Clean—Up, Fix—Up, Paint—Up Week

Get your cleaning tools ready! This week is "Clean-Up, Fix-Up, Paint-Up Week."

The Culver Area Chamber of Commerce has announced that April 28 through May 4 will be the period designated this year as the competition time for the traveling trophy shown at right.

The trophy will be presented to the club, organization or school class completing the best Clean-Up project by May 4, when the judging will be held.

Contestants are urged to contact Bill Snyder (842-2828), Elizabeth Sytsma (842-2982), or Marilyn Kelly (842-2755). These people can register your project so that it can be properly judged.

As part of this project, volunteers are needed to assist the Culver-Union Township Volunteer Fire Department to wash down the main streets of Culver. Interested individuals or groups are urged to contact Don Overmyer, Fire Chief.

SAE MAKES FINAL PLANS FOR SUNDAY "RIDE A BIKE"

The CCHS SAE (Student Action for Education) group, local coordinators for the statewide "Ride A Bike For the Retarded" Day to be held Sunday, April 28th, in Culver, Monterey, and Leiters Ford, recently announced that they are still recruiting riders for the coming event.

Riders will solicit sponsors from within the community who will pay the cyclists a predetermined amount for the mileage they cover during the ride. Contributions will go to the Indiana Association for Retarded Children and to centers in the community to provide new services for the mentally retarded.

Interested riders may obtain registration forms at the Culver Community High School or by contacting Marty McCombs, West Washington Street, Culver. Telephone 842-2632.

MAXINKUCKEE JUNIORS TO IMPROVE LAKE SHORELINE

On Saturday and Sunday, April 27th and 28th, the Maxinkuckee Junior Women's Club will begin the task of improving the sloping shoreline of Lake Maxinkuckee at the Town Park. Part of the club will travel to Wabash to obtain plants while the remainder will prepare the slope with truck loads of black dirt. On Sunday afternoon the plants will be put in with the help of local youth groups. It is hoped that this will make a beautiful and scenic shoreline with the flowering plants and will also keep the present erosion from recurring. Anyone wishing to help with the Saturday work within the community will be greatly appreciated. Work begins at 9:00 a.m. More information may be obtained through Mrs. Ronold Tusing.

In other business at their meeting Monday evening, the group decided to sponsor the cake walk at the annual Spring Carnival,

CMA WILL COMPETE IN POLO TOURNEY

Culver Military Academy's polo team will compete in the U.S. Polo Association's National Interscholastic Tournament, to be played this year at Collins Field in Pebble Beach, California. Culver will compete with four other teams from across the United States for the championship.

The tournament was started in 1928 but was stopped in 1941, then re-instated in 1970. Since then, Culver has won four consecutive national titles.

First string team members are Eric Oppenheimer, captain, Warren Bonnie, Judson Wroe and Bill Sawyer. Alternates are Dan McCarthy and Rick Groom. New players include Bill Daniels and Brad Shearer. Culver's polo coach is Lt. Col. F.W. 'Sam' Townsley, director of horsemanship at C.M.A.

May 3rd, Mrs. Michael Overmyer will be in charge.

The glass recycling schedules for the summer months were distributed and glass will again be collected each Saturday morning beginning with the first Saturday in June. Before the meeting began, the group saw a demonstration of the new glass crusher given to the club by the Culver Jaycees. Jaycees Michael Overmyer and Robert Osborn Jr. were on hand to show the machine's use to members.

The speaker for the evening was Mrs. Grant, County Probation Officer. She spoke on this county department and encouraged individuals to become volunteer probation helpers.

Mrs. James Kalinke was the hostess for the evening, with Mrs. William McBeth and Mrs. Helen Derzenski assisting.

The final meeting of the club year will be held on May 14th at the Culver Inn. This meeting will include the installation of officers and will begin at 7:30 p.m.

Probation After Death

This is the subject of the Lesson-Sermon which Christian Scientists all over the world are studying this week. It explains how to make progress in overcoming and mastering various problems with which man is confronted in daily life, such as making decisions, overcoming fear, and having dominion over the body. I Cor 9:25: "Every man that striveth for the mastery (in games) is temperate in all things."

The lesson also includes Matthew 5:1-10 - the Beatitudes from the Sermon on the Mount. They tell us how Blessed (happy) are we when we gain certain good qualities.

"The Sermon on the Mount is

the essence of this Science, and the eternal life, not the death of Jesus, is its outcome." is a quote from the Christian Science Textbook Science and Health with Key to the Scriptures by Mary Baker Eddy. You will find a most hearty welcome at First Church of Christ, Scientist in Plymouth.

