

# THE CULVER CITIZEN

VOLUME 80, NUMBER 33

AUGUST 22, 1974

## Busses Start Monday

### SCHOOL SCHEDULE ANNOUNCED

The school busses of the Culver Community School Corporation will make regular runs on Monday, August 26, for the first day of school. Bus schedules have been arranged so that busses will arrive at schools around 8:00 A.M.

Two pickup points have been established on a one year basis for children residing in the Town of

Culver. The first will be at the intersection of Academy Road and West Terrace. Students expected to use this pickup point have been identified from last year's bus list.

The second pickup point will be located at the intersection of South Main Street and Batabano in the south end of town. Any student planning to use this pickup point should contact the elementary school office not later than August 28 in order to be placed on the bus list. Students will not be transported from this second pickup point unless they are on this list by August 28th.

School dismissal time this year is again 3:00 P.M. for the schools in Culver, with a few minutes later for Monterey and Aubbeenaubbee.

### BEGINNER ART CLASSES OFFERED AT ANCILLA

Ancilla College's Art Department is offering a series of short art courses designed for those interested persons who have had no art experience. The first course to be offered is Drawing and Sketching. Classes will be held September 5th, 12th, 19th, and 26th from 1:00 to 3:00 p.m. The last day for registration for this course is Wednesday, August 28th.

In October, two different courses will be given. "Painting With Oils" is scheduled for Thursdays, October 3rd, 10th, 17th and 24th from 1:00 to 3:00 p.m. The second course, "Design Experiences With Wood," will be offered October 4th, 11th, 18th, and 25th on Friday mornings from 9:45 to 11:45 a.m.

All the classes offered will be technique-demonstration courses for beginners. Generally the courses carry no credit, but if it is desired one credit hour can be obtained provided the student puts in the additional required clock hours and satisfactorily completes the required assignments. This would be on a tutorial basis. Sister M. Consilia Danyi will be teaching the courses.

(mostly very good ones, in my opinion) and re-runs of previous network programming.

You can turn in and see old friends like Sergeant Bilko (remember him?) and The Honey-mooners (Ralph the bus driver, etc.) and many more. It's a fun station to watch and they are providing an alternative to the networks.

GET READY-GET SET-GO...  
**BACK TO SCHOOL!**

### CULVER COMMUNITY SCHOOLS MENU Week Of August 26, 1974

**Monday, August 26**—Pork and beans, hot dog in bun, potatoe chips, celery sticks, applesause, milk.

**Tuesday, August 27**—Chicken and dumplings, green beans, bread and butter, lettuce salad, pineapple, milk.

**Wednesday, August 28**—Macaroni and cheese, peas, bread and butter, coleslaw, Jello, milk.

**Thursday, August 29**—Meat loaf, buttered cabbage, bread and butter, orange juice, fruit cocktail, milk.

**Friday, August 30**—Bar-B-Q, potato salad, corn, carrot sticks, tapioca, milk.

### STRAIT APPOINTED CHAIRMAN FOR BICENTENNIAL

Dr. Richard L. Strait has been appointed chairman of the Bourbon and Triton school corporation for the American Revolution Bicentennial celebration, Marshall County Commission Director Robert K. Kyle has announced.

A Bourbon dentist, Dr. Strait has long been interested in Indiana and national history, and with Mrs. Strait will direct the two-year celebration of the 200th anniversary of the American Revolution, the Declaration of Independence, the Constitution and the Bill of Rights.

Every television that can receive any South Bend station can receive all five stations. So tune these two new ones in sometime, won't you?

As for the networks, I think they will have to do some work this Fall to beat last year's poor record. Shows last year were so bad the kids were doing their homework in the evenings!

Be seeing you.

### A Note About Deadlines

In order to provide a high quality newspaper to our readers, the following deadline dates have become necessary, so that required typography and layout can be completed before presstime each Wednesday afternoon. Your cooperation will enable us to produce a newspaper that is always on time and is as accurate as possible.

**For News Copy** we need information by Tuesday at 5:00 p.m., although late-breaking stories can still be set up to Wednesday noon.

**Society Items** should arrive at the Citizen office by Tuesday at 10:00 a.m. You may feel free to telephone shorter items, although longer items can be published more accurately if typewritten.

**Classified Ads** can be mailed or telephoned any time, although publication will not be guaranteed if received after Tuesday at 10:00 a.m.

**Display Ads** can be placed through Tuesday evening, although early orders allow more time for creative composition and strategic placement.

**Photographs** should be scheduled a week in advance whenever possible. Monday is the last regular shooting day for that Thursday's issue.

School Days Mean  
**SAFE DRIVING DAYS**

# NEXT WEEK'S HOROSCOPE

By Clay R. Pollan

Note planetary ruler of your birth symbol

FOR WEEK BEGINNING MONDAY, AUG. 26, 1974

### ★ If your birthday occurs this week...

... you find great satisfaction in privacy, secluded occupations and matters of a mysterious nature. You take great pleasure in your many friendships and you excel at getting people to work together smoothly in your activities. Many envy you and cover this jealousy by being hostile, which shouldn't worry you.

### ♈ Aries Mar. 21 - Apr. 19 Pluto ☿

There is a strong probability of you getting out and around and putting bigger mileage on your car than is usually the case. If you have in mind to turn in your present automobile for a new or better model, this is a good time to make a deal. There are no indications of money problems.

### ♉ Taurus Apr. 20 - May 20 Venus ♀

This week will undoubtedly be a hard-working and quite a strenuous period. You are more likely than usual to get caught up in tedious chores which will take up a lot of time. Act quickly if you get a tip about finance. Women make the best companions now. Men are inclined to argue or criticize.

### ♊ Gemini May 21 - June 20 Mercury ☿

This week's events are certain to stir up sentimental memories. You will be revisiting places important in your past life or renewing contacts with people almost forgotten. Good news connected with the future will boost your morale. Good luck is indicated through a person who is tall and quick-witted.

### ♋ Cancer June 21 - July 22 Moon ☾

An unexpectedly happy-go-lucky mood will prevail this week. You will complete jobs with dispatch and will offload responsibility, which will give you more time for leisure and pleasure. Life could take on an added sparkle, as members of the opposite sex will try hard to please you.

### ♌ Leo July 23 - Aug. 22 Sun ☼

The tendency will be to throw to the winds your habitual caution. A slightly reckless mood will incline you to gamble or take unnecessary risks. It's best to follow a conservative line and take nothing for granted. Be just a bit careful to show discretion in handling friends.

### ♍ Virgo Aug. 23 - Sept. 22 Mercury ☿

You certainly won't be able to complain that life is boring now. Your activities will be more varied than usual. Informal or impromptu entertainment will be successful. Find time to fuss over the one who means most to you. You'll realize how fond you are of your home and certain dear friends.

### ♎ Libra Sept. 23 - Oct. 22 Venus ♀

A week when it will be far too easy to make the wrong assumptions. This will make for a somewhat hectic period when there are delays, changes of plan, and when certain people do not perform as they agreed. A dynamic, unorthodox person will change ideas a bit. Associate mostly with Leo and Sagittarius.

