihart's in a search for evidence of violating the Prohibition law, but nothing more than hard cider was found.

Wolfgang Wilfert has received a letter from his brother in Germany telling of the horrors of inflation, a pair of shoes costing a billion marks. No one can buy sugar and the food situation is horrible. The hospitals are overcrowded and the railroads are almost non-existent for public travel.

About 50 masked members of the Ku Klux Klan attended the church service at the Grace Reformed Church Sunday night.

cooperation, and loyalty. In his remarks he said, "Each one of you, by virtue of your work and interest, represent our bank in relation with each customer we are privileged to serve."

"Our growth this year, as in past years, is noted in all phases of our bank operation," Mr. Osborn said. "deposits, loans and other services—the total volume, are now at the highest level ever recorded by our banks. Bank customers expect and deserve good, sound financial services. Depositors, as well as borrowers, are our clients, and, with due respect for their needs, we must always serve them well."

The veteran bank official speaking of agricultural loans said, "We are proud of our record of service to farmers. The State Exchange Bank continues to lead other Indiana banks in agricultural loans to farmers. In this important bank service, national comparative records show that we are a leading bank in five mid-western states and our rank nationally is among the leaders of 14,000 banks. In fact, if farm loans of the Farmers State Bank were added to those of The State Exchange Bank we would rank among the top 60 banks in the nation. We are proud of our service to farmers. This continuing interest is a compliment to every staff member."

Mr. Adams expressed appreciation to Charlotte Jung, vice president, and to members of her Christmas Party Committee for their work in arranging the '73 party. He also expressed appreciation to William Larimore, director, and Mrs. Larimore in securing the many decorations from foreign lands contributing to the festive atmosphere of the annual Holiday party. Assisting Miss Jung with arrangements were Margaret Swanson, Mrs. D.E. Walker, Vern McKeec, and J.C. Beck.

Mr. Adams told of the annual bonus to be presented to more than 120 employees this week. Hampton Boswell, vice president, reported on the Employees Pension and

## Helps Shrink Swelling Of Hemorrhoidal Tissues

caused by inflammation

Doctors have found a medication that in many cases gives prompt, temporary relief from pain and burning itch in hemorrhoidal tissues. Then it actually helps shrink swelling of these tissues caused by inflammation.

The answer is Preparation H®. No prescription is needed for Preparation H. Ointment or suppositories.

### Profit Sharing Trust.

Following dinner, guests joined in the auditorium where the evening's entertainment featured musical artist, Lou Prohut, and his six children, ages 11 to 19. Formerly a star on Don McNeil's Breakfast Club, Prohut is a widely known TV entertainer.

With a stage setting of lighted trees with some 250 wooden, clay, and straw decorations from foreign lands, the Lou Prohut group presented a lively variety of dances and music from many lands, ending with a salute to our own nation.

Where earlier Robert Brockus and John Deery had conducted a drawing for scores of Christmas gifts, at the close of the program, guests joined about the Christmas trees where Miss Jung and members of her committee assisted guests in the selection of a foreign land decoration as their 1973 party favor.

### Chamber - From Page One

Rust presented the report of the nominating committee. The Chamber Constitution provides for the presentation of a slate of new officers at each annual meeting.

The office of president was omitted from the report of the nominating committee, because the several members contacted by the group could not, for various reasons, serve in the post. The membership voted the following other officers into office by unanimous approval: James Kalinke, 1st vice president; Capt. A.W. Whitney, 2nd vice president; Mrs. Norman Kelly, Treasurer; Mrs. Ted Strang, Secretary; and Col. Kermit Zeig, director.

Since the nominating committee could not propose a new candidate for the office of president, the Board of Directors will meet later this week to fill the office.

## THE CHRISTMAS GIFT THAT KEEPS ON GIVING

Bothered or worried about a gift, one that will be thoughtfully appropriate, and one that will be appreciated? A wonderful gift is a SAVINGS ACCOUNT at our bank — The State Exchange Bank, Culver, Plymouth, or Argos. Most appropriate for wife, daughter, son, brother, grandchildren or other loved ones.

It will be among the most cherished of Christmas gifts. It suggests, in a very real way, the idea of thrift, encouraging the priceless habit of saving. Most important, it has the earmarks of an endowed gift in that it has the capacity, if nurtured, to keep on giving.

Why not consider giving a SAVINGS ACCOUNT? Truly a gift that keeps on giving from