LIBRARIAN TO BE FEATURED ON CCHS RADIO SHOW

Mrs. Eva Belle Surber, Culver Community High School Librarian, will be the featured guest on the High School radio program for Sunday, April 28th. Mrs. Surber will speak on how parents can aid their youngsters in doing better school work. The program will be aired this coming Sunday at 1:10 p.m. on WTCA Radio, Plymouth.

Announcers for the 1974-75 series of the CCHS radio program were announced this week. They are senior K.G. Walter, Juniors Rick Hammond, John DeWitt and Herb Newman, and sophomore Rick Warner.

To the Editor:

This past week-end some person or persons drove past my house and fired a shot through the window on the porch and cracked the glass in the living room window. The police were out and said it was probably a pump-pellet rifle or pellet gun because a 22 shell would have went through both windows. What really concerns me is my son sometimes plays with his dog on the porch and if he had been out there at the time this happened he very well might have been seriously hurt. The police told me that our house was not the first to have this happen. There was others too. I don't have any idea who the person or persons responsible for these sick acts are. But someone with a disturbed mind would do something like this. I pray that you wake up and realize that before you hurt someone first. If you continue shooting at peoples homes, that is just what's going to happen.

Dear Editor,

On April 14, 1974 there were near-by tornado warnings and sightings out.

At that time the Culver Fire Department sounded the warning siren. As you drove in the county firemen were also standing by and looking for funnell clouds.

Others I'm sure that it was a great relief knowing this was being done. I hope it is a policy from now on. It seems the tragic tornado taught us a lesson that was in Rochester, Ind. every second counts.

To Be Re-Enacted**

The event, sponsored each year by local service clubs and interested citizens from North Bend Township, Culver, Monterey, and Leiters Ford, will feature a "Fabulous Fifties" theme, complete with a "sock hop" in the school gym.

The festivities start at 12:30 a.m. in the gym with a game of "Live Checkers." Live entertainment will be provided by The Midnight Hour, starting at about 2:00 a.m. Breakfast will be served to those who are still on their feet later in the morning.

This is a guide for parents and gives modern insight into new and age-old issues.

Another volume in the Art of Sewing series published by Time-Life has been received: **THE CUSTOM LOOK**. Just the thing needed to create those new styles for the coming spring and summer season.

More than a thousand people,

over a hundred ships and planes swallowed up into the sea without a trace-LIMBO OF THE LOST, by John Wallace Spencer, presents several accounts of the Bermuda Triangle, and one of the great unsolved mysteries of our time. **JUST US HOOSIERS**, and how we got that way, is about people of every sort who gathered at the natural crossroads of a great continent. It's about heroes, heroines, rogues and honest rebels, preachers, poets, philanthropists, farmers, politicians, novelists, inventors and educators; paw paws, persimmons, tornadoes, coal, obsolete automobiles and the vanished interurban. An interesting book for all true Hoosiers to read, written by Dale Burgess.

The meetings of the Epilepsy Services Program are open to all interested persons, wherever they live. Meetings are held the last Monday evening of every month at 519 North Walnut in Plymouth.

Program director Mrs. Mary Haas explained that the program involves getting together for coffee and discussion of a common problem. There are no fees involved, either for joining the group or participating at meetings. Any local resident with problems

relating to epilepsy or who would like more information about epilepsy are welcome to attend the meetings. The next meeting will be Monday, April 29th, at 7:30 p.m.

**WHAT'S A NISBOVA?
COME TO CCHS AND FIND OUT!**

It's not really a Nisbova—it's NISBOVA—the Northern Indiana State Band, Orchestra and Vocal Association, and member schools will descend upon Culver early Saturday morning to participate in the annual High School Band and Chorus Contest sponsored by the Association.

Culver Community High School will host the competition, in which over 1,000 chorus and band members from all over northern Indiana will vie for top honors. The public is invited to this all-day event, which begins at 8:30 a.m. and ends at 5:00 p.m.

The choral group competition will start the day off, with groups from Northridge, Woodlan, Eastern, and Carroll High Schools performing. The high school bands will start playing every half-hour beginning at 10:30 a.m. and continuing until 5:00 p.m. High school bands in the order of their appearance are as follows: Eastern, Woodlan, Northridge, Carroll, Culver, Hanover Central, Eastside, West Noble, Northfield, Manchester and North Judson. The groups will break for lunch from 12:30 to 1:30 p.m.

Following their concert presentation of three selections, each band will then go to a sight-reading room, where they will be playing music they have never seen before in competition.

It promises to be an exciting day, so visit the bands Saturday at CCHS!