### ♏ Scorpio Oct. 23 - Nov. 21 Mars ♂

It will be in your interests to slow down the pace of your activities, to be as deliberate and objective as possible. Many interruptions and distractions are indicated. Favor companions who've proved reliable in the past and place little faith in strangers or newcomers to your circle.

### ♐ Sagittarius Nov. 22 - Dec. 21 Jupiter ♃

Throughout the week you'll find yourself subject to rumors, gossip, reports and statistics which will tend to muddle your thinking. You may find yourself the butt of rather more criticism than is usually the case. The puzzling behavior of your loved one will turn out to be pleasant surprise.

### ♑ Capricorn Dec. 22 - Jan. 19 Saturn ♄

This is a time at which to set out to please rather than to rough other people up. Events may require a short trip, or writing of a decisive letter. Someone nearby is willing to be of help in promoting your ideas. Be on guard for possible deceit or other trouble through a man.

### ♒ Aquarius Jan. 20 - Feb. 18 Uranus ♃

Money prospects are unfavorable rather than favorable. You'll be inclined to be extravagant and careless. This is a time to limit your risks rather than stick your neck out. Relationships with the opposite sex will be unfavorable. They are likely to be offhand than affectionate. Good news at the weekend.

### ♐ Pisces Feb. 19 - Mar. 20 Neptune ♆

This week's stars are definitely favorable to your present and future status and prospects. Relationships with the more important people in your circle should show distinct improvement now. Negotiations which you have afoot are an important step forward. Put a brake on your generosity to friends.

## CCHS PRESENTS BASEBALL AWARDS

The Culver Community High School Athletic Department has announced winners for this year's baseball program.

Major award winners are Mike Busart, Dean Day, Larry Faulstich, and Brent Lindvall, seniors; Tim Crowl, Dean Good, Jeff Jones, and Mike Nelson, juniors; Mark Baldwin, Tim Bauer, Bob Thomas, and Tony Triplet, Sophomores; and John Dewitt, Don Geiselman, Paul Keith, and Bruce Musial, freshmen; and Tim Osborn, Manager.

Minor award winners were Ron Beaver and Kevin Johnson. Special awards were also given: The Golden Glove award went to Bob Thomas, catcher, and Jeff Jones, center fielder; Dean Day received the +300 Batting award, and Tim Crowl won the Clifton award as Leading Hitter. Pitching awards went to Dean Day and Larry Faulstich. Bruce Musial won the Hustle, Inc. award, a new category. The award is presented to the boy who hustles the most and gives most to the squad in the minds of the coaches.

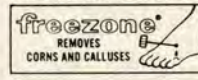

## First Application Relieves Itchy Skin Rash

Also Helps Promote Healing

Medicated Zemo quickly relieves itching, irritated skin. Then Zemo helps nature heal and clear red, scaly skin rashes externally caused. For fast relief, get Zemo Ointment or Liquid.

## Freezone is for corns that hurt.

Absolutely painless. No dangerous cutting, no ugly pads or plasters. In days, Freezone eases the hurt... safety helps ease off the corn. Drop on Freezone—take off corns.

## Tree Litter

From time to time, when the west wind blew, twigs and leaves from Fred Miller's poplar tree would flutter down into a neighbor's back yard. Resentful, the neighbor finally took the matter into the courtroom.

"It is up to Miller to keep his litter out of my yard," he told the judge. "If there is no other way, then let him cut the tree down."

But the court refused to mix in. Noting that the tree was located entirely on Miller's land, the court said he could not be blamed for the natural process of shedding.

Generally speaking, the law will not interfere with natural growth on private property.

Thus, another man was held entitled to maintain four large maple trees on his land even though they kept a neighbor's house in the shade. The court said his freedom to use his own property outweighed the indirect annoyance to the neighbor.

On the other hand, the neighbor may have a valid complaint when the injury he suffers is more substantial. Thus, when branches actually spread across the property line, most courts give the neighbor the right to chop them off at the boundary.

Furthermore, a neighbor usually has grounds for suit if a tree threatens his safety. Another case involved a badly decayed elm, standing near a back yard fence. The next door neighbor, fearful of an impending accident, warned the tree's owner of the danger—to no avail.

One morning, during a storm, a heavy bough split off and fell across the fence, smiting the neighbor on the shoulder. Under these circumstances, the owner of the tree was held responsible for the neighbor's mishap.

The court said he had no more right to keep a dangerous tree on his property than to keep a dangerous building.

## MR., MRS. HILL RETURN FROM ILLINOIS

Mr. and Mrs. Robert Hill have returned from Maywood, Illinois, where they attended the funeral of Mrs. Hill's sister, Mrs. Evalyn Stokes, who passed away August 14th after a long illness.

A native of Terre Haute, Mrs. Stokes was a regular visitor to Culver before her illness and attended local churches on her visits.

## CLIFTON REUNION

The 69th Clifton Reunion was held Sunday, August 18, at the home of Mr. and Mrs. Robert Kepler, Culver, with 44 attending.

The youngest present was Chris O'dell, age 1½, the oldest present was Lewis Kepler of Argos at 80 years old, and the farthest traveled was Mr. and Mrs. John Hiatt who came from Florida.

Officers for the next year are Garland Loury of Warsaw, President; Terry Clifton of Culver, Vice-president; and Helen Peer of Plymouth, Secretary-Treasurer.

The 70th Clifton Reunion will be held at the home of Mr. and Mrs. Terry Clifton, Culver, on the third Sunday in August, 1975.

## REV. SHARP HONORED

Rev. Earl Sharp, in his sixth year as pastor of the Culver Wesley United Methodist Church, was recently notified that he is to be featured in the First Edition (1976-77) of "Who's Who In Religion." This single biographical directory will concern itself with all faiths with approximately 16,000 biographical sketches of men and women of America who have distinguished themselves in religious endeavor.

Rev. Sharp is in his seventeenth year as United Methodist Conference Statistician, is on the Board of Directors of the Wesley Manor United Methodist Retirement Home at Frankfort, president of the Culver Community Churches in 1973, and president of the Culver Lions Club in 1974. He has his Bachelor of Arts degree from Manchester College, his Master of Divinity degree from Asbury Theological Seminary, and his Doctor of Divinity degree from Universal Bible Institute.

## CELEBRATE 55TH!

Mr. and Mrs. W. R. Keiso, Sr., formerly of Culver, celebrated their 55th wedding anniversary on August 14, 1974.

They are now residents of Sebring, Florida.

The Citizen says "Congratulations!"

REV. EARL SHARP

"Help train a nurse you may need!"

Marshall County Voiture 40/8

## Baker—Zehner

MISS BAKER, MR. ZEHNER WED AT MONTEREY

Following a wedding trip to Michigan and Ohio, Mr. and Mrs. Richard Zehner are now at home at Monterey.

Miss Vicki Baker, daughter of Mr. and Mrs. Charles N. Baker of Culver, and Mr. Zehner, son of Mr. and Mrs. James Zehner, Monterey, were united in a double-ring ceremony June 22nd at St. Ann's Church at Monterey. Rev. John Mannion, pastor of St. Ann's, performed the afternoon ceremony, at which Miss Mary Lou Langenbahn played the wedding music.

The bride wore a gown of nylon chiffon with Venice lace applied over taffeta. The gown was styled with a sweetheart neckline, long fitted sleeves with bridal point tips, a raised bodice and daisy lace overlay. The bell-shaped skirt of her gown featured a wide ruffle at the hemline and flowed into the chapel-length train. A Camelot cap of Venice lace held the bride's shoulder-length veil of nylon

illusion, and she carried a bouquet of daisies, pink rosebuds and bachelor's buttons.

Debbie Reinhold served as her sister's maid of honor. Bridesmaids were Debbie Brown, Mary Zehner and Margie Keller. Kelly Baker of Culver, sister of the bride, was the flower girl. The bride's attendants wore Empire gowns featuring puff sleeves and ruffled necklines and hemlines. White picture hats and bouquets of daisies and blue bachelor's buttons completed their outfits.

Joe Reinhold performed the duties of best man, and Joe Zehner, Stu Manchester, and Don Master were groomsmen. Jim Baker and Jim Pottoff seated the guests, and Matthew Zehner was ring bearer.

A reception in the church Social Rooms followed the ceremony.

The new Mrs. Zehner is a graduate of Culver Community High School. Her husband, also a Culver high school graduate, is employed with his father.

### ANCILLA SATELLITE COURSES TO BEGIN IN ROCHESTER

Ancilla College will establish satellite courses at Rochester High School on Tuesday and Thursday evenings beginning September 10th. In its effort to extend the opportunity for educational growth and enrichment to a broader area, the small junior college located near Donaldson is offering both credit and non-credit courses. Because of its North Central accreditation, credits earned at Ancilla can be transferred to any other college or university.

The fee for credit courses is \$22 per semester hour. These courses are also available for non-credit registration for a reduced fee of \$15 per semester hour. Enrollment is open for interested persons from college bound high school seniors to senior citizens.

Courses slated for the fall semester are U.S. History to 1865, American National Government, Introduction to Calculus, General Psychology and Drawing. These credit courses will meet twice weekly concluding on December 19th.

Two non-credit high interest courses also scheduled are Rapid Reading and Basic Wiring. The Rapid Reading course is concentrated in three high powered two-hour sessions (October 1st, 8th and 15th) and carries guaranteed results or tuition refunded. Basic Wiring will meet on five Tuesday evenings, September 10th, 17th, 24th and October 1st and 8th, and includes demonstrations and practical applications. 'Graduates' of this course have been known to successfully complete the wiring in their new homes, passing inspection with flying colors.

Courses for which there is insufficient enrollment will be dropped at the option of the college. For registration information, call Ancilla College in Donaldson at 936-9936.

### Helps Shrink Swelling Of Hemorrhoidal Tissues

caused by inflammation

Doctors have found a medication that in many cases gives prompt, temporary relief from pain and burning itch in hemorrhoidal tissues. Then it actually helps shrink swelling of these tissues caused by inflammation.

### MISS MITZELL APPOINTED HEAD OF DANCE AT ACADEMY

Cathy Eileen Mitzell, who has been an assistant instructor of dance at the Culver Summer Schools since 1969, has been appointed Director of Dance and Choreography at the Culver Summer Schools.

A graduate of Indiana University at Bloomington this summer, Miss Mitzell majored in dance and minored in French. Stressing the qualities of high scholarship, character, leadership and service, the Indiana University School of Health, Physical Education and Recreation awarded her the Maxwell Medal on graduation. The medal, given to a senior woman of Indiana University, was awarded for outstanding participation in extra-curricular activities of the University.

Miss Mitzell has studied dance under such famous artists as Martha Graham, Alvin Ailey and Eric Hawkins. She was an assistant instructor at the Culver Summer Schools while an upper class student at the Culver Military Academy. As a daughter of a member of the Culver Educational Foundation staff, Miss Mitzell is one of only a few young ladies who has graduated from the traditionally all-boy military academy. She graduated in 1970, one year before the Culver Academy for Girls was started on the Culver campus.

Cathy's father, Channing E. Mitzell, is the director of development for the Culver Educational Foundation schools, which includes the military academy, the academy for girls, and the five Culver Summer Schools.

Now is the time to have your Fall and Winter garments repaired before the busy season. Albert, the Garment Repair Specialist.

### CCHS ANNOUNCES ADDITION TO FACULTY

Culver Community High School officials announce this week that Miss Deborah Welsh has been employed to teach Speech, Dramatics and English in the Culver Community High School for the school term beginning in August, 1974. Miss Welsh is a graduate of Connersville High School, Ball State University, and has been teaching speech and drama the past year at the Centerville, Indiana High School.

Miss Welsh has a broad background in the field of speech and drama. Her addition to the Culver staff will accelerate the offerings in these areas. While in college she was active in the Ball State Student Center Governing Board Fine Arts Committee, the Ball State Modern Dance and Ballet Company, and participated in a number of dramatic productions. She directed several productions, both dramatic and musical, in high school while at Centerville.

Miss Welsh will be married in early August to Mark Vohmer, who is employed by the Umbaugh-McQueen accounting firm in Plymouth.

In addition to her teaching duties in speech and drama, she will be teaching a college preparatory course in "Research" and sponsoring the Drama Club.

### CCHS REVAMPS SOCIAL STUDIES PROGRAM

With the opening of the Fall, 1974 term at Culver Community High School, the Social Studies program will have a "new look." This year social studies textbooks throughout the state have been changed as required by state law, and with the adoption of new books, the local high school thoroughly re-evaluated its program and course content. Coordinator of the high school social studies program and chairman of the textbook selection committee is Mr. Latham Lawson.

Under the new program, student

choice of subjects has been substantially enlarged and traditional requirements and course content which was out of date or simply not meeting student needs have been eliminated.

New classes to be offered include "World Cultures," which is a combination of the classical geography and World History classes but takes the most important aspects of both and unites them into a single class. "City Life" is a course designed to give a better understanding to students of the problems of city life in the 20th century. "Poverty and Prosperity" is somewhat based on the Economics course offered in the past, but again will have more modern applications. "News and Views" (a Current Events course) will be based almost entirely on the events of the day and their effects on people of the country.

Other courses included in the social studies curriculum will be Psychology, Sociology, Government and U.S. History. Students will be required to continue to study one full year of History plus one semester of Government. The second semester of social studies will be elective and taken from one of the courses mentioned above.

### DIVINE HEART SEMINARY HAS NEW SOCCER COACH

Divine Heart Seminary's new soccer coach for the 1974 scholastic season will be Enrico Mordini of Plymouth. The Donaldson secondary school selected Mordini as mentor over a number of well-qualified candidates.

Born in Italy, Mordini came to this country as a youth and continued to play amateur and semi-pro soccer all through his school days at Highland Park, Illinois. While he played every position on a soccer team he was essentially a left winger. During his service in the U.S. Army, Mordini maintained his interest in the sport although he had little opportunity to play.

Those Times You Suffer

## Acid Indigestion, Painful Stomach Gas

...this is 'Gasid Indigestion.'  
Take DI-GEL for Fast Relief.

DI-GEL® gives more complete relief because it does what plain antacids can't. It reduces excess acid. Also contains Simethicone to get rid of gas, too. Heartburn, gas, bloating go fast. Get DI-GEL.

## Get Action...

## GO CLASSIFIED

## before you buy... HEAR THE TUNED SOUND SYSTEM ALLEGRO 3000

From ZENITH an exciting listening experience

#### The CASCADE • Model ES89W

This new stereo features the exclusive Zenith Allegro 3000 speaker systems. Each with an open, tuned port venting the front. In combination with the 10" woofer the port acts to extend and enhance the bass response. Add the precise highs from the 3 1/2" horn and you have an amazing, complete sound. Rich and full. There's more... an FM/AM/Stereo FM tuner with Digitile automatic scale selector. Target Tuning for fast, easy and accurate tuning. 8-track tape player. Stereo Precision III record changer. Micro-Touch® 2G tone arm. Two Plus Two Matrix. Hear it today!

MAGICWORD by JULIE QUART

**HOW TO PLAY:** Read the list of words. Look at the puzzle. You'll find these words in all directions - horizontally, vertically, diagonally, backwards. Draw a circle around each letter of a word found in the puzzle then strike it off list. Circling it will show a letter has been used but will leave it visible should it also form part of another word. Find the big words first. When letters of all listed words are circled, you'll have given number of letters left over. They'll spell out your MAGICWORD.

STRIKE THREE Sol.: 11 letters

**MARK VARNAU  
NEW MERCHANDISING  
DIRECTOR**

Mark A. Varnau, assistant vice president, Hook's Drugs, Inc., has been appointed director of merchandising of the 185 unit drug store chain. The announcement was made by the company president, Norman P. Reeves.

Varnau, who joined Hook's as a Kokomo store pharmacist upon his graduation from the Purdue University School of Pharmacy in 1959, was appointed a divisional stores coordinator in 1964 and served in that capacity until he became a sundries buyer two years later. He was elected an assistant vice president in 1970 and continued in his buying position for the company.

Varnau and his wife, Ann (Theisen), are the parents of six children and they reside in suburban Carmel, Indiana.

**HOOK DRUGS EARNINGS UP;  
185TH STORE OPENS**

Hook Drugs, Inc. has announced record sales and earnings for the first six months of 1974, according to Board Chairman August F. Hook. During the January through June period, sales totaled \$55,810,002, compared to \$47,517,921 in 1973. This is an increase of 17.5%. Earnings advanced 25.9% over the previous year's total to \$1,823,720. The 1973 figure was \$1,448,732.

A dividend of 15 cents per share was previously declared by the board of directors on May 14th. It represents an increase of 4 cents per share over the April 30th dividend and is payable July 30th to shareholders of record July 15, 1974.

On July 25th, Hook's opened its 185th drug store at 21st and Mitthoeffer Road on the far East side of Indianapolis. This brings to 14 the total number of new drug stores opened in 1974 by the only-Indiana chain. They are located in suburban Indianapolis, North Webster, Culver, Crawfordsville, New Whiteland, Marion, Gas City, LaPorte, Goshen, Columbia City and Wabash.

other choice, though he realizes these legal battles can be messy as well as protracted. With court calendars as jammed-up as they are, Sally could consider herself a lucky girl if she gets married by Christmas.

**HOLLYWOOD TV TICKER**-GLEN CAMPBELL quit his popular TV show because he had no "creative control" over it. So says the golden-haired all-American recording star. In an exclusive interview, the singer-actor said that network executives tried to cast him in the image of an apple-cheeked country singer. "I don't like to think of myself as an all-round entertainer," he said firmly. "I dare anyone to classify my singing as country, pop or rock." Glen says there is no love lost between him and CBS, the network he says exploited him and curtailed his artistic expression... CHARLIE CHAPLIN was 85 recently and as he was blowing out his birthday candles, he admitted that he has finally retired.

**TV HOTLINE**-JAMES ARNESS has poo-pooed reports that he's looking for a way out of "Gunsmoke"; he's been doing it for 20 years!...Everybody knows that VINCE EDWARDS played "Ben Casey" - but what only a few people knew was that ROBERT REDFORD was offered the part first. He was a starving actor in those days, but he turned the offer down. Even then he had a feeling he was going to make it big. How right he was!...Auditions for the revived "Your Hit Parade" drew 250 singers from whom three were chosen: KELLY GARRETT, CHUCK WOOLERY and SHERA-LUE. They will be backed by MILTON DeLUGG's orchestra. © 1974, McNaught Syndicate, Inc.

Now is the time to have your Fall and Winter garments repaired before the busy season. **Albert the Clothes Doctor.**

**GENERAL REVENUE SHARING**

General Revenue Sharing provides federal funds directly to local and state governments. Your government must publish this report advising you how these funds have been used or obligated during the year from July 1, 1973, thru June 30, 1974. This is to inform you of your government's priorities and to encourage your participation in decisions on how future funds should be spent.

# GET YOUR \$ WORTH

BY SALLY AND JIM ADAMS

## BEWARE THE HOME IMPROVEMENT GYPS - II

Last week we listed some of the home-improvement swindlers that are costing homeowners an estimated billion dollars a year. Your defense against such racketeers consists in (1) knowing how the fraudulent contractors operate, and (2) how to deal with a reputable contractor.

If the salesman who comes knocking at your door to sell you a home-improvement job tries to hurry you into signing a contract on the spot - be suspicious. He's usually a fast talker and his reason

for conning you is that he's offering a special price "for today only," or that the repair crew "just happens to be in your neighborhood" and so they can do the job at a reduced cost. Don't fall for this line. Your house won't fall down if the repairs aren't made today.

Before you sign any contract, ask these questions: How long has the firm been in business? What is its permanent address and phone number? Can the salesman provide you with the names and addresses of homeowners he's done work for recently? Can he prove the firm carries adequate insurance against property damage as well as workman's compensation to cover his employees?

If these questions are answered to your satisfaction, talk to the people who have had work done by the firm. An ethical contractor won't object, nor will he mind if you check with local suppliers that have dealt with him. In dealing with a contractor, it's worth the effort to check with the local Better Business Bureau and your local consumer protection agency. Ask them if they've received any complaints about the firm.

The guarantee for the work to be done should be in writing and it should involve both labor and materials. Don't pay in advance for labor. The contractor has the right to ask for weekly payments on large jobs, however, but don't get ahead of him. Most important, read that contract very carefully before you sign. If there's any doubt, have a lawyer look it over. The added expense could pay off in the long run.

## OUR HOOSIER STATE BENEATH US

INDIANA GEOLOGICAL SURVEY, DEPARTMENT OF NATURAL RESOURCES

### SANITARY LANDFILLS: Where To and Where Not To

Sanitary landfills are playing an important role in today's disposal of wastes. The environmental safety of these waste repositories depends on the geology and hydrology of the chosen sites. Geologists of the Indiana Geological Survey have prepared a report explaining the suitability of typical sites in Indiana. Geologists also use data available from Survey files and collect more data at the proposed landfill site in evaluating specific locations.

It is important for the protection of our ground and surface water that sanitary landfill sites be geologically suitable—chosen with extreme care to prevent water pollution.

### DON'T BURN THOSE DRAFT CARDS YET, BOYS...

Mrs. Luella McGuire, Executive Secretary of Selective Service Area Office No. 5, located in the Plymouth Building, 310 North Michigan Street, Plymouth, announced recently that registration is still required for eighteen-year-old males. "Induction authority expired about a year ago, July 1, 1973, but young men are still required to register," she pointed out.

The Area Office registers young men from the counties of Fulton, Kosciusko, Marshall, Pulaski and Starke. Hours are 8:00 a.m. to 4:15

p.m. weekdays. "Registration the past fiscal year, July 1, 1973-June 30, 1974, has been very strong," Mrs. McGuire commented. "But we still need to inform as many young men as possible regarding their responsibility to register when they reach the age of 18," she added. Eighteen-year-olds have a 60 day period starting 30 days before their 18th birthday in which to register for Selective Service. "Selective Service operations are still in force," she added, and noted that registration, the lottery, and classification are still going on and only inductions have stopped.

**YOUTH GROUP**

**TAKING IN THE SIGHTS** at the Como Park Conservatory, St. Paul, Minnesota, are these members of the Senior High Youth Group of the Grace United Church of Christ, Culver. The happy wanderers are, left to right, **FIRST ROW:** Don Geiselman, Louellen Weiger, Terry

Beck, Marcia Beck, Rev. John Krueger, pastor of Grace Church, and Don Sysma. **SECOND ROW:** Pat Brown, Susan Middleton, Twyla Shaffer, Roger Thews, Ron Sysma, Tim Beck. **THIRD ROW:** Ken Reininga and Donna Reininga. Photo Courtesy of Youth Group

**YOUTH GROUP SEES MINNESOTA SIGHTS**

The Senior High Youth Group of Grace United Church of Christ left Sunday, July 28th, on a week-long journey to various cities in Wisconsin, taking in the sights as they went.

Rev. John Krueger, pastor of Grace Church, drove one of the three cars in the caravan of fourteen people. Also driving were Terry Beck and Ken Reininga. The group visited several churches on their visit, and spent their nights as guests of various congregations along their route. Stops included Wisconsin Dells and the boat trips

offered there. The "Twin Cities" of Minneapolis and Saint Paul, Minnesota, Madison, Milwaukee, and Sheboygan County, Wisconsin, and O'Hare Field in Chicago on the return trip.

Highlights of the journey included a visit to Rev. Krueger's alma mater, United Theological Seminary in the Twin Cities, a tour of the Kohler Company showroom and family home, built after the original family home in Austria, and "tubing" down the Apple River in Somerset, Wisconsin. The group also enjoyed tours of churches designed by Frank Lloyd Wright in Madison and Milwaukee, and many other interesting geographical and architectural points of interest.

**Arthritis Sufferers:**

**WAKE UP WITHOUT ALL THAT STIFFNESS!**

New formula for arthritis minor pain is so strong you can take it less often and still wake up in the morning without all the pain's stiffness. Yet so gentle you can take this tablet on an empty stomach. It's called *Arthritis Pain Formula*. Get hours of relief. Ask for *Arthritis Pain Formula*, by the makers of *Anacin*<sup>®</sup> analgesic tablets.

**ELEMENTARY-JUNIOR HIGH ANNOUNCES STAFF ADDITIONS**

Culver Elementary-Junior High School Principal William F. Mills announced recently the appointment of the following new faculty members for the 1974-75 school year.

Mrs. Kathleen A. Zentz has been hired to teach Home Economics at the Junior High School for the coming year. Mrs. Zentz has five years of teaching experience, and taught last year in Warsaw. She is a Ball State University graduate and has done graduate work at Indiana University at South Bend. She and her husband reside in Argos.

Mrs. Jacqueline K. Nifong of Plymouth will teach one of the first grade sections at Culver Elementary School this year. Mrs. Nifong is a recent graduate of Ball State University.

Mrs. Margaret Jewell, 432 School Street, Culver, will teach one of the fourth grade sections at Culver Elementary School for the 1974-75 year. Mrs. Jewell has just completed her B.S. degree at Indiana University at South Bend, with part of her undergraduate work done at Ancilla College. Mrs. Jewell is a Culver-Union Township High School graduate and a long-time Culver resident.

Miss Jill Alyce Dains is an English and Psychology major and will teach sixth grade literature and English for the coming year. Miss Dains is a Ball State University graduate and has also done some work at Taylor University. Miss Dains plans to move to the Culver

area in the near future.

Mr. Thomas Sholly has been hired to teach Remedial Reading under Title I for the coming school year at Culver Elementary School. Mr. Sholly received the Bachelor of Science degree from Ball State University and has partially completed the requirements for a master's degree with emphasis on remedial reading. Mr. Sholly taught Remedial Reading under Title III at Bethel Boys School last year.

Mr. Sholly's wife, Judith, received her bachelor's and master's degrees from Ball State in Elementary Education, and has taught in the Monroe Central School Corporation for the past four years. Mrs. Sholly will teach second grade at Culver. The couple plan to move to the Culver area in the near future.

Mrs. Ruth Myers, a Ball State graduate with a master's degree in Elementary Education and an Elementary Counseling license, has been hired for the coming year. Mrs. Myers has five years of teaching experience in elementary schools. She taught last year in the Union School Corporation, Modoc, Indiana. Mrs. Myers will begin her duties the week of registration for the Aubeenaubee, Culver, and Monterey schools.

**CHANNEL 34 MAKES CONNECTION WITH PBS**

Thursday, August 8th, Channel 34, the area public television station, received control of the microwave link between the station and The Public Broadcasting Service network. Control was transferred from General Telephone, Indiana Bell, and A.T. & T. Long Lines.

The interconnection follows six months of bidding, red tape and construction of a 200 foot antenna tower at the Elkhart Area Career Center, where the studios of Channel 34 are located. The interconnection will alleviate Channel 34's dependence on the Indiana Higher Education Telecommunications Network for its feed of PBS programming. It also appreciably improves the broadcast signal of Channel 34, with a brighter, clearer picture on home receivers.

Interconnection is not yet complete. The audio signal arrives on land lines and at this time a broadcast-quality line is not available between Mishawaka and Elkhart. Once the audio line is completed by General Telephone, additional tones can be added to the sound, thus reducing Channel 34's present "sharpness."

## News About Books

**New Non-Fiction Books**

THE WOMAN HE LOVED, the story of the Duke and Duchess of Windsor, and written by the same author as "Jennie," Ralph G. Martin.

A very useful book for kindergarten teachers, nursery school teachers, and mothers is STORIES TO TELL TO CHILDREN. This is a selected list and edited by Laura Cathon, Marion Haushalter, Virginia Russell, and Margaret Hodges.

Minstrel shows, burlesque, domestic melodramas...there was something for everybody. And there still is in Philip C. Lewis' TROUPING, how the show came to town.

Conversations with parents about today's pediatrics is the subject of NEW WIVES TALES, by the children's doctor, Lendon H. Smith.

What do I say to a dying person? How do I explain death to my children? How do I choose a funeral director? How do I administer an estate? These are questions answered in CONCERNING DEATH, A PRACTICAL GUIDE FOR THE LIVING, edited by Earl A. Grollman.

The interior walls of your home and how to build them, move them, and tear them down; how to decorate them with paint, paper, panelling, mirrors, tiles, carpets and hundreds of other things are all in THE WALL BOOK, by Stanley Schuler.

The latest special by Golden

Hands is ARRANGING FLOWERS AND GROWING HOUSE PLANTS.

Diseases passed on by inheritance is discussed in THE INVISIBLE CHAIN, by Elizabeth Jolly.

For the traveler, there are two new books. The first is WHERE TO STAY, from \$0c to \$7.00 a night, an Arthur Frommer publication. The second is a fourth edition, revised and enlarged, GUIDE TO ALL MEXICO, by John Wilhelm.

A psychiatrist helps you interpret your dreams in I HAD THE CRAZIEST LAST NIGHT, by Marion A. Steele with Ronald M. Armstrong.

A foremost dress designer of her day, MADEMOISELLE CHANEL, resolved to create fashions that scorned girdles and whalebones of the early part of the present century. She offered clothes that would permit a woman to feel free, to move, and to have fun. She had often said, "The corset is nothing more than a survival of the Middle Ages' chastity belt." This interesting book is authored by Pierre Galante.

ABOUT BEHAVIORISM\* by B.F. Skinner. Read the author's views on: man and his emotions, the roots of knowledge, thinking, the existence of self, the question of free will and self-control, and a host of other long-held principles.

THE ASCENT OF MAN, by Jacob Bronowski, is an illustrated collection of man's great scientific ideas, from the invention of the wheel to the discovery of the structure of DNA.

**LAKE SWIMMERS OUT IN FULL FORCE**

The time of year has come once again when swimmers in the area choose to pit their strength against Lake Maxinkuckee.

Reports of swimmers who conquer the length or breadth of the lake filter in throughout the summer, and these athletes' stamina is truly inspirational.

Yet two more swimmers made the watery journey recently. Linda Clyne, daughter of Joseph and Sue Clyne of Tempe, Arizona, is a recent graduate of the Culver Summer Schools, and decided to swim the breadth of the lake Monday. She set out accompanied by two cousins, Debbie and Jim Clyne of Indianapolis, and their father, Alan, who followed Linda in a boat. At last report from Grandmother Peg (Mrs. Joseph) Clyne, Linda was close to the family pier and the end of her journey. It is assumed that she successfully reached shore.

Earlier, another intrepid swimmer took the "scenic route," swimming the length of the lake.

Miss Clyne's marathon swim was part of a belated entertainment package she produced for her parents, who arrived in Culver several weeks late August 12th after being involved in a serious automobile accident in Oklahoma City while en route to Linda's graduation from the Summer School program. Because her parents had missed the annual Moonlight Serenade, Linda made up for it by staging one of her own aboard the family boat, renamed the "Fouler" for the occasion. Fireworks, sailors outfits, and "live" music courtesy of the Clyne's tape deck, made for an entertaining Saturday evening not only for Linda's family, but much of the East Shore as well!

**HOOKE'S VICE PRESIDENT TO RETIRE**

William G. Clayton, vice president, merchandising, for Hook Drugs, Inc., has announced his retirement, effective September 1st. He joined Hook's in 1964 as an assistant vice president, director of merchandising. He also has retired as a member of the board of directors.

He began his career in drug store retailing as a pharmacist in his father's drug store in Grand Island, Nebraska, after his graduation from the University of Nebraska School of Pharmacy. He also attended Stanford University.

When he joined the firm, Hook's operated 79 drug stores and their sales volume was \$29,000,000. Today, Hook's operate 185 drug stores and showed a 1973 sales total of \$101,000,000.

## Moseng Wedding

MR. AND MRS. JOHN MOSENG

### MR., MRS. MOSENG AT HOME IN WISCONSIN

After a wedding trip through northern Wisconsin, Mr. and Mrs. John L. Moseng are at home in Eau Claire, Wisconsin. They were married in the Ascension Lutheran Church there Saturday, August 10th, with Rev. Warren A. Granke officiating.

The bride is the former Anita C. Harvey, daughter of Mr. and Mrs. Donald Harvey, Eau Claire. Her husband is the son of Mr. and Mrs. Lloyd R. Moseng of Culver.

The bride was given in marriage by her brother, Mr. Harry W. Harvey, and Donna C. Harvey

served as her sister's maid of honor. Robin J. Leary was bridesmaid.

Willard Moseng, brother of the groom, was best man, and Joseph N. Kettner acted as groomsman. Ushers were the bride's brother, Charles A. Harvey, and Claude C. Held III.

A reception at the Eau Claire Holiday Inn followed the ceremony.

Now is the time to have your Fall and Winter garments repaired before the busy season. Albert, The Garment Repair Specialist.

### CROWNOVER JOINS NIPSCO QUARTER CENTURY CLUB

DeVere V. Crownover, of Monterey, is one of 15 Northern Indiana Public Service Company employees to observe 25-year anniversaries with the utility in August.

Crownover, a native of Paris, Tennessee, began his NIPSCO career as a janitor in the company's General Office in Hammond. He received promotions to head janitor, groundman driver and digger driver helper before being named a groundman operator in Plymouth—the position he now holds.

DeVere is a member of the Eagle's Lodge in Hobart.

He and his wife, Lydia, have five grown children and ten grandchildren.

The Crownovers attend the Nazarene Church in Gary.

### MARSHALL COUNTY RECEIVES PROPERTY TAX REPLACEMENT FUND SHARE

The first of three fall Property Tax Replacement Fund distributions will be mailed to the Marshall County Treasurer Friday.

The payment represents 15% of the fall distribution. Marshall County will receive \$107,144.85.

Revenue Commissioner Donald H. Clark pointed out that those units needing to borrow funds will be assisted by the early distribution. Also, he noted that other units could earn interest on the investment in certificates of deposits or in direct Federal obligations.

### WOMEN'S SOFTBALL HIGHLIGHTS BLUEBERRY FEST

The Plymouth Women's Softball League will host their first annual Blueberry Festival Tournament. There will be eight teams participating in single elimination.

Culver will be represented in the tournament, with Dr. Tom Pugh of the Culver Dental Clinic serving as sponsor. The team is coached by Dennis Westafer and Ken Reininga, and the team captain is Nancy Quess. The Culver team was organized this year. Other towns which will be represented in the tournament are Bourbon, Bremen, LaPorte, Mentone, Plymouth, and Argos.

### HIGH SCHOOL EMPLOYEES NEW VO-AG TEACHER

Culver Community High School officials announce the employment of H.E. Jahn as Vocational Agriculture teacher for the high school as of August 1st.

Mr. Jahn is a native of Hicksville, New York. He attended New York State University of Agriculture and Technology, the University of Georgia and is a graduate of the University of Kentucky. He has done graduate work at Ohio State University, and comes to Culver after several years of teaching at Wahama High School in Mason, West Virginia.

Mr. Jahn is married and the father of five children, including a set of twins, four years old.

### GIRL SCOUTS SEND UP S.O.S.

Leaders of the Girl Scouting program in Culver are sending out an urgent call for help at all levels.

A local Scouting unit needs a Service Unit Chairperson before Scouting on any level can operate. The Service Unit officer works with adults, not the scouts themselves. It is an "overall" executive-type position, but no previous scout leading experience is necessary.

The Service Unit Chairperson serves as program director and as liaison with organizational bodies beyond the local level. It is impossible to operate a Girl Scout program without filling this position.

After a volunteer is found to fill the Service Unit position, the local unit is in need of leaders at all levels—Brownie (second and third grades), Juniors (fourth, fifth and sixth grades), and Kadettes (beyond sixth grade). There is also a Brownie program available for first graders that lacks only a leader to be put into operation.

Some towns require that one or both parents assist in the Scouting program as a prerequisite to their child's membership. Culver has never established such a requirement, but in the absence of volunteers such drastic measures may be necessary.

Scout leading is a rewarding and very worthwhile experience, and it is of genuine value to the children of Culver. Concerned adults are urged to contact Mrs. John Krueger to volunteer some time and energy to the Girl Scouts.

## LETTERS

August 12, 1974

Editor:

According to the news media, a number of the members of the House Judiciary Committee had an agonizing time soul searching and trying their consciences with how they should vote on impeachment. Wouldn't it be wonderful if all our Representatives and Senators applied the same agonizing to the spending of the taxpayers money? Maybe we could whip inflation yet.

S. M. Bass  
Culver, Ind.

## AGONIZING PAIN FROM INGROWN TOENAIL?

Get Outgro<sup>®</sup> for fast relief

Why suffer the agony of ingrown toenail pain when Outgro can give you fast, temporary relief? Outgro toughens irritated skin, eases inflammation, reduces swelling without affecting the shape, growth or position of the nail. Outgro gives you fast pain relief, and makes it easier to cut out the nail - cut out the pain caused by ingrown toenail. Stop ingrown nail pain fast with Outgro.

### TRI-KAPPA MEETING MEASURES BAZAAR SUCCESS

One pound of potatoes for \$1.75? A pound of sugar for \$2.25? Soaring grocery prices are usually not much cause for laughter these days, but Monday evening at Mrs. Don Muehhausen's home it was all part of the fun. As Tri-Kappas relaxed at their first meeting since the Christmas in August Bazaar, these and other items weighing one pound were auctioned as gift wrapped mystery boxes by one "Col. Hooper."

A wine tasting buffet was also thoroughly enjoyed by members. The entertainment was planned by the newly initiated members and all the money earned will be used as general operating capital for Tri-Kappa as all funds collected for the Bazaar are limited to use for scholarships, cultural projects, and charitable efforts throughout the next two years.

The mood of the evening was relaxed and informal and permeated by a general feeling of a big task well done. The fund raiser netted just over \$5,000.

Bazaar chairwomen Beverly Wyman and Mary Edgell were given the thanks of the chapter for their work and they, in turn, expressed appreciation to all the members for time and effort given the project.

It was also decided at the meeting to run a Bridge-A-Rama for 1974-75. Organization will soon get underway. Other projects continue, such as the monthly Blood Pressure Clinic and driving migrant girls to Scout meetings in Plymouth.

The next meeting will be on September 16th at the home of Faith Hippensteel.

### DuBOIS FAMILY REUNION HELD AT TOWN PARK

The DuBois Family held a reunion in Culver's Town Park all day Sunday, August 11th. Mr. and Mrs. Don DuBois, Route 2, Culver, hosted many of the visiting relatives later in the evening at their home.

Family members who attended the reunion were Mr. and Mrs. Don Dubois, Mr. and Mrs. Charles Tiberi and family, Gene Sittler, Charles Tiberi Jr. and Pam Wilson, all of Villa Park, Illinois; Mr. and Mrs. Bill Ransom and family of Culver; Mrs. Lindie Pratt and son Gary of Winamac; Mrs. Ronald Pratt and infant son of Morocco, Indiana; and Mr. and Mrs. John Gruber and daughters, Anna Katschke and Joe Panico, all of Melrose Park, Illinois.

Also present were Mr. and Mrs. James Woods and family of Lombard, Illinois; Marie Overmyer and Gail Hand, both of Plymouth; Karen Martin and daughter Jackie, of Culver; and Mr. and Mrs. Eugene Hilgenberg and daughters of Maywood, Illinois. A carry-in lunch followed by lots of games and "old times" were shared by the group.

### BELL ADDS EQUIPMENT IN CULVER

Indiana Bell began an equipment installation project the week of July 30th in the Culver telephone office which when completed will provide 12 additional circuits between here and South Bend.

Kent Kledzik, Bell manager, said the \$13,500 project is designed to provide for future growth in long distance calling both to and from the Culver area.

Technicians from the Western Electric Company, the manufacturing and supply unit of the Bell System, are installing the new equipment. They expect to complete their work in early September.

ZEMO relieves itching fast because its special 'anti-itch' medication soothes inflamed surface tissues. Get relief with the first application of soothing, medicated ZEMO—Ointment or Liquid. **zemo**

**SPECIAL CAMPS BEGIN AT CMA**

The Culver Special Camps began their second summer of operation Monday, August 12th, with an increase of 63 students over the original enrollment of 164. Under the direction of John Babcock of the Academics' staff, the six specialized camps have enrolled 227 students in concentrated two-week sessions of Indian Lore, Riding, Rifle, Sailing, Scuba and Soccer.

Teaching students between the ages of 11 and 16, special camp instructors conduct classes five hours every day. Living in the Culver dormitories and eating in the main Dining Hall, Special Camp students have full use of the academics' facilities, enabling them in their free time to participate in numerous sports and activities outside their specialization.

Babcock said, "Unlike the Culver Summer Schools, the Special Camps provide students with one area concentration in the camp they choose. They work hard, have fun and gain proficiency in their specialties."

**FAMILY CAMP UNDERWAY**

Whole families began moving into Culver Woodcraft Camp cabins Saturday, August 10th, for week-long vacations. The Culver Family Camps, started in 1968 with 30 families, have experienced a rapid growth, and this year 114 families have enrolled.

Originally, the Family Camps were reserved for Culver alumni or parents of students, but last summer the reservations were extended to include families with children who were within three years of attending the Culver Academics, Summer Schools or Special Camps.

Many Culver alumni introduce their families to the environment of their teen days, and an increasing number of families unfamiliar with Culver are enjoying the Culver experience for the first time.

Under the direction of John L. Babcock of the Culver staff, the Family Camps have developed into one of the fastest-growing undertakings in the Academy's 80-year history. Babcock said, "Family Camps provide a very pleasant vacation. Families have full use of the numerous Culver facilities, including golf, tennis, swimming, boating, fishing and horseback riding."

**Di-Gel QUICKLY RELIEVES 'Gasid Indigestion'**

...it's those times you suffer acid indigestion and painful gas, too.

DI-GEL® gives more complete relief because it does what plain antacids can't. It reduces excess acid; also contains Simethicone that gets rid of gas, too. Heartburn, painful gas go fast. Get DI-GEL.

**PEEPS INTO PEOPLE**  
Through circumstances rare in historical research there has come to my attention a rare and almost lost manuscript by Thomas A. Hendricks of his boyhood friendship with Cole Porter, our greatest Hoosier of American composers. "Captain" Frank Amond, of our sturdy excursion craft Maxinkuckee history is indebted, and to Mrs. Robert E. Hollowell, Jr., East Shore Drive, Cynthia, daughter and only child of the late Tom Hendricks for letting me use parts of this 93 page manuscript, a proposed forward of more.

**Chapter XI  
In The Good Old Summer Time**

To get away from the deep heat and dust of the town (Peru) in midsummer almost everyone had an aunt or uncle to visit on a farm. Cole didn't have to worry about that for he had farms enough of his very own. But the most fortunate went away to the "Lakes." To the Shirks and Edwards, the Coles and the Helms and our family, the "Lakes" meant Lake Maxinkuckee where Culver Military Academy is located.

It was then and is today a beautiful spot. Come motor car, motor boat, or airplane, Lake Maxinkuckee has always held for those who go there that magic paradise for generations of happy Hoosiers since 1836, when the first white man built a home there, and before that for untold regimes of Potawatomie and Miami Indian chiefs as musical as its pleasant waters - Neeswangee, Aubbenaubee, Menominee.

Cole and I spent many happy summer days at Maxinkuckee. Hundreds the turtles we netted, thousands the shiners we seined. All day we spent on or in its waters. The big time for us, of course, outside of meals, came each afternoon while we were in bathing, when the big lake steamer PEERLESS docked. Down to meet it came all the summer colony, including the Landis family of Logansport—Fred, Congressman, newspaper editor and playwright, and his brother, Kenesaw Mountain, whose hair was as just as much like a puffy snowdrift in those days as now. (Ed. Note: K. M. Landis became U. S. District Judge at Chicago and later Baseball Commissioner after the "Black" White Sox World's Series Scandal in 1919).

According to Great Lakes or ocean standards, the PEERLESS wasn't a big steamer, but in the eyes an eight-year-old youngster it was a wonderful creation. It took masterful maneuvering and seamanship to bring the boat to a successful landing. Much bell-ringing and whistle-tooting between Captain Crook, the pilot, and the engineer, and backing of water and reversing of the engine were necessary procedures to complete a landing. This was particularly true when whitecaps followed the lake and Captain Crook would shake his head and say: "Boys, it's a rough ocean today. You'd better not come aboard."

But usually he'd let us come aboard anyway, and climb upon the "roof" of the boat at the bow near the flagpole as the PEERLESS backed away from the pier we would dive off and swim to shore.

That was the routine followed by all of us but Cole. Like us, he climbed aboard the PEERLESS in his dripping bathing suit, but while

we scampered up to the top deck to get the most advantageous positions for our dives, Cole slipped to the stern of the boat in his wet bathing trunks, sat down on the varnished piano stool and began hammering away on the piano. For a few precious minutes Cole had everything to himself, for Captain Crook and the engineer, Jonas, were very busy getting the steamer underway, so Cole banged away without fear of interruption, for the engine blanked out the noise, or piano noise. However, when the engineer got the signal to change from reverse to forward, full steam ahead, there was a moment when the propellers were motionless. Then it was that Cole's pounding came clearly and unmistakably to the ears of all.

This seemed to infuriate Captain Crook because he knew that Cole was sitting on the varnished piano stool in his wet bathing suit and was ruining the nice slick coating of that prized piece of marine furniture. Deserting the steering wheel in the bow of the boat, he'd rush aft and chase Cole off his sticky perch. No matter how fast and breathless the doughty captain charged, Cole always outsprung him, cleared the boat rail in one grand circus-inspired parabolic leap, and belly-busted smash into the water.

**HERE AND THERE:** Thanks to the persistence of Paul Snyder, Sr., S. R. 10 west of S. R. 17 intersection has had a much-needed resurfacing. Rev. Charles L. Haney, 87, retired, looks youthful in a dapper straw hat...If there ever was a dream house in a setting of broad vistas it is the new home of Mr. and Mrs. R. Norman Baxter, long time residents from Indianapolis and now permanent here. The general contractor was Harry F. Lysell, East Shore Drive...Jacob

Lischko, 462 Liberty, continues in poor health.

**\*\*\***  
**FLOWERS GALORE:** Mr. and Mrs. John F. Bigley have the grandest flower garden I have ever seen. There are dahlias large as plates, Zinnias in every size and color, glads that could top anything at this week's State Fair. These were all grown on built-up waste land on the fringe of their famed orchard, which is one of the last two commercial orchards in the country. The orchard and sales pavilion are run by son David and Mrs. Bigley and their daughter. John is not able to help following a spinal operation which has left him on crutches, but he has never given up and keeps going as needful therapy. During his active years he was one of the leaders in apple growing and was president of the Indiana Horticultural Society, oldest in U.S....Everything is INSTANT now—even to instant grandmothers. Recently an East-sider had a son who wed a widow...  
Robberies all over...At the State Fair a reserve champion steer was highjacked and champion pigeons went into someone's pot.

**WHEN IT'S WET** we have mosquitoes and when it's dry we have chiggers.

**VALERIE HISSONG  
HONORED IN WHO'S WHO**

Valerie Hissong, daughter of Mr. and Mrs. Wayne Hissong of Letters Ford, was recently notified that she is to be featured in the Eighth Annual Edition of Who's Who Among American High School Students. This is the largest student award publication in the nation.

Valerie is a senior at Culver Community High School, and is active in Sunshine Society, Pep Club, French Club, National Honor Society, pom pom squad, and is president on SAE.

Students from 20,000 public and private high schools throughout the nation are recognized for their leadership in academics, athletics, activities or community service. Less than 3% of the junior and senior class nationwide are awarded recognition.

In addition to having her biography published in the book, Valerie will also compete for one of ten scholarships.

Miss Hissong plans to attend college upon graduation.
